Supplemental Schedule
June 30, 2022

Independent Auditor's Report

To the Plan Trustees of
JCCS, P.C. 401(k) Profit Sharing Plan and Trust
Great Falls, Montana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of JCCS, P.C. 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of JCCS, P.C. 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section;

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of JCCS, P.C. 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about JCCS, P.C. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of JCCS, P.C. 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about JCCS, P.C. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of June 30, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of JCCS, P.C. 401(k) Profit Sharing Plan and Trust. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated April 14, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

JCCS, P.C. 401(k) Profit Sharing Plan and Trust

Notes to the financial statements

Note 1: Description of Plan

The following description of the JCCS, P.C. 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

Junkermier, Clark, Campanella, Stevens, P.C. (JCCS, P.C. or the Company) established the Plan effective December 1, 1983. The Plan was restated, effective July 1, 2015. The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Eligibility

Contributions to the Plan have separate eligibility requirements:

- Safe Harbor contributions and Elective salary deferrals – Employees who have attained the age of 21 and have completed at least 500 hours of service in six months.
- Company non-elective contributions – Employees who have attained the age of 21 and have been employed by the Company for 12 months, providing they have completed 1,000 hours of service during that 12-month period.

Contributions

Participants may contribute to a traditional or Roth account from compensation up to a combined annual maximum of the lesser of 100% of eligible compensation or the Internal Revenue Service limits. The total elective salary deferral may not exceed the limits under Internal Revenue Code (IRC) Section 402(g), as adjusted annually. Participants who have attained age 50 are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit plans or defined contribution plans (rollover). The Plan includes an automatic deferral feature whereby a participant is treated as electing to defer 3% of eligible compensation unless the participant makes an affirmative election otherwise.

Funding Policy

The Company makes safe-harbor and non-elective contributions based on the eligibility guidelines noted above. The safe-harbor contributions are equal to 3% of eligible annual participant compensation and are 100% vested upon contribution. Additional non-elective amounts may be contributed at the discretion of the Company's Board of Directors. To receive a Company non-elective contribution, a participant must be employed on the last day of the plan year or have worked in excess of 500 hours. The non-elective contribution was 7% and 9% of eligible annual compensation for the years ended June 30, 2022 and 2021.

JCCS, P.C. 401(k) Profit Sharing Plan and Trust

Notes to the financial statements

Note 1: Description of Plan (Continued)

Participant Accounts

Each participant account is credited with the participant's contributions and an allocation of (a) the Company's contributions, (b) Plan earnings, and (c) forfeitures of terminated participants' non-vested accounts. Each participant may direct the trustee as to how the assets of their contributions are to be invested among the available investment asset classes. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their elective deferrals and safe-harbor contributions, plus actual earnings thereon. Vesting in the Company's non-elective profit-sharing contributions and earnings thereon is based on covered years of service. A participant is 20% vested after two years of covered service and vesting is increased 20% for each year of covered service thereafter. A participant is 100% vested after six years of covered service.

Investment Options

Upon enrollment in the Plan, a participant may direct their own contributions as well as the employer contributions. There are various investment options available, and participants may change their investment options at any time. Participants may change their deferral contribution amounts at any time.

Notes Receivable From Participants

The Plan permits participant loans on employee vested funds. Loans are made in accordance with the Plan's loan policy and applicable Internal Revenue Service and Department of Labor regulations. Interest rates will be equal to 2% above the *USA Today* prime rate, the day the loan is made. Participants must pledge sufficient collateral for the loan. Loans are generally repaid through payroll withholding and require full repayment ratably over not more than five years, unless the loan was taken for the purchase of the participant's principal residence. Participants may have only one loan outstanding in any 12-month period, loans must be paid in full for 60 days before a new loan may be issued, and the original loan amount cannot exceed 50% of the participant's vested balance, or \$50,000, whichever is less but cannot exceed the employee contributed amount of their account; on the date of the loan.

Payment of Benefits

On termination of service, a participant may elect to receive an annuity, installment payments, ad-hoc, or a lump-sum amount equal to the value of his or her account. Employees who reach retirement age but continue to work for the Company are eligible for in-service distributions under the same provisions as a retiree or terminated participant. Benefit payments to participants are recorded when paid.

JCCS, P.C. 401(k) Profit Sharing Plan and Trust

Notes to the financial statements

Note 2: Summary of Significant Accounting Policies

Forfeitures

When certain terminations of participation in the Plan occur, the non-vested portion of the participant's account, as defined by the Plan, represents forfeiture. The non-vested employer non-elective contributions, except safe-harbor non-elective contributions, which are 100% vested, will be allocated to the remaining participants' accounts. The total amount of forfeitures to be reallocated to participant accounts was \$25,139 and \$35,574 for the plan years ending June 30, 2022 and 2021, respectively. The forfeiture balances were reallocated to eligible participant accounts in conjunction with the funding of the respective year's employer non-elective profit-sharing contribution.

