To the Plan Administrators
Sakura Finetek USA, Inc. 401(k) Retirement Savings Plan

We have conducted an ERISA Section 103(a)(3)(C) audit of the financial statements of Sakura Finetek USA, Inc. 401(k) Retirement Savings Plan (the “Plan”) as of and for the year ended September 30, 2022 and have issued our report thereon dated April 7, 2023. Professional standards require that we advise you of the following information related to our audit.

Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter dated January 9, 2023, our responsibility, as described by professional standards, is to conduct our audit in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements of information related to assets held for investment of the Plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“Qualified Institution”). For an ERISA Section 103(a)(3)(C) audit, the audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirement of accounting principles generally accepted in the United States of America (“GAAP”). Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan’s internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of the Plan solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you in a letter dated February 2, 2023.

Compliance with All Ethics Requirements Regarding Independence

The engagement team, others in our firm, as appropriate, and our firm, have complied with all relevant ethical requirements regarding independence.

As part of the audit, we assisted you in preparing a draft of your financial statements and related notes, a nonattest service. With respect to any nonattest service we performed, the Plan's management has been responsible for (a) making all management decisions and performing all management functions; (b) assigning a competent individual to oversee the services; (c) evaluating the adequacy of the services performed; (d) evaluating and accepting responsibility for the results of the services performed; and (e) establishing and maintaining internal controls, including monitoring ongoing activities.

Significant Risks Identified

We did not identify any significant risks that required special audit consideration.

Qualitative Aspects of the Plan's Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the Plan is included in Note 2 to the financial statements. There has been no initial selection of accounting policies and no changes in significant accounting policies or their application during 2022. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events.

Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

The most sensitive estimate affecting the financial statements was management's estimate of the fair value of investments, which is based on market information certified by the Custodians. We evaluated the key factors and assumption used to develop the estimate described above and determined that it is reasonable in relation to the basic financial statements taken as a whole.

Financial Statement Disclosures

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the Plan's financial statements was the disclosure of the fair value of investments in Note 3 to the financial statements.

Significant Unusual Transactions

For purposes of this communication, professional standards require us to communicate to you significant unusual transactions identified during our audit. There were no significant unusual transactions identified as a result of our audit procedures and brought to the attention of management.

Identified or Suspected Fraud

We have not identified or obtained information that indicates that any fraud affecting the Plan's financial statements may have occurred.

Significant Difficulties Encountered During the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

Uncorrected and Corrected Misstatements

For purposes of this communication, professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole. There were no uncorrected misstatements of the financial statements.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. The attached Exhibit A summarizes misstatements that we identified as a result of our audit procedures and were brought to the attention of, and corrected by, management.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to the Plan's financial statements or the auditors' report. No such disagreements arose during the course of the audit.

Circumstances that Affect the Form and Content of the Auditors' Report

For purposes of this letter, professional standards require that we communicate any circumstances that affect the form and content of our auditors' report. There were no circumstances that affect the form or content of the auditors' report.

Representation Requested from Management

We have requested certain written representations from management, which are included in a separate attached letter dated April 7, 2023.

Management's Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Other Significant Matters, Findings or Issues

In the normal course of our professional association with the Plan, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, business conditions affecting the Plan, and business plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as the Plan's auditors.

Other Information in Documents Containing Audited Financial Statements

Pursuant to professional standards, our responsibility as auditors for other information in documents containing the Plan's audited financial statements does not extend beyond the financial information identified in the audit report, and we are not required to perform any procedures to corroborate such other information. However, in accordance with such standards, we have reviewed Schedule H of the Form 5500 and considered whether such information, or the

manner of its presentation, was materially inconsistent with its presentation in the financial statements. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

Other Matters

The ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, was subjected to the audit procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America.

Our responsibility also includes communicating to you any information which we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

This report is intended solely for the information and use of the Plan Administrative Committee and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

KMJ Corbin & Company LLP

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants of the
Sakura Finetek USA, Inc. 401(k) Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements

We have performed an audit of the financial statements of Sakura Finetek USA, Inc. 401(k) Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of September 30, 2022, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2022 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit needs not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("Qualified Institution").

