Safe-Harbor 403(b) Thrift Plan for Employees of
Union Community Care

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of Safe-Harbor 403(b) Thrift Plan for Employees of Union Community Care (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 5 to the 2022 Financial Statements, is complete and accurate.

MAILING ADDRESS

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying 2022 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2022 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the 2022 Financial Statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the 2022 Financial Statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2022 Financial Statements.

In preparing the 2022 Financial Statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the 2022 Financial Statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the 2022 Financial Statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2022 Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the 2022 Financial Statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the 2022 Financial Statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the 2022 Financial Statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the 2022 Financial Statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2022 Financial Statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Information Required by ERISA

The supplemental information noted in the table of contents, as of and for the year ended June 30, 2022, is presented for purposes of additional analysis and is not a required part of the 2022 Financial Statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2022 Financial Statements. The information included in the supplemental information, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2022 Financial Statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2022 Financial Statements or to the 2022 Financial Statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental information that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental information, other than the information in the supplemental information that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental information related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated January 31, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SAFE-HARBOR 403(b) THRIFT PLAN FOR EMPLOYEES OF UNION COMMUNITY CARE

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF THE PLAN

The following description of the Safe-Harbor 403(b) Thrift Plan for Employees of Union Community Care (formerly, 403(b) Thrift Plan of Welsh Mountain Health Centers, Inc. d/b/a Union Community Care) (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution and Internal Revenue Code (IRC) 403(b) plan covering substantially all employees of Welsh Mountain Health Centers, Inc. d/b/a Union Community Care (Organization or Plan sponsor) except for those that are non-resident aliens, as defined. A tax deferred annuity contract (TDA) from an earlier plan was previously rolled into the current Plan. New participants are not permitted in the TDA portion of the Plan and salary deferrals and employer contributions are not allocated to this part of the Plan. The balance in the TDA was \$661,629 and \$768,852 at June 30, 2022 and 2021, respectively. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Plan management is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Organization's Board of Directors.

Effective July 1, 2021, the Plan was restated and became a safe-harbor plan. In addition, the Plan name was changed to Safe-Harbor 403(b) Thrift Plan for Employees of Union Community Care. As a safe-harbor plan, the Plan sponsor makes contributions on the participants' behalf to satisfy the Internal Revenue Service (IRS) safe-harbor contribution requirements.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security (CARES) Act was passed by Congress. The CARES Act provides immediate and temporary relief for retirement plan sponsors and their participants with respect to employer contributions, distributions, and loans. The Organization has not yet amended the Plan to reflect any provisions outlined in the CARES Act as of the report date; however, the Plan is operating under procedures that provide the relief allowed by the CARES Act available to participants regarding distributions.

Participation

Employees of the Organization are immediately eligible to contribute elective salary deferrals and receive employer safe-harbor matching contributions. There is no age requirement to participate in the Plan.

Contributions

Each year, participants may contribute up to 100 percent of pretax annual compensation, as defined in the Plan agreement, not to exceed the maximum limit established by the IRC. Effective July 1, 2021, Roth elective deferrals are also permitted. Roth elective deferrals are matched in the same manner as pre-tax elective deferrals. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. Effective July 1, 2021, the Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically

SAFE-HARBOR 403(b) THRIFT PLAN FOR EMPLOYEES OF UNION COMMUNITY CARE

NOTES TO FINANCIAL STATEMENTS

enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 1 percent of eligible compensation, with an annual increase of 1 percent each year, up to 4 percent, and their contributions invested in a designated fund until changed by the participant.

For the year ended June 30, 2022, qualifying participants received an employer safe-harbor matching contribution equal to 100 percent of the first 3 percent, plus an additional 50 percent of the next 2 percent, of Plan compensation that the eligible participant contributed to the Plan. Effective July 1, 2021, employer base contributions are not permitted by the Plan.

Contributions are subject to certain IRS limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Organization's matching contributions, and allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in all contributions plus actual earnings thereon.

Notes Receivable from Participants

Participants may not borrow from their fund accounts.

Payment of Benefits

Upon termination of service due to death, disability, retirement, or separation, a participant may elect to receive the value of the vested interest in his or her account as a rollover to another qualified plan or individual retirement account, or as a lump sum distribution net of applicable taxes and penalties. Upon termination of service due to separation, a participant will receive a lump sum payment without consent if the value of the vested interest in his or her account does not exceed \$1,000. Provisions are available to allow withdrawals of benefits prior to termination of employment as defined in the Plan agreement and in compliance with the IRC.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

SAFE-HARBOR 403(b) THRIFT PLAN FOR EMPLOYEES OF UNION COMMUNITY CARE

NOTES TO FINANCIAL STATEMENTS

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Cash Equivalent

Cash equivalent consists of funds held in the interest accumulation account of Mutual of America Life Insurance Company's general account and is credited with interest at a rate determined by Mutual of America Life Insurance Company. Mutual of America Life Insurance Company reserves the right to change the interest rates applicable to amounts held in the interest accumulation account at its discretion. If funds are transferred to another funding vehicle or investment, they may be subject to market value adjustment.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net depreciation in fair value of investments includes the Plan's gains and losses on investments purchased and sold as well as held during the year, and indirect investment expenses.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Organization. Expenses that are paid by the Organization are excluded from these financial statements. Investment-related expenses are included in net depreciation in fair value of investments.

