DECEMBER 31, 2021 AND 2020

INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Beta Group, Inc. 401(k) Profit Sharing Plan
Lincoln, Rhode Island

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Beta Group, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) audit. The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Beta Group, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Beta Group, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Beta Group, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Beta Group, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Beta Group, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule, Schedule H, line 4i- Schedule of Assets (Held at End of Year) as of the year ended December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Beta Group, Inc. 401(k) Profit Sharing Plan
Lincoln, Rhode Island

Report on the Financial Statements

We were engaged to audit the accompanying statement of net assets available for plan benefits of Beta Group, Inc. 401(k) Profit Sharing Plan, as of December 31, 2020, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the 2020 financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 9, which was certified by John Hancock Life Insurance Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of December 31, 2020 that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

A large, stylized handwritten signature in black ink, which appears to read 'Minsk, Gould, Tattrie & Lussier, LLP', is written over the printed name of the firm.

1. Description of the Plan:

The following description of the Beta Group, Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for more complete information regarding the terms of the Plan.

General: The Plan is a defined contribution, 401(k) plan covering all full-time employees of Beta Group, Inc. (the Plan Sponsor). The Plan was established on May 1, 1990, to provide a systematic savings plan and retirement benefits for eligible employees (the Participants). On December 19, 2014 (the restatement), the Plan changed their plan administrator and as such adopted the new plan administrator's prototype plan. There were no substantial changes from the new plan document to the previous plan document. The plan has no service requirement and employees become eligible for participation in the Plan upon attaining the age of 21.

Recent Pronouncements: The Plan adopted the distribution provision of the Coronavirus Aid, Relief, and Economic Security ("CARES") Act that was signed into law on March 27, 2020. A CARES Act distribution allows the Plan's participants to take a COVID-19 related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020. In addition, the Plan adopted the temporary loan provisions which allow qualified participants the option to defer loan repayments for up to one year and relaxes the limits on loans. For plan loans made to a qualified individual from March 27, 2020, to September 22, 2020, the limit may be increased up to the lesser of: (1) \$100,000 (minus outstanding plan loans of the individual), or (2) the individual's vested benefit under the plan.

Contributions: Participants may contribute up to 92% of their pre-tax compensation, subject to limitations under Federal law. Rollover contributions from other qualified plans are allowed.

The Plan Sponsor may, at their discretion, make matching, discretionary or qualified non-elective contributions to the Plan in any plan year in an amount determined by the Board of Directors of the Plan Sponsor. For the years ended December 31, 2021 and 2020, the Plan Sponsor made a matching contribution equal to 20% of the total salary deferrals elected by eligible Participants.

The matching contributions during the years ended December 31, 2021 and 2020 amounted to \$284,575 and \$281,206, respectively. The Plan Sponsor used \$1,585 and \$4,478 of forfeitures available to offset the matching contributions for the plan years ended December 31, 2021 and 2020, respectively. During the years ended December 31, 2021 and 2020, no additional Plan Sponsor contributions were made to the Plan.

Participant Accounts: Each Participant's account is credited with the Participant's contribution, Plan Sponsor's contribution, and an allocation of Plan earnings. Allocations are based on total investment earnings and average Participant investment balances, as defined. The benefit to which a Participant is entitled is the benefit that can be provided from the Participant's vested account.

Expenses: The Plan Sponsor pays for all expenses incurred by the Plan, except for certain transaction fees and loan charges which is paid by the Plan.

Vesting: Participants are immediately vested 100% in their voluntary contributions (including rollover contributions) and the Plan Sponsor's qualified non-elective contributions, plus actual earnings thereon. The Plan provides that each participant will begin vesting in his or her matching contribution account and profit-sharing contribution account (if any) after completion of two years of service and will be fully vested after six years of service. Forfeited amounts are applied against the Plan Sponsor's future contributions. As of December 31, 2021 and 2020, respectively, the Plan had no forfeitures remaining to offset future contributions.

Benefits and Withdrawals: Upon reaching the normal retirement age of 59 and ½ years, or upon death or disability of a Participant (or beneficiary) prior to retirement or upon termination of employment, benefits become available for disbursement. All benefits payable under the plan are paid in a lump-sum cash payment.

Hardship withdrawals are allowed under the provisions of the Plan and cannot exceed the amount required to meet the immediate financial need created by the hardship. The Participant will be suspended from making contributions for six months after the hardship withdrawal.

