Independent Auditor's Report

Plan Administrator

The Employee Benefit Plan of Brevillier Village Foundation, Inc.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Employee Benefit Plan of Brevillier Village Foundation, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Employee Benefit Plan of Brevillier Village Foundation, Inc.'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects,

Independent Auditor's Report
(Continued)

the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Employee Benefit Plan of Brevillier Village Foundation, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Employee Benefit Plan of Brevillier Village Foundation, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

Independent Auditor's Report

(Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Employee Benefit Plan of Brevillier Village Foundation, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Employee Benefit Plan of Brevillier Village Foundation, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate to those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other

Independent Auditor's Report
(Continued)

than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agree to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplementary schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certifies to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements
December 31, 2021 and 2020

NOTE 1 – DESCRIPTION OF PLAN

The following description of Brevillier Village Foundation, Inc.'s 401(k) Profit Sharing Plan (herein "Plan") of Brevillier Village Foundation, Inc. (herein "Employer") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is an employer-matching, salary reduction plan under Internal Revenue Code Section 401(k) covering all employees who have attained age twenty-one. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Employee

Employees, age 21 and older with no minimum service requirement, may elect to make salary reduction contributions from 1% to 100% of compensation, as defined by the Plan, up to the maximum annual employee salary reduction contribution permitted under the Internal Revenue Code, and is adjusted annually.

Employer

The employer will match 100% of the salary reduction amount that does not exceed 3% of the employee's compensation, subject to the employee having twenty-four months of service. In no event may total contributions allocated to an employee during a plan year exceed lesser of (a) maximum contributions allowed under the Internal Revenue Code, or (b) 25% of an employee's compensation for the plan year. All contributions are invested in various investment funds maintained at Mutual of America Life Insurance Company (herein "Mutual of America").

Participant Accounts

Each participant's account reflects (a) participant's salary reduction contributions; (b) participant rollover contributions; (c) employer's matching contributions; (d) an allocation of employer base contributions; (e) an allocation of any forfeited amounts of former participants, based on account balances at the time of allocation; (f) an allocation of earnings and increases/decreases in the value of the account; (g) any payments or withdrawals on the participant's behalf from the account; and (h) an allocation of any administrative fees and expenses paid by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are at all times 100% vested in employee salary reduction contributions and all employer contributions, plus actual earnings thereon.

Participant Notes Receivable

Participants may receive loans from the Plan. Loan amounts may not exceed the lesser of (i) fifty percent (50%) of the participant's vested account or, (ii) \$50,000. There is a \$1,000 minimum loan amount. Loans must be repaid in level periodic payments of, generally, no more than five (5) years from the date of the loan. Participant loans will carry a commercially reasonable interest rate.

A participant must secure each loan with a pledge of not more than 50% of the participant's vested account balance.

Investment and Allocation Options

Upon enrollment in the Plan, a participant may direct amounts contributed on her/his behalf to any of various investment options, as periodically made available by the Plan. Participants may change their investment options and allocations at their discretion.

Payment of Benefits

Retirement Benefits - A participant may elect to retire and receive her/his vested benefit any time on or after attaining age 55. Retirement benefits will be provided as either (a) a single lump-sum payment equal to the total value of a participant's vested account, or (b) one of several annuity options under the Plan providing a monthly income for a participant's lifetime or a term certain. In lieu of an annuity, if a participant's vested account balance is \$1,000 or less, a lump-sum payment of the participant's account will be made.

Disability Withdrawals - While employed, participants may withdraw employee salary reduction contributions and vested employer contributions, if they become disabled.

Other Withdrawals - After reaching age 59 1/2, or after termination of service, participants may withdraw employee salary reduction contributions. Vested employer contributions may be withdrawn after a participant's termination of service with the employer.

Forfeitures

Forfeitures from participant accounts are allocated among the remaining participant accounts based on the balance of those accounts at the time of the allocation.

Administrative Expenses

All administrative expenses of the Plan are paid directly by the employer.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

Plan Termination

Although it has not expressed any intention to do so, the employer has the right at any time to amend the Plan document to discontinue future matching contributions or to terminate the Plan, subject to the provisions of ERISA. In the event that the Plan is terminated, participants are 100% vested in their accounts.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared in accordance with generally accepted accounting principles ("GAAP") in the United States of America.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance. Interest is reported on the accrual basis. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document. Interest on participant loans is recognized as payments are received with unpaid interest included in the loan balance.

Investment Valuation and Income Recognition

Investments are stated at fair values. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Mutual funds are valued at quoted market prices that represent the net asset value of shares held by the Plan at year-end. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when credited to the respective investment mutual fund. Net appreciation (depreciation) includes the Plan's realized and unrealized gains and losses on investments bought and sold, as well as, held during the year.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurement

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 – Unadjusted quoted prices available in active markets for identical investments as of the reporting date.
- Level 2 – Observable inputs to the valuation methodology are other than Level 1 inputs, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies.
- Level 3 – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability, and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

The Plan's policy is to recognize significant transfers between levels at the actual date of the event or circumstances that caused the transfer. For the years ended December 31, 2021 and 2020, there were no transfers in or out of Levels 1, 2 or 3.

Payment of Benefits

Benefits are recorded when paid.

Income Tax Status

The Plan has received a favorable determination letter dated October 25, 2011 that finds the Plan was designed in accordance with the applicable IRC requirements and, therefore, the related trust is not subject to tax under current tax law. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its tax qualification. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, as a result, no provision for income taxes has been included in the financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Risks and Uncertainties

Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the financial statements.

NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by Mutual of America:

Supplemental Schedule: All investment balances and information included in the supplemental *Schedule of Assets (held at the end of the year)*.

NOTE 4 – INVESTMENTS

The Plan's investments are held in trust by the trustee. The Plan's trust agreement requires the trustee to invest the Plan's assets into various fund options as directed by each participant.

During the years ended December 31, 2021 and 2020 the Plan's net appreciation (depreciation) in investments (including gains and losses on investments bought and sold, as well as held during the year) resulted primarily from mutual funds.

NOTE 5 – EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are held in investments managed by the Plan trustee, and therefore, these transactions qualify as exempt party-in-interest transactions. Participant loans are also considered party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund.

NOTE 6 – FAIR VALUE MEASUREMENTS

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of:
