Management, having determined it is permissible in the circumstances, has elected to have the audit of Overbrook School for the Blind 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Overbrook School for the Blind 403(b) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Overbrook School for the Blind 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Overbrook School for the Blind 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Overbrook School for the Blind 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Form 5500, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

OVERBROOK SCHOOL FOR THE BLIND 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS

June 30, 2022 and 2021

(1) DESCRIPTION OF PLAN

The following description of the Overbrook School For The Blind 403(b) Plan (“**Plan**”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

A. General

The Plan is a defined contribution plan covering substantially all employees of Overbrook School For The Blind (the “**School**”). The Plan was adopted July 1, 1996. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (**ERISA**). All employees who complete at least 700 hours of service in the twelve-month period beginning on their date of hire and attained the age of 21 are eligible members of the Plan.

B. Contributions

The Plan provides for employer and employee contributions. The Plan documents stipulate that the School may make discretionary matching contributions to the Plan. The School did not make any discretionary contributions during the year ended June 30, 2022.

C. Participants Accounts

Each participant’s account is credited with the participant’s contribution, the School’s match, and allocation of the Plan’s earnings.

D. Vesting

Participants are fully vested in employer and employee contributions immediately upon contribution to the Plan.

E. Participant Loans

The Plan’s permits participants to borrow funds against vested account balances. In general, the maximum amount that can be borrowed is the lesser of 50% of a participant’s vested interest or \$50,000, at a reasonable rate of interest. Loans are generally repaid within five years. Interest is charged on loans at rates ranging from 2.75% to 6.45%.

F. Investment Options

Upon enrollment in the Plan, and at any time during the plan year, a participant may direct all future employee and employer contributions into any of the investment options available under the Plan.

G. Payment of Benefits

A participant’s vested benefits will normally be distributed to the participant or the participant’s beneficiary upon retirement, disability or death of the participant.

H. Hardship Withdrawals

Participants may withdraw certain fully-vested account balances in the form of a hardship withdrawal to satisfy an immediate and heavy financial need as defined by the Plan. The participant must first exhaust all other assets reasonably available prior to obtaining a hardship withdrawal. The hardship distribution cannot be in excess of the need.

NOTES TO FINANCIAL STATEMENTS – (Continued)

June 30, 2022 and 2021

I. Administration

The School is the administrator of the Plan. American United Life Insurance Company (“AUL”), TIAA-CREF, Metropolitan Life Insurance Company, and AXA Equitable have been designated as the custodians and trustees of the Plan. All custodians maintain individual participant account records and advise the Plan on other matters related to the operation of the Plan.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared under the accrual basis of accounting.

Investment contracts held by a defined-contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. Certain annuity contract types are considered fully benefit responsive, and are presented at contract value as of June 30, 2022 and 2021.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan’s investments in registered investment companies are stated at fair value. Shares of registered investment companies are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Investment loss includes the Plan’s net gains and losses on investments bought and sold as well as held during the year.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

OVERBROOK SCHOOL FOR THE BLIND 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS – (Continued)

June 30, 2022 and 2021

(3) INVESTMENTS

The Plan's investments are held in directed trusts. There are several investment options available to the participants at the time of this report. Participant accounts are allocated based on the decisions of the individual participants. The following table presents the fair value and contract value of these investments:

	<u>June 30,</u>	
	<u>2022</u>	<u>2021</u>
Investments at fair value:		
Mutual Funds	\$5,575,953	\$6,434,702
Annuity Contracts	<u>2,250,805</u>	<u>2,236,196</u>
Total Investments at fair value	7,826,758	8,670,898
Investments at contract value:		
Fully Benefit-Responsive Annuity Contracts	<u>1,247,759</u>	<u>1,240,271</u>
Total Investments	<u>\$9,074,517</u>	<u>\$9,911,169</u>

The Plan utilized various methods to measure the fair value of its investments on a recurring basis. Generally accepted accounting principles establish a hierarchy that prioritizes inputs to valuation methods. The three levels of inputs are described below:

Level 1 – Unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.

Level 2 – Observable inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly. These inputs may include quoted prices for the identical instrument on an inactive market, prices for similar instruments, interest rates, prepayment speeds, credit risk, yield curves, default rates and similar data.

Level 3 – Unobservable inputs for the asset or liability, to the extent relevant observable inputs are not available, representing the Plan's own assumptions about the assumptions a market participant would use in valuing the asset or liability, and would be based on the best information available.

The inputs or methodology used for valuing securities are not necessarily an indication of the risk associated with investing in those securities.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds: Valued at the net asset value (NAV) of shares held by the Plan at year end.

Annuity Contracts: Valued at the contract value, which approximates fair value.

OVERBROOK SCHOOL FOR THE BLIND 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS – (Continued)

June 30, 2022 and 2021

The summary of inputs used to value the Plan's assets that are carried at fair value as of June 30 is as follows:

	2022			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ 5,575,953	\$ -	\$ -	\$ 5,575,953
Annuity Contracts	-	-	2,250,805	2,250,805
Total investments at fair value	<u>\$ 5,575,953</u>	<u>\$ -</u>	<u>\$ 2,250,805</u>	<u>\$ 7,826,758</u>

	2021			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ 6,434,702	\$ -	\$ -	\$ 6,434,702
Annuity Contracts	-	-	2,236,196	2,236,196
Total investments at fair value	<u>\$ 6,434,702</u>	<u>\$ -</u>	<u>\$ 2,236,196</u>	<u>\$ 8,670,898</u>

There were no significant transfers between Level 1 and Level 2 during the year ended June 30, 2022.

