2021 INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and the Administrative Committee
CHC 401(k) Plan
Lakewood, Colorado

Scope and Nature of the ERISA Section 103(a)(3)(C) 2021 Audit

We have performed an audit of the accompanying financial statements of CHC 401(k) Plan, (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

2021 INDEPENDENT AUDITORS' REPORT

(Continued)

2021 Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of CHC 401(k) Plan, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

2021 INDEPENDENT AUDITORS' REPORT

(Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions and assets (held at end of year) as of and for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including the form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

2020 INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and the Administrative Committee
CHC 401(k) Plan
Lakewood, Colorado

Report on the 2020 Financial Statements

We were engaged to audit the accompanying financial statements of CHC 401(k) Plan (the Plan), which comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the 2020 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

2020 Auditors' Responsibility

Our responsibility is to express an opinion on the 2020 financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

2020 Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Fidelity Management Trust Company (Fidelity) and Principal Trust Company (Principal), the trustees of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the Plan Administrator that Fidelity held the Plan's investment assets and executed investment transactions for the period of January 1, 2020 to December 15, 2020, and that Principal held the Plan's investment assets and executed investment transactions from December 15, 2020 to December 31, 2020. The Plan Administrator has obtained a certification from the trustees as of and for the year ended December 31, 2020, that the information provided to the Plan Administrator by the trustees is complete and accurate.

2020 INDEPENDENT AUDITORS' REPORT

(Continued)

2020 Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statements. Accordingly, we do not express an opinion on the 2020 financial statements.

2020 Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the 2020 financial statements, other than that derived from the information certified by the trustees, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO THE FINANCIAL STATEMENTS

1. PLAN DESCRIPTION

The following description of CHC 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan is a multiple-employer plan, which includes the following employers: Carriage Healthcare Companies, Inc., Wisconsin Illinois Senior Housing, Inc. (WISH), Retirement Ranches, Inc., Heartland Care, Inc. and Edgerton Care Center, Inc. The employers are collectively referred to as the Plan Sponsor. The Plan is a defined contribution plan covering substantially all employees of the Plan Sponsor who have completed six months of service. Effective January 1, 2019, the Plan was modified to eliminate the age requirement and allow any employee, including PRN, or as needed, employees, who had completed six months of service to participate.

Contributions Participants may contribute up to 80% of pretax annual compensation as defined in the plan document up to the maximum limits set by the Internal Revenue Service (IRS). The IRS annual participant contribution limit for 2021 and 2020 is \$19,500. Eligible participants age 50 or older by the end of a calendar year may make catch-up contributions to the Plan, subject to federal statutory limitations, amounting to \$6,500 in 2021 and 2020. The Plan allows for both pre-tax and Roth contributions. Participants direct the investment of their contributions into various investment options offered by the Plan.

After a participant has completed one year of service, the Companies provide a non-discretionary match of 25% of the first 6% of the participant's salary deferred on qualified wages per pay period. Match contributions of \$121,239 and \$121,820 were contributed to the Plan for the years ended December 31, 2021 and 2020, respectively. The Companies may also make discretionary non-elective contributions to the Plan. PRN employees are not eligible to receive non-discretionary matching or discretionary contributions. No discretionary non-elective contributions were made to the Plan for the years ended December 31, 2021 and 2020.

Participant Accounts Each participant's account is credited with the participant and plan sponsor contributions and an allocation of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options Upon enrollment in the Plan, a participant may direct both their elective deferrals and plan sponsor contributions, in 1% increments, to any of the various investment options. Participants may change their investment options at any time online or by using an automated phone system.

Vesting Participants are immediately 100% vested in their elective deferrals, plus actual earnings thereon. Participants become vested in plan sponsor matching contributions and plan sponsor non-elective contributions according to the number of years of service, increasing in increments of 25% beginning with two years of service until fully vested with five years of service. For vesting purposes, a year of service is a consecutive twelve-month period.

CHC 401(k) Plan

NOTES TO THE FINANCIAL STATEMENTS

(Continued)

Payment of Benefits and Disposition of Forfeitures Upon termination of service, participants may elect to receive a lump sum amount equal to the vested value of their account, may transfer the vested value of their account to another retirement investment vehicle, or may choose to leave vested benefits exceeding \$5,000 in the Plan. Vested account balances less than \$5,000, but greater than \$1,000 will be distributed to an Individual Retirement Account or Annuity (IRA) for the participant's benefit if no alternative election is received. Vested account balances of \$1,000 or less will be distributed to participants as a lump sum distribution without the consent of the participants. Early withdrawal payments may also be obtained, subject to the limitations imposed by the Internal Revenue Code. Account balances forfeited under the vesting schedule are used to first pay administrative expenses and then fund plan sponsor contributions. For the years ended December 31, 2021 and 2020, forfeitures from non-vested accounts used to pay plan expenses totaled \$3,284 and \$4,002 respectively. There were \$9,125 and \$627 in unallocated forfeitures at December 31, 2021 and 2020, respectively.

There were no amounts allocated to withdrawing participants for benefit claims that had been processed and approved for payment prior to December 31, 2021 and 2020, but not yet paid as of that date.

Coronavirus-related distributions were permitted under the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) were allowed during the year ended December 31, 2020 for participants meeting the specified qualifications in section 2202 of the CARES Act. Minimum required distributions for those age 72 or older were suspended for 2020, except up on participant request.

2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting The accompanying financial statements are presented in accordance with accounting principles generally accepted in the United States of America (GAAP), as codified by the Financial Accounting Standards Board (FASB).