Management has obtained a certification from a Qualified Institution as of and for the year ended September 30, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section:

- the amounts and disclosures in the accompanying 2022 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2022 Financial Statements related to assets held by and certified by a Qualified Institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amount and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of September 30, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and

was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated April 21, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

September 30, 2022 and 2021

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Sakura Finetek USA, Inc. 401(k) Retirement Savings Plan (the “Plan”) provides only general information about the Plan. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined-contribution plan covering substantially all employees ("Participants") of Sakura Finetek USA, Inc. (the “Company”) who have reached age 21 and completed at least 90 days of service with the Company. This Plan was established on January 1, 1994, is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), and is qualified under Section 401(k) of the Internal Revenue Code ("IRC") of 1986, as amended. The Company is the Plan's sponsor and administrator, and Fidelity Management Trust Company is the Plan's trustee and custodian of all of the Plan's investments, except for investments in the Putnam Stable Value Fund (“Stable Value Fund”) for which Putnam Fiduciary Trust Company is the custodian. Collectively, Fidelity Management Trust Company and Putnam Fiduciary Trust Company are herein referred to as the Plan's “Custodians.”

Participant Contributions

Participants may make pretax contributions of up to 50% of their annual compensation (as defined) but not less than 1%. Contributions for each participant were limited to \$20,500 for 2022. Participants that are 50 years of age or older during the Plan year, who have met the annual Internal Revenue Service (“IRS”) deferral limit or the specified Plan limits for deferral, may contribute a catch-up deferral of up to \$6,500 in 2022.

Company Contributions

The Plan allows for discretionary matching contributions by the Company. For the year ended September 30, 2022, the Company matched up to 75% of participants' contributions, limited to 4% of each participant's eligible compensation (as defined), which totaled \$564,375.

The Plan also provides for non-elective employer contributions. During the year ended September 30, 2022, non-elective employer contributions to the Plan totaled \$0.

NOTE 1 – DESCRIPTION OF PLAN, continued

Participant Accounts

Individual accounts are maintained for each of the Plan's participants to reflect the participant's contributions and related employer contributions, as well as the participant's share of the Plan's income and any related administrative expenses. Allocations of the Plan income and expenses are based on the proportion that each participant's account balance bears to the total of all participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Upon enrollment in the Plan, a participant may direct employee contributions into any of the various investment options offered by the Plan. Participants may change their investment options at any time during the Plan year. However, participants can only change their contribution amount monthly. Participants may terminate contributions at any time, but cannot resume contributions until the next entry date.

Vesting

Participants are fully vested in their contributions at all times. Company contributions and related earnings vest in accordance with the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

If a participant's employment terminates before full vesting is attained, the amount of Plan benefits forfeited is returned to the Company for use as a reduction of future Company matching contributions to the Plan. During the Plan year ended September 30, 2022, forfeitures of \$21,784 were used to offset Company matching contributions. At September 30, 2022 and 2021, there was \$6,863 and \$4,036, respectively, of unallocated forfeitures included in net assets available for benefits.

NOTE 1 – DESCRIPTION OF PLAN, continued

Participant Loans

Participants may borrow against their own contributions. The minimum loan amount is \$1,000. The maximum loan is 50% of the participant's vested account balance, not to exceed \$50,000. Loans are to be repaid by payroll deductions over five years or less, unless the loan is for the purchase of a principal residence. Loans bear interest at a fixed interest rate which is commensurate with local prevailing rates (ranging from 4.25% to 6.50% as of September 30, 2022). Under the terms of the Plan document, when an employee is terminated, the entire outstanding loan balance becomes due, or if not repaid, becomes a deemed taxable distribution. There were deemed distributions totaling \$16,337 for the fiscal year ended September 30, 2022.

Benefit Distributions

Distributions of plan benefits are not permitted prior to the participant reaching age 59½, except upon the occurrence of any one of the following events: retirement, death, total and permanent disability, termination of employment, or financial hardship for certain reasons, as defined in the Plan document. Further, pursuant to the CARES Act and subsequent legislation, certain other early withdrawals were allowed without tax consequences through June 2021. During the year ended September 30, 2022, the Plan had early withdrawals totaling \$0 and hardship withdrawals of \$124,100 that were included in benefits paid to participants in the accompanying statement of changes in net assets available for benefits.

Plan Termination

Although the Company has not expressed any intent to do so, the Company has the right under the terms of the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, participants become 100 percent vested in their accounts and any unallocated assets of the Plan could be allocated to participants' accounts.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“GAAP”).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Administrative Expenses

Certain administrative functions are performed by officers or employees of the Company; no such officer or employee receives compensation from the Plan for these services. Certain expenses are paid by the Company for the administration of the Plan. Fees related to the administration of promissory notes from participants are charged directly to the participant’s account and are included in administrative fees. Administrative expenses incurred and paid by the Plan totaled \$93,552 for the year ended September 30, 2022. Investment-related expenses are included in net depreciation in fair value of investments.

Payment of Benefits

Benefits are recorded when paid. Participants terminating employment are entitled to a distribution of their vested portion of accrued benefits. At September 30, 2022, there were no amounts allocated to participants who elected to withdraw from the Plan that had not yet been paid.

Valuation of Investments

Investments in mutual funds are stated at fair value based on quoted market prices of the underlying investments (see Note 3).

In accordance with the policy of stating Plan assets at fair value, investment gains and losses (realized and unrealized) are included in net depreciation in fair value of investments in the accompanying financial statements.

SAKURA FINETEK USA, INC. 401(k) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

September 30, 2022 and 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

The Plan has investments in the Stable Value Fund, which is an investment fund held in a common and collective trust that invests in a variety of investment contracts such as guaranteed investment contracts (“GICs”) issued by insurance companies and other financial institutions and other investment products (synthetic GICs and collective investment trusts) with similar characteristics which result in the probability that participant-directed transactions with investments in this fund will be at contract value. Therefore, investments in the Stable Value Fund are reported at contract value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date.

Promissory Notes from Participants

Promissory notes from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of September 30, 2022 and 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

NOTE 3 – FAIR VALUE MEASUREMENTS

The accounting guidance for fair value measurements defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal market, or in the absence of a principal market, the most advantageous market for the asset or liability, in an orderly transaction between market participants on the measurement date. The accounting guidance also establishes a fair value hierarchy that requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The guidance describes three levels of inputs in priority that may be used to measure fair value:

Level 1 - Quoted prices in active markets for identical assets or liabilities;

Level 2 - Observable inputs other than quoted prices included within Level 1, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; inputs other than quoted prices that are observable for the asset or liability (such as interest rates and yield curves, credit risks, and default rates) or other inputs that are principally derived from or corroborated by observable market data by correlation or by other means; and

NOTES TO FINANCIAL STATEMENTS

September 30, 2022 and 2021

NOTE 3 – FAIR VALUE MEASUREMENTS, continued

Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The following is a description of the valuation methodologies used for the investments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

Investments in Mutual Funds

The fair value of investments in the mutual funds is based upon quoted market prices which for each mutual fund represents the net asset value of shares of the fund held by the Plan at year-end. These investments are classified within Level 1 of the valuation hierarchy.

As of September 30, 2022, the Plan's investments measured at fair value on a recurring basis are as follows:

	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Mutual funds:	\$ <u>28,720,768</u>	\$ <u>-</u>	\$ <u>-</u>	\$ 28,720,768
Common and collective trust at net asset value (see Note 5)				<u>2,313,492</u>
				\$ <u>31,034,260</u>

As of September 30, 2021, the Plan's investments measured at fair value on a recurring basis are as follows:

	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Mutual funds:	\$ <u>36,642,521</u>	\$ <u>-</u>	\$ <u>-</u>	\$ 36,642,521
Common and collective trust at net asset value (see Note 5)				<u>1,742,253</u>

SAKURA FINETEK USA, INC. 401(k) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

September 30, 2022 and 2021

NOTE 4 – SUMMARY OF UNAUDITED INFORMATION

The plan administrator has elected the method of annual reporting permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Custodians have certified that the following data in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments, as shown in the Statements of Net Assets Available for Benefits as of September 30, 2022 and 2021;
- Investment loss, as shown in the Statement of Changes in Net Assets Available for Benefits for the year ended September 30, 2022;
- The value of investments as disclosed in Note 3; and
- Schedule I: Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of September 30, 2022, except for promissory notes from participants of \$519,315.

NOTE 5 – INVESTMENTS – STABLE VALUE FUND

The Stable Value Fund invests principally in GICs issued by insurance companies; investment contracts issued by banks ("BICs"); structured or synthetic investment contracts ("SICs") issued by banks, insurance companies and other issuers, as well as the securities supporting such SICs (underlying assets); separate account contracts ("SACs"); and other similar instruments that are intended to maintain a constant net asset value ("NAV") while permitting participant initiated benefit-responsive withdrawals for certain events. The beneficial interest of each participant is represented by units. Stable Value Fund units may be redeemed on a daily basis to meet benefit payments and other participant-initiated withdrawals permitted by the Plan at the Stable Value Fund's constant NAV of \$1 per unit. It is the policy of the Stable Value Fund to use its best efforts to maintain a stable net asset value of \$1 per unit, although there is no guarantee that the Stable Value Fund will be able to maintain this value. Participants ordinarily may direct the withdrawal or transfer of all or a portion of their investment at contract value. Contract value represents contributions made to the Stable Value Fund, plus earnings, less participant withdrawals and administrative expenses.