1. Description of the Plan (Continued):

Notes Receivable from Participants: Participants may borrow from their plan accounts in amounts attributable to the Participant's contributions, for a maximum term of fifty-four months, unless used for purchase of principal residence. A Participant may borrow a maximum of 95% of one half of their eligible balance up to \$50,000, reduced by the highest outstanding loan amount during the immediately preceding twelve-month period (See temporary Cares Act provisions). The minimum loan amount is \$1,000. The interest rate is fixed at the inception of the loan in an amount equal to the rate offered by a qualifying financial institution for a similar type of loan. The interest rate charged on loans outstanding as of December 31, 2021, amounted to 4.25% per annum. Repayment of principal and interest shall be made on a per pay-period basis, but shall not be less than quarterly.

Plan Investments: The Plan's investments were held in various securities accounts of The John Hancock Life Insurance Company ("John Hancock") from January 1, 2020 to January 19, 2021 and held in various securities accounts of Mid Atlantic Trust Company ("MATC") from January 19, 2021 to December 31, 2021. Participants have the option to allocate their contributions and the Plan Sponsor's contributions, if any, in their individual accounts among various investment alternatives and to make transfers as specified in the plan document.

2. Significant Accounting Policies:

Basis of Accounting: The financial statements of the Plan are prepared under the accrual method of accounting.

Recent Accounting Guidance: The Plan has adopted the provisions of FASB Accounting Standards Update (ASU) 2015-12 (Part II), "Plan Accounting (Topics 960, 962 and 965): Plan Investment Disclosures." This ASU eliminates the disclosure of individual investments that represent 5 percent or more of net assets available for benefits, eliminates the net appreciation or depreciation for investments by general type, and requires that investments be grouped only by general type, eliminating the need to disaggregate the investments by nature, characteristics, and risks. The Plan has adopted this standard as Plan management believes this presentation is more relevant to the users of the financial statements. Accordingly, this standard has been retrospectively applied to the prior period presented, as required.

Use of Estimates: Management has used estimates and assumptions relating to the reporting of assets and liabilities and the disclosure of contingent assets and liabilities in its preparation of the financial statements in accordance with accounting principles generally accepted in the United States of America. Actual results experienced by the Plan may differ from those estimates.

Payment of Benefits: Benefits are recorded when paid.

Participant Salary Deferrals: Participant contributions are recorded in the period in which the Participants' payroll deductions are made.

Investment Valuation and Income Recognition: Mutual funds and separate accounts are valued at their fair market value. Fair market value is determined by using quoted market prices. The plan has entered into guaranteed interest accounts which are not considered fully benefit responsive contracts, as such they are valued at fair market value without an adjustment to contract value. The plan has a common collective trust which is valued at the NAV of the units. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid balance. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document. Interest income is on the accrual basis and dividend income is recorded on the ex-dividend date. Purchases and sales of securities are reflected on a trade date basis. The net appreciation (depreciation) in the fair value of the Plan's investments consists of realized gains (losses) and unrealized appreciation (depreciation) on those investments.

Subsequent Events: On January 30, 2020, the World Health Organization ("WHO") announced a global health emergency stemming from a new strain of coronavirus ("COVID-19") and on March 11, 2020, the WHO classified the COVID-19 outbreak as a pandemic, triggering volatility in financial markets and a significant negative impact on the global economy. However, because the values of the Plan's individual investments have and will fluctuate in response to changing market conditions, the amount of losses that will be recognized in subsequent periods, if any, cannot be determined. The full impact of the COVID-19 pandemic continues to evolve as of the date the financial statements were available to be issued.

2. Significant Accounting Policies: (Continued)

For the year ended December 31, 2021, the Plan has evaluated subsequent events for recognition and disclosure through October 5, 2022, the date of financial statement issuance.

3. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

4. Tax Status:

The Internal Revenue Service has issued an opinion letter dated April 2, 2012, stating that the prototype plan adopted by the Plan Sponsor was designed in accordance with applicable sections of the Internal Revenue Code. The Plan has been amended since receiving the IRS opinion letter, however, the Plan administrator believes that the Plan is currently being operated in compliance with the applicable provisions of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements. Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2021, that there are no uncertain positions taken or expected to be taken that would require recognition or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to December 31, 2018.

5. Related Party Transactions:

Certain Plan investments are in funds managed by MATC (January 19, 2021 to December 31, 2021) and John Hancock (January 1 2020 to January 19, 2021). MATC and John Hancock are the trustees as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for certain transactions amounted to \$36,710 and \$84,383, for the years ended December 31, 2021 and 2020, respectively.

6. Plan Termination:

While it is the intention of the Plan Sponsor to continue the Plan indefinitely, the Plan Sponsor reserves the right to terminate or amend the Plan at any time subject to the provisions of ERISA. In the event of termination, the accounts of all Participants shall become vested and plan assets shall be distributed in accordance with the terms of the Plan.

7. Fair Value Measurements:

FASB ASC 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices for identical assets and liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets and liabilities in active markets that the plan has the ability to access.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability and inputs that are derived principally from or corroborated by observable market data by correlation of other means.

7. Fair Value Measurements: (Continued)

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset and liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds- Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These mutual funds are required to publish their daily net asset ("NAV") and to transact at that price. The mutual funds held by the plan are deemed to be actively traded (Level 1).

Collective Trust Fund- Valued at the NAV of units of a bank collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Separate Accounts- are valued using publicly available quoted market prices. The separate accounts investing in mutual funds or equity securities are measured using quoted prices in active markets (Level 1).

Guaranteed Interest Accounts- are redeemed on demand, but in certain cases with a market value adjustment. The fair value of established accounts is reported annually in contract level reports (Level 3).

The following table sets forth by level, within the fair value hierarchy, the plans assets at fair value as of December 31, 2021 and 2020:

Assets at fair value as of December 31, 2021 and 2020:

	2021	2020
<i>Level 1</i>		
Mutual Funds	\$ 37,183,759	\$ -
Separate Accounts	-	31,939,362
Cash	-	4,478
<i>Level 3</i>		
Guaranteed Interest Accts	-	602,999
<i>Investments Measured at NAV (a)</i>		
Common Collective Trust	<u>1,987,671</u>	<u>-</u>
Total	<u>\$ 39,171,430</u>	<u>\$ 32,546,839</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Fair value of investments in entities that use NAV:

The following is the Plan's investment for which fair value is measured using the NAV per share practical expedient as of December 31, 2021. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan. The plan did not have any investments in which fair value is measured using the NAV in 2020.

7. Fair Value Measurements: (Continued)

The following table sets forth the changes in the fair value of the plan's Level 3 assets (Guaranteed Interest Accounts) for the years ended December 31, 2021 and 2020:

	<u>2021</u>	<u>2020</u>
Beginning Balance	\$ 602,999	\$ 623,897
Interest Credited	506	11,691
Market Value Adjustment	-	1,743
Purchases, Sales, Transfers, net	<u>(603,505)</u>	<u>(34,332)</u>
Ending Balance	<u>\$ -</u>	<u>\$ 602,999</u>

Unrealized Gains/(Losses) from the Guaranteed Interest Accounts during the years ended December 31, 2021 and 2020, amounted to \$0 and \$1,743, respectively.

8. Guaranteed Interest Accounts:

In 1995, the Plan entered into non-fully benefit-responsive group annuity contracts with John Hancock. Contributions under the contracts to the Guaranteed Interest Accounts are not maintained separately from the general assets of John Hancock. These accounts are included in the financial statements at the fair value as reported to the Plan by John Hancock. There were no reserves against the fair value for credit risk of the contract issuer or otherwise. The fair value of all Guaranteed Interest Accounts at December 31, 2021 and 2020 amounted to \$0 and \$602,999, respectively. The average interest rate paid during the year ended December 31, 2020 amounted to 1.91%

9. Information Certified by the Trustee (Unaudited):

The Plan's investments and investment transactions were certified by The John Hancock Life Insurance Company (U.S.A.) and Mid Atlantic Trust Company, the Trustees of the Plan, for the period January 1, 2020 through January 19, 2021 and from January 19, 2021 through December 21, 2021, respectively, as complete and accurate.

Therefore, in accordance with the request of the Plan Administrator and as allowed under 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, this information was not subjected to auditing procedures generally accepted in the United States of America by the Plan's independent public accountants, except for comparing such information to the related information included in the financial statements and accompanying schedule. The following is a summary of the unaudited information regarding the plan, which was prepared by or derived from information prepared by the trustee and furnished to the Plan Administrator:
