### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter – Supplemental Schedule Required by ERISA***

The supplemental schedule of Schedule H (Form 5500), Line 4i - Schedule of Assets (Held at End of Year) as of June 30, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For

information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Notes to Financial Statements

---

### 1. Description of the Plan

The following description of A Very Special Place, Inc. Pension Plan (the Plan) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

#### *General*

The Plan is a defined contribution plan available to all employees of A Very Special Place, Inc. (the Employer) who are at least 21 years of age and have completed one year and at least 1,000 hours of service, except for Self-Directed Services employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

#### *Contributions*

Under the terms of the Plan, the Employer shall make monthly contributions equal to 5% of the total compensation of all eligible participants. No employee contributions are permitted.

#### *Participant Accounts*

Each participant's account is credited with the applicable portion of the Employer's contributions and allocations of investment earnings, which are reduced by applicable administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a vested participant is entitled is equal to the value of the participant's account. Mutual of America Life Insurance Company (MOALIC) holds the assets of the Plan, and also serves as investment advisor and recordkeeper.

#### *Vesting*

Participants become fully vested in the Plan upon completion of three years of service or upon attaining age 55.

#### *Investment Options*

The participant may direct Employer contributions into any of the eligible funds of MOALIC and designate, for the contributions remitted on their behalf, the percentage of the contribution that is to be allocated to the interest accumulation account and any of the separate accounts.

#### *Plan Benefits*

The Plan provides for normal retirement at age 65, or early retirement at age 55. The Plan permits distributions to participants upon termination of service, disability, or death. Distributions of benefits to participants will be made in the form of an annuity, unless a participant specifically elects to receive his benefits in one lump-sum payment.

#### *Forfeitures*

Forfeitures resulting from the nonvested portions of participants' accounts, who terminate prior to being fully vested, are generally used first to pay the administrative expenses of the Plan, and any remaining amounts will be reallocated to the accounts of currently active vested participants in

addition to the Employer contribution. The balance in the forfeiture account as of June 30, 2022 and 2021 was \$26,333 and \$42,069, respectively. For the years ended June 30, 2022 and 2021, forfeitures amounted to \$15,440 and \$31,166, respectively, and the amount reallocated to participant accounts was \$31,327 and \$46,899, respectively.

### ***Administrative Expenses***

Certain administrative fees incurred by the Plan are paid for and recognized by the Plan.

### ***Notes Receivable from Participants***

The Plan does not provide for loans to participants.

### ***CARES Act***

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) was signed into law. The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. The Plan, as designed, allows for the provisions of the CARES Act without Plan amendment. The following provisions were made available to Plan participants under the CARES Act, through December 31, 2020:

- Special coronavirus distributions up to \$100,000.
- Suspension of required minimum distributions for 2020.

## **2. Summary of Significant Accounting Policies**

### ***Basis of Presentation***

The accompanying financial statements were prepared on the accrual basis of accounting.

### ***Use of Estimates***

The preparation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### ***Investment Valuation and Income Recognition***

The investments of the Plan (except for the fully benefit-responsive investment contract, which is reported at contract value) are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). See below and Note 4 for a discussion of fair value measurements.

The Plan presents in the statements of changes in net assets available for benefits, the net appreciation in the fair value of investments, which consists of realized and unrealized gains or losses on investments bought and sold, as well as held during the year.

# A Very Special Place, Inc. Pension Plan

## Notes to Financial Statements

---

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis.

### ***Fair Value Measurement***

Financial Accounting Standards (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides for a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described as follows:

*Level 1* - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

### ***Payment of Benefits***

Benefit payments are recorded when paid.

## **3. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

# A Very Special Place, Inc. Pension Plan

## Notes to Financial Statements

---

### 4. Fair Value Measurements

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at June 30, 2022 and 2021.

*Pooled Separate Accounts* - These assets are valued at their accumulation unit value (AUV), which approximates fair value. The AUV is used as a practical expedient and is determined daily based on the net asset value of shares of the underlying fund and the separate account charges (i.e., the daily asset charge). The Plan's investments in the pooled separate accounts may be redeemed daily. There are no redemption fees or notice periods, and no unfunded commitments. The pooled separate accounts invest in various registered investment companies (mutual funds), including target date funds, equity funds, fixed-income funds, money market funds, and real estate investment funds.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The investments in pooled separate accounts, which are valued at AUV as a practical expedient, are not required to be and have not been classified in the fair value hierarchy.

The Plan had no financial assets that were measured at fair value on a nonrecurring basis as of June 30, 2022 and 2021.

### 5. Fully Benefit-Responsive Guaranteed Investment Contract

The Plan entered into a fully benefit-responsive guaranteed investment contract with MOALIC. MOALIC maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by MOALIC, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) bankruptcy of the Plan sponsor or other Plan sponsor events that cause a significant withdrawal from the Plan, (3) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (4) premature termination of the contract. No events are probable of occurring that might limit the

# A Very Special Place, Inc. Pension Plan

## Notes to Financial Statements

---

ability of the Plan to transact at contract value with the contract issuers, and that would also limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract and settle at an amount different from contract value, such as a breach of material obligation under the contract.

### 6. Tax Status

The Plan obtained a favorable determination letter, dated June 13, 2011, in which the Internal Revenue Service (IRS) stated that the Plan was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan has been amended since receiving the determination letter. The Plan administrator believes the Plan, as amended, is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, the Plan was qualified as of the financial statements' dates.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### 7. Certified Investment Information

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, MOALIC, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments as shown in the statements of net assets available for benefits as of June 30, 2022 and 2021.
- Total investment (loss) income, as shown in the statements of changes in net assets available for benefits for the years ended June 30, 2022 and 2021.
- Investment information included in the Schedule H (Form 5500), Line 4i - Schedule of Assets (Held at End of Year) as of June 30, 2022.

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

# **A Very Special Place, Inc. Pension Plan**

## **Notes to Financial Statements**

---

### **8. Related Party Transactions and Party-in-Interest Transactions**

Plan investments are units of a general account and pooled separate accounts managed by MOALIC, the custodian and recordkeeper of the Plan and, therefore, these transactions qualify as party-in-interest transactions. Such transactions, while considered party-in-interest under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA. Additionally, certain employees of the Employer, who are also participants in the Plan, perform administrative services for the Plan at no cost.

### **9. Plan Termination**

Although it has not expressed any intent to do so, the Employer has the right to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, each participant will become 100% vested and the net assets of the Plan will be distributed, as prescribed by ERISA.

### **10. Subsequent Events**

The Plan's management has performed subsequent event procedures through April 14, 2023, the date the financial statements were available to be issued. There were no material recognizable subsequent events.
