Independent Auditors' Report

Board of Trustees and Plan Administrator
Ohio Wesleyan University Defined Contribution Retirement
Plan and Tax Deferred Annuity Plan
Delaware, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial statements

We were engaged to perform an audit the accompanying financial statements of the Ohio Wesleyan University Defined Contribution Retirement Plan and Tax Deferred Annuity Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2022 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Disclaimer of Opinion on the 2022 Financial Statements

We do not express an opinion on the accompanying 2022 financial statements of the Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion on the 2022 Financial Statements section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion on the 2022 Financial Statements

The Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Further, as described in Note 2 to the financial statements, the Plan has excluded from investments in the accompanying statement of net assets available for benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the DOL's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions is not reasonably determinable. Accounting principles generally accepted in the United States of America ("GAAP") require that these accounts and the related income and distributions be included in the accompanying financial statements.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditors' report. However, because of the matters described in the Basis for Disclaimer of Opinion on the 2022 Financial Statements section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit.

2022 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of June 30, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion on the 2022 Financial Statements section of our report, it is inappropriate to, and we do not, express an opinion on this supplemental schedule.

Auditors' Report on the 2021 Financial Statement

We were engaged to audit the 2021 financial statement of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. Further, the Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statement may have been affected by these conditions.

The Plan has excluded from the 2021 financial statement certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the DOL's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The amount of these excluded annuity contracts and custodial accounts is not reasonably determinable. GAAP requires that these accounts be included in the 2021 financial statement.

In our report dated April 14, 2022, we indicated that because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2021 financial statement.

OHIO WESLEYAN UNIVERSITY DEFINED CONTRIBUTION RETIREMENT PLAN
AND TAX DEFERRED ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan

The following is a summary of certain provisions of the Ohio Wesleyan University Defined Contribution Retirement Plan and Tax Deferred Annuity Plan (the "Plan"). Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Participation

The Plan is a defined contribution plan under Section 403(b) of the Internal Revenue Code ("IRC") covering all qualified employees of Ohio Wesleyan University (the "University"), established as of January 1, 1967. Eligible employees may participate in the Plan immediately following his or her employment. Participants will be eligible for employer contributions after having attained age 18 and working at least 1,000 hours per year, as defined by the Plan. The Plan excludes employees from participating in the Plan who normally work less than 20 hours per week or are student employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Contributions

Participants may elect to make contributions of his or her eligible earnings on a pre-tax or after-tax basis subject to certain limitations of the IRC. In accordance with Plan provisions, the University makes a fixed matching contribution equal to 100% of elective deferrals up to 5% of compensation deferred by an eligible participant with less than two years of service, as defined. For a participant with two or more years of service, no fixed matching contribution will be made. Rather, the University will make a nonelective contribution of 8.7% of an eligible participant's compensation.

Participants' Accounts

Teachers Insurance & Annuity Association of America and College Retirement Equities Fund ("TIAA-CREF"), the Custodian of the Plan, maintains an individual account for each participant. These accounts are credited with participants' contributions, University contributions and related earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. Participants elect to maintain his or her aggregate contributions in the investment funds. Separate accounting for each of the funds is made pursuant to the participant's designated election. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are at all times vested in all contributions and earnings thereon.

Notes Receivable From Participants

Prior to June 2019, the Plan permitted participants to borrow against their accounts directly through TIAA-CREF and are transacted outside the Plan. These participant loans are not included in the Plan assets. At June 30, 2022 and 2021, these outside loan balances totaled \$40,393 and \$73,912, respectively, and are generally collateralized by vested participant accounts in the Plan at 110% of the loan amount. As these loans are repaid, the collateral balance is reduced accordingly.

OHIO WESLEYAN UNIVERSITY DEFINED CONTRIBUTION RETIREMENT PLAN
AND TAX DEFERRED ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 1. Description of Plan (Continued)

Notes Receivable From Participants (Continued)

In June 2019, the Plan was amended to allow for participant loans through the Plan, which are included in Plan assets. Loans must be for at least \$1,000 but are limited to 50% of a participant's vested account balance up to a maximum of \$50,000. Loan terms are generally limited to five-years but may be longer for the purchase of a primary residence. The loans are secured by the vested balance in the participant's account and bear interest at a rate commensurate with prevailing rates as determined by the plan administrator. Participants repay principal and interest ratably over the term of the loan through payments from participants directly to the custodian.

