INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Christian Academy School System 403(b) Plan
Louisville, Kentucky

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We were engaged to perform an audit of the financial statements of the Christian Academy School System 403(b) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from the qualified institutions as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Disclaimer of Opinion on the 2022 Financial Statements

We do not express an opinion on the accompanying 2022 financial statements of the Plan. Because of the significance of the matters described in the *Basis for Disclaimer of Opinion on the 2022 Financial Statements* section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion on the 2022 Financial Statements

Prior to January 1, 2009, records were maintained at a contract, not a plan level; therefore, management has not maintained and did not provide sufficient accounting records and supporting documentation relating to certain annuity contracts and custodial accounts issued to current and former employees, and supporting documentation is not adequate to assure the completeness and accuracy of the amounts included in the financial statements. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the financial statements have been affected by these conditions.

As described in Note 8, the Plan has excluded from investments in the accompanying statements of net assets available for benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the DOL's Field Assistance Bulletin ("FAB") No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits. Accounting principles generally accepted in the United States of America (GAAP) require that these accounts and the related income and distributions be included in the accompanying financial statements.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP), and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America (GAAS) and to issue an auditors' report. However, because of the matters described in the *Basis for Disclaimer of Opinion on the 2022 Financial Statements* section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Other Matter — 2022 Supplemental Schedule Required by ERISA

The 2022 supplemental schedule of Schedule H, Line 4i – Schedule of Assets Held at End of Year as of June 30, 2022, presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2022 financial statements. Because of the significance of the matters described in the *Basis for Disclaimer of Opinion on the 2022 Financial Statements* section of our report, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

Other Matter — Auditors' Report on the 2021 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of June 30, 2021. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution.

Prior to January 1, 2009, records were maintained at a contract, not a plan level; therefore, management has not maintained and did not provide sufficient accounting records and supporting documentation relating to certain annuity contracts and custodial accounts issued to current and former employees, and supporting documentation is not adequate to assure the completeness and accuracy of the amounts included in the financial statements. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the financial statements had been affected by these conditions.

Additionally, as described in Note 8, the Plan has excluded from investments in the 2021 financial statements certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the DOL's FAB No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded in the 2021 statement of changes in net assets available for benefits. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the 2021 financial statements.

Our audit report, dated June 23, 2022, indicated that because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2021 financial statements.

CHRISTIAN ACADEMY SCHOOL SYSTEM 403(B) PLAN

Notes to the Financial Statements

June 30, 2022 and 2021

1. DESCRIPTION OF THE PLAN:

The following brief description of the Christian Academy School System 403(b) Plan (the Plan) provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

GENERAL

The Plan is a 403(b) retirement plan covering all eligible employees of Christian Academy School Systems (the School). All employees are eligible to make elective deferrals to the Plan. Employees who normally work more than 20 hours a week, except as allowed in the Summary Plan Description, are eligible to receive employer discretionary matching contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

CONTRIBUTIONS

Participants may make elective deferral contributions up to limits prescribed by law. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The School may make discretionary matching contributions. For the year ended June 30, 2022, the School made discretionary matching contributions up to 50% of the first 4% of compensation deferred by the participant.

Contributions are subject to certain limitations prescribed by law. Participants direct the investment of all contributions into various investment options offered by the Plan.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution and allocations of (a) the School's contribution and (b) Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

PAYMENT OF BENEFITS

2. SIGNIFICANT ACCOUNTING POLICIES:

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting.

USE OF ESTIMATES

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan invests in mutual funds, separate account units, and group variable contracts. Mutual funds and separate account units are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. (See Note 4 for a discussion of fair value measurements.) Group fixed contracts are reported at contract value. (See Note 5 for a discussion of guaranteed annuity contracts.)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as those held during the year.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

PLAN FEES AND EXPENSES

Substantially all expenses of maintaining the Plan are paid out of plan assets.

4. FAIR VALUE MEASUREMENTS:

The Plan uses appropriate valuation techniques to determine fair value based on inputs available. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs were not available.

