INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants of the
Carole Robertson Center for Learning
Retirement Savings Plan
Chicago, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements

We have performed an audit of the accompanying financial statements of Carole Robertson Center for Learning Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Carole Robertson Center for Learning Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Carole Robertson Center for Learning Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Carole Robertson Center for Learning Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Carole Robertson Center for Learning Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Carole Robertson Center for Learning Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2022 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, line 4a – Schedule of Delinquent Participant Contributions and Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of June 30, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of

management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants of the
Carole Robertson Center for Learning
Retirement Savings Plan
Chicago, Illinois

Report on the Financial Statements

We were engaged to audit the statement of net assets available for benefit as of June 30, 2021 of Carole Robertson Center for Learning Retirement Savings Plan (the "Plan"), and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the 2021 financial statement based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Minnesota Life Insurance Company, the custodian of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the Plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the custodian as of June 30, 2021, that the information provided to the Plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the financial statements. Accordingly, we do not express an opinion on the 2021 financial statement referred to in the first paragraph.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the 2021 financial statement, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2022 AND 2021

1. DESCRIPTION OF PLAN

The following description of the Carole Robertson Center for Learning (the "Center") Retirement Savings Plan (the "Plan") is provided for general information purposes only. More complete information regarding the Plan's provisions may be found in the Plan document. As of August 1, 2021, the Plan was amended under a cycle 3 restatement to bring the plan into compliance with legislative and regulatory changes.

General - The Plan is a defined contribution plan covering all full-time employees of the Center. Effective with the Plan restatement, participants are eligible the first day of the quarter coinciding with or next following date requirements. Employees of Albany Park Community Center were eligible to join the Plan subsequent to the August 1, 2021 acquisition. The Plan is subject to the provisions of the Employment Retirement Security Act of 1974 ("ERISA"). Plan management is performed by a trustee, who is a member of the Center's leadership team.

Contributions - Each participant may contribute a specified percent of compensation, subject to certain Internal Revenue Code ("IRC") limits. Participants who are age 50 or older are entitled to an additional "catch-up contribution." Participants may also rollover amounts representing distributions from other qualified defined benefit or contribution plans. Each year the Center may make a discretionary contribution to be allocated among participants eligible for the Plan. The Center's contribution is invested directly in participant accounts. Contributions are subject to certain limitations. For the Plan year ending June 30, 2022, Management has agreed to match 100% of first 5% of employee contributions, to be paid subsequent to plan year end. The Center made no discretionary contributions during the plan year ended June 30, 2021.

Plan Expenses - The Center pays for audit and legal expenses of the Plan.

Investment Options - Upon enrollment in the Plan, a participant may direct employee and employer contributions in any of the investment options available. The Plan currently offers a guaranteed general account and pooled separate accounts offered by Minnesota Life Insurance Company. Participants may change their investment options quarterly.

Participant Accounts - Each participant's account is credited with the participant's contribution and allocations of the Center's contributions and Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

CAROLE ROBERTSON CENTER FOR LEARNING
RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2022 AND 2021

Vesting - Participants are fully vested in their salary deferral contributions plus actual earnings thereon. In the event of termination due to death, disability or normal retirement, participants shall become 100% vested in the employer contribution portion of their account. For all other participants, vesting in the employer contributions and the earnings thereon are based on continuous years of service. A participant vests at a rate of 20% per year and will be fully vested after five years of credited service.

Payment of Benefits - On retirement, death, disability, or termination of service, a participant (or, in the event of death, the participant's beneficiary) with an account balance of \$5,000 or less will receive a lump sum amount equal to the value of the participant's vested account balance. Terminated participants with balances greater than \$5,000 may elect to receive a lump-sum distribution equal to the participant's vested account balance or may remain in the Plan. If a mandatory distribution is being made to a participant because the vested interest in the Plan exceeds \$0.01 but does not exceed \$5,000, then the Plan will rollover the distribution to an Individual Retirement Account ("IRA") if the participant does not make an affirmative election to either receive or rollover the distribution. In addition, hardship distributions are permitted if certain criteria are met. Benefits are recorded when paid.