The changes in investments measured at fair value for which the Plan used Level 3 inputs to determine fair value are as follows:

	2022
Beginning balance	\$ 2,236,196
Purchases	12,279
Withdrawals	(74,425)
Realized and unrealized gains, net	<u>76,755</u>
Ending balance	<u>\$ 2,250,805</u>

(4) TIAA TRADITIONAL ANNUITY

The plan offers guaranteed annuity contracts with Teachers Insurance Annuity Association ("**TIAA**"), an insurance company. TIAA maintains the contributions in a general account. The Traditional Annuity is offered through two contract types; Retirement Annuities ("**RA**") and Supplemental Retirement Annuities ("**SRA**"). The type of contract through which a participant invests in the TIAA Traditional Annuity determines the applicability of certain account features, such as the guaranteed minimum interest rate, additional interest declarations, the degree of liquidity of the participant's account, and the options for receiving income upon retirement. The RA contract does not allow lump-sum cash withdrawals, and transfers must be spread over 10 annual installments. The SRA contracts provide for full participant-directed liquidity and are considered fully benefit-responsive. The contracts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed annuity contract issuer is obligated to repay the principal and a specified interest rate that is guaranteed to the plan. When a participant's accumulation in an annuity contract is converted to a lifetime payment annuity, the present value of the stream of payments is equal to the accumulated balance, and the entire amount is recorded as a distribution in the statement of changes in net assets available for benefits.

OVERBROOK SCHOOL FOR THE BLIND 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS – (Continued)

June 30, 2022 and 2021

The RA contract is included in investments on the face of the statements of net assets available for benefits at contract value, which approximates fair value. The SRA contract is included in investments on the face of the statements of net assets available for benefits at contract value. Contract value, as reported to the plan by TIAA, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contracts at June 30, 2022 and 2021 was \$262,936 and \$266,953, respectively, for the SRA contract. The fair value of the investment contracts at June 30, 2022 and 2021 was \$338 and \$326, respectively, for the RA contract. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 3% percent. Such interest rates are reviewed periodically for resetting.

Certain events limit the ability of the plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the plan's prohibition on competing investment options of deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events which would limit the plan's ability to transact at contract value with participants are probable of occurring.

The guaranteed investment contracts do not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

(5) AXA GUARANTEED INTEREST ACCOUNT

The plan has a guaranteed interest account ("**GIA**") option available to participants in the AXA Equitable investment program. The GIA is included in investments on the face of the statements of net assets available for benefits at contract value. Contract value as reported to the plan by AXA represents contributions and transfers to that investment option, plus interest minus withdrawals and transfers out of the option, and charges AXA deducts.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the GIA was \$763,526 and \$764,315 at June 30, 2022 and 2021, respectively. The annual minimum guaranteed interest rate can range from 1 to 3%.

(6) AUL GROUP ANNUITY CONTRACT

In 2019, the Plan entered into a guaranteed annuity contract issued by American United Life Insurance Company ("**AUL**"). The contract offers a fixed interest investment option. The Fixed Account earns interest at the higher of the rate guaranteed under the contract or the current rates established and declared in advance by AUL. Interest rates for new contributions are declared prior to the beginning of a calendar quarter and are applicable to all contributions received in that quarter until the end of the calendar year next following the current year. The annuity contract is included in investments on the face of the statements of net assets available for benefits at contract value.

OVERBROOK SCHOOL FOR THE BLIND 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS – (Continued)

June 30, 2022 And 2021

The annuity account is invested in a conservatively managed well diversified portfolio consisting predominately of fixed-income investments (bonds, mortgages and private placement) where the objective is to maximize long-term, risk-adjusted returns. Under the terms of the fully benefit responsive contracts, participant-initiated transactions for the purpose of receiving benefits allowed under the Plan, such as retirement, death, disability, hardship, loan, required minimum distributions, allowable in-service withdrawals, are completed at contract value without conditions, limits, or restrictions. A surrender charge or a one-time adjustment may apply under some unlikely events, such as full or partial Plan termination, the insolvency of the Plan sponsor, or if aggregate terminations in any contract year exceed 20% of the full contract value as determined on the first day of the contract year.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the annuity account was \$221,297 and \$209,003 at June 30, 2022 and 2021, respectively.

(7) PLAN TERMINATION

Although it has not expressed any intent to do so, the School has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

(8) TAX STATUS

The trust, established under a prototype plan to hold the Plan's assets, is qualified pursuant to the appropriate section of the Internal Revenue Code, and, accordingly, the trust's net investment income is exempt from income taxes. Although the Plan has been amended, the Plan sponsor believes that the Plan continues to qualify and to operate as designed. The Plan's federal forms 5500 are subject to examination by the IRS and the Department of Labor generally for the three years after they were filed.

Management has reviewed the tax positions for each of its open tax returns for fiscal years ending June 30, 2019, 2020 and 2021, or expected to be taken in the Plan's fiscal year ending June 30, 2022 tax return and has concluded that there are no uncertain tax positions that would require recognition in the financial statements.

(9) RISKS AND UNCERTAINTIES

The Plan invests in shares of registered investment companies which employ various investment strategies. The investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

(10) PARTY-IN-INTEREST TRANSACTIONS

Certain administrative costs of the Plan are paid by the employer/sponsor.

OVERBROOK SCHOOL FOR THE BLIND 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS – (Continued)

June 30, 2022 And 2021

(11) CONTINGENCY

In early 2020, an outbreak of a novel strain of coronavirus (COVID-19) emerged globally. As a result, there have been mandates from federal, state and local authorities resulting in an overall decline in economic activity. The current operating environment is changing rapidly. The extent of the impact that the COVID-19 pandemic will have on the financial performance of the Plan's investments is not reasonably estimable at this time.

(12) SUBSEQUENT EVENTS

Subsequent events after the balance sheet date through the date that the financial statements were available for issuance, April 17, 2023, have been evaluated in the preparation of the financial statements.
