INDEPENDENT AUDITORS' REPORT

To the Trustees of the
Tiegerman School 403(b) Retirement Plan
100 Glen Cove Avenue
Glen Cove, NY 11542

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of the Tiegerman School 403(b) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedule Required by ERISA

The supplemental schedule H, line 4i – Schedule of Assets (Held At End of Year) as of June 30, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated April 14, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2022

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of the Tiegerman School 403(b) Retirement Plan (the "Plan") is presented to assist in understanding the Plan's financial statements and supplemental information. These financial statements, supplemental information, and notes are representations of Tiegerman School and Affiliates' (hereinafter, the "Plan Sponsor") management, which is responsible for the integrity and objectivity of the financial statements. These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements and supplemental schedule.

Basis of Accounting: The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Notes 4 and 5 for a further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the Plan year. Investments in variable annuity contracts are reported at fair value. During the year ended June 30, 2022, the Plan's investment losses (including gains and losses on investments bought and sold, as well as held during the year) were \$5,749,734.

Participant Notes Receivable: Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as distributions based upon the terms of the Plan document.

Excess Contributions Payable: Amounts payable to participants in excess of amounts allowed by IRS ("Internal Revenue Service") are recorded as a liability.

Payment of Benefits: Benefits are recorded when paid to the Plan's participants.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2022

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Plan Expenses: Certain administrative, accounting and audit expenses for the Plan were paid directly by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants and fees related to the distributions to participants are charged directly to the participant's account and are included in administrative expenses. Accounting and audit expenses may be paid from the forfeiture account, and if so, are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments.

Events Occurring After Report Date: The Plan Sponsor evaluated events and transactions that occurred between July 1, 2022 and April 13, 2023, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements.

NOTE 2 - DESCRIPTION OF THE PLAN

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General and Eligibility: The Plan was originally established July 1, 1986, by the School for Language and Communication Development (the "School") as a contributory defined contribution plan for the benefit of its employees. In 2015, the Plan was amended to include Able Community Services, Inc. ("Able"), as a participating employer. On June 20, 2017, Able changed its name to Tiegerman Community Services, Inc. ("Community Services"). Effective October 17, 2017, the School for Language and Communication Development changed its name to Tiegerman School and the Plan was amended to change its name from School for Language and Communication Development Tax Deferred Annuity Retirement Plan to Tiegerman School 403(b) Retirement Plan. Collectively, the School and Community Services will be referred to as the "Employers."

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan is a combination custodial account and annuity contract. The Plan assets are held by Principal Trust Company ("Principal Trust"), the Trustee, and records are held by Principal Life Insurance Group ("Principal"), the Custodian. The Plan Sponsor uses Loren D. Stark Company (formerly SBC Benefit Consultants, Inc.) as third-party administrators of the Plan. Eligible employees are immediately eligible to participate in the Plan as a contributing participant upon commencement of employment with the Employers. Participants are required to have two years of service to qualify for employer matching contributions.

**NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2022**

NOTE 2 - DESCRIPTION OF THE PLAN (continued)

Plan Amendments: The Plan Sponsor has the right under the Plan to amend the Plan at any time.

The Plan was last amended on April 20, 2020 to allow for Coronavirus-related distributions, Coronavirus-related loans, and temporarily waiving required minimum distributions. These amendments were in response to the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act").

Contributions: The Plan permits eligible employees through a salary deferral election to have the Employers make contributions of up to the maximum allowed by the Internal Revenue Code. Roth contributions and employee rollovers are permitted by the Plan. Participants who have attained age 50 are eligible to make catch-up contributions.

The School makes matching contributions of 100 percent of eligible participants' contributions on the first 6 percent of compensation for School employees and Community Services makes matching contributions of 100 percent of eligible participants' contributions on the first 1 percent of compensation for Community Services employees. Effective January 1, 2019, the limit on employer matching contributions for Community Services employees was increased from 1 percent of compensation to 2 percent of compensation.

