INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
PWC Planning for Tomorrow 403(b) Fund

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the financial statements of PWC Planning for Tomorrow 403(b) Fund, ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of June 30, 2022, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended June 30, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2022, and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the financial statements of PWC Planning for Tomorrow 403(b) Fund referred to in the first paragraph. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

PWC Planning for Tomorrow 403(b) Fund does not have sufficient accounting records and supporting documents relating to the information summarized in Note 5. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedules are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about PWC Planning for Tomorrow 403(b) Fund's ability to continue as a going concern for one year after the date the financial statements are available to be issued

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of PWC Planning for Tomorrow 403(b) Fund's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matter described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of PWC Planning for Tomorrow 403(b) Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) (modified cash basis), year ended June 30, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report it is inappropriate to and we do not express an opinion on the supplemental schedules referred to above.

Auditor's Report on the Prior Year Financial Statements

The financial statements for the year ended June 30, 2021 of PWC Planning for Tomorrow 403(b) Fund were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated April 4, 2022, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

PWC PLANNING FOR TOMORROW 403(b) FUND
STATEMENT OF CHANGES IN ASSETS AVAILABLE FOR BENEFITS
YEAR ENDED JUNE 30, 2022

(1) General

The following brief description of the 403(b) Plan ("the Plan") is provided for general information purposes only. Participants should refer to the Plan's summary plan description for more complete information.

The Plan is a defined contribution plan established on July 1, 2020, that covers all employees of Pilsen Little Village Community Mental Health Center, Inc. d/b/a Pilsen Wellness Center (Plan Sponsor or Company) who work 20 hours per week or complete a year of service. Employees are eligible to participate in the Plan as soon as administratively feasible on or after the employee's first day of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan Sponsor is responsible for oversight of the Plan, the appropriateness of the Plan's investment offerings, and monitoring investment performance.

Contributions

Effective October 1, 2020, participants may contribute a portion of their pre-tax annual compensation, as defined in the Plan. The Plan also allows after-tax Roth contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investments options offered by the Plan.

The Company makes a safe harbor contribution. For the initial plan year, the company safe harbor contribution formula was 100% of the employee's elective deferrals that did not exceed 3% of their compensation plus 50% of their elective deferrals between 3% and 5% of their compensation.

Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and company safe harbor contributions, as well as allocations of plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions and the Company's safe harbor contributions plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow from their fund accounts, and as of June 30, 2022 total participants loans receivable was \$10,020.

PWC PLANNING FOR TOMORROW 403(b) FUND
STATEMENT OF CHANGES IN ASSETS AVAILABLE FOR BENEFITS
YEAR ENDED JUNE 30, 2022

Benefit Payments

On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in their account. In-service distributions are permitted for participants who reach normal retirement age of 65, and hardship distributions are permitted under certain circumstances.

(2) Summary of Significant Accounting Policies

Basis of Accounting

The financial statements have been prepared using the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. The financial statements are maintained on the modified cash basis of accounting for investments at fair value. Contributions, interest and dividends are recorded as income when received rather than earned. Administrative expenses and distributions are recorded when paid.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Sponsor determines the Plan's valuation policies utilizing information provided by the custodian. See note 3 for description of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Participant Loans Receivable

Notes receivable from participants will be measured at their unpaid principal balance. Interest income will be recorded when received. The balance at June 30, 2022 for participant loans receivable was \$10,020.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefit payments to participants will be charged directly to the participant's account and will be included in administrative expenses when such fees are charged. Investment related expenses are reflected in net appreciation in fair value of investments.

PWC PLANNING FOR TOMORROW 403(b) FUND
STATEMENT OF CHANGES IN ASSETS AVAILABLE FOR BENEFITS
YEAR ENDED JUNE 30, 2022

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

(3) Investments

All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held at June 30, 2022, and net realized and unrealized depreciation in fair value of investments for the year then ended, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the trustee, Matrix Trust Company.

During 2022, the Plan's investments (including investments purchased, sold, as well as held during the year) appreciated in fair value as follows:

Net Realized and Unrealized Appreciation (Depreciation)
in Fair Value of Investments

	<u>2022</u>
Mutual Funds	\$ 711,994
Totals	<u>\$ 711,994</u>

(4) Fair Value of Financial Instruments

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1 – Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

PWC PLANNING FOR TOMORROW 403(b) FUND
STATEMENT OF CHANGES IN ASSETS AVAILABLE FOR BENEFITS
YEAR ENDED JUNE 30, 2022

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at June 30, 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Fair values of assets and liabilities measured on a recurring basis at June 30, 2022, are as follows:

	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Other Unobservable Inputs (Level 3)	Total
June 30, 2022				
Mutual Funds	\$ 711,994	\$ -	\$ -	\$ 711,994
Total	<u>\$ 711,994</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 711,994</u>

Transfers between Levels

For the year ended June 30, 2022, there were no transfers between Levels 1, 2, or 3.

(5) Certification from Custodian

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, as permitted under such election, the Plan Administrator has obtained a certification from Matrix Trust Company, the custodian of the Plan, as of June 30, 2022, and from inception (July 1, 2020) to June 30, 2022, that all information provided by them is complete and accurate. Information included in the accompanying financial statements as to investments and investment income, and all information in the supplemental schedule of assets (held at end of year) at June 30, 2022, is presented in reliance solely upon that certification.

(6) Related-Party and Party-in-Interest Transactions

Contributions by the Company, and payment of certain plan expenses by the Company are the Plan's only related party transactions.

PWC PLANNING FOR TOMORROW 403(b) FUND
STATEMENT OF CHANGES IN ASSETS AVAILABLE FOR BENEFITS
YEAR ENDED JUNE 30, 2022

(7) Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the plan provisions to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

(8) Income Tax Status

The Plan adopted the volume submitter plan of FIS Business Systems LLC. This volume submitter plan received an opinion letter from the IRS dated March 31, 2017 that the volume submitter plan was designed in accordance with applicable sections of the Internal Revenue Code (IRC) and was therefore, not subject to income tax under present tax laws. The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax position taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service and Illinois Department of Revenue. The plan administrator has analyzed the tax positions taken by the plan and has concluded that as of June 30, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress.

(8) Risks and Uncertainties

The plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

The actuarial present value of benefit obligations is reported based on certain assumptions pertaining to interest rates, health care inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

(9) Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at June 30, 2022, to Form 5500:
