INDEPENDENT AUDITORS' REPORT

To the Participants and Plan Administrator of
Turning Points for Children, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Turning Points for Children, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of June 30, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended June 30, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Turning Points for Children, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2022, and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 7 (page 13) to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Turning Points for Children, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Turning Points for Children, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing

an opinion on the effectiveness of Turning Points for Children, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Turning Points for Children, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule Form 5500 Schedule H, Part IV, Line 4i (Schedule of Assets Held at End of Year) as June 30, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of Turning Points for Children, Inc. 401(k). As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a Qualified Institution. In our report dated April 13, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Turning Points for Children, Inc. 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
For the years ended June 30, 2022 and 2021

1. DESCRIPTION OF THE PLAN

The following description of the Turning Points for Children, Inc. ("Company") 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Adoption Agreement for more complete information. The Plan was effective June 1, 1999, and was amended and restated, effective, April 1, 2016 and April 1, 2018.

Effective January 1, 2018, the Company and the Plan acquired Wordsworth, Inc., a non-profit organization providing education, behavioral health and child welfare services to children, adolescents and families. Plan provisions were amended to allow waiver of eligibility requirements for employees covered by the January 1, 2018 merger.

General – The Plan is a voluntary defined contribution plan for eligible employees and is referred to as a safe harbor 401 (k) plan. It is subject to the provisions of the Employment Retirement Income Security Act of 1974 (ERISA).

Eligibility and Participation – All non-excluded employees, as defined by the Plan, over 21 years of age with at least one year of service (defined as an employee credited with 1,000 hours of service in accordance with plan provisions) are eligible to participate in the Plan at the date the requirements are met. The Plan allows for recognition of credited hours for former employees of Philadelphia Society for Services to Children and Children's Aid Society of Pennsylvania.

Contributions – A participant may elect to contribute a specific percentage up to 100% or a specified dollar amount of their pre-tax salary as defined in the Plan and maximum limits imposed by law. The Company has the discretionary ability to make a matching contribution for eligible participants based on their elective deferrals. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Company has elected to satisfy safe harbor rules. Accordingly, the Company contributes 100% of the first 3% of base compensation that a participant contributes to the Plan, plus 50% of a participant's salary deferrals between 3% and 5%. The Company may make a discretionary matching contribution equal to a uniform percentage of participants salary deferrals, as determined annually. In no event will this discretionary matching contribution in any Plan year exceed 4%. The Company may also elect on an annual basis to make a profit-sharing contribution, as determined by the Plan. During the years ended June 30, 2022 and June 30, 2021, the Company did not make a discretionary or profit-sharing contribution to Plan. Contributions are subject to certain IRS limitations.

Participant Accounts – Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's discretionary and profit-sharing contributions, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as

NOTES TO FINANCIAL STATEMENTS

defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options – Upon enrollment in the Plan, a participant may direct contributions in any of thirty-two investment options. Participants may change their investment options at any time as self-directed online or by contacting the Trustee.

Forfeited accounts – Forfeitures are used to reduce employer contributions. Certain forfeitures may be restored if the participant is re-employed before accruing five consecutive break-in-service years, as defined in the Plan document. As of June 30, 2022, employer contributions were reduced by \$500 by forfeited non-vested accounts.

Vesting — Participants are immediately vested in all participant contributions and employer safe harbor contributions. Vesting on the Profit-Sharing contributions, if any, is based on years of services as follows:

<u>Years of Service</u>	<u>% Vested</u>
0-1	0%
2	20%
3	40%
4	80%
5	100%

Upon retirement, disability or death of a participant, the participant shall be deemed to be 100% vested in their entire account regardless of length of service. Forfeitures of non-vested account balances, if any, can be used to reduce the Company's contributions to pay for Plan expenses.

Notes Receivable From Participants – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participants' account. The loan interest rate, determined quarterly, is set at 2% above the prime rate, as defined. Principal and interest is paid ratably through monthly payroll deductions. Generally, the term of your loan may not exceed 5 years.

Rollovers – The Plan may accept a rollover, provided the rollover will not jeopardize the tax-exempt status of the Plan or create adverse tax consequences for the Employer. The amounts rolled over shall be separately accounted for in a "Participant's Rollover Account." A Participant's Rollover Account shall be fully vested at all times and shall not be subject to forfeiture for any reason.

Rollovers in the Plan totaled \$500 as of June 30, 2022.

Distributions and Withdrawals – Withdrawals may be made at retirement, attainment of age 59-1/2 disability, hardship, and separation of service or death. In the event of retirement, total and permanent disability or attainment of age 59-1/2, participants may make

withdrawals either in a lump sum or in periodic payments over a period not to exceed life expectancy, as defined.

These withdrawals may begin at age 59-1/2. Withdrawals due to hardships are permitted subject to the Plan Administrator's approval. In the event of separation of service, a participant must withdraw from the Plan if their account is less than \$5,000. Participant accounts may be "rolled over" by the employee into an IRA or similar plan. In the event of death, remaining balances in the participant's account will be paid to the participant's beneficiary.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the Plan are prepared on the accrual basis of accounting.

Excess Contributions Payable – Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with corresponding reduction to contributions. The Plan is required to return contributions received during the Plan year in excess of the Internal Revenue Code Limits.

Use of Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – Except for the fully benefit group annuity investment contract, which is reported at contract value, investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of registered investment companies ("mutual") funds are based upon its quoted market price. Fair value of pooled separate accounts is measured by the net unit value, which is based on the fair value of the underlying assets of the account. The Company determines the Plan's valuation policies utilizing information provided by the investment advisers and Trustees.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Turning Points for Children, Inc. 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
For the years ended June 30, 2022 and 2021

Notes Receivable From Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of June 30, 2022 or June 30, 2021.

Payment of Benefits – Benefits are recorded when paid.

Administrative Expenses – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

3. NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow up to 50% of their vested account subject to a minimum of \$1,000 and a maximum of \$50,000. The \$50,000 maximum amount will be reduced by the Participant's highest outstanding loan balance in the previous 12 months.

The borrowing rate is set by the Trustee as determined by the Plan document. As of June 30, 2022 and 2021, loans outstanding are due on various dates over the next 60 months.

Repayment of all plan loans is made through payroll deductions. Loans are secured by the participant's account balance. No more than one loan will be allowed in any 12 consecutive month period, and no more than two loans may be outstanding at one time.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820, "Fair Value Measurements" are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: • Quoted prices for similar assets or liabilities in active markets; • Quoted prices for identical assets or liabilities in inactive markets; • Inputs other than quoted prices are observable for the asset or liability; • Inputs that are derived principally from or corroborated by observable

Turning Points for Children, Inc. 401(k) Plan
NOTES TO FINANCIAL STATEMENTS

	market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full-term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of June 30, 2022 and 2021:

Assets at Fair Value as of June 30, 2022

	(Level 1)	(Level 2)	(Level 3)	Total
Pooled separate accounts	\$ -	\$ 2,695,000	\$ -	\$ 2,695,000
Registered investment companies (mutual funds)	218,200	-	-	218,200
Investments at fair value	<u>\$ 218,200</u>	<u>\$ 2,695,000</u>	<u>\$ -</u>	<u>\$ 2,913,200</u>

Assets at Fair Value as of June 30, 2021

	(Level 1)	(Level 2)	(Level 3)	Total
Pooled separate accounts	\$ -	\$ 3,060,100	\$ -	\$ 3,060,100
Registered investment companies (mutual funds)	224,000	-	-	224,000
Investments at fair value	<u>\$ 224,000</u>	<u>\$ 3,060,100</u>	<u>\$ -</u>	<u>\$ 3,284,100</u>

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of June 30, 2022 and 2021:

Registered Investment Companies (Mutual funds): Valued at the net asset value (NAV) of shares held by the plan at year-end in active markets and are classified as Level 1.

Pooled Separate Accounts: Consist of investments pooled in separate accounts of Principal Life Insurance Company, investing in fixed income, equity, and real estate funds. These investments are priced daily using the unadjusted NAV as of the reporting date, which is the basis for current transactions. As these transactions occur directly with Principal Insurance Company and not on active markets, they are less observable and classified in Level 2.

There have been no transfers between Level 1 and Level 2 assets for the years ended June 30, 2022 and June 30, 2021.

