Report of Independent Auditor

To the Plan Administrator and Trustees
Fredericksburg Christian Schools 401(k) Plan
Fredericksburg, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Fredericksburg Christian Schools 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2022 Financial Statements* section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2022 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2022 Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule of Delinquent Participant Contributions – Form 5500, Schedule H, Part IV, Line 4a for the year ended June 30, 2022 and Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of June 30, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated March 16, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

FREDERICKSBURG CHRISTIAN SCHOOLS 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

JUNE 30, 2022 AND 2021

Note 1—Description of the Plan

The Fredericksburg Christian Schools 401(k) Plan (the “Plan”) was adopted on July 1, 1998, and amended on July 1, 2018. The Plan is administered by the trustees as appointed by Fredericksburg Christian Educational Services, Inc. (d/b/a Fredericksburg Christian Schools) (the “Plan Sponsor” or “Employer”). The Plan reports on a June 30 fiscal year basis.

The following brief description of the Plan is provided for general information purposes only. Participants should refer to the Plan Agreement for a more complete description of the Plan’s provisions.

General – The Plan is a defined contribution plan covering all contracted employees of the Plan Sponsor. Contracted employees of the Plan Sponsor become eligible to participate in the Plan once completing one month of service and attaining the age of 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Plan Administration – The Plan administrator and trustees are responsible for oversight of the Plan. The Plan administrator and trustees determine the appropriateness of the Plan’s investment offerings and monitor investment performance. All assets of the Plan are held at Reliance Trust Company (the “Qualified Institution”). Certain administrative functions are performed by employees of the Plan Sponsor. These employees do not receive compensation from the Plan.

Contributions – Participants have the right to contribute up to the maximum allowed under Section 402(g) of the Internal Revenue Code (“IRC”). Participants may also rollover amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants who have attained the age 50 before the end of the Plan year are eligible to make catch-up contributions under Section 414(v) of the IRC. Participants who meet eligibility requirements are automatically enrolled in the Plan with a 6% deferral, which will automatically increase in 1% increments each year on the anniversary date of automatic enrollment, up to a maximum of 10%. The Plan Sponsor may make contributions equal to a percentage of the participant’s salary reduction. This percentage is determined each year by the Plan Sponsor. The percentage rate for fiscal year end June 30, 2022 was 30% of the participant’s elective contribution up to 6% of eligible compensation.

Participant Accounts – Each participant’s account is credited with the participant’s contributions and allocations of (a) the Plan Sponsor’s contribution, (b) Plan earnings, losses, and (c) certain administrative expenses. Allocations are based on participant earnings or participant balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting – Participants are fully and immediately vested in all employee contributions and the Plan Sponsor’s matching contributions, plus actual earnings thereon.

Notes Receivable from Participants – Participants may borrow from their accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. A participant may have only one note outstanding at a time. Note terms range from one to five years, unless for the purchase of a principal residence, which term to be determined by the Plan administrator at the time of the loan. The notes are secured by the participant’s account balance and bear interest at the prime rate plus 1% at the time of note issuance. Principal and interest are paid ratably through payroll deductions.

Investment Options – Upon enrollment in the Plan, a participant may direct employee contributions and the Plan Sponsor’s contributions among various pooled separate account funds and the guaranteed investment contract. Participants may change their investment options daily.

FREDERICKSBURG CHRISTIAN SCHOOLS 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

JUNE 30, 2022 AND 2021

Note 1—Description of the Plan (continued)

Benefit Payments – Except for certain partial distributions allowed under the terms of the Plan while still employed (i.e., financial hardship, disability, etc.), all other distributions from the Plan are made in lump-sum payments upon retirement or termination from employment with the Plan Sponsor. If the participant's vested benefit exceeds \$5,000, the participant must consent to such distribution before it may be made. If the participant's vested benefit does not exceed \$5,000, the participant may elect to receive their vested account balance as a distribution or the Plan administrator will transfer the participant's balance into a separate individual retirement account for the benefit of the participant and for which the participant becomes responsible for fees and expenses.

Note 2—Summary of significant accounting policies

Basis of Accounting – The financial statements of the Plan have been prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Estimates – The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Risks and Uncertainties – Investment securities, in general, are subject to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of June 30, 2022 or 2021.

Payment of Benefits – Benefit payments are recorded when paid.

Administration Expenses – The Plan permits the payment of Plan expenses to be made from the Plan's assets. If expenses are paid using the Plan's assets, then the expense will generally be allocated among the accounts of all participants in the Plan. Annual audit fees will be paid by the Plan Sponsor, as allowed under the Plan.

Investment Valuation and Income Recognition – Investments held by a defined contribution plan are required to be reported at fair value, except for fully-benefit responsive interest accounts. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to a fully benefit-responsive interest accounts because contract value is the amount a participant normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Unrealized gains and losses are recognized in the period in which they occur. Interest and dividends are recognized in the period earned, and realized gains or losses on securities are recorded in the period of sale.

FREDERICKSBURG CHRISTIAN SCHOOLS 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

JUNE 30, 2022 AND 2021

Note 2—Summary of significant accounting policies (continued)

Concentration of Credit Risk – Financial instruments that potentially subject the Plan to concentrations of credit risk are part of the holdings in the Plan's investments. Management believes that the Qualified Institution of the Plan maintains the Plan's investments with high credit quality institutions and attempts to limit the credit exposure to any particular investment.

Fair Value Measurements – The Plan follows the *Fair Value Measurements* topic of the Financial Accounting Standards Board Accounting Standards Codification which defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value.