Forfeitures – Forfeitures are created when participants terminate employment before becoming fully vested in their benefits under the Plan. Forfeitures may be used to pay for the Plan's administrative expenses and can be used to reduce any employer elective contributions. As of June 30, 2022, and 2021, the Plan had no amounts in the forfeiture account. Administrative expenses were not reduced by forfeitures during the year ended June 30, 2022.

Notes Receivable from Participants - Participants may borrow from their accounts up to a maximum equal to 50% of their vested account balance. Loan terms range from one to five years or up to 30 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at rates ranging between 2.53 to 2.68 percent, as determined by the plan sponsor. Principal and interest are paid ratably through payroll deductions.

Excess Contributions Refundable – The Plan is required to perform certain non-discrimination testing each year. Testing failures may result in refunds of contributions to certain participants. As of June 30 2021, \$352 was due back to a participant due to a testing failure and was refunded timely during the subsequent plan year.

Contribution Advance – The participant deferrals associated with the payroll paid on July 2, 2021 were deposited to the plan on June 30, 2021, which resulted in a contribution advance at June 30, 2021.

CAROLE ROBERTSON CENTER FOR LEARNING
RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2022 AND 2021

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator and record keeper to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. Plan trustees have determined no allowance for doubtful accounts is required.

Income Recognition - Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income are recorded on the modified cash basis.

Investment Valuation - The Plan's investments include an investment contract with Minnesota Life Insurance Company that includes a guaranteed general account and pooled separate accounts. The General Account has embedded guaranteed investment contracts which are not considered fully benefit responsive. The General Account transfer provisions prevent the contract from meeting the definition of fully-benefit responsive, since the participant is not allowed immediate full access to the General Account balance at contract value in all situations.

The pooled separate accounts are invested in various money market, bond and equity mutual funds. The fair value of the pooled separate accounts is determined by the custodian based on the observable net asset value ("NAV") of the underlying assets. The NAV is used as the practical expedient. Notes receivable from participants are valued at cost.

Insurance Contract – Reasons for withdrawing money from the General Account include participant termination, retirement, death, disability, hardship, loans, contract terminations, and participant-initiated transfer between funds. The first six of these types of withdrawals occur at contract value without any conditions, limits, or restrictions. In the case of a contract termination, a market value adjustment and/or liquidation charge may apply. Participant-initiated transfers are restricted to one transfer in or out of the account during a 12-month period with a maximum transfer of the greater of \$2,000 or 20% of the participant's General Account balance.

RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2022 AND 2021

3. RELATED PARTY TRANSACTIONS

Plan assets include investments in funds managed by an affiliate of Minnesota Life Insurance Company, which is the custodian of the Plan. These transactions are considered to be party-in-interest transactions. Personnel and facilities of the Center have been used to perform administrative functions for the Plan at no charge to the Plan.

4. INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Minnesota Life Insurance Company, the custodian, has certified that the following data included in the accompanying financial statements and supplemental schedules is complete and accurate.

	2022	2021
Investments, fair value	\$ 1,243,199	\$ 1,722,850
Notes receivable from participants	13,202	949
Total	<u>\$ 1,256,401</u>	<u>\$ 1,723,799</u>
Investment income:	2022	
Net depreciation on fair value of investments	\$ (206,460)	
Dividend and interest income	104	
Interest on notes receivable from participants	209	
Total	<u>\$ (206,147)</u>	

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Center has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their accounts.

6. FAIR VALUE MEASUREMENTS

The Plan follows generally accepted accounting principles related to fair value measurement. Generally accepted accounting principles define fair value as the price that would be received from selling an asset or paid to transfer a liability in an orderly transaction

CAROLE ROBERTSON CENTER FOR LEARNING
RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2022 AND 2021

between market participants at the measurement date. When determining the fair value measurements for assets and liabilities required to be recorded at fair value, the Plan considers the principal or most advantageous market in which it would transact and considers assumptions that market participants would use when pricing the asset or liability, such as inherent risk, transfer restrictions, and risk of nonperformance.

