INDEPENDENT AUDITORS' REPORT

To the Board of Directors of Weston United Community Renewal, Inc. as Sponsor of the
Weston United Community Renewal, Inc. 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed the audit of the financial statements of Weston United Community Renewal, Inc. 401(k) Retirement Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's *Rules and Regulations for Reporting* and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's *Rules and Regulations for Reporting* and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2021 and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the 2021 Financial Statements* section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Restatement of the 2021 Financial Statement Disclosures and Schedule of Delinquent Contributions

As discussed in Notes 10 and 11 to the financial statements, the 2021 financial statement disclosures were corrected for certain errors on the delinquent participant contributions for the plan years 2012, 2014 and 2021 reported in the supplemental schedule of delinquent contributions. As a result, the Plan's financial statements and related notes to the financial statements were restated to reflect the correction of these errors.

Our opinion is not modified with respect to this matter.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the 2021 financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA – As Restated

The supplemental schedule of assets (held at year end) as of December 31, 2021 and the schedule of delinquent participant contributions for the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's *Rules and Regulations for Reporting* and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's *Rules and Regulations for Reporting* and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's *Rules and Regulations for Reporting* and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by (see Note 3) and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's *Rules and Regulations for Reporting* and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by the qualified institution. Their report dated October 12, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's *Rules and Regulations for Reporting* and Disclosure under ERISA.

WESTON UNITED COMMUNITY RENEWAL, INC. 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Weston United Community Renewal, Inc. 401(k) Retirement Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

- A. **General** – The Plan is a defined contribution 401(k) retirement plan covering all employees of Weston United Community Renewal, Inc. (the "Employer" or "Sponsor"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and subsequent amendments. The effective date of the Plan is January 1, 2000 and is based upon that Plan as amended December 24, 2015.

On December 1, 2016, Weston United Community Renewal, Inc. amended the Plan by adopting the Mutual of America Life Insurance Company ("Mutual of America") prototype 401(k) Profit Sharing Plan.

- B. **Eligibility** – All employees who are not covered by a collective bargaining agreement are eligible to participate in the Plan upon completing twelve months of service and 1,000 hours in a given 12-month eligibility period with the Employer, provided they have attained the age of 21.
- C. **Contributions** – Each year, participants may elect to contribute a percentage of their pre-tax annual compensation limited to amounts prescribed by the Internal Revenue Code (the "Code"). Participants who make elective deferrals and who have attained age 50 before the end of the Plan year are eligible to make catch up contributions. Participants may also contribute amounts representing distributions from other qualified plans. Employer discretionary matching contributions are made at 100% of a participant's first 4% eligible contributions. The Employer may also make discretionary profit sharing contributions to the Plan. During 2021 and 2020, the Employer did not make discretionary profit sharing contributions to the Plan.
- D. **Participant Accounts** – Each participant's account is credited with the participant's contribution and allocations of: (a) the Employer's contribution and (b) Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

The Plan currently offers various mutual funds held in pooled separate accounts, a general account and an insurance investment contract as investment options for participants. Participants are permitted to direct contributions to any of the options and to change investment options.

- E. **Vesting** – Participants are vested immediately in their voluntary contributions, plus actual earnings thereon. Additionally, participants are fully vested in the Employer's contributions if they retire from the Employer after reaching normal retirement age or if they become disabled or die during the Plan year.

Vesting in the Employer's discretionary matching and profit sharing contributions are based on years of continuous service. A participant is vested 20% after one year of service and 20% for each additional year of service thereafter. A participant is fully vested after five years of credited service.

- F. **Notes Receivable From Participants** – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. The amount available for borrowing will be reduced by the amount of the participant's highest outstanding loan balance, if any, during the previous one-year period. The loans are secured by the balance in the participant's account and bear interest at rates that are based on rates available for similar loans from commercial lending institutions plus 1%. Interest rates on notes receivable from participants ranged from 4.25% to 6.25% as of December 31, 2021. Principal and interest are generally payable in installments over periods ranging from one to five years (unless the loan is used for the purchase of a primary residence, in which case the repayment period may be up to ten years). Repayments of principal and interest are made by payroll deductions of equal amounts. A loan that is considered in default is reported as a deemed distribution which is a taxable event for the participant.

WESTON UNITED COMMUNITY RENEWAL, INC. 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF PLAN (Continued)

- G. **Payment of Benefits** – Participants may receive benefits upon normal retirement age, death or disability and may, in accordance with the Plan provisions, elect to receive their benefit payments in one lump-sum payment in an amount equal to the value of the participant's vested interest in their account. The Plan also provides for hardship and in-service distributions in accordance with the provisions of the Plan agreement and subject to the approval of the Plan Administrator.
- H. **Forfeiture Accounts** – As of December 31, 2021 and 2020, forfeited non-vested accounts totaled \$35,232 and \$34,658 respectively. Forfeitures are used at the discretion of the Employer to pay administrative costs of the Plan and to reduce Employer contributions. Additional forfeitures of \$2,230 and \$1,986 were added to the forfeited account during the years ended December 31, 2021 and 2020, offset by \$2,230 and \$1,986, respectively, which were used as a reduction of Plan expenses and the Sponsor's contributions.
- I. **The Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act")** — Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act") was passed by Congress. The CARES Act contains several provisions that temporarily impact retirement savings plans. These provisions include a waiver of required minimum distributions for 2020, a new hardship withdrawal option related to the COVID-19 pandemic, certain increased loan limits and suspension of certain loan repayments. The provisions of the CARES Act may be effective and operationalized March 27, 2020 and do not require amending the Plan document. The Plan Sponsor has not formerly adopted the relief provisions included in the CARES Act.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