5. GROUP ANNUITY CONTRACT

The Plan invests into a traditional fully benefit-responsive guaranteed investment contract with Principal Trust Company, the contract issuer. Principal Trust Company maintains the contributions in a general account consisting of over 6,000 investments, which include corporate bonds, asset-backed securities, commercial real estate mortgages, government bonds, commercial real estate mortgages, and short-term cash equivalents. Principal Trust Company is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula established by the contract issuer. The crediting rate is reviewed on a quarterly basis for resetting. The crediting interest rate as of December 31, 2022 and 2021 was 0.95% and 0.90%, respectively. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

- Amendments to the Plan documents;
- The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code;
- Premature termination of the contracts;
- Plan termination or merger;
- Changes to the Plan's prohibition on competing investment options;
- Bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations;
- Bankruptcy of Principal Insurance Company, the contract issuer to the traditional investment contract.

Turning Points for Children, Inc. 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
For the years ended June 30, 2022 and 2021

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

The contract value of this guaranteed investment contract was \$27,900 and \$47,600 as of June 30, 2022 and 2021, respectively.

6. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible those changes in the values of investment securities will occur in the near-term and those changes could materially affect the amounts reported in the statement of net assets available for benefits.

7. INFORMATION CERTIFIED BY THE INVESTMENT TRUSTEE

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at June 30, 2022 and 2021, and net appreciation and depreciation in fair value of investments, interest and dividends for the years ended June 30, 2022 and 2021, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Principal Insurance Company (the Trustee of the Plan).

	2022	2021
Statement of net assets available for benefits:		
Investments at fair value:		
Pooled separate investment accounts	\$ 2,695,000	\$ 3,060,100
Registered investment companies (mutual funds)	218,200	224,000
Group annuity contract	27,900	47,600
Statement of changes in net assets available for benefits:		
Dividends	15,900	5,900
Net depreciation in fair value of investments	579,000	773,400

8. TAX STATUS

The Plan uses a prototype plan document sponsored by The Paragon Alliance Group, LLC. ("PAG"). PAG received an opinion letter from the Internal Revenue Service ("IRS"), dated March 31, 2014, which states that the prototype document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

Turning Points for Children, Inc. 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
For the years ended June 30, 2022 and 2021

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. RELATED PARTY TRANSACTIONS

Certain Plan investments are managed by Principal Life Insurance Company. Principal Life Insurance Company is the Trustee, and therefore, these transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

PAG provides participant record keeping and certain administrative services to the Plan pursuant to a retirement plan services agreement between the Company and PAG. PAG receives revenue from mutual fund service providers for services PAG provides to the Plan. This revenue is used to offset certain amounts owed to PAG for its administrative services to the Plan.

If the revenue received by PAG from such mutual fund service providers exceeds the amount owed under the service agreement, PAG is not required to remit the excess to the Plan's trust. During 2022 and 2021, there were no excess amounts. The Plan or Plan Sponsor may make a payment to PAG for administrative expenses not covered by revenue sharing.

10. PLAN TERMINATION

Although the Company has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

11. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events have been evaluated through March 17, 2023, the date the financial statements were available to be issued.

INDEPENDENT AUDITORS' REPORT

To the Participants and Plan Administrator of
Turning Points for Children, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Turning Points for Children, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of June 30, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended June 30, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Turning Points for Children, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2022, and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 7 (page 13) to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Turning Points for Children, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Turning Points for Children, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing

an opinion on the effectiveness of Turning Points for Children, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Turning Points for Children, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule Form 5500 Schedule H, Part IV, Line 4i (Schedule of Assets Held at End of Year) as June 30, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of Turning Points for Children, Inc. 401(k). As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a Qualified Institution. In our report dated April 13, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Turning Points for Children, Inc. 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
For the years ended June 30, 2022 and 2021

1. DESCRIPTION OF THE PLAN

The following description of the Turning Points for Children, Inc. ("Company") 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Adoption Agreement for more complete information. The Plan was effective June 1, 1999, and was amended and restated, effective, April 1, 2016 and April 1, 2018.

Effective January 1, 2018, the Company and the Plan acquired Wordsworth, Inc., a non-profit organization providing education, behavioral health and child welfare services to children, adolescents and families. Plan provisions were amended to allow waiver of eligibility requirements for employees covered by the January 1, 2018 merger.

General – The Plan is a voluntary defined contribution plan for eligible employees and is referred to as a safe harbor 401 (k) plan. It is subject to the provisions of the Employment Retirement Income Security Act of 1974 (ERISA).

Eligibility and Participation – All non-excluded employees, as defined by the Plan, over 21 years of age with at least one year of service (defined as an employee credited with 1,000 hours of service in accordance with plan provisions) are eligible to participate in the Plan at the date the requirements are met. The Plan allows for recognition of credited hours for former employees of Philadelphia Society for Services to Children and Children's Aid Society of Pennsylvania.

Contributions – A participant may elect to contribute a specific percentage up to 100% or a specified dollar amount of their pre-tax salary as defined in the Plan and maximum limits imposed by law. The Company has the discretionary ability to make a matching contribution for eligible participants based on their elective deferrals. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Company has elected to satisfy safe harbor rules. Accordingly, the Company contributes 100% of the first 3% of base compensation that a participant contributes to the Plan, plus 50% of a participant's salary deferrals between 3% and 5%. The Company may make a discretionary matching contribution equal to a uniform percentage of participants salary deferrals, as determined annually. In no event will this discretionary matching contribution in any Plan year exceed 4%. The Company may also elect on an annual basis to make a profit-sharing contribution, as determined by the Plan. During the years ended June 30, 2022 and June 30, 2021, the Company did not make a discretionary or profit-sharing contribution to Plan. Contributions are subject to certain IRS limitations.

Participant Accounts – Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's discretionary and profit-sharing contributions, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as

Turning Points for Children, Inc. 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
For the years ended June 30, 2022 and 2021

defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options – Upon enrollment in the Plan, a participant may direct contributions in any of thirty-two investment options. Participants may change their investment options at any time as self-directed online or by contacting the Trustee.

Forfeited accounts – Forfeitures are used to reduce employer contributions. Certain forfeitures may be restored if the participant is re-employed before accruing five consecutive break-in-service years, as defined in the Plan document. As of June 30, 2022, employer contributions were reduced by \$500 by forfeited non-vested accounts.

Vesting — Participants are immediately vested in all participant contributions and employer safe harbor contributions. Vesting on the Profit-Sharing contributions, if any, is based on years of services as follows:

<u>Years of Service</u>	<u>% Vested</u>
0-1	0%
2	20%
3	40%
4	80%
5	100%

Upon retirement, disability or death of a participant, the participant shall be deemed to be 100% vested in their entire account regardless of length of service. Forfeitures of non-vested account balances, if any, can be used to reduce the Company's contributions to pay for Plan expenses.

Notes Receivable From Participants – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participants' account. The loan interest rate, determined quarterly, is set at 2% above the prime rate, as defined. Principal and interest is paid ratably through monthly payroll deductions. Generally, the term of your loan may not exceed 5 years.

Rollovers – The Plan may accept a rollover, provided the rollover will not jeopardize the tax-exempt status of the Plan or create adverse tax consequences for the Employer. The amounts rolled over shall be separately accounted for in a "Participant's Rollover Account." A Participant's Rollover Account shall be fully vested at all times and shall not be subject to forfeiture for any reason.

Rollovers in the Plan totaled \$500 as of June 30, 2022.

Distributions and Withdrawals – Withdrawals may be made at retirement, attainment of age 59-1/2 disability, hardship, and separation of service or death. In the event of retirement, total and permanent disability or attainment of age 59-1/2, participants may make

NOTES TO FINANCIAL STATEMENTS
For the years ended June 30, 2022 and 2021

withdrawals either in a lump sum or in periodic payments over a period not to exceed life expectancy, as defined.

These withdrawals may begin at age 59-1/2. Withdrawals due to hardships are permitted subject to the Plan Administrator's approval. In the event of separation of service, a participant must withdraw from the Plan if their account is less than \$5,000. Participant accounts may be "rolled over" by the employee into an IRA or similar plan. In the event of death, remaining balances in the participant's account will be paid to the participant's beneficiary.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the Plan are prepared on the accrual basis of accounting.

Excess Contributions Payable – Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with corresponding reduction to contributions. The Plan is required to return contributions received during the Plan year in excess of the Internal Revenue Code Limits.

Use of Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – Except for the fully benefit group annuity investment contract, which is reported at contract value, investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of registered investment companies ("mutual") funds are based upon its quoted market price. Fair value of pooled separate accounts is measured by the net unit value, which is based on the fair value of the underlying assets of the account. The Company determines the Plan's valuation policies utilizing information provided by the investment advisers and Trustees.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Turning Points for Children, Inc. 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
For the years ended June 30, 2022 and 2021

Notes Receivable From Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of June 30, 2022 or June 30, 2021.

