To the Participants and Plan Administrator
of InVision Human Services Retirement Plan

Independent Auditor's Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of InVision Human Services Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2022, and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information of the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of InVision Human Services Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about InVision Human Services Retirement Plan's ability to continue as a going concern within one year after financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design the perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of InVision Human Services Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about InVision Human Services Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of June 30, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of InVision Human Services Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated April 11, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion, and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

INVISION HUMAN SERVICES RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

June 30, 2022 and 2021

NOTE A - DESCRIPTION OF PLAN

The following brief description of InVision Human Services Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document or the Summary Plan Description for a more complete description of the Plan's provisions.

General and Eligibility

The Plan is a defined contribution and profit sharing plan available to all employees of InVision Human Services, InVision Customized Services, and InVision Integrated Behavioral Health (collectively the Organization), except those covered by a collective bargaining agreement, certain nonresident aliens, and leased employees. Participation in the Plan is automatic for all eligible employees who have attained the age of 21, and completed one year and 1,000 hours of service, unless participation is waived. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

Eligible employees are automatically enrolled to contribute 3% of their compensation to the Plan, unless otherwise elected. Plan participant contributions may not exceed the maximum deferral limit under the Internal Revenue Code of \$20,500 for 2022 and \$19,500 for 2021. Participants age 50 or over may make an additional catch-up contribution of \$6,500 for 2022 and \$6,000 for 2021.

The Plan is a safe harbor plan and as such the Organization matches 100% of a participant's deferral contribution up to 3% of compensation and 50% of the next 2% of compensation. The Organization may make additional discretionary employer match contributions. The Organization may also make discretionary profit sharing contributions based on participant's compensation in excess of 80% of the taxable wage base. Any profit sharing contribution made to the Plan shall be allocated to participants who have completed 1,000 hours of service during the Plan year and are employed on the last day of the Plan year. No discretionary employer match or profit sharing contributions were made in the years ended June 30, 2022 and 2021.

The Plan allows rollover contributions for eligible employees from other qualified plans.

Participant Accounts

Each participant's account is credited with the participant's contributions and an allocation of the Organization's contributions and Plan earnings, and is charged with an allocation of fees. The benefit to which a participant is entitled is the benefit that could be provided from the participant's vested account. A participant may elect to have their account invested in one or more of the investment funds established by the Plan.

Participant Notes Receivable

Participants may borrow an amount not less than \$1,000, and no more than 50% of their vested account balance, not to exceed \$50,000. The note is secured by the balance of the participant's account and bears interest at the prime rate plus 1%. The life of the note may not exceed five years, or the usual repayment period required by commercial lenders for similar loans for the purchase of a principal residence. Principal and interest is paid ratably through payroll deductions.

June 30, 2022 and 2021

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Vesting and Forfeitures

Participants are fully and immediately vested in their own voluntary contributions, Organization safe harbor matching contributions, and rollovers, plus actual earnings thereon. Any discretionary matching and profit sharing contributions, plus actual earnings thereon, are vested based on years of credited service. Vesting occurs at 20% per year starting with the first year of credited service. A participant is 100% vested in the Organization's discretionary matching and profit sharing contributions after five years of credited service.

Forfeitures are typically the portion of a participant's account that is not yet vested upon termination of employment. Forfeitures are retained by the Plan and are used to pay Plan expenses or reduce future employer contributions. During the years ended June 30, 2022 and 2021, forfeited non-vested amounts used were \$41 and \$183, respectively. The balance of the forfeiture account was \$-0- as of June 30, 2022 and 2021.

Payment of Benefits

In the event of death, disability, retirement, or other termination, the participant or beneficiary may choose to receive payment in the form of a lump-sum payment, partial withdrawal, direct rollover into another eligible plan, or required minimum distribution. If the vested balance of a terminated participant's account is \$5,000 or less, the vested balance is automatically distributed directly to the participant. Financial hardship distributions and in-service distributions are permitted under the Plan. Benefit payments to participants are recorded when paid.

Plan Termination

The Organization has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a complete or partial Plan termination, participants will become 100% vested in their accounts.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

June 30, 2022 and 2021

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Investments in common collective trust accounts represent the number of participation units owned by the Plan. Quoted market prices of the underlying investments are used to value each trust, with the total, after considering the amounts due to or from brokers, being divided by the number of participation units outstanding to arrive at a net asset value per unit. The Plan values its investment in the respective common collective trusts by multiplying its number of participation units times the calculated net asset value per unit. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year end.

Net appreciation or depreciation in the fair value of investments is reflected in the statements of changes in net assets available for benefits and includes realized gains and losses on investments bought and sold as well as held and distributed and the change in appreciation from one period to the next. Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Participant Notes Receivable

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of June 30, 2022 or 2021. Delinquent participant notes are recorded as distributions on the basis of the terms of the Plan agreement.

Administrative Expenses

Administrative expenses may be paid by the plan sponsor or the Plan as provided by the Plan document. Fees paid for by the Plan relate to services provided by the trustee, third party administrator, and consultant.

Subsequent Events

Management evaluated all activity of the Plan through April 11, 2023, the date the financial statements were available to be issued, and concluded that no subsequent events have occurred that would require recognition or disclosure in the financial statements or notes.

NOTE C - INVESTMENTS AND FAIR VALUE MEASUREMENTS

FASB ASC 820 establishes a framework for measuring fair value, which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described in the table below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

- *Mutual Funds*: Valued at the net asset value of shares of registered investment companies held by the Plan at year end. These values are quoted prices from active markets.
- *Pooled Separate Account*: Valued at the net asset value of the participation units held by the Plan at year end. Quoted market prices of the underlying investments are used to value the participation units.
- *Common Collective Trusts*: Valued at the net asset value (as a practical expedient) of the participation units held by the Plan at year end. Quoted market prices of the underlying investments are used to value the participation units. Some of these investment funds impose a redemption fee if participant accounts are moved in and out within a defined time period. However, there are no other restrictions on the redemption of these common collective trust funds at net asset value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE D - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator has obtained certifications from Principal, the trustee of the Plan, that all information relating to the Plan's investments as of and for the years ended June 30, 2022 and 2021, is complete and accurate. Information as to the value of the investments in the Plan, investment income, and all information in the supplemental schedule is presented in reliance solely upon the certifications.

The following investment information was obtained from data prepared and certified by Principal as of and for the years ended June 30:

	<u>2022</u>	<u>2021</u>
Total investments	\$ 11,331,340	\$ 12,512,334
Participant notes receivable	703,005	670,113

Dividends	181,264	207,839
Other income	1	14
Interest income from participant notes receivable	28,661	31,471

NOTE E - TAX STATUS

The Plan was qualified using the Capital Retirement Plan Services, Inc. (Capital) Non-Standardized Pre-Approved Profit Sharing Plan With CODA, which, according to a June 30, 2020 response from the Internal Revenue Service, may be relied upon by an employer to adopt and qualify as an approved plan under the applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since the notification letter was received. However, the plan administrator still believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC, and therefore, believes the Plan is qualified and is tax-exempt.

NOTE F - PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are managed by Principal, the trustee of the Plan. These transactions qualify as party-in-interest transactions and are denoted as such on the supplemental schedule of assets (held at end of year).

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

June 30, 2022 and 2021

NOTE G - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

In March of 2020, the World Health Organization classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally. As the pandemic has adversely affected global economic activity, its full impact continues to evolve as of the date of this report. Because the values of the Plan's individual investments have and will fluctuate in response to the changing market conditions, the related impact on the Plan's liquidity cannot be determined at this time.
