Independent Auditors' Report

To Board of Directors and Management of
Safe-Harbor 403(b) Thrift Plan for Employees of Goodwill Industries of Southern Arizona, Inc.
Tucson, Arizona

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of Safe-Harbor 403(b) Thrift Plan for Employees of Goodwill Industries of Southern Arizona, Inc. (formerly 403(b) Thrift Plan of Goodwill Industries of Southern Arizona, Inc.), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section—

- the amounts and disclosures in the 2022 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the 2022 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of Safe-Harbor 403(b) Thrift Plan for Employees of Goodwill Industries of Southern Arizona, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Safe-Harbor 403(b) Thrift Plan for Employees of Goodwill Industries of Southern Arizona, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Safe-Harbor 403(b) Thrift Plan for Employees of Goodwill Industries of Southern Arizona, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Safe-Harbor 403(b) Thrift Plan for Employees of Goodwill Industries of Southern Arizona, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

2022 Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions and assets (held at end of year) as of and for the year ended June 30, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of 403(B) Thrift Plan of Goodwill Industries of Southern Arizona, Inc. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated January 6, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED JUNE 30, 2022

1. Description of plan:

The following description of the Safe-Harbor 403(b) Thrift Plan for Employees of Goodwill Industries of Southern Arizona, Inc., formerly 403(b) Thrift Plan of Goodwill Industries of Southern Arizona, Inc., (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General:

The Sponsor of the Plan is Goodwill Industries of Southern Arizona, Inc. (Sponsor).

The Plan is a defined contribution retirement plan with 403(b) provisions which covers substantially all employees of the Sponsor. The Plan is subject to the requirements of the Employee Retirement Income Security Act of 1974 (ERISA).

Employer contributions:

Effective July 1, 2021, the Plan was amended to reinstate matching contributions. The Sponsor makes safe harbor contributions equal to 100% of the participant's elective deferrals up to 3% of the participant's compensation, plus 50% of the participant's elective deferral in excess of 3%, but not in excess of 5% of the participant's compensation. Safe harbor matching contribution compensation and elective deferrals are determined on a payroll period basis. Participants become eligible for safe harbor contributions after one year and 1,000 hours of service.

Prior to July 1, 2021, the Sponsor could make discretionary employer base contributions. Participants had to complete one year of service and be employed at the end of the plan year to be eligible for the discretionary employer base contributions. During 2021, the Sponsor made a discretionary employer base contributions of \$150,989.

Participants' contributions:

Under the 403(b) provisions of the Plan, participants may elect to defer a portion of their pretax annual compensation up to current statutory limits determined annually and prescribed by the Internal Revenue Service (IRS). The Plan also permits eligible participants to make additional voluntary contributions of qualified rollovers from other retirement plans. Participants are eligible to contribute immediately upon hire.

Participant accounts:

Each participant's account is credited with the participant's elective deferral, employer and rollover contributions, and actual earnings thereon, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

YEAR ENDED JUNE 30, 2022

1. Description of plan (continued):

Vesting:

Participants are immediately vested in their elective deferral, safe harbor contributions and any rollover contributions made to the Plan, plus actual earnings thereon. Vesting in the employer base contribution portion of the participant's accounts, plus actual earnings thereon, is based on years of credited service in the Plan. Participants vest at 33% annually, beginning with the completion of their first year of service and are fully vested after three years of credited service, or upon the normal retirement date. The Plan defines a year of credited service to be a Plan year (July 1 through June 30) with 1,000 hours of service.

Investment options:

Upon enrollment in the Plan, a participant may direct contributions in any increments into any of several investment options. Participants may change their investment options inside the platform at any time.

Payment of benefits:

On termination of service due to death, disability, retirement or other reasons, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his/her account in a reasonable time or as soon as administratively feasible. Participants with account balances less than \$1,000 must take a lump-sum distribution as soon as practicable following termination.

Plan loans:

The Plan allows for participants to obtain loans from an insurance company using Plan assets as collateral. Plan loans are issued directly from funds owned by Mutual of America Life Insurance Company and not directly from a participant's account. A portion of the participant's account is reserved, or held in collateral, to cover 120% of the outstanding loan in case of default. Accordingly, these loans are not part of Plan assets as of June 30, 2022. All loans will provide for the repayment of interest at fixed or variable rates and the initial rate is determined by the terms of the controlling contract.

Principal and interest payments are remitted directly to the insurance company from the participant or via payroll deduction. The loan must be repaid within five years unless the proceeds are used for purchase of a principal residence in which case the loan may be repaid over a longer term not to exceed ten years. Loans will be considered in default if payments are not in compliance with the loan agreement or if there is any outstanding principal remaining after the last scheduled repayment date. Upon default, death, disability or termination of employment, the entire outstanding principal and accrued interest shall be immediately due and payable. Unpaid loans will be treated as a taxable distribution from the Plan.

Plan loans outstanding at June 30, 2022 and 2021 totaled \$52,185 and \$60,658. These loans mature at various dates through January 2027 and bear interest at 3.25%.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEAR ENDED JUNE 30, 2022

1. Description of plan (continued):

Forfeitures:

Forfeitures of terminated participants' nonvested account balances, to the extent attributable to discretionary contributions, are first used to pay administrative expenses and then are treated as a reduction of the employer's matching contribution for the plan year in which the forfeiture occurs. At June 30, 2022 and 2021, there were no nonvested amounts to be forfeited in future periods.

Hardship withdrawals:

If approved by the Plan Administrator, a participant may withdraw from his/her elective deferral account balance to satisfy any of the following immediate and heavy financial needs: unreimbursed medical expenses for qualified persons, purchase of a principal residence, to prevent eviction from or foreclosure on a principal residence, to pay for post-secondary education expenses for qualified persons, funeral expenses or for expenses that qualify as a casualty deduction under the Internal Revenue Code (IRC).