Payment of Benefits – Benefits are recorded when paid.

Administrative Expenses – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

3. **NOTES RECEIVABLE FROM PARTICIPANTS**

Participants may borrow up to 50% of their vested account subject to a minimum of \$1,000 and a maximum of \$50,000. The \$50,000 maximum amount will be reduced by the Participant's highest outstanding loan balance in the previous 12 months.

The borrowing rate is set by the Trustee as determined by the Plan document. As of June 30, 2022 and 2021, loans outstanding are due on various dates over the next 60 months.

Repayment of all plan loans is made through payroll deductions. Loans are secured by the participant's account balance. No more than one loan will be allowed in any 12 consecutive month period, and no more than two loans may be outstanding at one time.

4. **FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820, "Fair Value Measurements" are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: • Quoted prices for similar assets or liabilities in active markets; • Quoted prices for identical assets or liabilities in inactive markets; • Inputs other than quoted prices are observable for the asset or liability; • Inputs that are derived principally from or corroborated by observable

Turning Points for Children, Inc. 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
For the years ended June 30, 2022 and 2021

	market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full-term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of June 30, 2022 and 2021:

Assets at Fair Value as of June 30, 2022

	(Level 1)	(Level 2)	(Level 3)	Total
Pooled separate accounts	\$ -	\$ 2,695,000	\$ -	\$ 2,695,000
Registered investment companies (mutual funds)	218,200	-	-	218,200
Investments at fair value	<u>\$ 218,200</u>	<u>\$ 2,695,000</u>	<u>\$ -</u>	<u>\$ 2,913,200</u>

Assets at Fair Value as of June 30, 2021

	(Level 1)	(Level 2)	(Level 3)	Total
Pooled separate accounts	\$ -	\$ 3,060,100	\$ -	\$ 3,060,100
Registered investment companies (mutual funds)	224,000	-	-	224,000
Investments at fair value	<u>\$ 224,000</u>	<u>\$ 3,060,100</u>	<u>\$ -</u>	<u>\$ 3,284,100</u>

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of June 30, 2022 and 2021:

Registered Investment Companies (Mutual funds): Valued at the net asset value (NAV) of shares held by the plan at year-end in active markets and are classified as Level 1.

Pooled Separate Accounts: Consist of investments pooled in separate accounts of Principal Life Insurance Company, investing in fixed income, equity, and real estate funds. These investments are priced daily using the unadjusted NAV as of the reporting date, which is the basis for current transactions. As these transactions occur directly with Principal Insurance Company and not on active markets, they are less observable and classified in Level 2.

There have been no transfers between Level 1 and Level 2 assets for the years ended June 30, 2022 and June 30, 2021.

5. GROUP ANNUITY CONTRACT

The Plan invests into a traditional fully benefit-responsive guaranteed investment contract with Principal Trust Company, the contract issuer. Principal Trust Company maintains the contributions in a general account consisting of over 6,000 investments, which include corporate bonds, asset-backed securities, commercial real estate mortgages, government bonds, commercial real estate mortgages, and short-term cash equivalents. Principal Trust Company is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula established by the contract issuer. The crediting rate is reviewed on a quarterly basis for resetting. The crediting interest rate as of December 31, 2022 and 2021 was 0.95% and 0.90%, respectively. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

- Amendments to the Plan documents;
- The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code;
- Premature termination of the contracts;
- Plan termination or merger;
- Changes to the Plan's prohibition on competing investment options;
- Bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations;
- Bankruptcy of Principal Insurance Company, the contract issuer to the traditional investment contract.

Turning Points for Children, Inc. 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
For the years ended June 30, 2022 and 2021

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

The contract value of this guaranteed investment contract was \$27,900 and \$47,600 as of June 30, 2022 and 2021, respectively.

6. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible those changes in the values of investment securities will occur in the near-term and those changes could materially affect the amounts reported in the statement of net assets available for benefits.

7. INFORMATION CERTIFIED BY THE INVESTMENT TRUSTEE

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at June 30, 2022 and 2021, and net appreciation and depreciation in fair value of investments, interest and dividends for the years ended June 30, 2022 and 2021, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Principal Insurance Company (the Trustee of the Plan).

