Independent Auditor's Report

Board of Trustees
Indiana/Kentucky/Ohio Regional Council of Carpenters
Defined Contribution Pension Trust Fund

Opinion

We have audited the accompanying financial statements of Indiana/Kentucky/Ohio Regional Council of Carpenters Defined Contribution Pension Trust Fund (an Indiana multi-employer benefit plan) subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of June 30, 2022 and June 30, 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Indiana/Kentucky/Ohio Regional Council of Carpenters Defined Contribution Pension Trust Fund as of June 30, 2022 and June 30, 2021, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Indiana/Kentucky/Ohio Regional Council of Carpenters Defined Contribution Pension Trust Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Indiana/Kentucky/Ohio Regional Council of Carpenters Defined Contribution Pension Trust Fund's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Indiana/Kentucky/Ohio Regional Council of Carpenters Defined Contribution Pension Trust Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Indiana/Kentucky/Ohio Regional Council of Carpenters Defined Contribution Pension Trust Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules as listed in the accompanying index, referred to as "supplementary information," are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Indiana/Kentucky/Ohio Regional Council of Carpenters

Defined Contribution Pension Trust Fund

Notes to Financial Statements

June 30, 2022 and June 30, 2021

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Significant accounting policies followed by Indiana/Kentucky/Ohio Regional Council of Carpenters Defined Contribution Pension Trust Fund (Fund) are listed below:

(a) **Basis of Accounting**

The financial statements are presented using the accrual basis of accounting.

(b) **Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. In accordance with the policy of stating investments at fair value, net unrealized appreciation for the year is reflected in the Statements of Changes in Net Assets Available for Benefits.

(c) **Contributions Receivable**

Contributions from employers are accrued based upon either hours worked or hours paid during the year by covered employees, depending on the applicable collective bargaining agreement. Contributions receivable represents the total of employer contributions received by the depository after June 30, 2022 and June 30, 2021, which were applicable to the Fund period. This amount does not reflect amounts due from employers who are contractually liable to the Fund but have failed to make contributions, or from employers who have filed inaccurate reports, if any. At June 30, 2022 and June 30, 2021, \$12,679,201 and \$10,473,170 was due from employer contributions, respectively.

(d) **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Trustees to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

(e) **Administrative Expenses**

Substantially all of the administrative expenses of the Fund are paid by the Fund.

(f) **Reclassification**

Certain reclassifications were made to the 2021 financial statements in order to conform to the 2022 financial statement presentation.

(g) **Subsequent Events**

Management has evaluated subsequent events through April 5, 2023 the date that the financial statements were available to be issued.

Note 2: DESCRIPTION OF THE FUND

(a) **General**

The Fund is a multi-employer plan established pursuant to certain collective bargaining agreements between the Indiana/Kentucky/Ohio Regional Council of Carpenters and its affiliated Local Unions and the Indiana Construction Association and the employer's signatory to the agreements with the Union. The joint-management operated Pension Trust Fund was created for the purpose of receiving and using employer contributions to pay retirement and termination benefits to participants. Its affairs are administered by a Board of Trustees comprised of representatives from both the Union and the employers (generally commercial construction contractors).

(b) **Profit Sharing**

Effective October 1, 2009, the Fund became a profit-sharing plan under the Internal Revenue Code Section 401(a).

(c) **Funding Policy**

The Fund is funded through contributions required by the collective bargaining agreement. The participating employers contribute monthly to the Fund. Contributions are calculated based on hours worked and/or hours paid by participant and rates established by the various collective bargaining agreements.

(d) **Vesting**

Participants are fully vested in employer contributions and the earnings upon receipt of contributions received on their behalf. Participants are entitled to receive those contributions and earnings in the event of termination of employment, if there have been no employer contributions made for the participant for two plan years, there is less than \$5,000 in the participant's account, and the participant applies to receive the contributions and earnings. There are no mandatory cash out requirements. There is no account balance limitation on lump sum distributions for married participants who have spousal consent. Upon a participant's death, 100% of the participant's account balance will be paid to beneficiaries. Contributions left in the Fund will continue to be invested at the participant's direction and will be used to provide retirement, disability or death benefits.

(e) **Participant Accounts**

Individual accounts are maintained for each of the Fund's participants. The participant account includes two sub-accounts for record-keeping purposes: one account holds the assets which may have been accrued when the Fund was a money purchase or annuity plan and one account holds all assets accrued after the Fund became a profit-sharing plan. Both accounts continue to accrue earnings until the benefit is paid. Contributions, withdrawals, and net investment gains or losses and administrative expenses are accounted for separately. Participant accounts are intermingled with other accounts for investment purposes.

