Independent Auditors' Report

The Plan Administrator and Plan Participants
The American Kennel Club 401(k) Tax Deferred Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of The American Kennel Club 401(k) Tax Deferred Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. generally accepted accounting principles.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information was presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

TAX DEFERRED SAVINGS PLAN**

Notes to Financial Statements

December 31, 2021 and 2020

(1) Plan Description

The following description of The American Kennel Club 401(k) Tax Deferred Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

(a) General

The Plan was originally adopted on February 1, 1997. The Plan is a defined-contribution plan covering all employees of The American Kennel Club, Inc. (the Sponsor) and certain affiliates except leased employees, nonresident aliens, and employees covered by a collective bargaining agreement. Employees are eligible for the Plan on the first day of the month following their date of hire provided that they are age 18 or older. Unless they elect otherwise, employees will be automatically enrolled in the Plan with a pretax contribution rate of 6%, as soon as administratively possible following the date of hire (or rehire), or following the attainment of age 18. Employees may also elect to have this initial 6% contribution rate automatically increased each year by 1% to a maximum of 15%. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

(b) Contributions

Each year, participants may contribute from 1% to 60% of pretax annual compensation, as defined in the Plan, up to the maximum allowable amount as prescribed by the Internal Revenue Code (IRC) of \$19,500 in 2021 and 2020. Catch-up contributions, which are in accordance with the IRC, are also permitted for participants who expect to reach or are over the age of 50 by the Plan's year-end up to a maximum of \$6,500 for 2021 and 2020, respectively, bringing those participants' statutory maximum contribution limitations to \$26,000 in 2021 and for 2020. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Sponsor, at its election, contributes 100% of the first 1% of base compensation that a participant contributes to the Plan and 50% of the next 5% of base compensation. Additional amounts may be contributed at the option of the Sponsor's board of directors, but no such additional amounts were contributed during 2021 or 2020.

(c) Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Sponsor's contributions and (b) Plan earnings. Allocations are based on participant earnings on their account balances, as defined. Forfeited balances of terminated participants' nonvested accounts are used to reduce future Sponsor contributions or pay administrative fees. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. As of December 31, 2021 and 2020, forfeitures totaled \$30,695 and \$32,542, respectively. In 2021 and 2020, the amounts of forfeitures used by the Plan were \$48,697 and \$57,382, respectively.

(d) Loans to Participants

The Plan permits participants to borrow from their vested account balances. The maximum amount is the lesser of 50% of the vested account balance or \$50,000 reduced by the highest outstanding loan balance in the account during the prior 12-month period. Loan terms range from one to five years or for a longer period if the loan is for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates

**THE AMERICAN KENNEL CLUB 401(K)
TAX DEFERRED SAVINGS PLAN**

Notes to Financial Statements

as determined by the Sponsor. Principal and interest are paid ratably through payroll deductions. As of December 31, 2021, there were 15 individual loans bearing interest at rates ranging from 4.75% to 7%, with maturities up to April 9, 2027. Participant loans are carried at their outstanding balances plus accrued interest.

(e) *Vesting*

Participants are immediately vested in their own contributions plus actual earnings thereon. Vesting in the Sponsor's contribution portion of participants' accounts plus actual earnings thereon is based on years of service. Effective January 1, 2012, the participants are 100% vested after two years of service. Discretionary employer contributions made after January 1, 2012 are 100% vested after three years of service. Upon death or disability of the participant, all amounts become fully vested.

(f) *Investment Options*

John Hancock Retirement Plan Services (JHRPS) is the Plan's recordkeeper; John Hancock Trust Company LLC is the Trustee (the Trustee). Participants may change their investment options at any time. Participants should refer to the related prospectus for information concerning the investments' risks.

(g) *Payment of Benefits*

Normal retirement age under the Plan is 65. A distribution can be made due to disability, retirement, or termination of employment. A participant may defer receipt of his or her distribution if his or her vested account balance is over \$5,000. If a participant's vested account balance is less than \$1,000, then an automatic lump sum distribution will be made without his or her consent. In the event a participant's vested account balance is greater than \$1,000 but less than \$5,000, if the participant does not elect to have automatic distributions paid directly to an eligible retirement plan, a distribution shall be made in a direct rollover to an Individual Retirement Account offered by JHRPS. Participants with an account balance greater than \$5,000 can receive a distribution in either a lump sum or in installments, roll over their money into another qualified plan, or defer receipt until a later date but before they reach age 72.

