INDEPENDENT AUDITORS' REPORT

To the Trustees of
Edison Assist HHC Employee Benefit Plan

Opinion

We have audited the accompanying financial statements of Edison Assist HHC Employee Benefit Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of benefit obligations as of January 31, 2022 and 2021, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the year ended January 31, 2022, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and benefit obligations of the Plan as of January 31, 2022 and 2021, and the changes in its net assets available for benefits and changes in benefit obligations for the year ended January 31, 2022, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

Effective February 1, 2021, the Plan document was amended to make significant changes to the Plan's eligibility requirements and benefits. Eligible participants will now also include separated employees with previously accrued service time and a series of new benefits were added to the Plan.

In February 2021, a new plan was created by Edison Home Health Care to replace the self-insured benefits that were previously offered by the Plan. Accordingly, the trustees transferred $12,582,335 of Plan assets to the new plan to help fund benefit obligations.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

• Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Respectfully submitted,

1. DESCRIPTION OF PLAN:

The following description of the Edison Assist HHC Employee Benefit Plan (the Plan) provides only general information about the Plan's provisions. Participants should refer to the plan agreement for a complete description of the Plan's provisions, copies of which may be obtained from the plan sponsor.

General

The Plan is available to current and former employees of Edison Home Health Care and Preferred Home Care of New York contingent on prior service hours. The two affiliated companies are members of a controlled group pursuant to Sections 414(b), (c) and (m) of the Internal Revenue Code (collectively known as the Participating Companies). The Participating Companies provide a wide range of home health services in the New York metropolitan area.

Plan Amendments

Effective February 1, 2021, the Plan document was amended to make significant changes to the Plan's eligibility requirements and benefits. Eligible participants will now also include separated employees with previously accrued service time and a series of new benefits were added to the Plan.

Plan Spin-Off

In February 2021, a new plan was created by Edison Home Health Care to replace the self-insured benefits that were previously offered by the Plan. Accordingly, the trustees transferred $12,582,335 of plan assets to the new plan to help fund benefit obligations.

Insured Benefits

The Plan has entered into agreements with separate insurance companies to provide participants with hospital indemnity insurance and disability insurance. Premiums for insured benefits were paid from the assets of the trust.

Self-Insured Benefits

The Plan also offers access to a comprehensive genomic health benefit program and an identity protection program via third party providers.

The Plan previously provided self-insured medical benefits with claims processed by the Plan's third-party claims processors under administrative services only (ASO) arrangements. The claims processors paid claims directly to or on behalf of participants using funds received from the Plan's trust or the general assets of the Participating Companies. Despite the Plan's utilization of third-party claims processors, ultimate responsibility for payments to providers and participants were retained by the Plan. Claims paid per these financial statements are payments for residual claims incurred in prior periods.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared using the accrual basis of accounting. The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits

Premiums paid by either the Participating Companies or the plan trust are recorded as premium payments in the accompanying statement of changes in

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED):

net assets available for benefits. If the insurance company requires payment of additional premiums due to a premium deficit, an obligation for the additional premiums is included in benefit obligations.

Benefit payments to providers are recorded as benefits paid in the accompanying statement of changes in net assets available for benefits.

Subsequent Events

Management has evaluated subsequent events through April 4, 2023, the date which the financial statements were available to be issued.

3. ADMINISTRATIVE EXPENSES:

The Plan pays administrative expenses that consist primarily of administrative fees paid to third-party claims administrators. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses. Such transactions are party in interest transactions under ERISA. Administrative expenses paid by the Participating Companies on behalf of the Plan are excluded from these financial statements.

4. TAX STATUS:

The plan administrator believes that the Plan is designed and is currently being operated in compliance with Internal Revenue Code requirements applicable to a qualified health and welfare plan.

The Plan currently reports as a trust and files an annual Form 1041, *U.S. Income Tax Return for Estates and Trusts*, with the Internal Revenue Service (IRS). The plan administrator believes that, based upon applicable rulings of the U.S. Treasury Department, contributions to the Plan do not constitute gross income of the Plan, and that the amounts paid or credited to employees may be deducted against investment income. The Plan is not required to pay federal, state or municipal income taxes.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain tax position that more likely than not would not be sustained upon examination by the relevant taxing authorities.

5. TERMINATION OF THE PLAN:

Although it has not expressed any intent to do so, the Participating Companies have the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Participating Companies or be used for purposes other than for the exclusive benefit of the Plan's participants.

6. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500:

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

	January 31, 2022	January 31, 2021
Net assets available for benefits per the financial statements	$ 6,029,786	$ 33,864,264
Benefit obligations currently payable	(181,025)	(580,090)
Net assets available for benefits per the Form 5500	$ 5,848,761	$ 33,284,174

RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 (CONTINUED):

The following is a reconciliation of benefits paid per the financial statements to the Form 5500:

	Year Ended January 31, 2022
Benefits paid per the financial statements	$ 2,813,185
Add: Amounts currently payable at January 31, 2022	150,698
Less: Amounts currently payable at January 31, 2021	(580,090)
Benefits paid per the Form 5500	$ 2,383,793

The following is a reconciliation of premiums paid per the financial statements to the Form 5500:

	Year Ended January 31, 2022
Premiums paid per the financial statements	$ 13,190,223
Add: Amounts currently payable at January 31, 2022	30,327
Premiums paid per the Form 5500	$ 13,220,550

Benefits and premiums that have been processed and approved for payment at year-end but not paid are not considered liabilities under GAAP and, therefore, are not presented as liabilities or benefits and premiums paid in the accompanying financial statements but are recorded on the Form 5500 as a liability.

7. CONCENTRATIONS: At times, the Plan maintains cash balances in excess of the Federal Deposit Insurance Corporation's insured limits. Financial instruments that subject the Plan to concentrations of credit risk include cash on deposit with a financial institution that is not federally insured or otherwise collateralized. Therefore, the Plan may be exposed to credit losses in the event of non-performance by the financial institution. The Plan has not experienced such losses.

8. RISKS AND UNCERTAINTIES: On occasion, the Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

The present value of benefit obligations is reported based on certain assumptions pertaining to interest rates, health care inflation rates, and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near-term would-be material to the financial statements.
