INDEPENDENT AUDITORS' REPORT

To the Board of Directors
The Whole Child
401(K) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the accompanying financial statements of The Whole Child 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) audit. The financial statements comprise the Statements of Net Assets Available for Benefits as of June 2022 and 2021, and the related Statements of Changes in Net Assets Available for Benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section—

- the amounts and disclosures in the 2022 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2022 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

continued

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of The Whole Child 401(K) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Whole Child 401(K) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

INDEPENDENT AUDITORS' REPORT

continued

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Whole Child 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Whole Child 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit

2022 Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of June 30, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

INDEPENDENT AUDITORS' REPORT

continued

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2021 Financial Statements

We have previously audited the 2021 financial statements of The Whole Child 401(K) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. Our report dated May 16, 2022, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the financial statements and supplemental schedule, and (b) the form and content of the information included in the financial statements and supplemental schedule other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

THE WHOLE CHILD 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan

The following description of The Whole Child 401(K) Plan (“the Plan”) provides only general information. Participants should refer to the Plan’s agreement for a more complete description of the Plan’s provisions.

On December 31, 2020, Empower Retirement (“Empower”) acquired the retirement plan and group insurance business of Massachusetts Mutual Life Insurance Company (“MassMutual”). The plan transitioned over to Empower’s record keeping in the first quarter of 2022. The assets were transferred over to Empower in April 2022.

General

The Whole Child - Mental Health & Housing Services (“the Employer”) established the defined contribution plan effective August 1, 2008. The Plan is a 401(K) salary deferral plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974, (“ERISA”) as amended. The Employer is the Plan’s sponsor and serves as the Plan administrator.

Contributions

Participant contributions are based upon an elected percentage. The plan allows participants to contribute, on a pre-tax basis and post-tax basis, an amount up to the lesser of the maximum prescribed amount under the Internal Revenue Code or 100% of their eligible compensation and allows for “catch-up” contributions if a participant is age 50 or older. The amount participants can contribute to the 401(K) went up from \$19,500 in 2021 to \$20,500 in 2022. Catch up contributions is \$6,500 for 2021 and 2022.

Participant Accounts

Each participant’s account is credited with the participant’s contribution, the allocation of the Plan sponsor’s contribution, and the Plan’s earnings. Allocations are based on account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are fully vested in their contributions. Employer contributions vest based on years of continuous service. A participant is 100% vested immediately upon hire (i.e., Safe Harbor Plan).

Forfeitures

A participant’s non-vested balance is forfeited at the time of termination of employment. Forfeitures are used to offset future employer contribution. No forfeitures were used during 2022.

THE WHOLE CHILD

401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan, continued

Plan Loans

The Plan allows for loans to participants. Participants may borrow from the Plan using a portion of their plan account as collateral for the loan. Plan loans are not treated as a distribution from the Plan and are not considered plan assets. Therefore, plan loans are not reported on the statements of net assets available for benefits. A participant may apply for a plan loan to be made from his or her vested account balance in the Plan not to exceed the lesser of 50% of the participant's vested account balance or \$50,000 and must be for at least \$2,000. All loans are to be paid back over a period not to exceed five years, excluding loans to acquire the participant's principal residence, which may permit a longer repayment term.

Participants will be charged an interest rate equal to 2% above the prime rate. The interest will be fixed for the duration of the loan. Principal and interest are paid by the participant through payroll deductions.

The plan administrator has concluded that these loans are not plan assets, and that such arrangements are party-in-interest transactions for which a statutory exemption exists. The balances of outstanding loans as of June 30, 2022 was \$65,969.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may receive distributions of their vested interest in his or her account in the form of a single lump sum payment.

2. Summary of Significant Accounting Policies

A summary of the significant accounting policies applied in the preparation of the accompanying financial statements is as follows:

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned, and related fees are recorded as administrative expenses and expensed when incurred.

**THE WHOLE CHILD
401(K) PLAN**

NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies, continued

Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Net appreciation (depreciation) includes the Plan's gains (losses) on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Fair Value Measurements

Generally accepted accounting principles provide guidance on how fair value should be determined when financial statement elements are required to be measured at fair value. Valuation techniques are ranked in three levels depending on the degree of objectivity of the inputs used with each level:

Level 1 inputs - quoted prices in active markets for identical assets

Level 2 inputs - quoted prices in active or inactive markets for the same or similar assets

Level 3 inputs - estimates using the best information available when there is little or no market

The Plan is required to measure certain investments at fair value. The specific techniques used to measure fair value for the financial statement element is described in the notes below that relates to the element.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures as of the date and for the period presented. Actual results could differ from those estimates.