Generally accepted accounting principles related to fair value disclosure also establish a fair value hierarchy that requires the Plan to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. A financial instrument's categorization within the fair value hierarchy is based upon the lowest input that is significant to the fair value measurement. The three levels of inputs that may be used to measure fair value are as follows:

Level 1: quoted prices in active markets for identical assets or liabilities;

Level 2: inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; or

Level 3: unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The following summarizes the classification of investments by classification and method of valuation:

Assets at Fair Value as of June 30, 2022				
	Level 1	Level 2	Level 3	Total
General insurance contract	\$ -	\$ -	\$ 8,151	\$ 8,151
Total assets in fair value hierarchy	\$ -	\$ -	\$ 8,151	8,151
Investments measured at NAV (a)				1,235,048
Investments at fair value				\$ 1,243,199

Assets at Fair Value as of June 30, 2021				
	Level 1	Level 2	Level 3	Total
General insurance contract	\$ -	\$ -	\$ 4,860	\$ 4,860
Total assets in fair value hierarchy	\$ -	\$ -	\$ 4,860	4,860
Investments measured at NAV (a)				1,717,990
Investments at fair value				\$ 1,722,850

CAROLE ROBERTSON CENTER FOR LEARNING
RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2022 AND 2021

(a) Includes pooled separate accounts which are measured using NAV as a practical expedient and are not classified in the fair value hierarchy. The fair value amounts presented in this table are shown for the purpose of reconciling to the Statements of Net Assets Available for Benefits.

In determining fair value for Level 1 assets, the third-party provider uses the market approach which utilizes process and other relevant information generated by market transactions involving identical generated assets and liabilities. Observable inputs used to value Level 2 reflect the assumptions participants would use in valuing a financial instrument based on market data obtained from sources independent of the third-party provider.

The valuation technique used to value Level 3 investments was based on discounted cash flow (income approach). Sensitivity of fair value measurements to changes in unobservable inputs: for any increase (decrease) to the crediting rate, the fair value of the assets will increase (decrease).

The Plan is invested in the Minnesota Life Insurance Company General Account, which is managed by Minnesota Life Insurance Company, with an investment strategy of maintaining a consistent net asset value. The fund had an average yield of 1.91% for the year ended June 30, 2022. The crediting interest rate was between 1.00% for new funds and 2.02% for rolled over funds at June 30, 2022. The minimum crediting rate was 1.00% for the year ended June 30, 2022.

Assets measured at fair value on a recurring basis using significant unobservable inputs (Level 3):

June 30, 2021	\$	4,860
Investment gains		104
Contributions		500
Inter-fund transfer		<u>2,687</u>
June 30, 2022	\$	<u>8,151</u>

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

CAROLE ROBERTSON CENTER FOR LEARNING
RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2022 AND 2021

8. UNTIMELY CONTRIBUTIONS

The Center failed to remit to the Plan's custodian certain employee contributions and loan payments within the period prescribed by the Department of Labor's regulations during fiscal years 2021 and 2022. The correction for the untimely 2021 and 2022 contributions is expected to be made during plan year 2023.

9. TAX STATUS

The Plan has adopted a volume-submitter type plan of Minnesota Life Insurance Company, the custodian with a restatement effective date of August 1, 2021. The volume submitter plan sponsor has obtained an opinion letter dated June 30, 2020, in which the IRS stated that the volume submitter plan document was in compliance with applicable requirements of the IRC. The Plan has not received a determination letter specific to the Plan itself and has been amended since the date of the opinion letter; however, the plan administrator believes that the Plan was designed, and is being operated, in compliance with the applicable requirements of the IRC.

Generally accepted accounting principles require Plan trustees to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the Internal Revenue Service or Department of Labor. The Plan trustees have analyzed the tax positions taken by the Plan and have concluded that there are no uncertain positions taken or expected to be taken that would require recognition of a tax liability or disclosure in the financial statements as of June 30, 2022. The Plan is subject to routine audits by taxing jurisdictions, generally for three years after returns are filed; however, there are currently no audits for any tax periods in progress.

10. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per the financial statements	\$ 1,339,681	\$ 1,722,895