The Stable Value Fund imposes certain restrictions on the Plan, and the Stable Value Fund itself may be subject to circumstances that impact its ability to transact at contract value, as described in the following paragraphs.

The plan administrator believes that the occurrence of events that would cause the Stable Value Fund to transact at less than contract value is not probable.

SAKURA FINETEK USA, INC. 401(k) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

September 30, 2022 and 2021

NOTE 5 – INVESTMENTS – STABLE VALUE FUND, continued

The existence of certain conditions can limit the Stable Value Fund's ability to transact at contract value with the issuers of its investment contracts. Specifically, any event outside the normal operation of the Stable Value Fund that causes a withdrawal from an investment contract may result in a negative market value adjustment with respect to such withdrawal. In addition, issuers of investment contracts have certain rights to terminate a contract and settle at an amount that differs from contract value. For example, certain breaches by the Stable Value Fund of its obligations, representations or warranties under the terms of an investment contract can result in its termination at market value, which may differ from contract value. Investment contracts also may provide for termination with no payment obligation from the issuer if the performance of the contract constitutes a prohibited transaction under ERISA or other applicable law. SICs and SACs also may provide issuers with the right to reduce contract value in the event an underlying investment suffers a credit event or the right to terminate the contract in the event certain investment guidelines are materially breached and not cured.

There is also no guarantee that the Stable Value Fund will always be able to have SICs in place with respect to its fixed income securities or that it will be able to invest the desired portion of its assets in investment contracts that are fully benefit responsive.

In the event a replacement from another issuer cannot be secured, the Stable Value Fund will have to recognize currently the fair value of certain assets, possibly including the contract and/or underlying assets.

These values may be less than contract value and could result in a loss of principal and/or reduction in earnings with respect to unit holders' investment in the Stable Value Fund. Further, in the case of a SAC, the Stable Value Fund could experience a delay in accessing the assets in the underlying separate account, which, in turn, could result in a further loss of value or earnings. Similarly, a loss of principal or reduction of earnings could occur as a result of a GIC issuer's bankruptcy or other significant credit event that causes the issuer to not satisfy its payment obligations.

The average yield earned based on the change in the NAV between the beginning and the end of the Plan year was 2.61% for the year ended September 30, 2022. The weighted-average crediting rate was 3.14% for the year ended September 30, 2022.

NOTE 6 – TAX STATUS

Fidelity Management Trust Company has received a favorable Determination Letter from the IRS for its Prototype Plan (the "Prototype Plan") dated October 9, 2003. Although the Plan has been amended since receiving the determination letter, the Plan's sponsor believes the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

SAKURA FINETEK USA, INC. 401(k) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

September 30, 2022 and 2021

NOTE 6 – TAX STATUS, continued

The Plan recognizes any uncertain income tax positions on income tax returns at the largest amount that is more-likely-than not to be sustained upon audit by the relevant taxing authority. An uncertain income tax position will not be recognized if it has less than a 50% likelihood of being sustained. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of September 30, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require the recognition of a liability (or asset) or disclosure in the financial statements.

The Plan's policy is to recognize interest and/or penalties related to income tax matters in income tax expense. The Plan had \$0 accrued for interest and penalties at September 30, 2022 and 2021. The Plan does not foresee material changes to its gross uncertain income tax position liability within the next twelve months.

The Plan is subject to routine audits by the IRS. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

NOTE 7 – RELATED PARTY TRANSACTIONS

The Plan has investments that are managed by the Custodians and loans with its participants. In addition, during the year ended September 30, 2022 the Plan paid the Custodians \$54,362 in connection with certain administrative expenses. The Custodians and participants are considered parties-in-interest under ERISA. All of these transactions qualify as exempt party-in-interest transactions under ERISA.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan provides for various investment options in any combination of mutual funds and a common and collective trust. Such investments are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 9 – SUBSEQUENT EVENTS

The Plan has evaluated and determined that no events have occurred subsequent to the date of the statement of net assets available for benefits and through April 7, 2023, the date of issuance of these financial statements, which would require recording or disclosure in the accompanying financial statements.
