Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of Whispering Pines Preschool, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedule Required by ERISA

The supplemental schedule H, line 4i – Schedule of Assets (Held At End of Year) as of June 30, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the

financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution or insurance carrier agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated April 13, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2022**

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of the Whispering Pines Preschool, Inc. 401(k) Plan (the "Plan") is presented to assist in understanding the Plan's financial statements and supplemental information. These financial statements, supplemental information, and notes are representations of Whispering Pines Preschool, Inc.'s (hereinafter, the "Plan Sponsor") management, which is responsible for the integrity and objectivity of the financial statements. These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements and supplemental schedule.

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Notes 4 and 5 for a further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net loss includes the Plan's gains and losses on investments bought and sold as well as held during the Plan year. Investments in variable annuity contracts are reported at fair value. During the year ended June 30, 2022, the Plan's investment losses (including gains and losses on investments bought and sold, as well as held during the year) were \$1,001,915.

Participant Notes Receivable

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as distributions based upon the terms of the Plan document.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Payment of Benefits

Benefits are recorded when paid to the Plan's participants.

Plan Expenses

Certain administrative, accounting and audit expenses for the Plan were paid directly by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants and fees related to the distributions to participants are charged directly to the participant's account and are included in administrative expenses. Accounting and audit expenses may be paid from the forfeiture account, and if so, are included in administrative expenses. Investment related expenses are included in net loss in fair value of investments.

Events Occurring After Report Date

The Plan Sponsor evaluated events and transactions that occurred between July 1, 2022 and April 14, 2023, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements.

NOTE 2 - DESCRIPTION OF THE PLAN

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established on July 1, 1989 and last restated with an effective date of January 1, 2019. The Plan is a defined contribution plan covering all eligible employees of the Plan Sponsor. Employees must be at least eighteen years old and have completed one year of service, defined as 1,000 hours of service, to be eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Sponsor's trustee is responsible for oversight of the Plan, determining the appropriateness of the Plan's investment offerings, and for monitoring investment performance.

Voya Retirement Insurance and Annuity Company ("VRIAC") served as Plan Custodian for the years ended June 30, 2022 and 2021. The Plan Sponsor used Commonwealth Management and FuturePlan by Ascensus (formerly Continental Benefits Group, Inc.) for its administrative and recordkeeping services for the years ended June 30, 2022 and 2021, respectively.

NOTE 2 – DESCRIPTION OF THE PLAN (continued)

Contributions

Each year, participants may contribute to the Plan a percentage of compensation, as defined, or a specific dollar amount. Employees may elect to defer a maximum amount not to exceed the annual thresholds established by the IRS. Participants who attained age 50 by the end of the Plan year were eligible to make catch-up contributions. Participants may also contribute amounts distributed from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan's provision also allows participants to make Roth contributions to the Plan on an after-tax basis. Employees may elect to defer a maximum amount not to exceed the annual thresholds established by the IRS.

At its sole discretion the Plan Sponsor may make matching contributions and profit-sharing contributions. The total amount of matching contributions allocated to a participant will not exceed 4% of compensation. Profit-Sharing contributions are allocable to all eligible employees that are still employed on the last day of the Plan year. For the years ended June 30, 2022 and 2021 the Plan Sponsor elected not to make matching contributions but did elect to make discretionary profit-sharing contributions of \$250,000 and \$350,000 respectively. For the year ended June 30, 2021, the discretionary profit-sharing contribution of \$350,000 was partially funded by forfeitures of \$38,139 for a net cash contribution of \$311,861 which is included in the employer contribution receivable on the statements of net assets available for benefits.

Additionally, the Plan Sponsor made an annual safe harbor non-elective contribution equal to 3% of compensation of all eligible employees as defined above. For the years ended June 30, 2022 and 2021, the safe harbor contribution was \$130,812 and \$142,031, respectively, and is included in the employer contribution receivable on the statements of net assets available for benefits.

Participant Accounts

Each participant's account is credited with the participant's contribution and the Plan Sponsor's contributions and an allocation of Plan's earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based upon participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment earnings and gains or losses are posted to participant accounts on a daily basis based upon actual investments held by the participants.

Vesting

Participants are immediately vested in their contributions, employer safe harbor contributions plus earnings thereon. The Plan Sponsor's discretionary profit-sharing and matching contributions are vested based upon a six-year graduated schedule as follows:

<u>Years of Service</u>	<u>Percentage of Vested Interest</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. Loans are generally repayable over a period of one to five years; however, if the loan is for the purchase of the participant's principal residence, the term of the loan can be up to thirty years. The loans are secured by the balances in the participants' accounts. The loans bear reasonable rates of interest. Interest rates on existing loans range from 4.25% to 6.50%. Principal and interest are paid ratably through bi-monthly payroll deductions.

