INDEPENDENT AUDITORS' REPORT

Board of Trustees of
Pointers, Cleaners & Caulkers Annuity Fund

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Pointers, Cleaners & Caulkers Annuity Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Pointers, Cleaners & Caulkers Annuity Fund's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 12 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent Pointers, Cleaners & Caulkers Annuity Fund and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

INDEPENDENT AUDITORS' REPORT (continued)

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Pointers, Cleaners & Caulkers Annuity Fund's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Pointers, Cleaners & Caulkers Annuity Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Pointers, Cleaners & Caulkers Annuity Fund's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITORS' REPORT (continued)

Auditors' Responsibilities for the Audit of the Financial Statements (continued)

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedule of assets held for investments attached to Schedule H of Form 5500 is presented for purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

Board of Trustees of
Pointers, Cleaners & Caulkers Annuity Fund

We were engaged to audit the accompanying statement of net assets available for benefits of Pointers, Cleaners & Caulkers Annuity Fund, as of June 30, 2021, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the 2021 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 12, which was certified by The Prudential Financial Group, a division of Prudential Retirement and Annuity Company, the custodian of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of and for the year ended June 30, 2021, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2021 financial statement. Accordingly, we do not express an opinion on the 2021 financial statement.

Report on Form and Content in Compliance with DOL Rules and Regulations for 2021 Financial Statement

The form and content of the information included in the 2021 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

POINTERS, CLEANERS & CAULKERS ANNUITY FUND

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2022 AND 2021

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Pointers, Cleaners & Caulkers Annuity Fund (the “Plan”) provides only general information. Participants should refer to the Plan document and the Summary Plan Description for a more complete description of the Plan provisions.

General: The Plan is a collectively bargained multi-employer non-contributory defined contribution profit sharing plan established in 1972 (effective August 1, 2009, the Plan was converted from a money purchase to a profit-sharing plan). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan operates as a trust to provide retirement benefits to participants who are covered employees of participating employers under contracts with the Building Waterproofers Association, individual employers signatory to the agreements, and the Bricklayers and Allied Crafts Union Local 1, New York (the “Union”).

Plan Administration: The administration of the Plan is the responsibility of a Board of Trustees comprised of Union and Employer Trustees. The Union Trustees and Employer Trustees have equal voting rights.

Participant accounts are maintained and administered under a deposit contract with the Plan’s trustee, the Prudential Financial Group. Prudential Retirement Services, a division of Prudential Retirement and Annuity Company is responsible for the custody and management of the Plan’s assets (see Note 7).

Benefits: Participants are entitled to their account balance after completing one hour of service. Upon termination of employment, a participant is able to withdraw up to 50% of their account balance, with the remaining balance being in equal installments (of not less than \$200 per month) over a period of 60, 120 or 180 months.

Funding: Employers make contributions for covered participants based upon hours worked. The contribution rates are determined by the collective bargaining agreement in effect at the time.

The Plan also accepts contributions for employees of the Pointers, Cleaners & Caulkers Pension Fund, and the Union, under separate participation agreements.

Participant Accounts: Each participant’s account is credited with employer contributions made on their behalf plus an allocation of earnings and expenses by Prudential Retirement and Annuity Company. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s account.

Vesting: All contributions are vested in each participant’s account upon the completion of one hour of service worked in covered employment. Should the whereabouts of any participant or any person entitled to benefits be unknown or unascertainable after reasonable inquiry, for a period of three (3) Plan years following the termination from covered employment or the death of a participant, the balance of the participants’ account shall be forfeited and first applied to Plan administrative expenses and any excess treated as a gain to the Plan.

Other: Although they have not expressed any intention to do so, the Plan’s Board of Trustees, as Sponsor, has the right under the Plan to modify benefits provided to participants and to terminate the Plan. The Plan may be completely or partially terminated at any time by the Board of Trustees, subject to the provisions set forth in ERISA.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements were prepared under the accrual method of accounting.

Benefits paid: Benefit payments to participants are recorded upon distribution.

POINTERS, CLEANERS & CAULKERS ANNUITY FUND

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2022 AND 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment Valuation and Income Recognition: Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 8 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Unrealized gains or losses are the differences between the fair value of the investments held at year-end and those held at the beginning of the year. Realized gains or losses on the sale of investments are based on the historical costs of the individual investments sold for financial reporting purposes, whereas the revalued cost (fair value at the beginning of the year) is used for determining the realized gain or loss for Form 5500 purposes.

Employer Contributions: Employer contribution income and receivables do not include estimates of amounts due from employers where remittance reports were not received by the Plan office (unless shop steward reports are available) or for amounts due but unpaid as a result of disputed payroll audits, or for contributions held in the general operating account that have not been identified by the Plan. Contribution income is presented net of uncollectible amounts.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 3 – PROCEDURE ON TERMINATION

While it is the present intention to continue the Plan indefinitely, the Board of Trustees reserves the right to terminate the Plan at any time. Each participant shall have a non-forfeitable right to his or her account under the Plan except as otherwise stated in the Plan and authorized by law, subject to the provisions of ERISA.