Use of Estimates The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

CHC 401(k) Plan

NOTES TO THE FINANCIAL STATEMENTS

(Continued)

Administrative Expenses and Expense Offset Arrangements The Plan Sponsor pays some administrative expenses for operating the Plan. Generally, those expenses include audit and miscellaneous administration fees and are not reimbursed by the Plan. Fees incurred by the Plan for the investment management services are included in net appreciation of the fair value of investments, as they are paid through revenue sharing, rather than a direct payment.

Payments of Benefits Benefits are recorded when paid.

Tax Status Effective December 15, 2020, the Plan operates under a group opinion letter dated August 8, 2014 from the IRS indicating the Principal Life Insurance Co. prototype plan conforms to Internal Revenue Code (IRC) Section 401. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan is exempt from federal and state income taxes. The determination of tax exempt status is considered to be a tax position. The Plan's policy is to evaluate the likelihood that its uncertain tax positions will prevail upon examination based on the extent to which those positions have substantial support within the IRC and Regulations, Revenue Rulings, court decisions and other evidence. It is the opinion of the Plan Administrator that the Plan has no uncertain tax positions.

Subsequent Events The Plan has evaluated subsequent events through March 29, 2023, the date the financial statements were available to be issued.

3. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. If the Plan is terminated, partially terminated, or if there is a complete discontinuance of contributions' by the Plan Sponsor, all amounts credited to the accounts of participants become 100% vested and non-forfeitable.

4. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEES (UNAUDITED)

All funds were held by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company (Principal Trust Company) for the period December 15, 2020 to December 31, 2021 and Fidelity Management Trust Company for the period of January 1, 2020 to December 15, 2020 (the trustees). A participant may direct elective deferrals and plan sponsor contributions into any of the investment options.

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Principal Trust Company for the period December 15, 2020 to December 31, 2021 and Fidelity Management Trust Company for the period January 1, 2020 to December 15, 2020, except for comparing such information certified by the qualified institutions to information included in the Plan's financial statements and supplemental schedule. The trustees are qualified institutions that prepared and certified the information in accordance with 29 CFR 2520.103-5.

CHC 401(k) Plan

NOTES TO THE FINANCIAL STATEMENTS

(Continued)

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by the trustees as described above.

December 31	2021	2020
Investments certified by trustees:		
Mutual funds	\$ 8,500,807	\$ 7,977,448
Guaranteed investment contract	80,647	79,291
Total Certified Investments	\$ 8,581,454	\$ 8,056,739
Investment income certified by trustees:		
Net appreciation in fair value of investments	\$ 842,857	\$ 590,182
Interest and dividend income	158,086	240,159
Investment Income Certified by Trustees	\$ 1,000,943	\$ 830,341

5. PARTY-IN-INTEREST TRANSACTIONS

The Plan Co-trustees are an employee owner of one participating company and a volunteer member of the Board of Directors for one of the non-profit employer companies. There were no transactions between these parties other than contributions to the Plan and normal benefit payments.

Principal Trust Company is the investment trustee as defined by the Plan and described more fully in Note 4. Fees paid by the Plan for management services to Principal Trust Company amounted to \$29,137 and \$3,227 and Fidelity Management Trust Company amounted to \$-0- and \$35,869 in 2021 and 2020, respectively. Forfeitures of \$3,284 and \$4,002 were used to pay these fees in 2021 and 2020, respectively.

6. PRINCIPAL FIXED INCOME GUARANTEED OPTION INVESTMENT CONTRACT

The Plan invests in the Principal Fixed Income Guaranteed Option group annuity contract (the contract). Balances under this contract were \$80,647 and \$79,291 as of December 31, 2021 and 2020, respectively. The contract is a single group annuity contract with a fixed rate of interest. It is not a portfolio of contracts whose yields are based on changes in fair value of underlying assets. As a result, the average yield earned by the Plan is the yield earned (i.e., interest credited) on the group annuity contract. This contract meets the fully benefit-responsive contract criteria, and therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Under the terms of the existing contract, the composite crediting rate is currently reset on a semi-annual basis and will never be less than the guaranteed minimum interest rate.

CHC 401(k) Plan

NOTES TO THE FINANCIAL STATEMENTS

(Continued)

By definition, the group annuity contract is an insurance contract. As a result, the Plan may transact according to the terms defined in the contract at any time. Certain events limit the ability of the Plan to transact at contract value with the issuer, such as the premature termination of the contract by the Plan or the termination of the Plan. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that would also limit the ability of the Plan to transact at contract value with the participants.

7. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

Basis of Fair Value Measurement

The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access;

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of observable inputs.

CHC 401(k) Plan

NOTES TO THE FINANCIAL STATEMENTS

(Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables present by level, within the fair value hierarchy, the Plan's assets at fair value.

Description	Fair Value as of			
	December 31, 2021	Level 1	Level 2	Level 3
Mutual funds	\$ 8,500,807	\$ 8,500,807	\$ -	\$ -
Total Investments in Fair Value Hierarchy	\$ 8,500,807	\$ 8,500,807	\$ -	\$ -

Description	Fair Value as of			
	December 31, 2020	Level 1	Level 2	Level 3
Mutual funds	\$ 7,977,448	\$ 7,977,448	\$ -	\$ -
Total Investments in Fair Value Hierarchy	\$ 7,977,448	\$ 7,977,448	\$ -	\$ -

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits. To help manage this risk, the Plan utilizes professional investment managers who oversee the Plan's portfolio and may make changes as approved.

The Plan has had delinquent participant contributions for a number of years. Management has corrected the late remittances and is confident the prohibited transactions will not adversely affect the qualified status of the Plan.
