Independent Auditor's Report

Board of Directors
Section 403(b) Retirement Plan for
Optimus Health Care, Inc.
982 East Main Street
Bridgeport, CT 06608

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Section 403(b) Retirement Plan for Optimus Health Care, Inc. (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022 and the related statement of changes in net assets available for benefits for the year then ended and the related notes to the financial statements (2022 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the accounting principles generally accepted in the United States of America.
- the information in the accompanying 2022 financial statements related to assets held

by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Section 403(b) Retirement Plan for Optimus Health Care, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Section 403(b) Retirement Plan for Optimus Health Care, Inc. Plan's ability continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Section 403(b) Retirement Plan for Optimus Health Care, Inc. Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Section 403(b) Retirement Plan for Optimus Health Care, Inc. Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedules Required by ERISA

The supplemental schedules of assets held for investment purposes and delinquent participant contributions as of June 30, 2022 are presented for the purpose of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was

derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management has determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of the Section 403(b) Retirement Plan for Optimus Health Care, Inc. Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by qualified institutions. In our report dated March 31, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements, other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SECTION 403(b) RETIREMENT PLAN FOR OPTIMUS HEALTH CARE, INC.

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of the Section 403(b) Retirement Plan for Optimus Health Care, Inc. provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

Empower Retirement (Empower) is the recordkeeper of the Plan and the custodian of the general account while Reliance Trust Company (Reliance) is the custodian of the registered investment company securities.

Effective March 27, 2020, the Plan adopted various provisions of the Coronavirus Aid, Relief and Economic Security ("CARES") Act that was signed into law on March 27, 2020 such as: participants may take a COVID-19 related distribution of up to \$100,000 between January 1, 2020 and December 31, 2020 without penalty; the maximum loan available under the plan is raised to \$100,000 for loans issued between March 27 and September 22, 2020 and qualified Plan participants with outstanding participant loans may temporarily defer repayments for the period between March 27 and December 31, 2020 for up to one year, and permits the delay of Required Minimum Distributions ("RMD") for a period of up to one year for 2020 distributions as well as certain 2019 distributions.

General - The Plan is a defined contribution plan established under Section 403(b) of the Internal Revenue Code covering eligible employees of Optimus Health Care, Inc. ("Optimus"), who work twenty hours or more per week and are not union employees.

Eligibility - Employees of Optimus are eligible to participate in the Plan's elective deferral portion immediately at their date of hire, regardless of their age. The employee is eligible for the nonelective employer contribution portion of the Plan after two years of service (without an intervening break in service). A year of service is considered to be performed when an employee completes 1,000 hours of service during the plan year. The effective entry date for this portion is the first day of each plan year quarter.

Contributions - The Plan allows eligible participants to elect to defer the maximum amount allowed under the Internal Revenue Code of pre-tax compensation, as defined in the Plan. The Plan also allows eligible participants to elect to make additional catch-up contributions if they are at least age 50 by the end of the calendar year. Optimus's nonelective contribution to the Plan is discretionary and was equal to 4% of eligible

compensation of participants in the years ended June 30, 2022 and 2021. Eligible compensation does not include participant compensation for overtime, commissions or employee bonuses.

Participant Accounts - Each participant's account is credited with the participant's contribution and Optimus's nonelective contribution, their rollovers from other plans and earnings or losses on the participant's investments. Allocations of participant contributions and nonelective employer contributions are based on participant direction of salary deferrals to various investment options available under the Plan, which consist of registered investment company funds (mutual funds), and a general account offered by the Plan through an insurance group annuity contract. If no investment option is selected by the participant, contributions are placed in the general account within the Plan. Allocations of earnings are based on participant account balances, as defined in the plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Plan Loans - Under the terms of the Plan, participants are able to enter into a loan agreement with Empower with the collateral for the loan being held within the participant's account balance. The loan is made by Empower with the loan proceeds being sourced from participants' vested balances. Loan payments are made directly to Empower. As loan payments are received, Empower releases the appropriate amount of collateral held in the participants' accounts. The amount of loans outstanding at June 30, 2022 and 2021 was \$392,299 and \$403,366, respectively. The interest rates on these loans at June 30, 2022 and 2021 were 3.75% to 6.50%.

Vesting - Participants are immediately 100% vested in their salary deferred contributions and their rollover contributions, plus actual earnings thereon. Also, participants are immediately 100% vested in the portion of their individual account that is derived from nonelective employer contributions.

Investment Options - A participant may direct contributions for investment in the general account or any of the registered investment company accounts with various levels of risk tolerance under the custodial agreements with Empower and Reliance Trust Company, and may request the transfer of amounts resulting from those contributions between such investment options and investment vehicles.

Payment of Benefits - Upon severance from employment, a participant is eligible to receive the value of the participant's account. If the value of the account is \$5,000 or less, a mandatory distribution will be paid. If the value of the account is more than \$5,000, the participant can elect to have the payment made in a lump sum or in installment payments.

In-service Distributions - A participant may receive a distribution from the Plan prior to severance of employment. The participant may receive a distribution, of no less than \$500, applicable to their salary deferral account balance for a disability distribution, a hardship withdrawal or after reaching age 59½. A participant may only receive a distribution, of no less than \$500, of their nonelective employer contribution balance for a hardship withdrawal.

Due to Participants - At June 30, 2022 and 2021 no amounts were due to participants that separated from service.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are the significant accounting policies followed by the Plan:

- The accompanying financial statements of the Plan have been prepared using the accrual basis of accounting.
- Investments (registered investment companies) are stated at fair value, based on publicly quoted net asset values, and investments in the general account are stated at contract value.
- Interest is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Certain participant investment fees are netted against investment income.
- Investment transactions are accounted for on the trade date.
- Benefits are recorded when paid.
- Loans receivable from participants are recorded at their unpaid principal balance plus accrued interest. Interest is charged on loans at rates similar to those prevailing in the market at the time the loan is made. Plan management has asserted that all receivables are collectible. Accordingly, no allowance for doubtful accounts has been recorded.

Risks and Uncertainties - The Plan provides for various investment options which are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition - Investments are stated at fair value and contract value.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Plan adopted the professional standards relating to *Fair Value Measurements* (ASC 820) issued by the Financial Accounting Standards Board (FASB). The standards define fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and sets out a fair value hierarchy. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Inputs are broadly defined under the Standards as assumptions market participants would use in pricing an asset or liability. At June 30, 2022, the Plan's investments are held in mutual funds and a fully benefit responsive insurance contract ("General Account") and are stated at fair value and contract value, respectively. The fair value of mutual funds is based on publicly quoted net asset values of the shares held by the Plan at year-end. The benefit responsive insurance contract is reported at contract value. The net appreciation (depreciation) in the fair value of investments includes realized and unrealized gains and losses on the fair value of investments held by the Plan. Loans to participants are valued at their outstanding balance, which approximates fair value. Purchases and sales of investments are recorded on a trade date basis. Interest income is accrued as it is earned and dividends are recorded as of the ex-dividend date.

At June 30, 2022 and 2021, the investments in the "General Account" of the Plan is held under fully benefit-responsive unallocated group annuity contracts with Empower. Fully benefit responsive investments held by a defined contribution plan are required to be reported at contract value which is the amount that participants would receive if they were to initiate permitted transactions under the terms of the plan. Contract value represents contributions made under the contract, plus earnings, less withdrawals and administrative expenses because it is fully benefit-responsive. For example, participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The average yield

and crediting interest rate was approximately 1.8% for the years ended June 30, 2022 and 2021, respectively. The crediting interest rate, which is reset semi-annually, was calculated by the issuer by dividing the earnings credited to the Plan on the last day of the plan year by the end of the plan year fair value and annualizing the results. Certain events, such as premature termination of the contract by the Plan, or the termination of the Plan, would limit the Plan's ability to transact at contract value with Empower. The plan administrator believes the occurrence of such events, that would also limit the Plan's ability to transact at contract value with the Plan participants, is not probable. As required, the statements of net assets available for benefits present the contract value of the investment.

Management fees and operating expenses charged to the Plan for investments in annuities are deducted from income earned on a daily basis. Consequently, management fees and operating expenses are presented as a reduction of net appreciation in the fair value of investments.

The change in net unrealized appreciation (depreciation) of investments held from the beginning of the plan year to the end of the plan year is included with the realized gains (losses) as net appreciation (depreciation) reported in the accompanying statements of changes in net assets available for benefits.

Adoption of New Professional Standards - ASU 2018-13, *Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement (Topic 820)*, eliminates the disclosures for transfers between Level 1 and Level 2, the valuation process for Level 3 fair value measurements, the change in unrealized gains and losses for recurring Level 3 fair value measurements held at the end of the reporting period as well as requiring certain modifications to reporting on Level 3 investments and certain investments at net asset value. The ASU also added certain disclosures that are not required for non-public entities. Management adopted this standard effective July 1, 2020, which has an immaterial effect on the financial statements.

Prior-Year Reclassifications - Certain prior-year information has been reclassified to conform to the current year presentation.

Subsequent events – The plan has evaluated events and transactions for potential recognition or disclosure through April 3, 2023, which is the date the financial statements were available to be issued.

3. INFORMATION CERTIFIED BY THE CUSTODIANS

The following is a summary of the unaudited information included in the Plan's financial statements and supplemental schedules that was prepared by Empower and Reliance, the custodians of the Plan, and furnished to the plan administrator. The plan administrator has obtained certifications from the custodians that such information, including the information included in the supplemental schedules, is complete and accurate.

The following presents participant directed investments at June 30, 2022 and 2021.

	<u>2022</u>	<u>2021</u>
Investments, at contract value:		
Insurance Company - general account	\$7,280,846	\$6,638,860
Investments, at fair value:		
Registered Investment Companies	<u>13,859,140</u>	<u>17,808,086</u>
 Total	 <u>\$21,139,986</u>	 <u>\$24,446,946</u>

During the year ended June 30, 2022 and 2021, the Plan's investments, including investments bought, sold, and held during the year, (depreciated) appreciated in value as follows:

	<u>2022</u>	<u>2021</u>
Registered Investment Companies	<u>\$(4,584,969)</u>	<u>\$3,838,051</u>
 Interest and Dividend Income	 <u>\$1,694,687</u>	 <u>\$714,911</u>

4. FAIR VALUE MEASUREMENTS

The Plan's investments that are reported at fair value in the accompanying statements of net assets available for benefits are as follows:

	<u>June 30, 2022</u>	
	<u>Fair Value</u>	Quoted Prices in Active Markets for Identical Assets (Level 1)
Registered Investment Companies	\$ 13,859,140	\$ 13,859,140
Total at Fair Value	13,859,140	
General Account – at contract value	<u>7,280,846</u>	<u>-</u>
Total Investments	<u>\$ 21,139,986</u>	<u>\$ 13,859,140</u>

	<u>June 30, 2021</u>	
	<u>Fair Value</u>	Quoted Prices in Active Markets for Identical Assets (Level 1)
Registered Investment Companies	\$ 17,808,086	\$ 17,808,086
Total at Fair Value	17,808,086	
General Account – at contract value	<u>6,638,860</u>	<u>-</u>
Total Investments	<u>\$ 24,446,946</u>	<u>\$ 17,808,086</u>

ASC 820, *Fair Value Measurements*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

The following methods may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There were no unfunded commitments or redemption restrictions regarding plan investments.

Level 1 Fair Value Measurements

Fair value is based on unadjusted quoted prices in active markets that are accessible to the Plan for identical assets or liabilities. These generally provide the most reliable evidence and should be used to measure fair value whenever available. The fair value of registered investment companies is based on publicly quoted net asset values of the shares held by the Plan at year-end.

Level 2 Fair Value Measurements

Fair value is based on inputs, other than Level 1 inputs, that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the asset or liability through corroboration with observable market data. Level 2 inputs are not available to the Plan.

Level 3 Fair Value Measurements

Fair value is based on significant unobservable inputs for the asset or liability. These inputs reflect the Plan's own assumptions through their investment advisors about the assumptions that market participants would use in pricing the asset or liability. Level 3 inputs are not available to the Plan.

The Plan's policy is to recognize transfers into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer.

5. PLAN AMENDMENT AND INCOME TAX STATUS

Management believes the Plan is designed and currently being operated in compliance with the applicable requirements of the Internal Revenue Code (IRC).

The Plan was initially effective on July 1, 1998 and has been since amended. The Plan Document is an ERISA Specimen 403(b) Plan that was executed with Empower, the custodian of the Plan.

The plan administrator believes that, based on the operations of the Plan, the Plan is qualified and the related trust is tax-exempt. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

Management is not aware of any uncertain tax positions taken by the Plan. Years subsequent to June 30, 2018 remain open and subject to examination by major taxing jurisdictions.

6. PARTY-IN-INTEREST TRANSACTIONS

There were transactions involving investment of plan assets in funds maintained by Empower who is considered a party-in-interest as defined in Section 406 of ERISA.

Empower, through its affiliate, Great Western Life & Annuity Company, provides contract administrator and recordkeeper services to which they receive indirect compensation as a deduction from the value of the plan assets multiplied by the agreed upon basis points per service agreement. Additionally, Empower received approximately \$110,000 and \$100,000 for contract administrator services in direct compensation in 2022 and 2021, respectively.