- A. **Basis of Accounting** – The financial statements of the Plan are prepared on the accrual basis of accounting. The Plan adheres to accounting principles generally accepted in the United States of America ("U.S. GAAP").
- B. **Use of Estimates** – The preparation of financial statements in conformity U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.
- C. **Investment Valuation and Income Recognition** – Investments, except fully benefit-responsive investment contracts, are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 9 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

The contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

- D. **Notes Receivable from Participants** – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.
- E. **Payments of Benefits** – Benefits are recorded when paid.
- F. **Expenses** – Certain expenses of maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. NOTE 3 – INVESTMENTS – INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIANS AS COMPLETE AND ACCURATE

As noted in the independent auditors' report, the Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") *Rules and Regulations for Reporting and Disclosure* under ERISA. Accordingly, as permitted under such election, the following information, and the information contained on the supplemental schedule of assets (held at end of year), was certified as complete and accurate by Mutual of America Life Insurance Company and Great-West Life & Annuity Insurance Company of New York ("Great-West"), the Plan's custodians, and was not subjected to any auditing procedures performed by the independent auditors except for comparing such information to information included in the Plan's financial statements.

Mutual of America and Great-West have certified to the completeness and accuracy of the investments and notes receivable from participants included in the financial statements as of December 31, and the investment activity included in the financial statements for the years then ended as summarized below:

	<u>2021</u>	<u>2020</u>
Investments – at fair value	\$ 1,297,870	\$ 1,125,526
Investments – at contract value	<u>88,490</u>	<u>94,324</u>
Total investments	<u>\$ 1,386,360</u>	<u>\$ 1,219,850</u>
Notes receivable from participants	<u>\$ 14,454</u>	<u>\$ 23,233</u>

Investment activity consists of the following for the years ended December 31:

	<u>2021</u>	<u>2020</u>
Net appreciation of investments	\$ 145,429	\$ 97,560
Interest and dividend income	<u>1,799</u>	<u>1,814</u>
Total investment income	<u>\$ 147,228</u>	<u>\$ 99,374</u>
Interest income on notes receivable from participants	<u>\$ 592</u>	<u>\$ 944</u>

NOTE 4 – INVESTMENT CONTRACT WITH INSURANCE COMPANY

As of December 31, 2021 and 2020, the Plan had invested in a fully benefit-responsive investment contract with Great-West, which maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions.

The guaranteed investment contract is included in the financial statements at contract value as reported by Great-West. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There were no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on an agreed-upon formula with the issuer, but cannot be less than zero. The interest rate, for the guaranteed investment contract with Great-West, is reviewed on a quarterly basis for resetting and amounted to 0.9% and 1.04% as of December 31, 2021 and 2020, respectively.

The insurers entitle the participants to receive the principal and accrued earnings, credited to their accounts on withdrawal for allowed events such as: (1) transfers to other Plan investment options, (2) payments because of retirement and (3) termination of employment, disability, death and in-service withdrawals as permitted by the Plan.

NOTE 4 – INVESTMENT CONTRACT WITH INSURANCE COMPANY (Continued)

Certain events limit the ability of the Plan to transact at contract value with the issuers. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another Plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

The guaranteed investment contract typically does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments as of December 31, 2021 and 2020 are mutual funds held by Mutual of America as the Plan's custodian and a guaranteed investment contract managed by Great-West. Mutual of America and Great-West are the custodians as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the custodial services provided to the Plan are reflected as administrative expenses in the accompanying financial statements and amounted to \$1,055 and \$999, respectively, for the years ended December 31, 2021 and 2020.

NOTE 6 – TAX STATUS

The prototype Plan Sponsor has obtained an opinion letter dated March 31, 2014, in which the Internal Revenue Service determined that the prototype plan document was in compliance with the applicable requirements of the Code. The Plan has been adopted on December 1, 2016 and has been amended since then. However, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in accordance with the applicable requirements of the Code and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognizes a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. As of December 31, 2021 and 2020, the Plan did not recognize a tax liability (or asset).

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Plan Sponsor may determine.