The proceeds of participants' profit-sharing account may be available for distribution in the event of demonstrated hardship. The Fund has adopted a safe harbor definition of hardship under the Internal Revenue Code (the Code), which allows for a distribution only if the hardship qualifies under the safe harbor provisions.

Note 2: DESCRIPTION OF THE PLAN (continued)

(f) **Investment Options**

Upon enrollment in the Fund, a participant may direct employer contributions in accordance with procedures established by the Fund administrator. Participants may then invest any portion of their account in specific assets or funds as permitted by the investment procedures.

(g) **Fund Termination**

The participating groups anticipate and believe that the Fund will continue without interruption but reserve the right to discontinue the Fund. Should the Fund terminate at some future time, its net assets would be available to pay participants the balance in their accounts.

Note 3: INVESTMENTS

All investments are held in a single Trust account. All investments are available for current as well as future obligations. The following represents the fair value of investments at June 30, 2022 and June 30, 2021:

	June 30, 2022	June 30, 2021
	<u>Fair Value</u>	<u>Fair Value</u>
Cash equivalents	\$ 23,642,507	\$ 21,266,999
Mutual funds	<u>671,258,881</u>	<u>783,067,453</u>
Totals	<u>\$ 694,901,388</u>	<u>\$ 804,334,452</u>

The Fund's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated (depreciated) in fair value by \$(122,115,231) and \$159,582,524 for the years ended June 30, 2022 and June 30, 2021, respectively.

Unrealized and realized gains and losses are computed differently for Employee Retirement Income Security Act of 1974 (ERISA) purposes than in the financial statements. Gains and losses for ERISA purposes are to be determined on the "revalued cost" which is the market value of assets at the beginning of the year or historical cost of assets purchased during the year. This differs from generally accepted accounting principles in that gains and losses are computed by comparing historical cost to market value. During the year ended June 30, 2022, unrealized and realized losses for book purposes were \$(118,512,110) and \$(3,603,121), respectively. For ERISA purposes, unrealized losses and realized gains were \$(959,936,412) and \$837,821,181, respectively. During the year ended June 30, 2021, unrealized losses and realized gains for book purposes were \$(43,059,376) and \$202,641,900, respectively. For ERISA purposes, unrealized gains and realized losses were \$162,098,776 and \$(2,516,252), respectively.

Note 4: CONCENTRATION OF CREDIT RISK

At certain times during the year, the Fund maintained cash deposits in excess of the Federal Deposit Insurance Corporation insured limits of \$250,000. In addition, the bank maintains accounts with stock brokerage firms which contain cash and securities.

In accordance with the Federal Accounting Standards Board's Accounting Standards Codification (ASC) 825-10-50-20, credit risk is the possibility that a loss may occur from the failure of another party to perform according to the terms of a contract. Bank deposits are federally insured up to \$250,000 for each account owned at a federally insured bank.

Note 5: FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820-10 *Fair Value Measurements* establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820-10 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Fund has the ability to access at the measurement date.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the assets or liabilities;
- Inputs that are derived principally from or corroborated by observable market data by correlation of other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Note 5: FAIR VALUE MEASUREMENTS (continued)

Following is a description of the valuation methodology used for assets measured at fair value. Transfers between levels of the fair value hierarchy are deemed to have occurred at the beginning of the reporting period. There have been no changes in the fair value methodology used at June 30, 2022 and June 30, 2021.

Mutual funds and cash equivalents: Valued at the closing price reported in the active market in which the individual security is traded, or valued at the net asset value of the shares held by the Fund at year-end.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Fund believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Fund's assets at fair value as of June 30, 2022 and June 30, 2021:

<u>Assets at Fair Value as of June 30, 2022</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total Fair Value</u>

Note 6: COMMON COLLECTIVE TRUST FUND

During the years ended June 30, 2022 and June 30, 2021, the Fund was invested in the Wells Fargo Stable Value Fund C (common collective trust fund), which has invested all of its assets in Wells Fargo Stable Return Fund G (Stable Return Fund). The Stable Return Fund seeks to provide investors with a moderate level of stable income without principal volatility. The Stable Return Fund primarily invests in investment contracts, including traditional guaranteed investment contracts (GICs) and security-backed contracts issued by insurance companies and other financial institutions. The Stable Return Fund also invests in Wells Fargo Short Term Investment Fund S, which invests in highly liquid assets, and uses the Short-Term Investment Fund S investment for daily liquidity needs. The common collective Trust fund is presented on the face of the Statements of Net Assets Available for Benefits at contract value: \$44,340,750 and \$41,916,209 at June 30, 2022 and June 30, 2021, respectively.

