**Independent Auditor's Report**

To the Trustees of the  
401(k) Profit-Sharing Plan for Employees of Easter Seals Louisiana, Inc.

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit  
for the June 30, 2022 Financial Statements**

I have performed an audit of the financial statements of 401(k) Profit-Sharing Plan for Employees of Easter Seals Louisiana, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (June 30, 2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the June 30, 2022 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), my audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

**Opinion on the June 30, 2022 Financial Statements**

In my opinion, based on my audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the June 30, 2022 Financial Statements section

- the amounts and disclosures in the accompanying June 30, 2022 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying June 30, 2022 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the June 30, 2022 Financial Statements**

I conducted my audit in accordance with auditing standards generally accepted in the United States of America (GAAS). My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the June 30, 2022 Financial Statements section of my report. I am required to be independent of 401(k) Profit-Sharing Plan for Employees of Easter Seals Louisiana, Inc. and to meet my other ethical responsibilities, in accordance with the relevant ethical requirements relating to my audit. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the June 30, 2022 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 401(k) Profit-Sharing Plan for Employees of Easter Seals Louisiana, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the June 30, 2022 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the June 30, 2022 Financial Statements section of my report, my objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not

detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 401(k) Profit-Sharing Plan for Employees of Easter Seals Louisiana, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 401(k) Profit-Sharing Plan for Employees of Easter Seals Louisiana, Inc.'s ability to continue as a going concern for a reasonable period of time.

My audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the June 30, 2022 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during the audit.

## **Other Matters**

### *June 30, 2022 Supplemental Schedule Required by ERISA*

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of June 30, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, I compared such information to the related certified investment information.

In forming my opinion on the supplemental schedule, I evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In my opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### *Auditor’s Report on the June 30, 2021 Financial Statements*

I was engaged to audit the June 30, 2021 financial statements of 401(k) Profit-Sharing Plan for Employees of Easter Seals Louisiana, Inc. As permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed me not to perform and I did not perform any auditing procedures with respect to the information certified by a qualified institution. In my report dated March 18, 2022, I indicated that (a) because of the significance of the information that I did not audit, I was not able to obtain sufficient appropriate audit

evidence to provide a basis for an audit opinion and accordingly, I did not express an opinion on the June 30, 2021 financial statements, and (b) the form and content of the information included in the June 30, 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

# 401(k) Profit-Sharing Plan for Employees of Easter Seals Louisiana, Inc.

## Notes to Financial Statements

June 30, 2022 and 2021

### **1. Description of Plan**

The following description of the 401(k) Profit-Sharing Plan for Employees of Easter Seals Louisiana, Inc. (“the Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

#### **General**

The Plan is a defined contribution plan covering substantially all employees of Easter Seals Louisiana, Inc. (the Company, Employer, Plan Sponsor) who are age 18 or older except non-resident aliens and leased employees, as defined. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan was established effective July 1, 2018 to provide retirement benefits for the employees of Easter Seals Louisiana, Inc.

#### **Contributions**

Each year, participants may contribute up to 100% of their pre-tax annual compensation, as defined in the plan agreement. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 1% of eligible compensation and their contributions invested in a default fund until changed by the participant. Effective July 1, 2021, the Plan was amended to provide for an automatic increase from 1% to 2% in the second plan year following the commencement of automatic enrollment. Automatic enrollment only applies to participants who are hired or rehired on or after July 1, 2018. Additionally, participants may make Roth contributions to the Plan.

The Plan provides for the Company to make discretionary contributions to eligible participants who have satisfied a minimum service requirement of one year of service. Participants eligible to receive Company contributions receive an amount equal to the participants pro rata share based on compensation. Participants are not required to make contributions to receive Company contributions. For the plan years ended June 30, 2022 and 2021, Company contributions were \$87,847 and \$98,493. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

## Notes to Financial Statements (continued)

### 1. Description of Plan (continued)

#### Participant Accounts

Each participant's account is credited with the participant's contributions, as well as allocations of company contributions and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service as follows:

|                                |             |
|--------------------------------|-------------|
| One year of vesting service    | 25% vested  |
| Two years of vesting service   | 50% vested  |
| Three years of vesting service | 75% vested  |
| Four years of vesting service  | 100% vested |

A participant will become 100% vested upon death or total and permanent disability prior to termination of employment.

#### Notes Receivable From Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account and bear a reasonable rate of interest determined by the plan administrator. Loan terms may not exceed 5 years, except for the purchase of a principal residence where the plan administrator may permit a longer repayment term. Principal and interest is paid ratably through payroll deductions.

#### Payment of Benefits

On termination of service due to death, disability, retirement, or termination, a participant will be entitled to receive a single lump-sum payment equal to the value of the participant's vested interest in his or her account, substantially equal installments, partial withdrawals, or an annuity option, as defined in the plan agreement. In-service distributions are allowed to participants that have attained age 59½. Participants may make hardship withdrawals as defined by the Plan.

## Notes to Financial Statements (continued)

### 1. Description of Plan (continued)

#### Forfeited Accounts

At June 30, 2022 and 2021, forfeited non-vested accounts totaled \$3,871 and \$2,820, respectively. These accounts are used to reduce future employer contributions. Also, for the plan year ended June 30, 2022, employer contributions were reduced by \$6,673 from forfeited non-vested accounts.

### 2. Summary of Accounting Policies

#### Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

#### Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

#### Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisers and custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of June 30, 2022 or 2021.

# 401(k) Profit-Sharing Plan for Employees of Easter Seals Louisiana, Inc.

## Notes to Financial Statements (continued)

### 2. Summary of Accounting Policies (continued)

#### Payment of Benefits

Benefits are recorded when paid.

#### Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation in fair value of investments.

#### Subsequent Events

The Plan has evaluated subsequent events through April 17, 2023, the date the financial statements were available to be issued.

### 3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

|         |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |

#### 3. Fair Value Measurements (continued)

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

|---------|-----------------------------------------------------------------------------------------------------|
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |
|---------|-----------------------------------------------------------------------------------------------------|

---

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2022 and 2021.

*Cash and cash equivalents:* These funds are held in Mutual of America's General Account (i.e., Interest Accumulation Account) which is comparable to a cash equivalent and valued at the redeemable value of the fund.

*Pooled separate accounts:* Valued at the net asset value (NAV) or equivalent based on units of the pooled separate accounts. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is generally based on the fair value of the underlying investments held by the pooled separate account less its liabilities. This practical expedient is not used when it is determined to be probable that the pooled separate account will sell the investment for an amount different than the reported NAV. There are no unfunded commitments or redemption restrictions and these investments are redeemable on a daily basis.

The methods described above may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, while plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2022 and 2021:

### Notes to Financial Statements (continued)

#### **4. Certified Investments**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments at fair value held at June 30, 2022 and 2021, notes receivable from participants held at June 30, 2022, and net depreciation in fair value of investments, interest, and interest income on notes receivable from participants for the year ended June 30, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Mutual of America Life Insurance Company (Mutual of America), the custodian of the Plan.

#### **5. Related-Party Transactions and Party In Interest Transactions**

Certain plan investments are managed by Mutual of America. Mutual of America provides custodial and recordkeeping services to the Plan and, therefore, these transactions qualify as party in interest transactions.

#### **6. Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

#### **7. Tax Status**

The Plan was established effective July 1, 2018 under a volume submitter plan that has received a favorable opinion letter from the Internal Revenue Service. The Plan itself has not separately applied for tax-exempt status; however, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Coverage and non-discrimination compliance testing has not been completed for the plan year ended June 30, 2022 as required under the regulations. Plan management is currently in the process of completing these tests. Any testing failures could jeopardize the qualified status of the Plan and plan management intends to take any corrective actions necessary as required under the regulations to preserve the qualification and tax benefits of the Plan.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained

#### 7. Tax Status (continued)

upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

#### **10. Plan Restatement and Amendment**

Effective January 1, 2022, the Plan was amended and restated to comply with legislative law changes. Effective January 1, 2022, Chartwell Consortium Special Education Assistance and Development Center (Chartwell), a Louisiana non-profit corporation, merged into Easter Seals Louisiana, Inc., a Louisiana non-profit corporation. As a result of this merger, the Plan was amended to allow for the former employees of Chartwell to participate in the Plan effective January 1, 2022, and to allow prior service with Chartwell to be counted toward the eligibility and vesting provisions of the Plan.
