## Independent Auditor's Report

To the Plan Administrator  
Elder-Jones, Inc. 401(k) Profit Sharing Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Elder-Jones, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Elder-Jones, Inc. 401(k) Profit Sharing Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section -

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Elder-Jones, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

# Independent Auditor's Report

## Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Elder-Jones, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of Elder-Jones, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Elder-Jones, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

## Independent Auditor's Report

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### 2021 Supplemental Schedules Required by ERISA

The supplemental schedules for 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Elder-Jones, Inc. 401(k) Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 25, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion, and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## **Elder-Jones, Inc. 401(k) Profit Sharing Plan**

Notes to the Financial Statements

December 31, 2021 and 2020

### **1. Description of Plan**

The following brief description of the Elder-Jones, Inc. 401(k) Profit Sharing Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for more complete information regarding the Plan's definitions, benefits, and eligibility requirements and other matters.

#### **General**

The Plan is a defined contribution plan for employees of Elder-Jones, Inc (the "Company"). The Plan was formed October 1, 1985 and was amended in its entirety effective October 12, 2014 by adopting the Principal Financial Group Non-standardized 401(k) Prototype Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA") and the Internal Revenue Code ("IRC").

#### **Plan Operation**

The Company is the Plan sponsor and the Plan Administrator. The trustee of the Plan is Principal Trust Company (the "Trustee"), and Principal Financial Group ("Principal") maintains the records of each participant's account.

#### **Eligibility**

Substantially all employees who have reached 18 years of age are eligible to participate in the Plan for the purpose of salary deferrals and the employer matching contributions. Eligible employees may enter the Plan on their date of hire if eligibility requirements are met, or on the date when the eligibility requirements are met as defined by the Plan. Ineligible employees are (1) employees whose employment is governed by the terms of a collective bargaining agreement and (2) a nonresident alien with no U.S. income or all such income is exempt from U.S. income tax.

Employees are eligible for discretionary contributions if they are an active participant on December 31 and they have 1,000 or more hours of service in the Plan year.

#### **Contributions**

Participants may elect to contribute up to 100% percent of their annual earnings to the Plan, as defined by the Plan. The Plan also allows participants to make contributions to a Roth 401k. Participants may roll over amounts representing distributions from other qualified plans into the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation. The deferral percentage will be automatically increased each January 1st by 1% up to a maximum percentage of 10%. Contributions are subject to a compensation ceiling and annual limitations prescribed by the IRC.

The Plan, at its discretion, may make matching contributions at a percentage of each participant's 401(k) elective deferral contributions. The matching contributions are calculated based on the participant's eligible compensation and 401(k) elective deferrals for the payroll period. For both 2021 and 2020, the Plan contributed 50% of participant's 401(k) elective deferral contributions, up to a maximum match of 3% of each participant's eligible compensation.

The Plan, at its discretion, may also make discretionary contributions or qualified nonelective contributions. The discretionary match and the qualified nonelective contribution are calculated by the participant's annual eligible compensation divided by the total annual eligible compensation of all participants receiving a share on December 31st. There were no discretionary contributions or qualified nonelective contributions for the years ended December 31, 2021 and 2020.

### **1. Description of Plan (Continued)**

#### **Participant Accounts**

Each participant's account is credited with the participant's contribution, the Plan's matching contribution, and the allocation of Plan earnings; each participant account is charged an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### **Vesting**

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Participants are also 100% immediately vested in their contributions and employer matching contributions.

#### **Forfeited Accounts**

If a participant terminates employment before becoming fully vested in their account balance, the forfeited portion of the account balance is used to reduce future Employer contributions to the Plan or to pay Plan expenses. There were zero forfeited amounts that were used to reduce Employer contributions to the Plan during 2021 and 2020.

#### **Investment Allocation**

The Plan is intended to comply with Section 404(c) of ERISA. Accordingly, the participants, rather than the Plan administrator, are responsible for making investment decisions for their accounts. Participants direct the investment of their account balances into various investment options offered by the Plan. During the year, participants had the option to direct the investment of their contributions into various registered investment companies, stable value funds, and pooled separate accounts under a group annuity contract, with the underlying investments in various mutual funds. Participants may change their investment allocation daily.

#### **Notes Receivable From Participants**

Participants are permitted to borrow up to 50% of their vested account balance with a minimum of \$1,000 up to a maximum loan amount of \$50,000. Participants may be granted two loans during any one-year period; however, only one loan may be outstanding at a time. The loans are secured by the participant's vested account balance. The loans must be repaid with respect to both principal and interest by payroll deduction in substantially equal payments within five years, except for the purchase of a principal residence as permitted by IRS regulations and in accordance with Plan provisions. The interest rate on loans shall be determined by the Plan Administrator based on terms described in the Plan document. At December 31, 2021, the loans bear interest between 4.25% and 6.25% and mature at various dates through 2032. Upon termination of employment, the outstanding balance of a loan becomes immediately payable. Loans receivable from participants are valued at their unpaid principal balance plus accrued interest.

During 2020, the Plan was amended under the Coronavirus Aid, Relief, and Economic Security (CARES) Act. As part of the amendment, the Plan allows for loans to be borrowed up to the lesser of \$100,000 or 100% of an impacted participant's vested balance for 180 days, which began on March 27, 2020.

#### **Payment of Benefits**

Distributions to terminated, disabled, or retired participants are made in the form of a single lump sum or installment payment to the participant (or in the case of death, to the participant's beneficiary) equal to the value of the participant's vested account. Distributions may also be made in the form of hardship withdrawals that may be subject to early withdrawal penalties. In-service distributions are allowed under the Plan upon attainment of age 59½. Certain mandatory distribution provisions may apply for smaller account balances of terminated employees. Benefit payments are recorded when paid. In addition, the Plan allows a CARES Act related distribution for a qualified individual prior to December 31, 2020 up to an aggregate limit of \$100,000.

### **2. Summary of Significant Accounting Policies**

#### **Basis of Accounting - Accrual Method**

The financial statements of the Plan are prepared under the accrual method of accounting.

#### **Accounting Estimates**

Management uses estimates and assumptions in preparing these financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities, and the changes therein, and the disclosure of contingent assets and liabilities. The most significant estimate relates to the valuation of investments. Actual results could differ from those estimates.

#### **Investment Valuation and Income Recognition**

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for disclosure of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Realized gains and losses on investments bought and sold during the year, as well as unrealized gains and losses on investments held during the year, are presented in the net appreciation in fair value of investments.

#### **Administrative Expenses**

Substantially all administrative expenses and custodial and recordkeeping fees are paid by the Plan. Investment transaction fees are paid by the Plan, as well.

#### **Subsequent Events**

The Plan has evaluated subsequent events for recording or disclosure in the financial statements through June 22, 2022, the date which the financial statements were available to be issued.

### **3. Information Prepared and Certified by Trustee**

The Plan Administrator has elected the method of compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR Section 2520.103-8 of the Department of Labor (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed its independent auditors not to perform, and they did not perform, any auditing procedures with respect to the following information certified by the Trustee, which includes investment assets, notes receivable from participants, and investment transactions and income, except for comparing the information with the related information included in the financial statements and supplemental schedule.

The Trustee has provided the Plan Administrator with certifications as to the completeness and accuracy of the net assets available for Plan benefits as they relate to investments and notes receivable from participants held by the Trustee as of December 31, 2021 and 2020 and changes in net assets available for Plan benefits for the years ended December 31, 2021 and 2020, as they relate to investment income, including net appreciation in fair value of investment and interest and dividends.

The information certified includes total investments of approximately \$13,566,000 and \$12,181,000 and notes receivable from participants of approximately \$81,000 and \$101,000 at December 31, 2021 and 2020, respectively. The certification also includes net investment appreciation of approximately \$1,015,000 and \$1,505,000, dividends and capital gains of approximately \$524,000 and \$254,000, and interest income from participant notes receivable of approximately \$4,000 and \$5,000 for the years ending December 31, 2021 and 2020, respectively.

### 4. Fair Value Measurements

The Plan's accounting for fair value measurements of assets and liabilities that are recognized or disclosed at fair value in the financial statements on a recurring or nonrecurring basis adheres to the Financial Accounting Standards Board (FASB) fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

- Level 1 Inputs: Unadjusted quoted prices in active markets for identical assets or liabilities accessible to the Plan at the measurement date.
- Level 2 Inputs: Other than quoted prices included in Level 1 inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the asset or liability.
- Level 3 Inputs: Unobservable inputs for the asset or liability used to measure fair value to the extent that observable inputs are not available, thereby allowing for situations in which there is little, if any, market activity for the asset or liability at measurement date.

The level in the fair value hierarchy within which a fair measurement in its entirety falls is based on the lowest level input that is significant to the fair value measurement in its entirety. The Plan uses valuation techniques in a consistent manner from year-to-year.

Pooled separate accounts are valued at net asset value as determined by the Trustee based on the fair value of the underlying investments of each pooled separate account. The valuation of the underlying investments of each pooled separate account depends on the types of investments held by the pooled separate account and may be based on unobservable inputs. Shares of mutual funds and money market funds are valued at the net asset value of shares held by the Plan at year end using quoted market prices. Stable value funds are valued at fair value as determined by the Trustee based on the fair value of the underlying investment contracts of each fund.

The following table provides information on those assets that are measured at fair value on a recurring basis:

| December 31, 2021                                                  | Fair Value Carrying<br>Amount in the Statement<br>of Net Assets Available for<br>Benefits | Fair Value Measurement Using |              |         |

### 5. Party-In-Interest Transactions

The Plan's investment funds are primarily managed by Principal, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services amounted to approximately \$64,000 and \$67,000 for the years ended December 31, 2021 and 2020, respectively.

### 6. Tax Status

The Principal Financial Group Non-standardized 401(k) Prototype Plan obtained its latest Internal Revenue Service opinion letter on March 31, 2014, in which the Internal Revenue Service stated the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the opinion letter. However, Plan management believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

### 7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rates, market conditions, and credit risk. In addition, on March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security (CARES) Act. The CARES Act provided temporary relief for retirement plan sponsors and their participants with respect to employer contributions, distributions, and participant loans. The provisions of the CARES Act may be effective and operationalized immediately, prior to amending the plan document. Plan management has adopted certain relief provisions included in the CARES Act; however, its future effects on the Plan's net assets available for benefits are uncertain. The Plan was formally amended on April 3, 2020 for the CARES Act provisions.