2. Summary of significant accounting policies:

Basis of accounting:

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition:

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis.

Net depreciation in the fair value of investments includes both realized and unrealized gains and losses on investments bought and sold as well as held during the year.

Payments of benefits:

Benefits paid to participants are recorded when paid.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEAR ENDED JUNE 30, 2022

2. Summary of significant accounting policies (continued):

Expenses:

Certain expenses of maintaining the Plan are paid by the Plan unless otherwise paid for by the Sponsor. Investment related expenses are included in net depreciation in fair value of investments.

Subsequent events:

The Plan has evaluated the events that have occurred subsequent to June 30, 2022 through April 11, 2023, the date that the financial statements were available to be issued. The Plan has no responsibility to update these financial statements for events and circumstances occurring after this date.

3. Federal income tax status:

The Plan has been designed to qualify under Section 403(b) of the IRC. The Plan Administrator and the Plan's tax counsel believe that terms of the Plan have been prepared to conform with the written plan requirements of Regulation 1.403(b)-3 of the IRC. The Plan is required to operate in conformity with the IRC to maintain the tax-exempt status for Plan participants under Section 403(b).

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that "more likely than not" would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

4. Fair value measurements:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

SAFE-HARBOR 403(B) THRIFT PLAN FOR EMPLOYEES OF GOODWILL INDUSTRIES OF SOUTHERN ARIZONA, INC.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEAR ENDED JUNE 30, 2022

4. Fair value measurements (continued):

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets or active markets that the Plan does not have access to;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

At June 30, 2022, the fair value of assets measured on a recurring basis is as follows:

	<u>Fair value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Investments measured at net asset value ^(a) :				
Pooled separate accounts	\$ 4,469,884	\$ -	\$ -	\$ -
Investments in the fair value hierarchy:				
Interest-bearing cash	<u>737,919</u>	<u>737,919</u>	<u>-</u>	<u>-</u>

4. Fair value measurements (continued):

At June 30, 2021, the fair value of assets measured on a recurring basis is as follows:

	<u>Fair value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Investments measured at net asset value ^(a) :				
Pooled separate accounts	\$ 4,872,219	\$ -	\$ -	\$ -
Investments in the fair value hierarchy:				
Interest-bearing cash	<u>433,930</u>	<u>433,930</u>	<u>-</u>	<u>-</u>
	<u>\$ 5,306,149</u>	<u>\$ 433,930</u>	<u>\$ -</u>	<u>\$ -</u>

^(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Following is a description of the valuation methodologies used for assets measured at fair value.

Pooled separate accounts: These funds' assets are invested and reinvested in registered investment companies. Investments are valued using quoted market prices for similar assets in active markets. The fair value of the accounts has been estimated using their net asset value. The net asset value of the units is determined daily and includes adjustments for investment fees. The net asset value is used as a practical expedient to estimate fair value.

Interest-bearing cash: Consists of highly liquid instruments that generate interest income. The carrying value of the interest-bearing cash is its fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. Fair value measurements (continued):

Investments measured using the NAV per share practical expedient:

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of June 30, 2022 and 2021.

<u>June 30, 2022</u>	<u>Fair value</u>	<u>Unfunded commitments</u>	<u>Redemption frequency</u>	<u>Redemption notice period</u>
Pooled separate accounts	\$ 4,469,884	n/a	n/a	None
<u>June 30, 2021</u>	<u>Fair value</u>	<u>Unfunded commitments</u>	<u>Redemption frequency</u>	<u>Redemption notice period</u>
Equity funds	\$ 1,490,471	n/a	n/a	None
Fixed income funds	\$ 61,173	n/a	n/a	None
Target date funds	\$ 3,320,575	n/a	n/a	None

Equity funds: These funds consist of professionally managed investment products primarily invested in equity instruments to create a diversified pool of securities to achieve growth objectives.

Fixed income funds: These funds consist of professionally managed investment products primarily invested in debt instruments with the objective of generating income.

Target date funds: These funds consist of a blend of investments that are re-balanced over time to address retirement goals. Funds with longer horizons are invested more aggressively to achieve growth objectives while shorter-term funds are invested in more conservative securities with the objective of generating income.

5. Investment certification:

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedules, including investments held at June 30, 2022 and 2021, and net depreciation in fair value of investments and interest for the year ended June 30, 2022 was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Mutual of America Life Insurance Company, the insurance company of the Plan.

6. Related party and party in interest transactions:

Exempt party in interest transactions:

Certain Plan investments are managed by Mutual of America Life Insurance Company. The Plan paid certain expenses to Mutual of America Life Insurance Company and other service providers during 2022 related to plan administration and investment activity. These transactions qualify as exempt party in interest transactions under ERISA.

Expenses that are paid directly by the Sponsor are excluded from these financial statements. Employees of the Sponsor perform certain accounting and administrative functions for the Plan, however, no employee receives compensation from the Plan.

7. Plan termination:

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

8. Risks and uncertainties:

The Plan invests in various investment securities that are exposed to risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. Reconciliation of financial statements to Form 5500:

At June 30, 2022 and 2021, interest-bearing cash per the financial statements of \$737,919 and \$433,930 is recorded as an investment held in insurance company's general account per the Form 5500. In addition, the Plan's investments in pooled separate accounts are reported on the 2021 Form 5500, Schedule H as registered investment companies because a DFE Form 5500 was not filed in 2021 by the sponsor of the pooled separate accounts.
