Retirement Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of June 30, 2022, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the 2022 financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of June 30, 2022, and the Schedule of Delinquent Participant Contributions for the year ended June 30, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by (See Note 3) and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2021 Financial Statements

The 2021 financial statements of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by the qualified institution. Their report dated April 14, 2022, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2021 financial statements and supplemental schedules, and (b) the form and content of the information included in the 2021 financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

THE BRIDGE, INC. RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021

NOTE 1—DESCRIPTION OF PLAN

The following brief description of The Bridge, Inc. Retirement Plan (the "Plan") provides only general information. Readers should refer to the Plan agreement for a more complete description of the Plan's provisions.

- A. **General** - The Plan is a defined contribution profit-sharing pension plan covering all eligible employees of The Bridge, Inc. (the "Sponsor"). The Plan (and all amendments) is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and subsequent amendments. Effective January 1, 2022, the Plan was restated to bring the Plan into compliance with the legislative and regulatory changes set forth in the Internal Revenue Service ("IRS") Notice 2017-37. Changes (if any) to the description of the Plan are noted below.
- B. **Contributions** - Effective July 1, 2013, the Sponsor may contribute (as "discretionary profit-sharing contributions") such amounts as the Sponsor determines. The Sponsor will designate and direct what portion of such contribution shall be allocated to each of the "allocation groups" which are comprised of union and non-union participants. The maximum annual allowable employer contribution is limited by the IRS regulations.

For the years ended June 30, 2022 and 2021, the Sponsor's contribution to the Plan was 1.5% and 4% of participants' compensation for union and non-union members, respectively.

The Plan accepts eligible rollover distributions from another employer's qualified retirement pension, or profit-sharing plan or a qualified IRA account.

- C. **Participant Accounts** - Each participant's account is credited with the employer's contribution and allocations of Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances as defined.
- D. **Eligibility, Vesting and Withdrawals** - Employees become eligible to participate in the Plan upon completing two years of service (defined as a minimum of 1,000 hours of service within a twelve-month consecutive period) and attaining the age of 21. The entry date shall occur twice each Plan year, on the first day of the Plan year and six months following the first day of the Plan year. Participants are fully vested upon entry into the Plan. A participant who terminates employment before the last day of the Plan year for reasons other than retirement, death, or disability will not be an eligible participant for that Plan year. While a participant remains employed with the employer, the participant may withdraw vested amounts from their individual account on or after age 59.5 or if the participant incurs a hardship or a disability that prevents them from working. Hardship situations are limited to purchase of (and certain repairs to) a principal residence, certain tuition expenses, certain funeral expenses, certain medical expenses and payments necessary to prevent eviction from, or the foreclosure of a mortgage on their principal residence. The hardship withdrawal cannot exceed the amount of the immediate need, including amounts necessary to pay any federal, state, or local income taxes or penalties reasonably anticipated to result from the withdrawal.
- E. **Forfeited Accounts** - There are no forfeitures to be allocated because each participant is fully vested upon entry into the Plan. However, if the Plan is amended to provide for other than full vesting, forfeitures of non-vested accounts shall be allocated to a participant who is active in the Plan on the accounting date in the ratio that the compensation of such participant bears to the compensation of all Plan participants.
- F. **Benefits** - On termination of service, benefit payments will be made in accordance with the Plan and will be based on the participant's account balance. If a participant terminated employment with the employer and their vested account balance is greater than \$1,000, they can either (a) leave all or part of their vested account in the plan and defer receipt of their benefit; the account will continue to accumulate interest or share in the investment experience of the funds in which their vested balance is invested, or (b) withdraw all or part of their vested account in a single sum. If the vested balance of a participant's account balance is \$1,000 or less, they will receive a single-sum payment at termination of employment.
- G. **Retirement and Disability** - At a participant's normal retirement (age 65 or the fifth anniversary of the participant's initial year of Plan participation), early retirement (the later of age 55 or the completion of ten years of service) or disability date, the participant's accrued benefits are available for distribution.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021

NOTE 1—DESCRIPTION OF PLAN (Continued)

- H. **Notes Receivable from Participants** - Loans to participants and their beneficiaries are allowed and interest paid on such loans shall be allocated to the accrued benefit of the participant or beneficiary borrowing the amount. A loan can be requested only for the following reasons: education, home purchase, to prevent foreclosure or eviction, and funeral expenses. Loans to participants are allowed up to a maximum of 50% of the vested balance or \$50,000 with payback terms not to exceed five years (unless the loan is used for the purchase of a primary residence, in which case the repayment period may be up to ten years). Loans that are less than \$1,000 will not be granted.

