INDEPENDENT AUDITORS' REPORT

To the Participants and Plan Administrators of the
Magic City Enterprises ERISA 403(b):

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Magic City Enterprises ERISA 403(b) Plan (the "Plan"), which comprise the statement of net assets available for benefits as of June 30, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 10, which was certified by Mutual of America Life Insurance Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained

a certification from the trustee as of and for the years ended June 30, 2022 and 2021, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter - Supplemental Schedules

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule H, Line 4i - Schedule of Assets Held for Investment Purposes is the responsibility of plan management and is presented for the purpose of additional analysis and are not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedules referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

(1) Description Of The Plan

The following description of Magic City Enterprises 403(b) Plan (the “Plan”), provides only general information. Participants and all others should refer to the Plan Document for more complete description of the plan’s provisions.

General

The Plan is a defined contribution plan covering substantially all full time employees of Magic City Enterprises (the “Plan Sponsor”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). Magic City Enterprises is the plan sponsor and plan administrator.

CARES Act

On March 27, 2020, the Coronavirus Aid, Relief and Economic Security Act (CARES Act) was signed into law. The CARES Act allows retirement plans to provide participants who are impacted by the coronavirus (as defined in the CARES Act) with greater access to their savings.

Through June 30, 2021, qualified individuals are permitted to take a distribution in an amount up to \$100,000 from the Plan. Any such distributions are not subject to the 10% early distribution penalty or the mandatory 20% federal income tax withholding rate. Participants who take a qualified distribution have the option to have the distribution taxed over a three-year period, with the ability to recontribute up to the full amount of the distribution within three years and not be subject to the federal income tax as a result. Required minimum distributions for fiscal year 2021 are waived for retired and retirement-aged individual.

Contributions

Each participant may elect to reduce his or her compensation and have such amounts contributed to the Plan as pre-tax contributions. Pre-tax contributions are excluded from a participant’s taxable compensation in accordance with the provisions of the Internal Revenue Code (IRC).

The IRC imposes certain restrictions on the amount of annual additions to an individual participants accounts, as well as an aggregate limit on contributions and requires compliance with certain nondiscrimination tests. The annual limit on a participant’s before-tax contributions was \$19,500 for 2022 and 2021.

Plan participants who are age 50 or more by the close of the Plan year, may elect to make catch-up elective deferrals up to \$6,500 per year. These elective deferrals are for

eligible participants whose elective deferrals have been restricted by either a statutory ceiling or by a plan limit.

The Company may make a discretionary matching contribution. The Company's matching contribution is determined annually at the end of the prior fiscal year. For the fiscal years ended June 30, 2022 and 2021, the Company contributed 1% of eligible employees pretax compensation in which the participant contributed at least 1% of compensation to the Plan.

The Plan does allow rollover contributions from other qualified Plans.

Participant Accounts And Investment Options

Each participant's account is credited with the participant's contribution and allocations of Plan earnings. Allocations are based on participant earnings or account balances, as defined. Participants direct the investment of their contributions into various investment options offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable From Participants

The Plan does not allow loans.

Vesting

Participants are immediately vested in their elective contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts occurs according to the following schedule:

<u>Years of service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Forfeited Accounts

Forfeitures can be used to pay the administration expenses of the Plan or used to reduce the Company's contributions to the Plan.

Payments of Benefits

On termination of service due to death, disability or retirement, a participant may receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Hardship withdrawals are permitted by the Plan for certain allowable expenses only if all other means of withdrawals or loans have been utilized. Participant may not contribute to the Plan for six months following the hardship withdrawal, except as moderated under the provision of the CARES act.

Administration And Expenses

The Plan paid \$630 and \$832 for the years ended June 30, 2022 and 2021, respectively, in administrative fees. All other costs of the Plan are paid by the Plan Sponsor.

(2) Summary Of Significant Accounting Policies

Basis Of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive contracts. Contract value is the relevant measure for that portion of the ent assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use Of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to use estimates and assumptions that affect the accompanying financial statements and disclosures. Actual results could differ from those estimates.

Contributions

Participant contributions and related employer contributions are recognized in the period during which the Plan Sponsor makes the respective payroll deduction from the participant accounts.

Investment Valuation And Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Payments of Benefits

Benefit payments to participants are recorded when paid.

Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs in the periods presented.

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;

-
- Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at their price. The mutual funds held by the Plan are considered to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

In general, investments are exposed to various risks, such as interest rate, credit and overall market volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect the investment balances and the amounts reported in the statements of net assets available for benefits.

Subsequent Events

Management has evaluated subsequent events through April 14, 2023, the date which the financial statements were available for issue. There were no events or transactions discovered during the evaluation that require recognition or disclosure in the financial statements.

