INDEPENDENT AUDITOR'S REPORT

Trustees
Lawrence County Social
Services, Inc. Retirement Plan
New Castle, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements

We have performed an audit of the financial statements of the Lawrence County Social Services, Inc. Retirement Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate with respect to the records maintained under the contract.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2022 financial statements related to assets held by and certified to by the qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - 2022 Supplemental Schedule Required by the ERISA

The supplemental schedule, schedule of assets held at end of year, as of June 30, 2022, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA.
- The information in the supplemental schedule related to assets held by and certified to by the qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by the institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. In our report dated April 4, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA.

LAWRENCE COUNTY SOCIAL SERVICES, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan

The following description of the Lawrence County Social Services, Inc. Retirement Plan (Plan) provides only general information. Participants should refer to the Plan document or the Summary Plan Description for a more complete description of the Plan's provisions.

General: The Plan, most recently restated effective July 1, 2021, is a defined contribution 401(k) and profit-sharing plan established for the benefit of the employees of Lawrence County Social Services, Inc. (Company), the employer and Plan Sponsor. The Plan is intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (IRC) and similar state tax laws. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility: Employees of the Company who have reached 21 years of age and completed six months of service are eligible to participate in the Plan. This does not include union employees, non-resident aliens, leased employees, employees of United Community Services of Lawrence County, Inc., or employees of the Senior Community Service Employment Program who are excluded from participation per the Plan document. Once eligibility requirements are met, the entry date is the first day of the next Plan year quarter.

In addition, the Plan includes an automatic enrollment policy. Under this policy, the Plan Sponsor notifies an employee 30 days prior to becoming eligible that they will be automatically enrolled in the Plan. If an employee does not submit an automatic enrollment waiver, he or she will be automatically enrolled in the Plan at a 2% deferral rate. An employee has the option to cease enrollment, withdraw all contributions, and forfeit all Company matching contributions within 90 days of becoming eligible.

Contributions: Each year eligible employees may contribute up to the maximum amount allowed by law of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan allows for an automatic participant deferral election of 2% for employees as they become eligible for participation, unless the employee opts out of the Plan. The Company provides for a safe harbor matching contribution equal to 100% of the first 3% of a participant's compensation and 50% of a participant's compensation between 3% and 5%. The Company may also make discretionary matching contributions and a discretionary profit-sharing contribution allocated as a percentage of compensation which are determined annually by management. Participants may roll over amounts representing distributions from other qualified defined benefit or defined contribution plans. Contributions are subject to certain limitations.

Participant accounts: Each participant's account is (a) credited with the participant's contributions, (b) credited with the participant's share of Company contributions, (c) credited or reduced by an allocation of investment income (loss) or appreciation (depreciation) in the fair value of investments, (d) reduced by the participant's withdrawals, and (e) reduced by administrative expenses. Forfeitures of non-vested profit-sharing contributions arising from employee terminations and withdrawals are allocated among the remaining Plan participants. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Allocations to individual participant accounts are based upon unit values at specified valuation dates.

Vesting: Participants are immediately vested in their contributions, Company safe harbor matching contributions, and rollover contributions plus actual earnings thereon. Employees are 100% vested in the Company's discretionary matching and profit-sharing contributions plus actual earnings thereon after two 800 hour years of credited service. Additionally, participants become fully vested, regardless of vesting table, upon attainment of normal retirement age, upon retirement due to disability, upon death, or upon termination of the Plan.

LAWRENCE COUNTY SOCIAL SERVICES, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Forfeitures: Forfeitures of employer discretionary matching contributions will be used to reduce future employer matching contributions and administrative expenses. Forfeitures of employer discretionary profit-sharing contributions are reallocated to all remaining participants in the same manner as employer profit-sharing contributions. Management reallocated \$4,599 of non-vested forfeitures to participants and offset the profit sharing contribution by \$12,464 during the year ended June 30, 2022. There were unallocated forfeited amounts of \$1,911 and \$17,063 as of June 30, 2022 and 2021, respectively.

Investment options: Participants are allowed to invest in a variety of investment choices as more fully described in the Plan's literature. Participants may change their allocation on a daily basis.

Payment of benefits: Upon termination of employment, a participant with a vested account balance greater than \$5,000 can receive a distribution amount equal to the value of the vested interest in his or her account either in a lump sum or as a direct rollover. All vested amounts less than \$5,000 will be distributed in a lump sum payment. The Plan Sponsor may initiate a mandatory distribution for those terminated participants whose vested account balance is \$5,000 or less. Participants must pay distribution fees charged by the Custodian. In-service distributions are available if certain criteria are met.