Deemed Distributions

When a participant fails to make loan repayments under the terms of the loan agreement, the loan is considered to be in default. A loan in default is considered a distribution from the Plan (deemed distribution) that could result in taxable income to the participant.

In-Service Withdrawals

In-service or hardship withdrawals are permitted by the Plan.

Payment of Benefits

Participants will reach the Plan's normal retirement age at the later of the date that they reach age fifty-five or the fifth anniversary of the first Plan year in which the employee became a participant. At the normal retirement age, participants will be entitled to one hundred percent of their vested account balances, but benefits may be deferred if the participants so elect.

Participants are entitled to one hundred percent of their vested account balances upon termination of employment, death, disability, or retirement.

Forfeitures

Upon a participant's termination, any non-vested Plan Sponsor contributions are forfeited by the participant. Forfeitures are available to pay Plan expenses and reduce future Plan Sponsor contributions to the Plan. There were no forfeitures for the year ended June 30, 2022. There was no forfeiture balance as of June 30, 2022. Forfeiture balance for the year ended June 30, 2021 was \$38,139.

Plan Amendments

The Plan Sponsor has the right under the Plan to amend the Plan at any time. Effective July 1, 2021, the Plan was restated for the required Cycle 3 restatement.

Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become one hundred percent vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Plan Sponsor may determine.

NOTE 3 - INFORMATION CERTIFIED BY THE CUSTODIAN

Investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable held at June 30, 2022 and 2021, and net loss in fair value of investments, interest and dividends, and notes receivable from participants for the year ended June 30, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by VRIAC, the custodian of the Plan.

**NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2022**

NOTE 4 - FAIR VALUE MEASUREMENTS

The Plan Sponsor utilizes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements). The three levels of the value hierarchy are described below:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset and liability.
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

VRIAC invests contributions in variable annuity contracts held in Separate Account D (the "Account"), a Pooled Separate Account established by VRIAC. The Account is sold exclusively for use with variable annuity contracts that are entitled to tax-deferred treatment under specific sections of the Internal Revenue Code ("IRC") of 1986, as amended. VRIAC provides for variable accumulation and benefits under the contracts by crediting annuity considerations to one or more divisions within the Account or the fixed account (an investment option in VRIAC's general account), as directed by the contract owners who bear the investment risk. The portion of the Account's assets applicable to contracts will not be charged with liabilities arising out of any other business VRIAC may conduct, but obligations of the Account, including the promise to make benefit payments, are obligations of VRIAC. The Account invests assets in shares of open-end mutual funds, which process orders to purchase and redeem shares on a daily basis at the fund's next computed net asset values ("NAV"). The fair value of the Account's assets is based on the NAVs of mutual funds, which are obtained from the transfer agents or fund companies and reflect the fair values of the mutual fund investments.

NOTE 4 – FAIR VALUE MEASUREMENTS (continued)

These annuities are not securities in which the general public can invest, but instead are limited to participants of a qualified retirement plan for which the Custodian serves in a fiduciary capacity. These annuities are not readily traded, and as such, their values and performance are not published. If the Plan cancels the annuity contract or withdraws funds in excess of allowable levels prior to maturity of the annuity, the Plan may be subject to surrender charges based upon the annuity's surrender schedule.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at June 30, 2022.

Variable Annuities: Valued at the net asset value ("NAV") of shares held by the Plan at year-end as calculated by the annuity provider.

The following table set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Variable annuities measured at NAV (a).....	\$ -	\$ -	\$ -	\$ 5,778,254
Total investments at fair value	\$ -	\$ -	\$ -	\$ 5,778,254

The following table set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Variable annuities measured at NAV (a).....	\$ -	\$ -	\$ -	\$ 6,509,882
Total investments at fair value	\$ -	\$ -	\$ -	\$ 6,509,882

(a) This category includes variable annuities that are designed to deliver safety and stability by preserving principal and accumulating earnings, valued at the NAV of units held by the plan at year end. The NAV is determined by the custodian of the fund and is based on the fair value of the underlying assets held by the fund. In accordance with ASC Topic 820, Fair Value Measurements, certain investments are measured at fair value using the NAV per share (or its equivalent) practical expedient that have not been classified in the fair value hierarchy. The fair value amount presented in this table is intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methodologies are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5 - FAIR VALUE OF VARIABLE ANNUITIES THAT CALCULATE NAV PER SHARE

As stated above, most of the Plan's assets are invested in variable annuities that are valued at the NAV of shares held by the Plan at year-end. The following provides descriptions of investments whose fair value is estimated using NAV per share (or its equivalent) as of June 30, 2022 and 2021:

	2022	Unfunded	Redemption	Redemption

(a) **Fixed Income Funds:** A fund that invests solely in fixed income investments, such as bonds or certificates of deposit, as opposed to equity investments. The objective of fixed income funds is guaranteed income as opposed to capital growth. Fixed income funds typically invest in corporate debt or municipal debt. Debt rates of return are based upon economic conditions and credit worthiness of the debtor.

