Independent Auditors' Report

The Plan Administrators
MCNC Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements

We have performed an audit of the financial statements of MCNC Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for plan benefits as of June 30, 2022, and the related statement of changes in net assets available for plan benefits for the year then ended, and the related notes to the financial statements (2022 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section:

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of June 30, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of MCNC Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated January 24, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Fixed Nonelective Employer Contributions

The Plan sponsor makes a contribution to the plan equal to 10% of each eligible participant's annual compensation. Contributions are funded biweekly.

After-tax Employee Contributions

The Plan maintains an after-tax employee contributions account for employees who previously made after-tax contributions. Employees may no longer contribute any additional after-tax contributions to the Plan.

Participants can deposit "rollovers" (distributions from other qualified plans) into the Plan.

Eligibility

Employees of the Company become eligible and begin participating in the Plan upon completing one hour of service with the Company. The Plan excludes part-time (those scheduled to work less than 500 hours during the year) and leased employees.

Participant Account

Each participant's account is credited with the Company's contribution, rollovers, and an allocation of Plan investment results. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the participant's vested account balance.

Investment Options

Upon enrollment in the Plan, a participant may direct contributions in a variety of mutual fund investment options.

(1) Description of the Plan, Continued

Trustee

The Plan has engaged Great-West Trust Company, LLC (“Great West”) to be the trustee of the plan, effective December 31, 2021. Reliance Trust Company (“Reliance”) previously held the assets of the Plan.

Vesting Provisions

Participants are immediately vested in all additional employer contributions and rollover contribution amounts. Vesting in the fixed nonelective employer contribution account is based on the number of years of continuous service according to the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1	0 %
1	20 %
2	40 %
3	60 %
4	80 %
5 or more	100 %

Benefit Provision

When a participant reaches normal retirement at the age of 62, becomes disabled or is deceased, the full value of the account balance is payable to the participant (or beneficiary, if the participant is deceased). The form of payment available includes annuities, installments and single lump-sum payments.

Forfeitures

In accordance with the provisions of the Plan, forfeitures are used to reduce employer contributions. During 2022 and 2021, employer contributions were decreased by \$13,700 and \$11,925, respectively, from forfeited nonvested accounts. As of June 30, 2022 and 2021, the balance in forfeited accounts totaled \$13,796 and \$9,355, respectively.

Notes Receivable from Participants

The Plan does not permit participants to borrow funds from the Plan.

(2) Summary of Significant Accounting Policies

Basis of Accounting

The Plan's financial statements are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Administrative and Investment Expenses

Administrative expenses and trustee fees are paid by the Company. Investment fund expenses are paid by the Plan as a reduction of fund investment income.

Additional fees are charged to the participant for processing a distribution request. Fees totaling \$531 and \$904 for 2022 and 2021, respectively, were borne by the participants. These fees are included in the financial statements as reported to the Plan by the trustee.

Fair Value Measurements

For determining fair value measurements, fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. Management follows an established framework for measuring fair value. That framework provides a fair value hierarchy, which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The three levels of inputs that may be used to measure fair value are described below:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities

Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly

Level 3: one or more significant inputs or significant value drivers are unobservable or based on market assumptions

Investments and Revenue Recognition

Investments in mutual funds are valued based on closing market quotations or net asset value as reported on national securities exchanges. The net return from investment activity includes realized and unrealized gains and losses from investment activity. Certain investment management fees are charged to the individual funds in the Plan and are included in the net investment return. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. There are no unfunded commitments as of June 30, 2022 and 2021.

(2) Summary of Significant Accounting Policies, Continued

Investments and Revenue Recognition, Continued

Unrealized gains and losses are calculated as the difference between the current value of securities as of the end of the plan year and either the current value at the end of the preceding year or the actual cost if such investments were purchased during the current year. Realized gains or losses on sales of investments are calculated as the difference between sales proceeds and the current value of investments at the beginning of the year or the actual cost if such investments were purchased during the year. The average cost basis is used in determining the cost of investments.