(h) *Administrative Expenses*

Other than investment management related costs and fees described in note 2(c), substantially all administrative expenses of the Plan are paid by the Sponsor.

(2) *Summary of Significant Accounting Policies*

(a) *Basis of Accounting*

The accompanying financial statements are prepared on the accrual basis of accounting in conformity with U.S. generally accepted accounting principles (GAAP).

(b) *Use of Estimates*

The preparation of financial statements in conformity with GAAP requires management of the Plan to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and the disclosure of contingent assets and liabilities at the date of the financial statements. These estimates and assumptions are based on the plan administrator's best estimate and judgment.

**THE AMERICAN KENNEL CLUB 401(K)
TAX DEFERRED SAVINGS PLAN**

Notes to Financial Statements

December 31, 2021 and 2020

The plan administrator evaluates its estimates and assumptions on an ongoing basis using historical experience and other factors, including consideration of the current economic environment. The plan administrator adjusts these estimates when facts and circumstances dictate. As future events cannot be determined with precision, actual results could differ from those estimates and assumptions.

(c) *Investment Valuation and Income Recognition*

Investments are reported at fair value.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Investment income or loss recorded by the Plan includes current earnings or losses from investments, the net change in the unrealized appreciation or depreciation in investments, and any realized gains and losses on investments sold during the period.

Investment management fees, including brokerage fees and commissions on the purchase and sale of securities and other related portfolio management expenses, are paid from assets of, and applied against the investment performance of, the respective investments in the pooled separate accounts or mutual funds.

(d) *Benefit Payments*

Benefits are recorded when paid.

(3) Information Certified by the Trustee (Unaudited)

The Plan's Sponsor has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee has certified as being complete and accurate the Plan's investments and participant loans on the statements of net assets available for benefits, the investment and loan activity reflected in the statement of changes in net assets available for benefits, and the investment and loan information included in the supplemental schedule H, line 4(i) of the financial statements as of 2021 and 2020 and for the year ended December 31, 2021. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information certified as complete and accurate for the respective periods.

(4) Fair Value Measurement of Investments

GAAP establishes a framework for measuring fair value, which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted or published prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

**THE AMERICAN KENNEL CLUB 401(K)
TAX DEFERRED SAVINGS PLAN**

Notes to Financial Statements

December 31, 2021 and 2020

Level 2: Inputs to the valuation methodology include:

- Quoted or published prices for similar assets or liabilities in active markets
- Quoted or published prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted or published prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There were no changes in methodologies used at December 31, 2021 or 2020. The following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2021 and 2020:

Mutual Funds: Valued at the quoted market prices held by the Plan at year-end.

Pooled Separate Account: Valued at published Net Asset Value at year-end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

All the plan investments are Level 1.

(5) Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

**THE AMERICAN KENNEL CLUB 401(K)
TAX DEFERRED SAVINGS PLAN**

Notes to Financial Statements

December 31, 2021 and 2020

(6) Risks and Uncertainties

The Plan invests in various investment funds. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The spread of coronavirus (COVID-19) around the world in the first and second quarter of 2020 has caused significant volatility in U.S. and international markets. There is significant uncertainty around the breadth and duration of business disruptions related to COVID-19, as well as its impact on the U.S. and international economies and, as such, the Plan is unable to determine if it will have a material impact to its financial status in the future.

(7) Income Tax Status

The Plan has received a determination letter from the Internal Revenue Service dated April 6, 2018, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code, and therefore, the related trust is exempt from taxation. The Plan has been amended since receiving the determination letter. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Sponsor believes the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or derecognition of an asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(8) Parties in Interest

Certain investments of the Plan are shares of a pooled separate account and a mutual fund managed by the John Hancock Trust Company LLC, and therefore, these transactions qualify as party-in-interest transactions.

(9) Subsequent Events

The Plan evaluated events subsequent to December 31, 2021 and through October 13, 2022 the date on which the financial statements were available to be issued. The Plan determined that no disclosures were required.
