INDEPENDENT AUDITOR'S REPORT

To the Ballad Health
Retirement Plan Committee:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of the Ballad Health 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 Financial Statements)

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibility for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements section of our report, our objectives are to maintain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if,

there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment of a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2022 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets Held at Year End as of June 30, 2022, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of

management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agrees to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agrees to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated April 13, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

BALLAD HEALTH 401(k) PLAN

Notes to Financial Statements

Year Ended June 30, 2022

NOTE A--DESCRIPTION OF THE PLAN

The following description of the Ballard Health 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Plan was established as a result of a merger between Mountain States Health Alliance and Wellmont Health System to form Ballard Health. The Board of Directors of Ballard Health adopted a resolution whereby the Wellmont Health System 401(k) Retirement Savings Plan was merged into the BRMMC 401(k) Retirement Plan effective as of close of business on June 30, 2018. The BRMMC 401(k) Retirement Plan was redesigned and restated the Ballard Health 401(k) Plan on July 1, 2018.

On June 25, 2021, the Board of Directors of Ballard Health approved a resolution whereby the NCH 401(k) Retirement Plan was merged into the Ballard Health 401(k) Plan. As such, all of the assets of the NCH 401(k) Retirement Plan became assets of the Ballard Health 401(k) Plan effective as of June 30, 2021.

Employees of Ballard Health (Ballad) who are 18 years of age or older are eligible to participate in the Plan upon date of hire. Collectively bargained employees, non-resident aliens, leased employees, PRN employees and Registry employees are not eligible to participate in the Plan.

Contributions: Participants may elect to contribute to the Plan, through payroll deductions, amounts not to exceed annual contribution limits set forth by the Internal Revenue Service. Participants who have attained age 50 before the end of the calendar year are eligible to make additional catch-up contributions. Participants may also contribute amounts representing rollovers from other qualified plans.

For participants who have completed 1,000 hours of service and are employed on the last day of the Plan year, Ballard may contribute a discretionary matching contribution to the Plan. The discretionary matching contribution is equal to 100% of each eligible participant's elective deferrals, up to 6% of eligible compensation. Participants direct the investment of all contributions into various investment options offered by the Plan.

Participant Accounts: Each participant's account is credited with the participant's contributions, Ballard's contributions, an allocation of Plan earnings, and charged with an allocation of Plan expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

BALLAD HEALTH 401(k) PLAN

Notes to Financial Statements - Continued

Year Ended June 30, 2022

Vesting: Participants are immediately vested in their elective contributions, plus actual earnings thereon. Vesting in Ballard's discretionary matching contributions is based on years of credited service. A year of credited service is based on the completion of 1,000 or more hours of service within a Plan year. Effective July 1, 2018, participants who worked one hour of service on or after July 1, 2018 are vested in Ballard's discretionary matching contributions according to the following schedule:

<i>Years of Service</i>	<i>Vesting Percentage</i>
Less than 1	0%
1	20%
2	40%
3 or more	100%

Participants with employer matching contributions made to the BRMMC 401(k) Retirement Plan for Plan years prior to July 1, 2018 are subject to the following vesting schedule:

<i>Years of Service</i>	<i>Vesting Percentage</i>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Participants with employer matching contributions made to the Wellmont Health System 401(k) Retirement Savings Plan for Plan years prior to July 1, 2018 are vested in the employer matching contributions after 3 years of service.

Forfeitures: At June 30, 2022 and 2021, forfeited nonvested accounts totaled approximately \$10,500 and \$500, respectively, and are included in Plan assets. Forfeitures are used to reduce future employer discretionary matching contributions. During 2022, approximately \$2,000 of forfeitures were used to reduce employer contributions.

Notes Receivable from Participants: Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the vested balance of the participant's account and bear interest at rates between 4.25% and 6.50% at June 30, 2022, which were commensurate with local prevailing rates at the time the loans were initiated. The term of the loan is no longer than five years unless the

BALLAD HEALTH 401(k) PLAN

Year Ended June 30, 2022

loan is used to purchase a principal residence. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits: Upon termination of service, including due to death, disability or retirement, a participant may receive a lump sum amount equal to the participant's vested account balance.

The Plan makes involuntary distributions (automatic rollovers) to terminated participants with account balances of \$5,000 or less.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: Investments in shares of registered investment companies are reported at fair value based on the quoted market values of the shares held by the Plan.

The investment contracts held by the Plan are reported at contract value. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold during the year, as well as held at year end.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued interest. Delinquent participant loans are recognized as benefits paid to participants based upon the terms of the Plan document. No allowance for credit losses has been recorded as of June 30, 2022 or 2021.

Benefit Payments: Benefit payments are recorded when paid. There were no significant amounts of benefits requested and approved for payment but not paid as of June 30, 2022.

BALLAD HEALTH 401(k) PLAN

Notes to Financial Statements - Continued

Year Ended June 30, 2022

Administrative Expenses: Administrative expenses related to maintaining participant accounts and third-party administration are paid by the Plan and deducted from participant funds. Plan expenses related to legal and accounting fees may be paid by the Plan or the Plan sponsor.

