Re: Schedule A (Form 5500) Insurance Information
Group Policy Number: 946862

Dear Valued Customer:

We are sending you the enclosed information to assist you in completing Schedule A/C, of IRS/DOL/PBGC Form 5500. We are providing Schedule A/C information to you because we cannot be certain whether or not you require it. Sun Life Financial does not administer your plan and cannot provide tax and legal advice regarding your plan or policies. Please let us know in writing if you do not file a Schedule A/C of Form 5500 and you do not wish to receive this information in the future. We will not resume Schedule A/C reporting with respect to the above-referenced policy unless you otherwise notify us in writing.

The enclosed information includes all the premiums and/or fees we received, as well as all commissions paid to your broker. The commission information may include:

- Base commissions which are policy specific and are included in the policy rate(s).
- Override commissions (sometimes referred to as special payments, or program management fees) which are also policy specific but generally are not included in the policy rate(s).
- Bonus commission and producer conference fees which are not policy specific. They are paid based upon the anticipated annual premiums of all your broker's or administrator's policies with us. The amount of the bonus that is paid to your broker and attributable to your policy is determined by allocating the total bonus amount for the calendar year in proportion to the anticipated annual premium associated with each policy used in the calculation of the total bonus amount. Bonus payments are a company operating expense and, thus, are not directly reflected in the policy rate(s).

  During the course of the year, Sun Life sales and other personnel may engage in various activities with the insurance producers connected with your ERISA plan, such as "lunch and learn" meetings, restaurant meals, attending sporting events, and/or playing golf. Generally, these activities are intended to establish or strengthen the business relationship between the Sun Life sales personnel and the insurance producers and are not provided as a compensatory payment attributable to the plan's insurance contract or to the non-insurance services being provided to the plan. Accordingly, we are not reporting such expenses unless we have determined both that a particular expense is in fact a compensatory payment and exceeds the insubstantial value reporting threshold described in the Form 5500 instructions.

The enclosed should not be used for commission and/or premium reconciliation, it is strictly for Schedule A/C Form 5500 filing purposes. If you have any questions concerning this letter or enclosed information, please contact us via the above listed information.

Sincerely,
Broker Services

Enclosure

Generally, these activities are intended to establish or strengthen the business relationship between the Sun Life sales personnel and the insurance producers and are not provided as a compensatory payment attributable to the plan's insurance contract or to the non-insurance services being provided to the plan. Accordingly, we are not reporting such expenses unless we have determined both that a particular expense is in fact a compensatory payment and exceeds the insubstantial value reporting threshold described in the Form 5500 instructions.

The enclosed should not be used for commission and/or premium reconciliation, it is strictly for Schedule A/C Form 5500 filing purposes. If you have any questions concerning this letter or enclosed information, please contact us via the above listed information.

Sincerely,
Broker Services