Payment of Benefits

Upon attainment of age 59½ or termination of service due to death, disability, retirement or separation, a participant may elect to commence distribution of his or her account in the form of a transfer to an annuity or a lump sum payment. In the case of a severe financial hardship, TIAA-CREF, in its sole discretion, may direct distribution of all or a portion of an active participant's elective and/or voluntary contributions, subject to certain restrictions of the Plan document and/or the related insurance contract.

Termination Provisions

Although it has not expressed any intent to do so, the University has the right to amend, modify, suspend or terminate the Plan subject to the provisions of ERISA. No amendment, modification, suspension or termination of the Plan shall have the effect of providing that any amounts then held under the Plan may be used or diverted to any purpose other than for the exclusive benefit of participants or their beneficiaries. In the event of termination of the Plan, the assets then remaining in the funds will be allocated and distributed to participants in accordance with the terms and provisions of the Plan.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

AND TAX DEFERRED ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 2. Summary of Significant Accounting Policies (Continued)

Basis of Accounting (Continued)

The financial statements of the Plan may not include amounts related to certain investment contracts which became inactive prior to January 1, 2009. As contemplated in the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*, the University has made a good faith effort to determine the population of plan participants and has included amounts related to all known contracts in these financial statements. Accordingly, these financial statements are acceptable to the Department of Labor as part of the Plan's Form 5500 filing. However, because of the uncertainty involved in ascertaining all previous arrangements, it is possible that contracts may exist related to this Plan which have not been included in these financial statements and those amounts may be material. Accounting principles generally accepted in the United States of America require these amounts to be included in the financial statements.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investment in the benefit-responsive guaranteed investment contracts is reported at contract value. All other Plan investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's retirement committee determines the Plan's valuation policies utilizing information provided by the Custodian. See Note 4 and Note 5 for a discussion of fair value measurements and guaranteed investment contracts, respectively.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. The Plan believes all notes are fully collectible. No allowance has been recorded as of June 30, 2022 or 2021.

Payment of Benefits

Benefits are recorded when paid.

OHIO WESLEYAN UNIVERSITY DEFINED CONTRIBUTION RETIREMENT PLAN
AND TAX DEFERRED ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 2. Summary of Significant Accounting Policies (Continued)

Administrative Expenses

All administrative fees of the Plan are paid by the University or the Plan at the option of the University. Certain expenses paid by the University are not included in the statement of changes in net assets available for benefits. Investment related expenses are included in net depreciation of fair value of investments.

To discourage short-term trading and help protect the long-term value of certain funds, a redemption fee will be charged equal to 2% of money transferred out of certain funds less than 60 days following initial purchase date. Redemption fees imposed on these funds are paid by the affected participants.

The University has entered into a contract with TIAA-CREF that returns to the Plan, as a Plan asset, revenue that exceeds the revenue required to operate the Plan. Revenue credits may be used either to (i) pay direct, reasonable and necessary expenses of the Plan which the Plan is allowed to pay or (ii) provide benefits for Plan participants and beneficiaries in the form of revenue credits. Revenue sharing credits of \$109,625 were deposited into the Plan which includes the 2021 other receivable - \$55,553 was used to pay Plan expenses, there was \$827 in investment income earned on the credit balance and \$-0- was allocated to participants during the year ended June 30, 2022. Unallocated amounts remaining in the Plan were \$55,048 and \$149 at June 30, 2022 and 2021, respectively.

Evaluation of Subsequent Events

The Plan has evaluated subsequent events through April 17, 2023, which is the date the financial statements were available to be issued.

Note 3. Unaudited Information

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, TIAA-CREF has certified to the completeness and accuracy of all investments and notes receivable from participants held by them on behalf of the Plan that are reflected on the statements of net assets available for benefits at June 30, 2022 and 2021, the supplemental schedule of assets (held at end of year) at June 30, 2022, the related investment and loan interest activity reflected in the statement of changes in net assets available for benefits for the year ended June 30, 2022 and investment related information in the accompanying notes to the financial statements. This information is unaudited by independent accountants.

Note 4. Fair Value Measurements

The Plan estimates the fair value of financial instruments using available market information and other generally accepted valuation methodologies. The inputs used to measure fair value are classified into three levels:

Level 1 – Quoted market prices in active markets for identical assets and liabilities.

OHIO WESLEYAN UNIVERSITY DEFINED CONTRIBUTION RETIREMENT PLAN
AND TAX DEFERRED ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 4. Fair Value Measurements (Continued)

Level 2 – Observable market-based inputs or unobservable inputs that are corroborated by market data.

Level 3 – Unobservable inputs in which little or no market data exists.

The following is a description of the valuation methodologies used for Plan assets measured at fair value as of June 30, 2022 and 2021:

- The non benefit-responsive ("NBR") TIAA Traditional Annuity account balances are reported at fair value as determined by TIAA-CREF based upon the individual purchases and sales of individual contracts and the correlation between the contracts' crediting rate with the highest quality debt security yields, adjusted for contract liquidity. The NBR guaranteed investment contracts are reported based on information provided by the investment manager as validated by management and its advisors. These are considered to be Level 3 inputs.
- The TIAA Real Estate Account's value is principally derived from the market value appraisals of the underlying real estate holdings or other real estate-related investments. The TIAA general account provides this real estate fund with a liquidity guarantee to ensure there are funds to meet participant redemption, transfer or cash withdrawal requests. This investment is revalued daily primarily using market quotations or prices obtained from independent pricing sources and is classified as Level 2.
- Included in registered investment companies are TIAA-CREF Funds which are based on market quotations or prices from independent pricing sources and are classified as Level 1. Also included are various CREF Funds that are not available for sale on any securities exchange but whose underlying investments consist of equity securities and fixed income instruments. The valuation of these funds is based upon the daily quoted net asset value of shares held by the Plan and is classified as Level 2.

The following tables sets forth by level the Plan's assets at fair value:

Assets at Fair Value as of June 30, 2022				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Guaranteed investment contracts (NBR)	\$ -	\$ -	\$ 36,523,681	\$ 36,523,681

For the Plan's Level 3 assets during the year ended June 30, 2022, purchases were \$382,643. Transfers in were \$2,932,061 and transfers out were \$2,073,374. Transfers were made due to participant investment election changes.

Note 5. Guaranteed Investment Contracts

The Plan holds investments in unallocated investment contracts (the "guaranteed investment contracts"). These investments contain provisions that could be construed as placing restrictions on the availability of funds and, therefore, are included in the financial statements at estimated fair value because they are not fully benefit-responsive. The principal investments underlying the guaranteed investment contracts are high-quality fixed income instruments, principally corporate and government bonds and asset-backed securities.

The Plan also has fully benefit-responsive guaranteed investment contracts with TIAA. TIAA maintains the contributions in a general, unallocated account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because these guaranteed investment contracts are fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contracts. Contract value, as reported to the Plan by TIAA, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but is guaranteed to be between 1% and 3%. Such interest rates are reviewed on a monthly basis for resetting. In addition, the Board of Trustees of TIAA votes annually to determine if it will add a discretionary crediting interest rate to remain in effect for the remainder of the declaration year.

OHIO WESLEYAN UNIVERSITY DEFINED CONTRIBUTION RETIREMENT PLAN
AND TAX DEFERRED ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 5. Guaranteed Investment Contracts (Continued)

The guaranteed investment contracts do not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

Certain events may limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

Note 6. Income Tax Status

The Plan has been designed to qualify under Section 403(b) of the IRC. The terms of the Plan have been prepared to conform to the listing of 403(b) plans that have been pre-approved by the Internal Revenue Service. The Plan is required to operate in conformity with the IRC to maintain the tax-exempt status for plan participants under Section 403(b).

The plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of June 30, 2022, there are no uncertain positions taken or expected to be taken that would require such recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7. Party-in-Interest Transactions

Plan assets are held in guaranteed investment contracts, a pooled separate account and registered investment companies managed by TIAA-CREF or its affiliates and Plan expenses are paid to these entities. TIAA-CREF is the Plan Custodian; therefore, these transactions qualify as party-in-interest transactions.

Note 8. Risks and Uncertainties

The Plan holds various investment options in combinations of investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