Benefits

Benefits are recorded when paid.

As of June 30, 2022 and 2021, there were no benefits payable.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrators to make estimates and assumptions that affect the reported amounts of net assets available for plan benefits and changes therein. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that such changes will occur in the near term and could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

(3) Investments

The trustees have certified that the Plan's investments as of June 30, 2022 and 2021, and investment activity for the years then ended, as reported in the accompanying financial statements and supplemental schedule, are complete and accurate.

MCNC RETIREMENT PLAN

(3) Investments, Continued

Investments at fair value, consisting of mutual funds, totaled \$20,640,867 and \$24,969,239 as of June 30, 2022 and 2021, respectively.

Interest and dividend income totaled \$1,792,003 and \$1,013,411 for 2022 and 2021, respectively. The Plan's investments had net realized and unrealized (losses) gains of (\$5,597,571) and \$4,644,208 for 2022 and 2021, respectively.

(4) Fair Value Measurements

The Plan's investments are reported at fair value using Level 1 measurements in the accompanying statements of net assets available for plan benefits. The Plan's investments consist of the following as of June 30:

		Fair Value Measurement Using:
<u>2022</u>	<u>Fair Value</u>	<u>Level 1</u>
Asset in fair value heirarchy -		
Mutual funds	\$ <u>20,640,867</u>	<u>20,640,867</u>
		Fair Value Measurement Using:
<u>2021</u>	<u>Fair Value</u>	<u>Level 1</u>
Asset in fair value heirarchy -		
Mutual funds	\$ <u>24,969,239</u>	<u>24,969,239</u>

There were no transfers or reclassifications of investments between levels within the fair value hierarchy during 2022 and 2021, and, there were no changes in valuation methodologies used to measure the fair value of the Plan's investments for 2022 and 2021.

(5) Income Tax Status

The Plan's trustee has received an opinion letter dated March 31, 2014, in which the Internal Revenue Service (IRS) stated that the form of the prototype plan which the Company has adopted is acceptable under the applicable requirements of the Internal Revenue Code (IRC) for use by employers for the benefit of their employees. The Plan has been amended since receiving the determination letter. The plan administrators believe the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

(5) Income Tax Status, Continued

Accounting principles generally accepted in the United States of America require the plan administrators to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. No provision for income taxes has been included in the Plan's financial statements for uncertain tax positions. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

(6) Distributions Upon Plan Termination

The Company has the right, at any time, to terminate the Plan by delivering to the trustee and the plan administrators written notice of such termination. Upon termination, all amounts credited to the affected participants' accounts will become 100% vested and will not thereafter be subject to forfeiture, and all unallocated amounts will be allocated to the accounts of all participants in accordance with the Plan provisions.

The Company has no intentions for terminating the Plan.

(7) Reconciliation to Form 5500

Dividends declared but not yet received by the plan are included in the audited financial statements as dividends receivable, but are not reflected on the Plan's form 5500.

The accompanying statements of net assets available for plan benefits (reported in accordance with accounting principles generally accepted in the United States of America) reconcile to the Form 5500 as follows:

(8) Impact of COVID-19

In March 2020, the World Health Organization declared the global novel coronavirus disease 2019 (COVID-19) outbreak a pandemic. The extent of COVID-19's effect on the Plan's assets and investment performance will depend on future developments, including the duration, spread and intensity of the pandemic, and the impact on U.S. investment markets, all of which are uncertain and difficult to predict considering the rapidly evolving landscape. As a result, it is not currently possible to ascertain the overall impact of COVID-19 on the Plan's investments, net assets available for plan benefits and changes in net assets available for plan benefits.

(9) Subsequent Events

The date to which events occurring after June 30, 2022, the date of the most recent statement of net assets available for plan benefits, have been evaluated for possible adjustment to the financial statements or disclosure is April 12, 2023, the date the financial statements were available to be issued.