	2022	2021
Statement of net assets available for benefits:		
Investments at fair value:		
Pooled separate investment accounts	\$ 2,695,000	\$ 3,060,100
Registered investment companies (mutual funds)	218,200	224,000

Statement of changes in net assets available for benefits:		
Dividends	15,900	5,900
Net depreciation in fair value of investments	579,000	773,400

8. TAX STATUS

The Plan uses a prototype plan document sponsored by The Paragon Alliance Group, LLC. ("PAG"). PAG received an opinion letter from the Internal Revenue Service ("IRS"), dated March 31, 2014, which states that the prototype document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

Turning Points for Children, Inc. 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
For the years ended June 30, 2022 and 2021

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. RELATED PARTY TRANSACTIONS

Certain Plan investments are managed by Principal Life Insurance Company. Principal Life Insurance Company is the Trustee, and therefore, these transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

PAG provides participant record keeping and certain administrative services to the Plan pursuant to a retirement plan services agreement between the Company and PAG. PAG receives revenue from mutual fund service providers for services PAG provides to the Plan. This revenue is used to offset certain amounts owed to PAG for its administrative services to the Plan.

If the revenue received by PAG from such mutual fund service providers exceeds the amount owed under the service agreement, PAG is not required to remit the excess to the Plan's trust. During 2022 and 2021, there were no excess amounts. The Plan or Plan Sponsor may make a payment to PAG for administrative expenses not covered by revenue sharing.

10. PLAN TERMINATION

Although the Company has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

11. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events have been evaluated through March 17, 2023, the date the financial statements were available to be issued.

INDEPENDENT AUDITORS' REPORT

To the Participants and Plan Administrator of
Turning Points for Children, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Turning Points for Children, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of June 30, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended June 30, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Turning Points for Children, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2022, and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 7 (page 13) to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Turning Points for Children, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Turning Points for Children, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing

an opinion on the effectiveness of Turning Points for Children, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Turning Points for Children, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule Form 5500 Schedule H, Part IV, Line 4i (Schedule of Assets Held at End of Year) as June 30, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of Turning Points for Children, Inc. 401(k). As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a Qualified Institution. In our report dated April 13, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Turning Points for Children, Inc. 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
For the years ended June 30, 2022 and 2021

1. DESCRIPTION OF THE PLAN

The following description of the Turning Points for Children, Inc. ("Company") 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Adoption Agreement for more complete information. The Plan was effective June 1, 1999, and was amended and restated, effective, April 1, 2016 and April 1, 2018.

Effective January 1, 2018, the Company and the Plan acquired Wordsworth, Inc., a non-profit organization providing education, behavioral health and child welfare services to children, adolescents and families. Plan provisions were amended to allow waiver of eligibility requirements for employees covered by the January 1, 2018 merger.

General – The Plan is a voluntary defined contribution plan for eligible employees and is referred to as a safe harbor 401 (k) plan. It is subject to the provisions of the Employment Retirement Income Security Act of 1974 (ERISA).

Eligibility and Participation – All non-excluded employees, as defined by the Plan, over 21 years of age with at least one year of service (defined as an employee credited with 1,000 hours of service in accordance with plan provisions) are eligible to participate in the Plan at the date the requirements are met. The Plan allows for recognition of credited hours for former employees of Philadelphia Society for Services to Children and Children's Aid Society of Pennsylvania.

Contributions – A participant may elect to contribute a specific percentage up to 100% or a specified dollar amount of their pre-tax salary as defined in the Plan and maximum limits imposed by law. The Company has the discretionary ability to make a matching contribution for eligible participants based on their elective deferrals. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Company has elected to satisfy safe harbor rules. Accordingly, the Company contributes 100% of the first 3% of base compensation that a participant contributes to the Plan, plus 50% of a participant's salary deferrals between 3% and 5%. The Company may make a discretionary matching contribution equal to a uniform percentage of participants salary deferrals, as determined annually. In no event will this discretionary matching contribution in any Plan year exceed 4%. The Company may also elect on an annual basis to make a profit-sharing contribution, as determined by the Plan. During the years ended June 30, 2022 and June 30, 2021, the Company did not make a discretionary or profit-sharing contribution to Plan. Contributions are subject to certain IRS limitations.

