INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
the Process Equipment & Service Co., Inc. 401 (K) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Process Equipment & Service Co., Inc. 401 (K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Process Equipment & Service Co., Inc. 401 (K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Process Equipment & Service Co., Inc. 401 (K) Plan and to meet our other ethical responsibilities in accordance

with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Process Equipment & Service Co., Inc. 401 (K) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Process Equipment & Service Co., Inc. 401 (K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Process Equipment & Service Co., Inc. 401 (K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Process Equipment & Service Co., Inc. 401 (K) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated April 14, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Process Equipment & Service Co., Inc. 401(K) Plan
NOTES TO FINANCIAL STATEMENTS
June 30, 2022 and 2021

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Process Equipment & Service Co., Inc. 401(K) Plan (plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the plan's provisions.

General-The plan, adopted in July 1, 1999, is a defined contribution plan covering all employees of the company who have one year of service and are age nineteen or older. The plan is subject to the provisions of the Employee Retirement Income Security Act (ERISA).

Contributions-Each year, participants may contribute up to limits set by Internal Revenue Code and Regulations. Participants who have attained age 50 before the end of the plan year are also eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the plan. The company has elected to be treated as a safe harbor plan, and has committed to making a contribution equal to 3% of employee compensation. The company may also make additional, discretionary contributions as approved by its board of directors, up to limits prescribed by the IRS; these contributions are allocated only to participants employed on the last day of the plan year. Contributions are invested as directed by the participant. Contributions are made as soon as administratively feasible.

Participant Accounts-Each participant's account is credited with the participant's contribution and allocations of (a) the company's contribution and (b) plan earnings, and charged amounts of an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting-Participants are vested immediately in their own contributions and the company's safe harbor contributions, plus actual earnings thereon. Participants are 100% vested in employer's discretionary contributions at the end of six years of service. As of June 30, 2022, participants with vested balances of \$1,427,385 had terminated but had not been paid out of the plan. Non-vested amounts are forfeited on termination and can be used to pay expenses or reduce employer contributions.

Participant Loans-Participants may not borrow from the plan.

Administrative Expenses-Administrative expenses incurred by the plan are routinely paid by the company.

Payment of Benefits-On termination of service due to death, disability, or retirement, a participant may elect to receive their vested account balance as a lump-sum payment, or as payments over a period certain. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Vested amounts in excess of \$5,000 may be left in the plan.

Forfeited Accounts-At June 30, 2022 and 2021 forfeited non-vested accounts totaled \$46 and \$24,811, respectively. These accounts can be used to reduce future employer contributions or to pay plan expenses.

NOTES TO FINANCIAL STATEMENTS
June 30, 2022 and 2021

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting-The financial statements of the plan are prepared on the accrual basis of accounting.

Reclassifications-Certain reclassifications were made in the 2020 financial statements to conform to the 2021 presentation.

Use of Estimates-The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition-Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 9 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Payments of Benefits-Benefits are recorded when paid.

NOTE 3 – PLAN TERMINATION

Although it has not expressed any intent to do so, the company has the right under the plan to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100 percent vested in their employer contributions.

NOTE 4 – TAX STATUS

The Internal Revenue Service has determined and informed the company by a letter dated March 31, 2008, that the plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the plan has been amended since receiving the determination letter, the plan administrator and the plan's tax counsel believe that the plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes that as of June 30, 2022, the plan is no longer subject to income tax examinations for years prior to 2019.

Process Equipment & Service Co., Inc. 401(K) Plan
NOTES TO FINANCIAL STATEMENTS
June 30, 2022 and 2021

NOTE 5 – RISKS AND UNCERTAINTIES

The plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 6 – CERTIFIED INFORMATION

The plan has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, Empower Annuity Insurance Company of America and Empower Trust Company, LLC, the trustees of the plan for the June 30, 2022 plan year, have certified as complete and accurate the following:

- Investments reflected on the accompanying Statements of Net Assets Available for Benefits as of June 30, 2022.
- Net appreciation in fair value of investments, dividends, and interest reflected on the accompanying Statements of Changes in Net Assets Available for Benefits for the years ended June 30, 2022.
- Information in the supplemental Schedule of Assets (Held at End of Year) as of June 30, 2022.

AdvisorTrust, the trustee of the plan for the June 30, 2021 plan year, has certified as complete and accurate the following:

- Investments reflected on the accompanying Statements of Net Assets Available for Benefits as of June 30, 2021.
- Net appreciation in fair value of investments, dividends, and interest reflected on the accompanying Statements of Changes in Net Assets Available for Benefits for the year ended June 30, 2021.

NOTE 7 – CONCENTRATIONS

For the year ended June 30, 2022, the plan held \$9,568,104 in registered investment companies (mutual funds), collective trust funds, and fixed annuities at Empower Annuity Insurance Company of America and Empower Trust Company, LLC. These investments comprise over 99% of plan assets at June 30, 2022 and are not covered by federal insurance. Plan management and the plan trustee periodically evaluate the financial soundness of the investments and believe such assets do not pose a financial risk to the plan.

NOTE 8 – SUBSEQUENT EVENTS

The plan is required to recognize the effect of all material subsequent events which provide additional evidence about conditions that existed at the date of the statement of net assets available for benefits (June 30, 2022). Management has evaluated subsequent events through April 14, 2023 which is the date the financial statements were available to be issued. No subsequent events requiring disclosure were noted.

NOTES TO FINANCIAL STATEMENTS
June 30, 2022 and 2021

NOTE 9 – FAIR VALUE MEASUREMENTS

FASB ASC 820 provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
Level 2	Inputs to the valuation methodology include • Quoted prices for similar assets or liabilities in active markets; • Quoted prices for identical or similar assets or liabilities in inactive markets; • Inputs other than quoted prices that are observable for the asset or liability; and • Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2022, and 2021.

Mutual funds: Valued at the quoted net asset value (NAV) of shares held by the plan at year end.

Common/collective trust funds: Valued using the market approach NAV based on fair value of underlying investments.

Fixed annuities: Valued based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider.