NOTE 8 – RISKS AND UNCERTAINTIES

- A. The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
- B. The Plan's eligibility provisions, as documented in the December 1, 2016 plan document, provide that employees of the Plan sponsor become eligible to participant when they have attained age 21 and completed twelve months of service and 1,000 hours in a 12-month eligible period. However, the Plan Sponsor has been considering employees eligible to participate upon first day of employment. The Employer is currently in the process of amending its plan document retroactively and is in consultation with their ERISA attorney. The effect of this is in the favor of the participants, and therefore, does not anticipate any monetary penalties or other actions that would negatively affect the Plan or Plan Sponsor.

NOTE 9 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) Topic 820, “Fair Value Measurement,” provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the assets or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 Input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

General Account – Interest Accumulation Account:

The General Account (Mutual of America Interest Accumulation Account) is an interest account in which amounts placed in the account are credited with interest at a rate determined by Mutual of America. Mutual of America reserves the right to change the interest rates applicable to amounts held in the Interest Accumulation Account at their discretion.

Valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the creditworthiness of the issuer.

Pooled Separate Accounts:

Pooled separate accounts are valued at the net asset value (“NAV”) of shares held by Mutual of America at year end as determined by the issuer of the fund. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the value of the underlying assets, minus its liabilities, and then divided by the number of shares outstanding.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 9 – FAIR VALUE MEASUREMENTS (Continued)

Changes in Fair Value Levels:

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

The Plan evaluates the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. For the years ended December 31, 2021 and 2020, there were no transfers.

Financial assets carried at fair value at December 31, 2021 are classified in the table as follows:

	<u>Level 3</u>	<u>2021 Total</u>
Mutual of America General Account	\$ 103,281	\$ 103,281
	<u>\$ 103,281</u>	
Pooled Separate Accounts – NAV practical expedient		<u>1,194,589</u>
Total Investments at Fair Value		<u>\$ 1,297,870</u>

Financial assets carried at fair value at December 31, 2020 are classified in the table as follows:

	<u>Level 3</u>	<u>2020 Total</u>
Mutual of America General Account	\$ 92,371	\$ 92,371
	<u>\$ 92,371</u>	
Pooled Separate Accounts – NAV practical expedient		<u>1,033,155</u>
Total Investments at Fair Value		<u>\$ 1,125,526</u>

The following table sets forth a summary of changes in the fair value of the Plan's Level 3 assets for the years ended December 31:

	<u>2021</u>	<u>2020</u>
Balance, beginning of year	\$ 92,371	\$ 76,443
Contributions	15,293	22,770

NOTE 9 – FAIR VALUE MEASUREMENTS (Continued)

The following represents significant investments of the Plan reported at net asset value per share as of December 31, 2021 and 2020:

Mutual of America Retirement Funds - The Fund seeks to achieve current income consistent with the preservation of capital and, to a lesser extent, capital appreciation. The Fund invests in shares of other series of the Investment Company ("IC Funds") in proportions that are balanced to meet the objective of the Fund, which is to produce current income and preserve the value of the investments of retired individuals.

Mutual of America Retirement Income Fund – This fund seeks to achieve current income consistent with the preservation of capital and, to a lesser extent, capital appreciation. The fund invests in shares of other series of the Investment Company ("IC Funds") in proportions that are balanced to meet the objective of the fund, which is to produce current income and preserve the value of the investments of retired individuals. The fund generally invests 75% of its assets in fixed income IC Funds and 25% of its assets in equity IC funds.

NOTE 10 – PROHIBITED TRANSACTIONS – PARTICIPANTS' CONTRIBUTIONS REMITTANCES

In accordance with the DOL's Regulation 2510.3102, an employer is required to segregate participants' contributions from its general assets as soon as practical, but in no event more than the 15th business day following the end of the month in which amounts are contributed by participants or withheld from their wages for a pension benefit plan, such as the Plan.

During the years ended December 31, 2012, 2013 and 2021, the Employer failed to timely remit participants' contributions withheld totaling \$4,674, \$8,105 and \$2,189, respectively, that were corrected as of the date of this report. The Employer has agreed to absorb any costs incurred by the Plan as a result of the untimely remittance of the participants' accounts and will make a contribution to the participants' accounts for lost earnings on the late deposits.

NOTE 11 – RESTATEMENT OF 2021 FINANCIAL STATEMENT DISCLOSURES

The 2021 financial statement disclosures and the Schedule of Delinquent Participant Contributions were corrected for certain errors on the delinquent participant contributions for the plan years 2012, 2014 and 2021. As a result, Note 10 to the Plan's financial statements and the Schedule of Delinquent Participant Contributions have been restated to reflect the correct amounts and years related to the Plan's prohibited transactions.

NOTE 12 – SUBSEQUENT EVENTS

The Plan has evaluated, for potential recognition and disclosure, events subsequent to the date of the statement of net assets available for benefits through October 17, 2022, which was the date that the financial statements were available to be issued, except for Notes 10 and 11, as to which the date is March 10, 2023.

The Plan Document was restated after year end, effective January 1, 2022, the Plan Sponsor does not believe this will materially affect the Plan. The restated plan has obtained a non-standardized pre-approved profit sharing/ money purchase opinion letter dated November 30, 2020, for the benefit of the plan under IRC Section 401.
