Independent Auditor's Report

Board of Directors and Plan Administrator
Vining-Sparks IBG, L.P. 401(k) Plan
Memphis, Tennessee

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Vining-Sparks IBG, L.P. 401(k) Plan (the Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2022 and December 31, 2021, and the related statements of changes in net assets available for benefits for the periods then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of June 30, 2022 and December 31, 2021 and for the periods then ended, stating that the certified investment information, as described in *Note 6* to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Merger

As discussed in *Note 1* to the financial statements, the Partners of Vining-Sparks IBG, L.P., the Plan's Sponsor, on March 11, 2022 approved merging plan net assets available for benefits into the Stifel Financial Profit Sharing 401(k) Plan. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

401(k) PLAN

Notes to Financial Statements

June 30, 2022 and December 31, 2021

(1) Description of Plan

The following description of the Vining-Sparks IBG, L.P. 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan was adopted by Vining-Sparks IBG, L.P. (subsequently Vining-Sparks IBG, LLC) (the Company) effective January 1, 1991. It is a defined contribution retirement savings plan covering substantially all full-time and part-time employees. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). Capital Bank and Trust Company (the Trustee) is the trustee of the Plan.

On November 1, 2021, Stifel Financial Corp. (the Parent) acquired all of the equity interests in the Company. As a result of the acquisition, all participant accounts of the Plan were transferred on June 30, 2022 to an existing plan controlled by the Parent.

(b) Contributions

Participants contribute to the Plan by deferring a percentage of their aggregate annual compensation, subject to regulatory limitations. Employee rollover contributions are also permitted. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. The Company provides a matching contribution equal to 50% of the participant's contribution, not to exceed 6% of the participant's base salary. Commissioned employees and employees with base salaries in excess of \$70,000 are not eligible for the Company's matching contribution. Additional contributions may be made to the Plan at the discretion of the Company. No such additional contributions were made during 2022 or 2021.

(c) Investment Options

The Plan allows participants to direct contributions into various investment options. These options include mutual funds and a money market fund.

(d) Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 6.50%, which are commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest are paid ratably through monthly payroll deductions over a maximum term of five years, unless the loan is for the purchase of the participant's principal residence, in which case the loan must be payable within a reasonable time commensurate with the repayment period permitted by commercial lenders for similar loans.

VINING-SPARKS IBG, L.P.
401(k) PLAN

Notes to Financial Statements

June 30, 2022 and December 31, 2021

(e) Administration

The Company is responsible for general administration of the Plan and interpretation and execution of the Plan's provisions.

(f) Participant Accounts

Each participant's account is credited with the employee's contribution, the Company's matching contribution, additional contribution, if any, and an allocation of plan earnings or losses. Each participant's account is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. At June 30, 2022 and December 31, 2021, there were 0 and 326 participants, respectively.

(g) Vesting

Participants are 100% vested in their own contributions, the Company's matching contributions and additional contributions, if any, and allocated earnings and losses thereon.

(h) Benefit Payments

Upon death, disability, or retirement, a participant's benefit under the Plan may be distributed in a lump-sum payment or equal annual installments over a period not to exceed the participant's or beneficiary's life expectancy. The participant's required minimum distribution benefit must be distributed by April 1 following the calendar year the participant obtains the age of 72, unless the participant is an active employee.

(i) Plan Merger

As of June 30, 2022, the Company discontinued its contributions and merged the Plan into the Stifel Financial Profit Sharing 401(k) Plan controlled by the Parent.

(2) Summary of Significant Accounting Policies

(a) Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

(b) Valuation of Investments and Income Recognition

The custodial responsibility of the Plan lies with the Trustee.

The Plan's investments include mutual funds, which are stated at fair value as determined by quoted market prices on a national securities exchange.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

VINING-SPARKS IBG, L.P.
401(k) PLAN

Notes to Financial Statements

June 30, 2022 and December 31, 2021

(c) Valuation of Notes Receivable from Participants

Notes receivable from participants are recorded at amortized cost, which is equal to the unpaid principal balance and any accrued interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan agreement.

(d) Payment of Benefits

Benefits are recorded when paid.

(e) Administrative Expenses

All administrative expenses are paid by either the Plan or the Company. In the event the Company elected to discontinue paying such expenses, the Plan would be required to pay such costs from available resources.

(f) Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

The Plan's investments consist of mutual funds, which invest in various types of investment securities and in various companies within various markets. Investment securities are exposed to several risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the Plan's financial statements.

(g) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

(h) Subsequent Events

Subsequent events have been evaluated through April 17, 2023, which is the date the financial statements were available to be issued.

(3) Tax Status

The Plan operates under an adoption agreement in connection with a prototype 401(k) profit-sharing plan and trust sponsored by American Funds Distributor, Inc. This prototype plan document has been filed with the appropriate agency and has obtained an opinion letter from the Internal Revenue Service on March 31, 2014, stating that the form of the Plan is acceptable under Section 401 of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

(4) Transactions with Parties-in-Interest

Parties-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, and employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association or relatives of such persons.

Certain plan assets are investments in the American Funds Group of mutual funds, managed by the Trustee. These transactions qualify as parties-in-interest transactions.

(5) Fair Value Measurements

Financial Accounting Standards Board Accounting Standards Codification (ASC) Topic 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The Plan's investments were transferred on June 30, 2022, to an existing plan controlled by the Parent.

The following tables set forth by level, within the ASC Topic 820 fair value hierarchy, the Plan's investments at fair value as of June 30, 2022 and December 31, 2021:

Investments at fair value as of June 30, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds at fair value	\$ <u> —</u>	\$ <u> —</u>	\$ <u> —</u>	\$ <u> —</u>
Investments at fair value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds at fair value	\$ <u>94,992,538</u>	\$ <u> —</u>	\$ <u> —</u>	\$ <u>94,992,538</u>

Fair values are determined based on valuation techniques categorized as follows: Level 1 means the use of quoted prices for identical instruments in active markets; Level 2 means the use of quoted prices for similar instruments in active markets or quoted prices for identical or similar instruments in markets that are not active or are directly or indirectly observable; and Level 3 means the use of unobservable inputs.

Notes to Financial Statements

June 30, 2022 and December 31, 2021

See note 2(b) for information regarding the methods used to determine the fair value of the Plan's assets. These methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

(6) Information Certified by the Plan's Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee has certified that the following data included in the accompanying financial statements is complete and accurate:

- Investments and notes receivable from participants, as shown in the Statements of Net Assets Available for Benefits as of June 30, 2022 and December 31, 2021
- Investment income as shown in the Statements of Changes in Net Assets Available for Benefits for the six months ended June 30, 2022 and the year ended December 31, 2021

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements.