(b) **Target-Date Funds:** Target-Date funds are structured to concentrate on some date in the future, for example one might invest in a target-date fund with a target of 20 years if he or she was retiring in 20 years. Target-date funds are usually mutual funds that automatically reset the asset mix, stocks, bonds, cash equivalents, in its portfolio consistent with the investor's selected time frame.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2022

NOTE 5 - FAIR VALUE OF VARIABLE ANNUITIES THAT CALCULATE NAV PER SHARE (continued)

- (c) Equity Funds: Equity funds invest principally in stocks, as opposed to bonds, notes, or other securities. The objective of an equity fund is long-term growth through capital gains, although historically dividends have also been an important source of total return. Stock funds typically have a specific style, for example, value or growth, and can invest in large, moderate, small, or micro companies that trade on one of the major markets or over the counter (e.g. pink sheets).
- (d) Growth Funds: Growth funds focus on capital appreciation through investing in growth stocks. They concentrate on companies that have little to no dividend payouts and are experiencing significant earnings or revenue growth.
- (e) Index Funds: Funds, usually mutual funds or exchange-traded funds, with a portfolio constructed to replicate the movements of an index of a particular financial market, such as Standard & Poor's 500 Index (S&P 500) or Dow Jones.
- (f) International Funds: International funds ("foreign funds") are mutual funds that invest in the stocks and bonds of companies located outside of the investor's country of residence.
- (g) Money Market Funds: A money market fund is an open-ended mutual fund that invests in short-term debt securities such as US Treasury bills and commercial paper. Money market funds are widely (though not necessarily accurately) regarded as being as safe as bank deposits, yet provide a higher yield.

Variable annuities contain surrender charges and redemption restrictions that may limit the amount a participant would receive when the funds are liquidated and withdrawn.

NOTE 6 - GUARANTEED INVESTMENT CONTRACT

The Plan holds a fully-benefit responsive guaranteed investment contract ("GIC") with VRIAC. The account is credited with earnings of the underlying investments and charged for participant withdrawals and administrative expenses. The GIC issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 1.00%. Such interest rates are reviewed periodically for resetting by VRIAC. The average yield credited to participants for the years ended June 30, 2022 and 2021 was 1.30% and 1.40%, respectively.

Because the GIC is fully-benefit responsive, contract value is the relevant measurement to attribute for that portion of the net assets available for benefits attributable to the GIC. Contract value, as reported to the Plan by VRIAC, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The contract value at June 30, 2022 and 2021 was \$13,660 and \$13,168, which approximates its fair value, respectively.

NOTE 6 - GUARANTEED INVESTMENT CONTRACT (continued)

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another Plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, and (4) a material amendment to the agreement without the consent of the issuer.

NOTE 7 - TRANSACTIONS WITH PARTIES-IN-INTEREST

Certain Plan investments are shares of mutual funds managed by the Custodian and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are included as part of net loss in fair value of investments.

NOTE 8 - TAX STATUS

The Plan Sponsor adopted a prototype, non-standardized profit-sharing plan with a cash or deferral arrangement which received a favorable opinion letter from the Internal Revenue Service dated June 30, 2020, which states that the Plan is designed in accordance with the applicable requirements of the IRC, and is, therefore, not subject to tax under present income tax law. The Plan has been amended since receiving the opinion letter. The Plan is required to operate in conformity with the IRC to maintain its qualification. Management is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status.

Accounting principles generally accepted in the United States of America requires the Plan Sponsor to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Department of Labor and Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of June 30, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2022

NOTE 8 - TAX STATUS (continued)

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits.

NOTE 10 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits between the financial statements and Form 5500 as of June 30,:

	<u>2022</u>	<u>2021</u>

The following is a reconciliation of the net increase in net assets available for benefits between the financial statements for the year ended June 30, 2022 and Form 5500:

Net decrease in net assets available for benefits per financial statements.....	\$ 819,007
Less: prior year employer contributions receivable	(453,892)
Add: current year employer contributions receivable.....	380,812
Net decrease in net assets available for benefits per Form 5500.....	<u>\$ 745,927</u>

NOTE 11 - FINANCIAL UNCERTAINTIES DUE TO COVID-19 PANDEMIC

As a result of the spread of the COVID-19 coronavirus, economic uncertainties have arisen, which may negatively impact investment income and other Plan transactions. Other financial impacts could occur though such potential impact is unknown at this time.

NOTE 12 - SECURE ACT

In January 2020, Congress passed the Setting Every Community Up for Retirement Enhancement Act of 2019 ("SECURE Act"). Many of the provisions of the SECURE Act will require significant changes to plan administration and recordkeeping. When it becomes necessary to do so, the Plan will be amended as required to comply with the SECURE Act.