Level 1 – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date;

Level 2 – Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and

Level 3 – Inputs to the valuation methodology are unobservable inputs in the situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

There have been no changes in the methodologies used at June 30, 2022 and 2021.

Mutual Funds – These investments are public investment vehicles valued using the net asset value ("NAV") provided by the administrator of the fund. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. NAV is a quoted price in an active market and classified within Level 1 of the valuation hierarchy.

Common Collective Trust – These assets are not available in an exchange or an active market; however, the fair value is determined based on NAV of the underlying assets as traded in an exchange or active market. The common collective trust investments are classified within Level 2 of the valuation hierarchy.

Pooled Separate Accounts - Valued based upon the unit values of such pooled accounts held by the Plan at year end. Unit values are based on the fair value of the underlying assets of the fund derived from inputs principally from or corroborated by observable market data by correlation or other means, although are not based upon quoted market prices in an active market. The underlying investments of the pooled separate accounts consist of mutual funds, each of which follows a separate investment strategy. Due to the nature of these pooled accounts, there are no unfunded commitments or redemption restrictions.

FREDERICKSBURG CHRISTIAN SCHOOLS 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

JUNE 30, 2022 AND 2021

Note 2—Summary of significant accounting policies (continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement as of the reporting date.

Note 3—Information certified by the Plan's Qualified Institution (unaudited)

The Plan management has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Qualified Institution, has certified to the completeness and accuracy of the following data included in the accompanying financial statements and supplemental schedules as of June 30, 2022 and 2021, and for the year ended June 30, 2022.

- Investments at fair value, investments at contract value, notes receivable from participants as shown in the statements of net assets available for benefits as of June 30, 2022 and 2021.
- Net depreciation in fair value of investments, interest income, and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended June 30, 2022.
- Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of June 30, 2022.

The Plan's independent auditor did not perform auditing procedures with respect to the certified information, except for comparing such information to the related information included in the financial statements and supplemental schedule of assets (held at end of year).

Note 4—Fair value of financial investments

See *Fair Value Measurements* in Note 2 for discussions of the methodologies and assumptions used to determine the fair value of the Plan's investments.

The following table sets forth by level, within the fair value hierarchy, the Plan investment assets at fair value, as of June 30, 2022:

	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total Fair Value
Investments at fair value:

NOTES TO THE FINANCIAL STATEMENTS

JUNE 30, 2022 AND 2021

Note 4—Fair value of financial investments (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan investment assets at fair value, as of June 30, 2021:

	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total Fair Value
Investments at fair value:				
Mutual funds	\$ 280,005	\$ -	\$ -	\$ 280,005
Pooled separate accounts	-	4,101,196	-	4,101,196
Total investments, at fair value	<u>\$ 280,005</u>	<u>\$ 4,101,196</u>	<u>\$ -</u>	<u>\$ 4,381,201</u>

Note 5—Contracts with insurance company

Investment contracts held by the Qualified Institution are fully benefit-responsive within the definition of U.S. GAAP. As required by U.S. GAAP, these investments are reported at contract value in the statement of net assets available for benefits. The contract value represents principal contributions made by participants, plus interest accrued at a crediting rate established under the wrapper contract, less participant withdrawals and administrative expenses. Crediting interest rates are typically reset on a monthly or quarterly basis according to the wrapper contract. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events may limit the ability of the Plan to transact at contract value. Such events include but may not be limited to the following: (1) temporary absence; (2) change in position or other occurrence qualifying as a temporary break in service under the Plan; (3) transfer or other change of position resulting in employment by an entity controlling, controlled by, or under other common control with the Plan Sponsor; (4) cessation of an employment relationship resulting from a reorganization, merger, layoff, or the sale or discontinuance of all or any part of the Plan Sponsor's business; (5) removal from the Plan of one or more groups or classifications of participants; (6) partial or complete Plan termination; or (7) Plan disqualification. The Plan administrator does not believe the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable of occurring.

Note 6—Plan termination

Although it has not expressed any intention to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions to the Plan at any time and terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants are entitled to the full amount in their accounts and the Plan Sponsor will pay all liabilities and expenses of the Plan.

FREDERICKSBURG CHRISTIAN SCHOOLS 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

JUNE 30, 2022 AND 2021

Note 7—Income tax status

The Plan uses a prototype non-standardized profit sharing plan document sponsored by Chase Benefit Advisors, Inc. Chase Benefit Advisors, Inc. received a favorable opinion letter from the Internal Revenue Service ("IRS"), dated March 31, 2014, on the prototype plan's acceptability under Section 401 of the IRC. The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan's management has analyzed the tax positions taken by the Plan, and has concluded that as of June 30, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

Note 8—Party-in-interest

Plan investments include mutual funds, common collective trusts, and the guaranteed investment contract managed by the Qualified Institution as defined by the Plan and, therefore, these transactions qualify as party-in-interest. The Plan Sponsor pays administration expenses of the Plan and is also considered a party-in-interest. Administrative fees paid by the Plan for the investment management services of the Qualified Institution amounted to approximately \$45,000 for the year ended June 30, 2022.

Notes receivable from participants are considered parties-in-interest.

Note 9—Subsequent events

The Plan administrator has evaluated subsequent events for potential recognition and/or disclosure in the June 30, 2022, financial statements through April 17, 2023, which was the date the Plan's financial statements were available to be issued, and has determined that there are no subsequent events that require disclosure.