Administrative Expenses

The costs of the plan for accounting and administration expenses are the responsibility of the plan. Expenses made from the Plan's assets can either be allocated to all participants in the Plan or simply allocated to an individual's account, depending on the type of expense.

**THE WHOLE CHILD
401(K) PLAN**

NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies, continued

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market volatility, and credit risk. It is reasonably possible, given the level of risk associated with certain investment securities that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Subsequent Events

Management has evaluated subsequent events through April 17, 2023, the date which the financial statements were available for issue. No events or transactions have occurred during this period that appear to require recognition or disclosure in the financial statements.

3. Notes Receivable from Participants

Notes receivable from participants are repaid monthly at varying interest rates over a period of two to fifteen years. Loans to participants outstanding at June 30, 2022 and 2021 were \$65,969 and \$39,678, respectively.

4. Information Prepared and Certified by the Custodian

No auditing procedures were performed on investments and dividend income as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The following summarizes the information certified by Empower, the custodian of the Plan at June 30, 2022 and MassMutual at June 30, 2021, respectively:

	<u>2022</u>	<u>2021</u>
Investments at fair value		
Mutual funds	\$4,419,638	\$4,897,776

Participant loans	<u>65,969</u>	<u>39,678</u>
	<u>\$4,537,104</u>	<u>\$4,988,864</u>

During the years ended June 30, 2022 and 2021, the Plan's investments (including investments bought, sold, and held during the years) (depreciated) appreciated in value by (\$1,572,989) and \$900,051, respectively, attributable to mutual funds.

5. Fair Value Measurements

The table below sets forth, by level within the fair value hierarchy, the Plan's assets measured at fair value on a recurring basis as of June 30, 2022 and 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Investments measured at				
net asset value				<u>51,410</u>
	<u>\$4,897,776</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$4,949,186</u>

The fair value of mutual funds has been measured on a recurring basis using quoted market prices, for identical assets in active markets (Level 1 inputs).

*In the accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented on the statement of net assets available for benefits.

6. Fair Value of Investments in Entities that Use NAV Practical Expedient

The following table summarizes investments measured at fair value based on NAV per share as of June 30, 2022 and 2021:

Investments	Fair Value as of June 30,		Unfunded	Redemption frequency (if currently eligible)	Redemption notice period

401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

7. **Related Party and Party-in-Interest Transactions**

Certain administrative functions are performed by officers and employees of the Plan. No officer or employee received compensation from the Plan for these services.

Fees incurred by the Plan for investment management services are included in net depreciation in fair value of investments, which were not covered by revenue sharing. The Plan also made direct payments to service providers, which were not covered by revenue sharing.

8. **Plan Termination**

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contribution at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

9. **Tax Status**

The trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code and, accordingly, the trust's net investment income is exempt from income taxes. The Plan is designed to operate as a volume submitter 401(k) profit sharing plan based on a favorable determination letter issued to the prototype sponsor that provides tax-exempt status under appropriate sections of the Internal Revenue Code. The plan sponsor believes that the Plan continues to qualify and to operate as designed.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2019.

10. **Impact of COVID-19 Virus**

Following the Los Angeles County, and State "Safer-at-Home" order to close all non-essential business activities, the Plan has been conducting business as usual and has converted to serving clients remotely to meet isolation protocols.

Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") was enacted on March 27, 2020. Under Section 2202 of the CARES Act, Plan sponsors are permitted to make qualified coronavirus-related distributions available from 401(a), 401(k), 403(b), and governmental 457(b) plans, which are called "CARES Act Distributions".

**THE WHOLE CHILD
401(K) PLAN**

NOTES TO FINANCIAL STATEMENTS

10. Impact of COVID-19 Virus, continued

Enactments to the pension plan due to the Covid-19 virus are as follows:

All vested account balances in all contribution sources were made available for CARES Act Distributions, except for sources that may contain assets transferred from money purchase pension plans or as otherwise directed.

Any restrictions based on the participant's age or length of participation in the plan, or how long the contributions were in the plan will not apply to CARES Act Distributions. Plan sponsors are responsible for reviewing the source exclusions implemented by Mutual of America Life Insurance Company for accuracy.

These distributions are available as pre-approved transactions with participant self-certification of eligibility for the CARES Act Distribution (unless spousal consent is required for certain plans, in which case paperwork is required). The maximum dollar amount that can be requested per participant is \$100,000. The Custodian will track the overall limit of \$100,000 within and across plans of the same controlled group, as established on Empower Retirement Participant Recordkeeping System.

Plan amendments for CARES Act Distributions are required and must be executed by the last day of the plan year that begins in 2022 (2024 for governmental plans).