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States (U.S. GAAP).

Use of Estimates in Preparation of Financial Statements

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Retirement Plan Advisory Committee, which also acts as the Trustee of the Plan, oversees the investment managers for the Plan. The Plan's investments are stated at fair value. Notes receivable from participants are valued at their outstanding balances plus any unpaid accrued interest, which approximates fair value. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded if the participant is otherwise eligible for a distribution.

JCCS, P.C. 401(k) Profit Sharing Plan and Trust

Notes to the financial statements

Note 2: Summary of Significant Accounting Policies (Continued)

Administrative Expenses

Investment and asset management fees, including trading costs are paid by the Plan. All other fees associated with the Plan are paid by the Company and are excluded from these financial statements. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Fees related to the administration of distributions and notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Subsequent Events

Management has evaluated subsequent events through the date of the independent auditor's report, April 12, 2023, the date the financial statements were available to be issued.

The Plan was restated effective July 1, 2022, in accordance with the IRS's Cycle 3 restatement period requirements.

The Plan was amended to decrease the eligibility period for deferrals and the safe harbor non elective contribution from six months to immediate, effective July 1, 2023.

Note 3: Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts and the assets will be distributed to participants in proportion to their respective account balances.

Note 4: Participant-Directed Investments

As of June 30, 2022 and 2021, all investment accounts were participant directed.

JCCS, P.C. 401(k) Profit Sharing Plan and Trust

Notes to the financial statements

Note 5: Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level I) and the lowest priority to unobservable inputs (Level III). The three levels of the fair value hierarchy under FASB Accounting Standards Codification (ASC) 820 are described as follows:

Level I – Quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date.

Level II – Inputs other than quoted prices included within Level I that are observable for the asset or liability, either directly or indirectly. Level II inputs include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are not active; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level II input must be observable for substantially the full term of the asset or liability.

Level III – Unobservable inputs for the asset or liability for which there is little, if any, market activity for the asset or liability at the measurement date. Unobservable inputs reflect the custodian's own assumptions about what market participants would use to price the asset or liability. These inputs may include internally developed pricing models, discounted cash flow methodologies, as well as instruments for which the fair value determination requires significant management judgment.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of June 30, 2022 and 2021.

Common collective trusts: Valued at the published price of the net asset value (NAV) of units of the common collective trust which is deemed to represent the trust's readily determinable fair value.

Registered investment companies: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

JCCS, P.C. 401(k) Profit Sharing Plan and Trust

Notes to the financial statements

Note 5: Fair Value Measurements (Continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at:

	Fair Value of Assets as of June 30, 2022			
	Level I	Level II	Level III	Total
Investments at fair value:				
Common collective trusts	\$ -	\$ 3,137,201	\$ -	\$ 3,137,201
Registered investment companies	18,203,593	-	-	18,203,593
Total investments at fair value	\$ 18,203,593	\$ 3,137,201	\$ -	\$ 21,340,794

	Fair Value of Assets as of June 30, 2021			
	Level I	Level II	Level III	Total
Investments at fair value:				
Common collective trusts	\$ -	\$ 2,229,038	\$ -	\$ 2,229,038
Registered investment companies	23,451,596	-	-	23,451,596
Total investments at fair value	\$ 23,451,596	\$ 2,229,038	\$ -	\$ 25,680,634

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Note 6: Tax Status

The Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan and related trust, as then designed, were in compliance with the applicable requirements of the IRC. Although, the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and is currently being operated, in compliance with the applicable requirements of the IRC and therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

JCCS, P.C. 401(k) Profit Sharing Plan and Trust

Notes to the financial statements

Note 6: Tax Status (Continued)

U.S. GAAP requires Plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

Note 7: Information Prepared and Certified by the Custodian

Certain information related to the Plan's investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at June 30, 2022 and 2021 and net appreciation (depreciation) in fair value of investments, interest income and dividends for the years ended June 30, 2022 and 2021, was obtained or derived from information certified as complete and accurate by John Hancock Trust Company LLC, Custodian of the Plan.

Note 8: Related Party Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, a person who owns 50% or more of such an employer or relatives of such persons. Some Trustees of the Plan are also participants in the Plan. They are eligible to participate in the same manner as all other participants in the Plan.

The Company, which is the Plan Sponsor and third party administrator of the plan, provides certain administrative services at no cost to the Plan.