(3) Investment Contracts With Insurance Company

The Plan entered into a benefit-responsive investment contract with Mutual of America Life Insurance Company ("Mutual of America") to invest in an interest accumulation account. Mutual of America maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the Mutual of America and a specified interest rate that is guaranteed to the Plan.

As described in Note (2), because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for the portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported by Mutual of America, represents contributions made under the contract, plus earnings, less withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract as of June 30, 2022 and 2021, \$49,289 and \$62,946, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 0%.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that causes a significant withdrawal from the plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that the occurrence of any such events, which would limit the Plan's ability to transact at contract value with participants, is probable.

(4) Investments

The following table presents the Plan's fair value hierarchy for those assets measured at fair value on a recurring basis as of June 30, 2022:

	Level 1	Level 2	Level 3	Total
Mutual funds:				
Balanced funds	\$ 49,289	\$	\$	\$ 49,289
Growth funds	372,445			372,445
Total investments, fair value	<u>\$ 421,734</u>	<u>\$</u>	<u>\$</u>	<u>\$ 421,734</u>

The following table presents the Plan's fair value hierarchy for those assets measured at fair value on a recurring basis as of June 30, 2021:

	Level 1	Level 2	Level 3	Total
Mutual funds:				
Balanced funds	\$ 96,942	\$	\$	\$ 96,942
Growth funds	304,488			304,488
Total investments, fair value	<u>\$ 401,430</u>	<u>\$</u>	<u>\$</u>	<u>\$ 401,430</u>

Gains and losses included in changes in net assets available for benefits for the year ended June 30, 2022 and 2021, are reported in net appreciation (depreciation) in fair value of investments and relate to investments measured by quoted prices in an active market.

(5) Forfeited Nonvested Amounts

As of June 30, 2022 and 2021, forfeited non-vested accounts totaled \$90 and \$66. During the years ended June 30, 2021 and 2020, \$90 and \$66, respectively were utilized to reduce employer contributions.

(6) Plan Termination

Although the Plan Sponsor intends to continue the Plan and to make discretionary contributions, the Employer reserves the right to terminate the Plan at any time, and its continuance is not guaranteed. The Plan Sponsor also has reserved the right to amend or otherwise modify the Plan, or to discontinue any further contributions or payments under the Plan, by a resolution of its Board. In the event of a termination of the Plan or discontinuance of contributions, the account of each affected participant shall become non-forfeitable.

(7) Income Tax Status

403(b) plans currently are not required to submit plans to the Internal Revenue Service for determination. However, the plan administrator believes that the Plan was designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code. Plan Sponsor has previously received notice from the Internal Revenue Service of exemption from the income tax under Section 501(c)(3) of the Internal Revenue Code and accordingly qualifies to maintain a 403(b) plan. The Plan Sponsor has evaluated its tax positions and did not note any matters which may have an affect on its tax-exempt status.

The Plan follows the *Accounting for Uncertainty in Income Taxes* accounting standard which requires the Plan to determine whether a tax position (and the related tax benefit) is more likely than not to be sustained upon examination by the applicable taxing authority, based solely on the technical merits of the position. The tax benefit to be recognized is measured as the largest amount of benefit that is greater than fifty percent likely of being realized upon settlement, presuming that the tax position is examined by the appropriate taxing authority that has full knowledge of all relevant information. During the years ended June 30, 2022 and 2021, the Plan evaluated its tax positions to determine the existence of uncertainties, and did not note any matters that would require recognition in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress. The Plan is no longer subject to U.S. federal tax audits on its Form 5500 by taxing authorities for years ending prior to June 30, 2019. The years subsequent to this year contain matters that could be subject to differing interpretations of applicable tax laws and regulations. Although the outcome of tax audits is uncertain, the Plan believes no material tax liability would arise.

(8) Risks And Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

(9) Party-In-Interest

A party-in-interest by ERISA guidelines includes the plan sponsor, the plan administrator, a fiduciary, persons who have control over the Plan assets, investment advisors, and persons who provide services to the Plan.

Mutual of America investments amounted to \$418,276 and \$461,227 for the years ended June 30, 2022 and 2021. These transactions qualify as party-in-interest transactions, and are exempt from the prohibited transaction rules of ERISA.

(10) Reconciliation To Form 5500

The following is a reconciliation of total asset and total contributions per the financial statements to the Form 5500:

	<u>2022</u>	<u>2021</u>
Contributions per the financial statements	\$ 38,923	\$ 27,508
Timing of employer contributions		2,651
Contributions per Form 5500	<u>\$ 38,923</u>	<u>\$ 30,159</u>

(10) Financial Data Certified By The Investment Company Administered Trust Fund

The plan administrator has elected the method of compliance permitted by Section 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA for the years ended June 30, 2022 and 2021. Accordingly, as permitted under such election, Mutual of America has certified all financial data relative to the investment assets, transactions, and income.