Participant Accounts – Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's discretionary and profit-sharing contributions, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as

Turning Points for Children, Inc. 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
For the years ended June 30, 2022 and 2021

defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options – Upon enrollment in the Plan, a participant may direct contributions in any of thirty-two investment options. Participants may change their investment options at any time as self-directed online or by contacting the Trustee.

Forfeited accounts – Forfeitures are used to reduce employer contributions. Certain forfeitures may be restored if the participant is re-employed before accruing five consecutive break-in-service years, as defined in the Plan document. As of June 30, 2022, employer contributions were reduced by \$500 by forfeited non-vested accounts.

Vesting — Participants are immediately vested in all participant contributions and employer safe harbor contributions. Vesting on the Profit-Sharing contributions, if any, is based on years of services as follows:

<u>Years of Service</u>	<u>% Vested</u>
0-1	0%
2	20%
3	40%
4	80%
5	100%

Upon retirement, disability or death of a participant, the participant shall be deemed to be 100% vested in their entire account regardless of length of service. Forfeitures of non-vested account balances, if any, can be used to reduce the Company's contributions to pay for Plan expenses.

Notes Receivable From Participants – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participants' account. The loan interest rate, determined quarterly, is set at 2% above the prime rate, as defined. Principal and interest is paid ratably through monthly payroll deductions. Generally, the term of your loan may not exceed 5 years.

Rollovers – The Plan may accept a rollover, provided the rollover will not jeopardize the tax-exempt status of the Plan or create adverse tax consequences for the Employer. The amounts rolled over shall be separately accounted for in a "Participant's Rollover Account." A Participant's Rollover Account shall be fully vested at all times and shall not be subject to forfeiture for any reason.

Rollovers in the Plan totaled \$500 as of June 30, 2022.

Distributions and Withdrawals – Withdrawals may be made at retirement, attainment of age 59-1/2 disability, hardship, and separation of service or death. In the event of retirement, total and permanent disability or attainment of age 59-1/2, participants may make

Turning Points for Children, Inc. 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
For the years ended June 30, 2022 and 2021

withdrawals either in a lump sum or in periodic payments over a period not to exceed life expectancy, as defined.

These withdrawals may begin at age 59-1/2. Withdrawals due to hardships are permitted subject to the Plan Administrator's approval. In the event of separation of service, a participant must withdraw from the Plan if their account is less than \$5,000. Participant accounts may be "rolled over" by the employee into an IRA or similar plan. In the event of death, remaining balances in the participant's account will be paid to the participant's beneficiary.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the Plan are prepared on the accrual basis of accounting.

Excess Contributions Payable – Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with corresponding reduction to contributions. The Plan is required to return contributions received during the Plan year in excess of the Internal Revenue Code Limits.

Use of Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – Except for the fully benefit group annuity investment contract, which is reported at contract value, investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of registered investment companies ("mutual") funds are based upon its quoted market price. Fair value of pooled separate accounts is measured by the net unit value, which is based on the fair value of the underlying assets of the account. The Company determines the Plan's valuation policies utilizing information provided by the investment advisers and Trustees.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Turning Points for Children, Inc. 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
For the years ended June 30, 2022 and 2021

Notes Receivable From Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of June 30, 2022 or June 30, 2021.

Payment of Benefits – Benefits are recorded when paid.

Administrative Expenses – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

3. NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow up to 50% of their vested account subject to a minimum of \$1,000 and a maximum of \$50,000. The \$50,000 maximum amount will be reduced by the Participant's highest outstanding loan balance in the previous 12 months.

The borrowing rate is set by the Trustee as determined by the Plan document. As of June 30, 2022 and 2021, loans outstanding are due on various dates over the next 60 months.