Contributions are subject to certain limitations.

Participant Accounts: Participants have the option of directing their contributions into any of the various investment options offered by the Plan and may change the allocation at any time. Each participant's account is credited with the participant's contributions, the Employers' contributions, and plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled, is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their (employee) contributions as well as any contributions made by the Employers plus actual earnings thereon.

Investment Options: Upon enrollment in the Plan, participants may direct the Custodian to invest contributions in various investment options managed by the Custodian, its affiliates, and other large investment management companies. Participants may change their contribution investment options, transfer part or all of past investments to other funds and change their deferral percentages at any time during the Plan year.

Notes Receivable from Participants: The plan document includes provisions authorizing loans from the Plan to active eligible participants. There is no limit on the number of loans a participant may have outstanding at any one time.

PLAN NUMBER: 001

PLAN EIN: 11-2739039

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2022

NOTE 2 - DESCRIPTION OF THE PLAN (continued)

The minimum amount of a loan shall be \$1,000. The maximum loan amount is the lesser of \$50,000 or 50 percent of the participant's vested account balance. All loans are secured by the balances in the participant's accounts and are repayable over a period not to exceed five years, unless the loan is for the purchase of a principal residence. The effective interest rates for loans shall be based upon the aggregate loan rate for a loan granted under similar circumstances by banks and other professional lenders, as determined by the Plan administrator. Outstanding loans at June 30, 2022 bore interest between 5.25% and 7.50%. Principal and interest are paid ratably through payroll deductions.

In accordance with the CARES Act, effective April 20, 2020, impacted participant loan payments due from March 27, 2020 through December 31, 2020, including those due following a severance from employment, may be delayed for one year. This period is disregarded in determining the loan term, including the 5-year maximum. Subsequent loan payments will be adjusted appropriately to reflect the payment delay, any interest accruing during that delay, and the revised loan term.

Deemed Distributions: When a participant fails to make loan repayments under the terms of the loan agreement, the loan is considered to be in default. A loan in default is considered a distribution from the Plan (deemed distribution) that could result in taxable income to the participant. As of June 30, 2022, outstanding loans of \$14,946 represent defaulted loans (deemed distributions) for which the participant was taxed through an IRS Form 1099-R.

In-Service Withdrawals: In-service or hardship withdrawals are permitted by the Plan.

Payment of Benefits: Upon termination of service, a participant may elect to receive the vested value of the participant's account in the form of a single lump sum, a partial lump sum, installments, or to purchase an annuity. Withdrawals other than for termination are permitted under circumstances provided by the Plan.

In accordance with the CARES Act, effective April 20, 2020, Coronavirus-related distributions were made available to eligible participants up to \$100,000 in aggregate (for all plans maintained by the Plan Sponsor) for withdrawals before December 31, 2020. Withdrawals are available from the participant's entire vested account. Withdrawals will be included in the participant's taxable income over a three-year period, unless the participant elects to have it taxed in the year of distribution. There is no limit to the number of withdrawals that can be made before December 31, 2020.

NOTE 2 - DESCRIPTION OF THE PLAN (continued)

Plan Termination: Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become one hundred percent vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Plan Sponsor may determine.

NOTE 3 - INFORMATION CERTIFIED BY THE CUSTODIAN AND TRUSTEE

Investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable held at June 30, 2022 and 2021, and net depreciation in fair value of investments, interest and dividends, and notes receivable from participants for the year ended June 30, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Principal, the custodian of the Plan, and Principal Trust, the trustee of the Plan.

NOTE 4 - FAIR VALUE MEASUREMENTS

The Plan Sponsor utilizes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements). The three levels of the value hierarchy are described below:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset and liability.
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

PLAN EIN: 11-2739039

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2022

NOTE 4 - FAIR VALUE MEASUREMENTS (continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at June 30, 2022 and 2021.