The following table presents the fair value measurements of assets and liabilities recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at June 30:

	Fair Value	Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Investments at June 30, 2022:				
Mutual funds	\$ 9,560,594	\$ 9,560,594	\$ -	\$ -
Pooled separate accounts	582,270	-	582,270	-
	<u>\$ 10,142,864</u>	<u>\$ 9,560,594</u>	<u>\$ 582,270</u>	<u>\$ -</u>
Investments at June 30, 2021:				
Mutual funds	\$ 10,883,424	\$ 10,883,424	\$ -	\$ -
Pooled separate accounts	764,834	-	764,834	-
	<u>\$ 11,648,258</u>	<u>\$ 10,883,424</u>	<u>\$ 764,834</u>	<u>\$ -</u>

Mutual funds are primarily valued using market quotations or prices obtained from independent pricing sources. Pooled separate accounts invest in mutual funds, which are primarily valued using market quotations or prices obtained from independent pricing sources.

Changes in valuation technique: None.

5. GUARANTEED INVESTMENT CONTRACTS WITH INSURANCE COMPANY:

The Plan has benefit-responsive guaranteed investment contracts with The Standard and Empower. The Standard and Empower maintain the contributions in general accounts. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contracts are fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contracts. Contract value, as reported to the Plan by The Standard and Empower represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of benefit-responsive guaranteed investment contracts at June 30, 2022 and 2021, was \$2,177,196 and \$2,276,240, respectively. The crediting interest rates is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events may limit the ability of the Plan to transact at contract value with the issuer. Such events include termination of the contract, spin-offs, divestitures, layoffs, corporate relocation, partial or total plan termination, retirement incentive programs, and the liberalization of Plan withdrawal or transfer rules. Upon occurrence of any of these events, a market value adjustment or other withdrawal restrictions may apply.

The issuer may terminate the contract with 30 days advance written notice to the contract owner for reasonable cause, which includes the Plan's failure to abide by state or federal law, failure to render performance necessary to comply with the terms of the contract, failure to maintain assets of at least \$25,000, Plan disqualification, and failure to adopt the Plan in a reasonable period of time. Upon termination by the issuer, a market value adjustment or other withdrawal restrictions may apply. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

Amounts transferred from Empower to non-competing funds must remain in the non-competing fund for at least three months.

6. PLAN TERMINATION:

Although it has not expressed any intent to do so, the School has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Notes to the Financial Statements

7. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. EXCLUSION OF PRE-2009 CONTRACTS:

As permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*, the Plan has excluded from investments in the accompanying statements of net assets available for benefits certain annuity and custodial accounts issued to current and former employees prior to January 1, 2009. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits. The amount of these excluded annuity and custodial accounts and the related income and distributions are not determinable. Accounting principles generally accepted in the United States of America require that these accounts and related income and distributions be included in the accompanying financial statements.

9. TAX STATUS:

The Plan has adopted a volume submitter plan document sponsored by The Standard. The volume submitter plan document has obtained an opinion letter from the Internal Revenue Service (IRS) dated March 31, 2017, which states that the volume submitter document satisfies the applicable provisions of the IRC. The Plan has not received a determination letter from the IRS; however the Plan administrator and the Plan's counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

10. PARTIES-IN-INTEREST TRANSACTIONS:

Empower, a custodian of the Plan, manages Plan investments. Therefore, these transactions qualify as party-in-interest transactions and are denoted as such on the supplemental schedule of assets (held at end of year). In addition, The Standard is a third-party administrator of the Plan, and the Plan invests in The Standard Stable Asset Fund. Transactions between the Plan and The Standard qualify as party-in-interest transactions. Total fees paid to Empower and The Standard were \$107,321 for the year ended June 30, 2022.

The following assets were managed by the custodians of the Plan and qualify as party-in-interest transactions:

	<u>Empower and The Standard</u>
Held at June 30, 2022:	
Investments, at fair value	\$ 20,401
Investments, at contract value	<u>2,177,196</u>
	<u><u>\$ 2,197,597</u></u>
Held at June 30, 2021:	
Investments, at fair value	\$ 25,435
Investments, at contract value	<u>2,276,240</u>
	<u><u>\$ 2,301,675</u></u>

11. SUBSEQUENT EVENTS:

Subsequent events have been evaluated through April 14, 2023, which represents the date the financial statements were available to be issued. Subsequent events after that date have not been evaluated.