Subsequent Events

Plan management has evaluated subsequent events through April 12, 2023, the date the financial statements were available to be issued.

3. INVESTMENTS

Mutual of America Life Insurance Company (the custodian) holds the funds for the Plan and maintains an individual account for each participant. Contributions made on a participant's behalf under the Plan

SAFE-HARBOR 403(b) THRIFT PLAN FOR EMPLOYEES OF UNION COMMUNITY CARE

NOTES TO FINANCIAL STATEMENTS

are directly allocated to that participant's account and are invested, based on the individual's direction, in various investment options offered by the Plan.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under the Financial Accounting Standards Board, Accounting Standards Codification 820, *Fair Value Measurements and Disclosures*, are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at June 30, 2022 and 2021.

Pooled separate accounts: Comprised of mutual funds that are valued at the net asset value (NAV) of shares held by the Plan at year end. The publicly quoted prices of these investments are used in determining the NAV of the pooled separate accounts, which are not publicly quoted. NAV is used as a practical expedient to fair value and shares may be redeemed on a daily basis.

SAFE-HARBOR 403(b) THRIFT PLAN FOR EMPLOYEES OF UNION COMMUNITY CARE

NOTES TO FINANCIAL STATEMENTS

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of June 30, 2022:

	Level 1	Level 2	Level 3	Total
Investments measured at NAV (or its equivalent) ^a	\$ -	\$ -	\$ -	\$ 8,890,753
Investments at fair value	\$ -	\$ -	\$ -	\$ 8,890,753

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of June 30, 2021:

	Level 1	Level 2	Level 3	Total
Investments measured at NAV (or its equivalent) ^a	\$ -	\$ -	\$ -	\$ 9,569,926
Investments at fair value	\$ -	\$ -	\$ -	\$ 9,569,926

^a In accordance with Topic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the items presented in the statements of net assets available for benefits.

Investments Measured Using the NAV per Share (or its Equivalent) Practical Expedient

The following tables summarize investments measured at fair value based on NAV per share (or its equivalent) practical expedient as of June 30, 2022 and 2021. There are no participant redemption restrictions for these investments.

June 30, 2022	Fair Value	Unfunded Commitment	Redemption Frequency (if currently eligible)	Redemption Notice Period
Pooled separate accounts	\$ 8,890,753	None	Immediate	None
June 30, 2021	Fair Value	Unfunded Commitment	Redemption Frequency (if currently eligible)	Redemption Notice Period
Pooled separate accounts	\$ 9,569,926	None	Immediate	None

SAFE-HARBOR 403(b) THRIFT PLAN FOR EMPLOYEES OF UNION COMMUNITY CARE

NOTES TO FINANCIAL STATEMENTS

5. INFORMATION CERTIFIED BY CUSTODIAN (UNAUDITED)

As permitted by 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the custodian has certified the following information, which has not been subject to audit by independent auditors, to be complete and accurate:

- Investment balances included in the statements of net assets available for benefits at June 30, 2022 and 2021, and in the notes to the financial statements.
- Investment loss, net balances included in the statement of changes in net assets available for benefits for the year ended June 30, 2022, and in the notes to the financial statements.
- Information included in the accompanying schedule of assets (held at end of year).

6. TAX STATUS

As discussed in Note 1, the Plan adopted a new prototype safe-harbor 403(b) thrift plan sponsored by Mutual of America Life Insurance Company effective July 1, 2021. The IRS issued an opinion letter for the prototype plan on March 31, 2017. As such, effective July 1, 2021, the Plan began relying on this letter as evidence that the Plan is being operated in compliance with the applicable requirements of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect

**SAFE-HARBOR 403(b) THRIFT PLAN FOR EMPLOYEES OF
UNION COMMUNITY CARE**

NOTES TO FINANCIAL STATEMENTS

participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are shares of pooled separate accounts and an interest accumulation account managed by Mutual of America Life Insurance Company. Mutual of America Life Insurance Company is the custodian and record keeper as defined by the Plan and, therefore, these transactions qualify as party in interest transactions.

Mutual of America Life Insurance Company receives revenue from the underlying mutual fund providers for services Mutual of America Life Insurance Company provides to the fund. This revenue is used to offset certain amounts owed to Mutual of America Life Insurance Company for its administrative services to the Plan.

Certain administrative functions of the Plan are performed by officers or employees of the Organization. No such officer or employee receives compensation from the Plan.

10. NONEXEMPT TRANSACTIONS

Title I of ERISA requires that all employee contributions be submitted to the Plan as soon as administratively possible. Failure to remit employee contributions into the Plan on a timely basis is considered a nonexempt prohibited transaction with a party-in-interest. Contributions from one pay period during the year ended June 30, 2022, were remitted to the Plan after the normal remittance period and were therefore considered to be nonexempt prohibited transactions pursuant to ERISA Section 406. The Company corrected this late remittance by allocating lost earnings to the affected participants' accounts. The late remittance is reported on Form 5500 for the plan year ended June 30, 2022, (see supplemental Schedule H, Line 4a – Schedule of Delinquent Participant Contributions). There were no other nonexempt transactions during the year ended June 30, 2022.