GICs are backed by the general account of the contract issuer. The Stable Return Fund deposits a lump sum with the issuer and receives a guaranteed interest rate for a specified period. Interest is accrued on either a simple or fully compounded basis, and is paid either periodically or at the end of the contract term. The issuer guarantees that all qualified participant withdrawals will be at contract value (principal plus accrued interest).

A security-backed contract is an investment contract (also known as a synthetic GIC or a separate account GIC) issued by an insurance company or other financial institutions, backed by a portfolio of bonds. The bond portfolio is either owned directly by the Stable Return Fund or owned by the contract issuer and segregated in a separate account for the benefit of the Stable Return Fund. The portfolio underlying the contract is maintained separately from the contract issuer's general assets, usually by a third-party custodian. The interest crediting rate of a security-backed contract is based on the contract value, and the fair value, duration, and yield to maturity of the underlying portfolio. These contracts typically allow for realized and unrealized gains and losses on the underlying assets to be amortized, usually over the duration of the underlying investments, through adjustments to the future interest crediting rate, rather than reflected immediately in the net assets of the Fund. The issuer guarantees that all qualified participant withdrawals will be at contract value. In the case of a full liquidation event, the issuer is responsible for covering any amount by which the contract value exceeds fair value of the underlying portfolio.

The market value yield to investment and crediting interest rates were approximately 1.90% and 0.64%, and 1.30% and 2.20% for the years ended June 30, 2022 and June 30, 2021, respectively. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are adjusted on a quarterly basis.

GICs and security-backed contracts also generally provide for withdrawals associated with certain events which are not in the ordinary course of Fund operations. These withdrawals are paid with a market value adjustment applied to the withdrawal as defined in the investment contract. Each contract issuer specifies the events which may trigger a market value adjustment. At June 30, 2022 and June 30, 2021, the Fund administrator does not believe that the occurrence of any such market value event, which would limit the Fund's ability to transact at contract value with participants, is probable.

Notes to Financial Statements

June 30, 2022 and June 30, 2021

Note 7: PARTIES IN INTEREST TRANSACTIONS

There were no loans or fixed income obligations in default or uncollectible, nor were there leases in default or classified as uncollectible. There were no non-exempt prohibited transactions with parties-in-interest for the years ended June 30, 2022 and June 30, 2021, respectively.

Fees paid by the Fund during the years ended June 30, 2022 and June 30, 2021, for services rendered by parties-in-interest, as defined by ERISA, were based on contractual rates for their service.

Note 8: TAX STATUS

The Internal Revenue Service has determined that the Fund constitutes a qualified Trust under Sections 401(a)(4) and 410(b) of the Code and is, therefore, exempt from Federal income taxes under provisions of Section 501(c)(9). The Fund obtained its latest determination letter on September 10, 2015 in which the Internal Revenue Service stated that the Fund was in compliance with the applicable requirements of the Code. The Fund has been amended since receiving the determination letter. However, the Fund administrator and the Fund's tax counsel believe that the Fund is currently designed and being operated in compliance with the applicable requirements of the Code.

Accounting principles generally accepted in the United States of America require Fund management to evaluate tax positions taken by the Fund and recognize a tax liability (or asset) if the Fund has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Fund administrator has analyzed the tax positions taken by the Fund, and has concluded that as of June 30, 2022 and June 30, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Fund is subject to routine audits by taxing jurisdictions. The annual information returns for the Fund are subject to examination by taxing authorities for a period of three years from the date they are filed.

Note 9: RISKS AND UNCERTAINTIES

The Fund invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

In March of 2020, the World Health Organization categorized Coronavirus Disease 2019 ("COVID-19") as a pandemic, and the President of the United States declared the COVID-19 outbreak a national emergency. There has been no immediate impact to the operations of the Fund, however, the COVID-19 pandemic has led to volatility in financial markets and the economy. The potential economic impact brought by, and the duration of, COVID-19 is difficult to assess or predict and will depend on future developments that are highly uncertain and cannot be predicted.