Repayment of all plan loans is made through payroll deductions. Loans are secured by the participant's account balance. No more than one loan will be allowed in any 12 consecutive month period, and no more than two loans may be outstanding at one time.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820, "Fair Value Measurements" are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: • Quoted prices for similar assets or liabilities in active markets; • Quoted prices for identical assets or liabilities in inactive markets; • Inputs other than quoted prices are observable for the asset or liability; • Inputs that are derived principally from or corroborated by observable

Turning Points for Children, Inc. 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
For the years ended June 30, 2022 and 2021

	market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full-term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of June 30, 2022 and 2021:

Assets at Fair Value as of June 30, 2022

	(Level 1)	(Level 2)	(Level 3)	Total
Pooled separate accounts	\$ -	\$ 2,695,000	\$ -	\$ 2,695,000
Registered investment companies (mutual funds)	218,200	-	-	218,200
Investments at fair value	<u>\$ 218,200</u>	<u>\$ 2,695,000</u>	<u>\$ -</u>	<u>\$ 2,913,200</u>

Assets at Fair Value as of June 30, 2021

	(Level 1)	(Level 2)	(Level 3)	Total
Pooled separate accounts	\$ -	\$ 3,060,100	\$ -	\$ 3,060,100
Registered investment companies (mutual funds)	224,000	-	-	224,000
Investments at fair value	<u>\$ 224,000</u>	<u>\$ 3,060,100</u>	<u>\$ -</u>	<u>\$ 3,284,100</u>

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of June 30, 2022 and 2021:

Registered Investment Companies (Mutual funds): Valued at the net asset value (NAV) of shares held by the plan at year-end in active markets and are classified as Level 1.

Turning Points for Children, Inc. 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
For the years ended June 30, 2022 and 2021

Pooled Separate Accounts: Consist of investments pooled in separate accounts of Principal Life Insurance Company, investing in fixed income, equity, and real estate funds. These investments are priced daily using the unadjusted NAV as of the reporting date, which is the basis for current transactions. As these transactions occur directly with Principal Insurance Company and not on active markets, they are less observable and classified in Level 2.

There have been no transfers between Level 1 and Level 2 assets for the years ended June 30, 2022 and June 30, 2021.

5. GROUP ANNUITY CONTRACT

The Plan invests into a traditional fully benefit-responsive guaranteed investment contract with Principal Trust Company, the contract issuer. Principal Trust Company maintains the contributions in a general account consisting of over 6,000 investments, which include corporate bonds, asset-backed securities, commercial real estate mortgages, government bonds, commercial real estate mortgages, and short-term cash equivalents. Principal Trust Company is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula established by the contract issuer. The crediting rate is reviewed on a quarterly basis for resetting. The crediting interest rate as of December 31, 2022 and 2021 was 0.95% and 0.90%, respectively. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

- Amendments to the Plan documents;
- The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code;
- Premature termination of the contracts;
- Plan termination or merger;
- Changes to the Plan's prohibition on competing investment options;
- Bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations;
- Bankruptcy of Principal Insurance Company, the contract issuer to the traditional investment contract.

Turning Points for Children, Inc. 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
For the years ended June 30, 2022 and 2021

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

The contract value of this guaranteed investment contract was \$27,900 and \$47,600 as of June 30, 2022 and 2021, respectively.

6. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible those changes in the values of investment securities will occur in the near-term and those changes could materially affect the amounts reported in the statement of net assets available for benefits.

7. INFORMATION CERTIFIED BY THE INVESTMENT TRUSTEE

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at June 30, 2022 and 2021, and net appreciation and depreciation in fair value of investments, interest and dividends for the years ended June 30, 2022 and 2021, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Principal Insurance Company (the Trustee of the Plan).

8. TAX STATUS

The Plan uses a prototype plan document sponsored by The Paragon Alliance Group, LLC. ("PAG"). PAG received an opinion letter from the Internal Revenue Service ("IRS"), dated March 31, 2014, which states that the prototype document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

Turning Points for Children, Inc. 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
For the years ended June 30, 2022 and 2021

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. RELATED PARTY TRANSACTIONS

Certain Plan investments are managed by Principal Life Insurance Company. Principal Life Insurance Company is the Trustee, and therefore, these transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

PAG provides participant record keeping and certain administrative services to the Plan pursuant to a retirement plan services agreement between the Company and PAG. PAG receives revenue from mutual fund service providers for services PAG provides to the Plan. This revenue is used to offset certain amounts owed to PAG for its administrative services to the Plan.

If the revenue received by PAG from such mutual fund service providers exceeds the amount owed under the service agreement, PAG is not required to remit the excess to the Plan's trust. During 2022 and 2021, there were no excess amounts. The Plan or Plan Sponsor may make a payment to PAG for administrative expenses not covered by revenue sharing.

10. PLAN TERMINATION

Although the Company has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

11. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events have been evaluated through March 17, 2023, the date the financial statements were available to be issued.