Note 2. Significant Accounting Policies

The accounting policies followed by the Plan and the method of applying those policies which materially affect the determination of net assets available for benefits and changes in net assets available for benefits are as follows:

Basis of accounting: The financial statements of the Plan are prepared under the accrual method of accounting.

Investment valuation and income recognition: Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade date basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payments of benefits: Benefits are recorded when paid.

Use of estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets available for plan benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Administrative expenses: The Plan's administrative expenses are paid by either the Plan or the Plan Sponsor as provided by the Plan document.

Cash surrender value of life insurance: Life insurance contracts are maintained by the Plan for individuals who elected the option when such contracts were offered as a benefit. The Company pays the premiums for said policies and then reduces the amount of the individual's profit-sharing contribution by the amount of the premium. The life insurance contracts are recorded at their cash surrender value, or the amount that can be realized.

Subsequent events: In preparing these financial statements, the Plan Sponsor evaluated events that occurred through April 14, 2023, the date the financial statements were available to be issued, for potential recognition or disclosure.

LAWRENCE COUNTY SOCIAL SERVICES, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note 3. Information Certified by Custodian

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the ERISA for 2022 and 2021. Accordingly, John Hancock Life Insurance Company (U.S.A.), the Custodian of the Plan, has certified to the completeness and accuracy with respect to the records maintained under the contract of all investments reported on the accompanying statements of net assets available for benefits as of June 30, 2022 and 2021, the supplemental Form 5500, Schedule H, Part IV, Line 4i - schedule of assets held at end of year as of June 30, 2022, and the related investment activity reported on the statement of changes in net assets available for benefits for the year ended June 30, 2022.

Note 4. Investments and Fair Value Measurements

Authoritative guidance regarding *Fair Value Measurements* establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level I measurements) and the lowest priority to unobservable inputs (Level III measurements). The three levels of the fair value hierarchy under the authoritative guidance are described as follows:

Level I Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level II Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level II input must be observable for substantially the full term of the asset or liability.

Level III Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of June 30, 2022 or 2021:

Pooled separate accounts: Valued using the net asset value (NAV) as a practical expedient to estimate fair value, as provided by the Plan's Custodian. The NAV is based on the fair value of the underlying investments held by the fund, less its liabilities, and then divided by the number of shares outstanding. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

Guaranteed interest accounts: Valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer.

Cash: Valued at cash value at end of year.

LAWRENCE COUNTY SOCIAL SERVICES, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30:

Assets at Fair Value as of June 30, 2022				
	Total	Level I	Level II	Level III
Investments in the fair value hierarchy:				
Guaranteed interest accounts	\$ 328,068	\$ -	\$ 328,068	\$ -
Cash	799,010	799,010	-	-
Investments measured at net asset value (a):				
Pooled separate accounts	10,337,512	-	-	-
Total assets at fair value	\$ 11,464,590	\$ 799,010	\$ 328,068	\$ -

Assets at Fair Value as of June 30, 2021				
	Total	Level I	Level II	Level III
Investments in the fair value hierarchy:				
Guaranteed interest accounts	\$ 288,534	\$ -	\$ 288,534	\$ -
Cash	752,574	752,574	-	-

Total assets at fair value	\$ 12,816,146	\$ 752,574	\$ 288,534	\$ -

- (a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of fair value hierarchy to the line items presented on the statements of net assets available for benefits.

Transfers Between Levels

For years ended June 30, 2022 and 2021, there were no significant transfers between Levels I and II and no transfers in or out of Level III.

Investments Measured Using NAV per Shares as Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of June 30. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	Fair Value		Unfunded Commitments	Redemption Frequency if Currently Eligible	Redemption Notice Period

LAWRENCE COUNTY SOCIAL SERVICES, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note 5. Related Party Transactions

Transactions with John Hancock, Penn Mutual Life Insurance Company, and Pacific Life Insurance Company and the Plan qualify as party-in-interest.

Fees paid by the Plan for administrative services amounted to \$11,984 for the year ended June 30, 2022. Certain administrative functions are performed by employees of the Company. No such employees receive compensation from the Plan. Certain administrative fees were paid by the Company for which it does not require reimbursement.

Note 6. Tax Status

The Plan has adopted a non-standardized form of a prototype plan. The sponsor of the prototype plan has received an opinion letter, dated June 30, 2020, from the Internal Revenue Service as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. The Plan has been amended and restated since receiving the determination letter; however, the Plan Administrator believes that the Plan is designed and operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the appropriate taxing authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Generally, tax returns for the years ended June 30, 2019, and thereafter remain subject to examination by the appropriate taxing authorities.

Note 7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan document to discontinue its contributions at any time and to terminate the Plan subject to the provisions of the ERISA. In the event of Plan termination, participants would become 100% vested in their entire accounts.

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported on the statements of net assets available for benefits.