The Plan also contracted with Kestra Advisory Services, LLC, an investment advisor, which received direct compensation of approximately \$48,000 and \$42,000 in 2022 and 2021, respectively.

7. ADMINISTRATIVE COSTS

Expenses of the Plan, to the extent that the employer does not pay such expenses, may be paid out of the assets of the Plan provided that such payment is consistent with ERISA. Such expenses include, but are not limited to, expenses for bonding required by ERISA; expenses for recordkeeping and other administrative services; fees and expenses of the custodian or annuity contract; and expenses for investment education that the employer incurs with respect to the Plan. In 2022 and 2021, the plan paid approximately \$158,000 and \$142,000, respectively, for administrative expenses to Empower and Kestra Advisory Services, LLC for services described in Note 6. Expenses that relate solely to a specific participant or alternate payee may be assessed against such participant or alternate payee as provided in the service and expense agreement or such other documents duly entered into by or with regard to the plan that governs such matters, including commissions paid by Empower to insurance brokers.

8. PLAN TERMINATION

The plan sponsor expects to continue the Plan indefinitely, but reserves the right to terminate the Plan in whole or in part at any time upon giving written notice to all parties concerned. Complete discontinuance of contributions constitutes complete termination of the Plan. Each participant's account shall be 100% vested and nonforfeitable as of the effective date of complete termination.

9. PARTICIPANT CONTRIBUTIONS

Certain prior year employee contributions were not remitted to the Plan on a timely basis. Although certain employee contributions were late, all employee contributions have been remitted to the Plan. Additionally, with assistance of ERISA counsel, certain "lost earnings" on the late payments were calculated and remitted to the Plan during fiscal 2022. By letter dated September 8, 2021 the Employee Benefits Security Administration of the U.S. Department of Labor accepted the payment of \$798,597 under the Voluntary Fiduciary Correction Program ("VFCP").

10. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The plan administrator reports the plan's employer contributions each year on Schedule H of Form 5500 on the cash basis of accounting which is consistent with the plan's third-party administrator's method of accounting and reporting for Form 5500 preparation. The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500 as of June 30, 2022 and 2021:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per the financial statements	\$21,701,316	\$25,071,068
Employer contributions receivable	(169,031)	(220,756)
Participant contributions receivable	_____	_____
Net assets available for benefits per Schedule H of Form 5500	<u>\$21,532,285</u>	<u>\$24,850,312</u>

The following is a reconciliation of the changes in net assets per the financial statements for the years ended June 30, 2022 and 2021 to Schedule H of Form 5500:

	<u>2022</u>	<u>2021</u>
Total changes in net assets per the financial statements	\$(3,369,752)	\$5,891,952
Plus: Prior year amount of employer contributions receivable, which were received by the Plan.	220,756	539,613
Less: Current year amount of employer contributions receivable which are receivable by the Plan.	(169,031)	(220,756)
Less: Current year amount of employee contributions receivable by the Plan.		
Plus: Prior year amount of employee contributions receivable by the Plan.	_____	_____
Total changes in net assets per Schedule H of the 5500	<u>\$(3,318,027)</u>	<u>\$6,210,809</u>

11. CONTINGENCIES

The full impact of the COVID-19 pandemic continues to evolve as of the date of this report. This pandemic has adversely affected global economic activity and greatly contributed to significant instability in financial markets. Because the values of the Plan's individual investments have and will fluctuate in response to changing market conditions, the amount of losses that will be recognized in subsequent periods, if any, and related impact on the Plan's liquidity cannot be determined at this time. The market continues to experience significant volatility and the effect on future market values and general economic conditions remains undeterminable.

Schedule C Soft Dollar Compensation Eligible Indirect Compensation (“EIC”) Statement

Mutual fund investments with a retirement plan (whether held directly or indirectly through a separate investment account) can have soft dollar arrangements pursuant to which the investment advisor or sub-advisor of the mutual fund (and/or its affiliates) may direct trades to certain brokers in exchange for research and other services. The Securities and Exchange Act of 1934 contains guidance regarding the use of soft dollar arrangements.

For plans that invest directly or indirectly in the MassMutual Funds, soft dollar compensation is disclosed on the Schedule C and the Schedule C Formula Description and/or EIC Statement Description Attachment. For all other mutual funds, a Schedule C Soft Dollar Compensation Disclosure Attachment is provided and should be filed along with the Form 5500.

For additional information regarding soft dollar compensation, refer to the respective mutual fund’s Statement of Additional Information (“SAI”) for details regarding brokerage allocation and other practices.