NOTE 2—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

- A. **Basis of Accounting** - The Plan prepares its financial statements using the accrual basis of accounting. The Plan adheres to accounting principles generally accepted in the United States of America ("U.S. GAAP").
- B. **Use of Estimates** - The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual amounts could differ from those estimates.
- C. **Investment Valuation and Income Recognition** - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In order to increase consistency and comparability in fair value measurements, a fair value hierarchy prioritizes observable and unobservable inputs used to measure fair value into three levels, as described in Note 4.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

- D. **Payment of Benefits** - Benefits are recorded at the time payment is made to the participant.
- E. **Operating Expenses** - Certain expenses of maintaining the Plan are paid by the Plan and others are paid for by the Sponsor. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

NOTE 3—INVESTMENT INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN AS COMPLETE AND ACCURATE

The following information was certified as complete and accurate by Mutual of America Life Insurance Company ("Mutual of America"), as the Plan's Custodian, and is included in the Plan's financial statements. Investment decisions are at the discretion of the individual participants of the Plan. Realized gains and losses (from investment sales) and unrealized appreciation or depreciation (from market changes) are recognized as a gain or loss.

Investment activity consists of the following for the years ended June 30:

	<u>2022</u>	<u>2021</u>

	<u>\$ (889,857)</u>	<u>\$ 1,559,436</u>

NOTE 4—FAIR VALUE MEASUREMENTS

U.S. GAAP provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under Accounting Standards Codification ("ASC") 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the assets or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Interest Accumulation Account

Valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the creditworthiness of the issuer. The significant unobservable input used is the lack of marketability. The interest accumulation account is classified as Level 3 in the fair value hierarchy.

Pooled Separate Account

Valued at net asset value ("NAV") per share on a pro-rata basis of the ownership level of the market value of the underlying investment. The value of each investment in the pooled separate accounts does not have a readily determinable fair value and therefore is measured using NAV as a practical expedient in accordance with U.S. GAAP. The separate accounts are comprised of a wide variety of underlying investments, such as equities, preferred stock, bonds, real estate and mutual funds. The separate accounts have no unfunded commitments, redemption restrictions, or redemption notice requirements.

Fair Value of Investments in Entities that use NAV Per Share Practical Expedient

The following represents significant investments of the Plan reported at NAV per share as of June 30, 2022:

Mutual of America Retirement Funds - The Fund seeks to achieve current income consistent with the preservation of capital and, to a lesser extent, capital appreciation. The Fund invests in shares of other series of the Investment Company ("IC Funds") in proportions that are balanced to meet the objective of the Fund, which is to produce current income and preserve the value of the investments of retired individuals.

Vanguard Variable Insurance Fund International Portfolio - The fund seeks long-term capital appreciation through broadly diversified exposure to the major equity markets outside the United States. The fund's advisors employ fundamental research to construct portfolios of growth stocks in developed and emerging markets. The advisors use fundamental research to identify high-quality companies with above-average growth potential in countries around the world.

Invesco Oppenheimer V.I. Main Street Fund - The Fund seeks high total return consisting of current income and capital appreciation by investing in equity and debt securities. The Fund mainly invests in common stock of U.S. Companies of different capitalization ranges. The Fund selects securities which are comprised of both growth and value stocks.

THE BRIDGE, INC. RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021

NOTE 4—FAIR VALUE MEASUREMENTS (Continued)

DWS Capital Growth VIP – This fund seeks long-term growth of capital by investing at least 65% of its assets in common stock of U.S. companies whose market capitalizations are similar in size to companies in the S&P 500 or the Russell 1000 Growth Index.

American Century Investments VP Capital Appreciation Fund – The fund seeks high growth by investing in mid-sized companies exhibiting both sustainable accelerating earnings growth and positive price momentum for long-term capital growth.

NOTE 5—PARTY-IN-INTEREST TRANSACTIONS

Mutual of America is the Plan's recordkeeper/custodian as defined by the Plan for the years ended June 30, 2022 and 2021, respectively. Therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan and its participants for the services provided to the Plan are reflected as administrative expenses in the accompanying financial statements, and amounted to \$4,298 and \$4,104 for the years ended June 30, 2022 and 2021, respectively.

NOTE 6—TAX STATUS

The Sponsor has obtained a volume submitter letter dated November 30, 2020, in which the IRS stated that the Plan is acceptable under Section 401 of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the volume submitter letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognizes a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7—RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8—PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Sponsor may determine.

NOTE 9 — DELINQUENT PARTICIPANT CONTRIBUTIONS

The Plan is required to remit participant contributions, including loan repayments, to the Plan as soon as they can be reasonably segregated from the Plan Sponsor's general assets. While the company remitted all loan repayments to the Plan, loan repayments of \$428 were not remitted within the required period for the year ended June 30, 2022. The Plan Sponsor has made corrective contributions after June 30, 2022, including lost earnings, as a result. For the year ended June 30, 2021, the Department of Labor ("DOL") will not take enforcement action for participant withholdings not made within prescribed timeframes, if the Plan administrator determined the delay was solely based on a failure attributable to COVID-19. During the year ended June 30, 2021, there were late remittances due to COVID-19 related disruptions in the Plan Sponsor's operations, which are included in the table on the next page.