NOTE 4 – TAX STATUS

The Plan is a qualified Plan under Section 401(b) of the IRC, and the Trust is exempt from federal income taxes under provisions of Section 501(a). The Internal Revenue Service (the "IRS") has determined and informed the Plan by letter dated September 10, 2015, that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Plan's management believes that the Plan as designed is currently being operated in compliance with the applicable provisions of the IRC and, therefore, believes that the related trust is tax exempt. Consequently, no provision for income tax has been included in the Plan's financial statements.

NOTE 5 – RISKS AND UNCERTAINTIES

Due to various risks (e.g., interest rate, market, and credit risks) associated with certain investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in the values of investments will occur in the near term that could materially affect the amounts reported in the statement of net assets available for benefits.

POINTERS, CLEANERS & CAULKERS ANNUITY FUND

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2022 AND 2021

NOTE 6 – CONCENTRATION OF CREDIT RISK

Financial instruments that subject the Plan to concentration of credit risk include cash and short-term investments. While the Plan attempts to limit any financial exposure, its cash deposit balances may, at times, exceed federal insured limits. The Federal Deposit Insurance Corporation does not cover short-term investments.

Contributions receivable of \$6,075,715 (2022) and \$4,231,535 (2021) include amounts from employers totaling \$1,552,968 and \$1,043,463, respectively which represent 5% or more of the total receivable (26% and 25% of the total receivable at June 30, 2022 and 2021). Of the \$6,075,715 receivable at June 30, 2022 approximately 3% remain uncollected as of the date of the audit report.

NOTE 7 – CONTRACT WITH INSURANCE COMPANY

In 1973, the Plan entered into deposit contracts with the Prudential Retirement and Annuity Company. Prudential maintains the contributions in a pooled account. The account is credited with actual earnings on the underlying investments and charged for Plan withdrawals and administration expenses by Prudential. Effective September 2015, the guaranteed investment contract (GIC) reallocated to a guaranteed income fund (GIF). The guaranteed income fund is a pooled stable value fund and is a group annuity product issued by Prudential Retirement Insurance and Annuity Company (PRIAC). Amounts contributed to the contract are deposited in PRIAC's general account. Payment obligations and the fulfillment of any guarantees specified in the group annuity contract are insurance claims supported by the full faith and credit of PRIAC. PRIAC periodically resets the interest rate credited on contract balances, subject to a minimum rate specified in the group annuity contract.

The detail of the Plan's deposit contract is as follows:

Balance - June 30, 2021	\$ 59,834,016

A Guaranteed Interest Rate is an effective annual rate of interest credited at its equivalent daily rate to amounts in the Guaranteed Interest Account as of the close of business daily. The establishment of the Guaranteed Interest Rate requires estimation of the future earnings rates, the rate at which existing investments mature, and future cash flows. Prudential will establish the Guaranteed Interest Rate on a semi-annual basis (the "Rate Period"); an annual minimum interest rate (the "Minimum Annual Interest Rate") for each year of the Agreement (the "Annual Rate Period"); and a minimum interest rate that will apply for the duration of the Agreement (the "Agreement Minimum Interest Rate").

NOTE 8 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
- Level 2: Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets.
 - Quoted prices for identical or similar assets or liabilities in inactive markets.
 - Inputs other than quoted prices that are observable for the asset or liability.
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets at fair value. There have been no changes in the methodologies used at June 30, 2022 and 2021.

Interest bearing cash: Interest bearing cash, which is readily convertible into cash, is carried at cost, which approximates fair value.

Real estate fund: The fair value of real estate properties is determined through an independent appraisal process. The estimate of fair value is based on the conventional approaches to value, all of which require the exercise of subjective judgment.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Dryden S&P 500 Index Fund

The Fund's objective is to provide investment results that correspond to the price and yield performance of the Standard and Poor's 500 Composite Stock Price Index (S&P 500 Index). The Fund is managed by QMA, LLC.

NOTE 9 – RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

Most common general and administrative expenses (rent, payroll, equipment, stationery and printing, utilities, and some general professional fees) of the Plan are paid by the Pointers, Cleaners and Caulkers Pension Fund general operating account. The amounts are then allocated based on an allocation study of usage and estimated time and space formulas. The general operating account also collects and remits certain contribution income on behalf of the Plan. (See clearance account and contribution exchanges below).

The Plans are administered under the direction of the administrator of the Bricklayers Fringe Benefit Funds, B.A.C. Local 1 N.Y.

Plan investments include its investment contract with Prudential Retirement and Annuity Company, a fiduciary of the Plan and, therefore, these transactions qualify as party-in-interest transactions. Prudential Retirement and Annuity Company agreed to reimburse the Plan \$240 per year for administrative expenses incurred by the Plan. Prudential deducts this from Plan participants' accounts on a quarterly basis and remits to the Plan. Total reimbursements of plan expenses were \$696,221 and \$698,551 as of June 30, 2022 and 2021, respectively.

The Plan's 2022 related party transactions with the Pension Fund are summarized as follows:

	Totals	Pension Fund	Clearance Account
Beginning balances	\$ (45,824)	\$ 173,697	\$ (219,521)