Mutual Funds (Registered Investment Companies): Valued at the net asset value of shares held by the Plan at year-end. The net asset value is based upon quoted market prices.

The following table set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2022:

	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 29,146,340	\$ -	\$ -	\$ 29,146,340
Total investments at fair value	\$ 29,146,340	\$ -	\$ -	\$ 29,146,340

The following table set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2021:

	Level 1	Level 2	Level 3	Total
Mutual Funds.....	\$ 35,963,363	\$ -	\$ -	\$ 35,963,363
Total investments at fair value	\$ 35,963,363	\$ -	\$ -	\$ 35,963,363

NOTE 5 - GUARANTEED INTEREST ACCOUNT

The Principal Guaranteed Investment Contract ("GIC") is considered a fully benefit responsive investment contract ("FBRIC") and is reflected at contract value within net assets available for benefits which is \$3,624,955 and \$3,377,261 as of June 30, 2022 and 2021, respectively. Accounting Standards Update ("ASU") 2015-12 states that FBRICs should be measured, presented, and disclosed only at contract value and fair value information is not required. All GICs that are deemed benefit responsive investment contracts should no longer be included in Accounting Standards Codification ("ASC") 820 fair value disclosures. A plan should continue to provide disclosures that help users understand the nature and risks of fully benefit-responsive investment contracts. The GIC will provide information about redemption frequency and notice periods if applicable. This contract does have surrender charges if it is terminated by the contract holder or a plan terminates its interest in such contract within certain time periods. If a contract is terminating and a surrender charge applies, the plan may no longer be deemed benefit-responsive. This could require the GIC to be reported at fair value and thus included in the ASC 820 fair value disclosures. Fair value is the amount plan participants would receive currently if they were to withdraw or transfer funds within the Plan prior to maturity for an event other than death, disability termination or retirement.

TIEGERMAN SCHOOL 403(B) RETIREMENT PLAN
PLAN NUMBER: 001
PLAN EIN: 11-2739039

NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2022

NOTE 5 - GUARANTEED INTEREST ACCOUNT (continued)

Most participant transactions are executed using contract value without adjustment. If the contract holder is considering terminating the contract or a plan is considering terminating its interest in such contract in the near future, contract value less surrender charges may be a better proxy for fair value.

The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 1 percent. The average yield credited to participants was 2% as of June 30, 2022.

NOTE 6 - TRANSACTIONS WITH PARTIES-IN-INTEREST

For the year ended June 30, 2022, certain Plan investments were fully benefit-responsive investments subject to a contract with Principal and the shares of mutual funds were managed by Principal. At this point, Principal was the custodian of the Plan through and, therefore, these transactions qualified as party in interest transactions.

Fees paid directly by the Plan for contract administration totaled \$87,868 for the year ended June 30, 2022. Fees incurred by the Plan for investment management services are included in net appreciation/(depreciation) in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment.

NOTE 7 - TAX STATUS

The Plan operates under a volume submitter 403(b) Plan document sponsored by Principal. This volume submitter plan document has been filed with the appropriate agency and has obtained an opinion letter dated March 31, 2017 from the Internal Revenue Service stating that the volume submitter plan document is acceptable under Section 403(b) of the Internal Revenue Code and that the Plan was qualified, and the related trust was tax exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America requires the Plan Sponsor to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Department of Labor and Internal Revenue Service.

The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of June 30, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits.

NOTE 9 - FINANCIAL UNCERTAINTIES DUE TO COVID-19 PANDEMIC

As a result of the spread of the COVID-19 coronavirus, economic uncertainties have arisen which have resulted in significant volatility in the investment markets. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.

NOTE 10 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

NOTE 11 - SECURE ACT

In January 2020, Congress passed the Setting Every Community Up for Retirement Enhancement Act of 2019 ("SECURE Act"). Many of the provisions of the SECURE Act will require significant changes to plan administration and recordkeeping. When it becomes necessary to do so, the Plan will be amended as required to comply with the SECURE Act.