NOTE C--INFORMATION CERTIFIED BY THE CUSTODIANS AND TRUSTEE

Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under such election, the following information was certified by The Variable Annuity Life Insurance Company (VALIC) and Brighthouse Life Insurance Company (Brighthouse), custodians of the Plan, and Lincoln Financial Group Trust Company, Inc., the trustee of the Plan, and was not subjected to any auditing procedures performed by the Plan's independent public accountants:

- The investments and notes receivable from participants as shown in the accompanying Statements of Net Assets Available for Benefits of \$95,849,853 and \$715,534, respectively, as of June 30, 2022, and \$90,558,214 and \$559,595, respectively, as of June 30, 2021.
- Net depreciation in fair value of investments of \$20,340,610 and interest, dividends, and other income of \$5,037,461 as shown in the accompanying Statement of Changes in Net Assets Available for Benefits for the year ended June 30, 2022.
- All investment-related information in the accompanying supplemental Schedule H, Line 4i – Schedule of Assets Held at Year End as of June 30, 2022.

NOTE D--CONTRACT WITH INSURANCE COMPANIES

The Plan has entered into a fully benefit-responsive investment contract with Lincoln National Life Insurance Company (Lincoln). Lincoln maintains the contributions in a general account. Lincoln is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. There are no reserves against contract value for credit risk of the contract issuer or otherwise. Other contracts with insurance companies are not significant.

The Lincoln Stable Value Account is an unallocated group fixed annuity contract, in which the value is derived from the contract provisions. The interest rate is declared at the beginning of each quarter and guaranteed for contributions received that quarter. The contractually guaranteed minimum interest rate is 1.00%. Participant transfers to a competing fund are not permitted. Participant withdrawals and transfers from the account are not permitted for 90 days after a transfer from any other investment option in the Plan to a competing fund. Withdrawals from the account

BALLAD HEALTH 401(k) PLAN

Notes to Financial Statements - Continued

Year Ended June 30, 2022

due to surrender of the contract by the Plan sponsor may be made at contract value over a 5-year period or in the form of a lump-sum payment subject to a market value adjustment.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. Management believes no events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that would also limit the ability of the Plan to transact at contract value with the participants.

NOTE E--FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy based on valuation inputs. The three levels of the fair value hierarchy are described as follows:

- *Level 1:* Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- *Level 2:* Inputs to the valuation methodology include:
 - Quoted prices for similar assets and liabilities in active markets;
 - Quoted prices for identical or similar assets and liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability; and
 - Inputs that are derived principally from or are corroborated by observable market data by correlation or other means.
- *Level 3:* Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The valuation inputs described in Note B may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan sponsor believes the valuation methods are appropriate and consistent with other market

BALLAD HEALTH 401(k) PLAN

Notes to Financial Statements - Continued

Year Ended June 30, 2022

participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used at June 30, 2022 and 2021.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2022 and 2021:

	<i>Level 1</i>	<i>Level 2</i>	<i>Level 3</i>	<i>Total</i>
Assets as of June 30, 2022				
Money market funds	\$ 2,008	\$ -	\$ -	\$ 2,008

Total assets at fair value	<u>\$ 81,165,274</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 81,165,274</u>

NOTE F--RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

During the Plan year, the Plan's contracts were secured by the general assets of VALIC, Brighthouse and Lincoln. VALIC and Brighthouse are custodians as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Lincoln serves as third-party administrator and trustee as defined by the Plan, and therefore, these transactions also qualify as party-in-interest transactions. Commissions and fees paid to VALIC and Brighthouse by the Plan were not significant during the year ended June 30, 2022. Fees paid by the Plan directly to Lincoln for administrative services totaled approximately \$55,300 during the year ending June 30, 2022.

Participants investing through VALIC may borrow from VALIC and use their Plan account balance as collateral for the loan. The balances of these policy loans are not paid through payroll deductions and are not included in the Plan assets. Upon commencement of the loan, an amount equal to the principal amount loaned by VALIC is transferred to a Loan Collateral Fund and Loan Escrow Fund. These funds are fixed income investments that earn a stated rate of interest that is allocated to the individual participant. As loan payments are paid to VALIC, the collateral is released from the Loan Collateral and Loan Escrow Funds and reinvested according to participant elections for contributions. As of June 30, 2022 and 2021, \$188,023 and \$160,087 of Plan assets, respectively, were pledged as collateral or held in escrow for such loans made by the Plan's participants, and are included in contracts with insurance company in the Statements of Net Assets Available for Benefits. A policy loan is considered to be in default when no payments are made within 45 days of the due date of the payment. Upon default, VALIC will foreclose on the loan and remove the collateral from the Plan if the participant has a right to a current distribution. If the

BALLAD HEALTH 401(k) PLAN

Notes to Financial Statements - Continued

Year Ended June 30, 2022

participant is not eligible for a current distribution, the collateral will remain in the Plan until the loan is paid in full or the participant becomes eligible for distribution.

NOTE G--PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants would become 100% vested in their account balance.

NOTE H--INCOME TAX STATUS

On March 31, 2014, the Internal Revenue Service stated that the prototype adopted by the Plan, as then designed, qualifies under Internal Revenue Code (IRC) Section 401(a). The Plan has not received a determination letter specific to the Plan itself; however, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Generally accepted accounting principles require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE I--RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

In March 2020, the World Health Organization recognized the novel strain of coronavirus disease 2019 (COVID-19) as a pandemic. Beginning in March 2020 and continuing throughout the year ended June 30, 2022 and beyond, the COVID-19 pandemic has severely restricted the level of economic activity around the world and caused significant volatility in financial markets. The ultimate impact of the pandemic on financial markets, the Plan and the Plan sponsor is uncertain and cannot be reasonably estimated at this time.

NOTE J--SUBSEQUENT EVENTS

Subsequent events have been evaluated through the date of the Independent Auditor's Report, which is the date the financial statements were available to be issued. During this period, management did not note any material recognizable subsequent events that required recognition or disclosure in the financial statements.

NOTE K--RECONCILIATION TO FORM 5500
