FINANCIAL STATEMENTS

Years Ended December 31, 2021 and 2020

INDEPENDENT AUDITORS' REPORT

Plan Administrator
InvestCloud, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed the audit of the financial statements of InvestCloud, Inc. 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the 2021 financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at year end) and schedule of delinquent participant contributions as of and for the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by the qualified institution. Their report dated July 15, 2022, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

INVESTCLOUD, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

(1) Description of plan

The following description of the InvestCloud, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document or Summary Plan Description for a more complete description of the Plan's provisions, which are available from the plan administrator.

General - The Plan is a defined contribution plan sponsored by InvestCloud, Inc. (the "Company") for the benefit of all full-time employees who have three months of service and are 18 years or older. Employees who are members of collective bargaining units or nonresident aliens are excluded from participation the Plan. Lightport, Inc. is a participating employer in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan is administered by the Company's Advisory Committee ("Committee"), which is a committee of members of management of the Company. The Committee has overall responsibility for the operation and administration of the Plan. The Committee, along with the investment advisor, determines the appropriateness of the Plan's investment offerings and monitors investment performance.

On March 27, 2020, President Trump signed into law the Coronavirus Aid, Relief, and Economic Security ("CARES") Act. The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. Plan management has evaluated the relief provisions available to plan participants under the CARES Act and has implemented the following provisions:

- Special coronavirus distributions up to \$100,000 through December 1, 2020,
- Increased the available loan amount to the lesser of \$100,000 or 100% of the participant's vested account balance through September 22, 2020,
- Extended the period for loan repayments, if applicable, up to one year through December 31, 2020, and
- Required minimum distribution rules for the calendar year 2020 were waived.

The Plan will be amended for the provisions implemented under the CARES Act by the time prescribed.

Contributions - Each year, participants may contribute up to the maximum Internal Revenue Service ("IRS") allowed amount as pre-tax or Roth contributions, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Additionally, participants age 50 or older, who are making contributions to the Plan, are allowed to make catch-up contributions as defined in the Plan. Participants direct the investment of all contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. The automatic deferral percentage will increase by 1% per year up to a maximum of 6% of eligible compensation.

INVESTCLOUD, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

(1) Description of plan (continued)

Contributions (continued) - The Company contributes a safe harbor matching contribution equal to 100% of participant's elective deferrals up to 3% of compensation plus 50% of participant's elective deferrals of the next 2% of compensation. The Company may also make an additional discretionary profit sharing contributions for all eligible employees who are employed at year end. There were no discretionary profit sharing contributions made for the years ended December 31, 2021 and 2020. Contributions are subject to Internal Revenue Code ("IRC") limitations.

Participant investment account options - The Plan currently offers various mutual funds and self directed brokerage accounts as investment options for participants. Each investment option has its own investment strategy, which can be obtained through the prospectus of the respective fund. Participants may change their investment options at any time.

Participant accounts - Each participant's account is credited with the participant's contribution and allocations of (a) the Company safe harbor matching contributions, as well as any profit sharing contributions and (b) plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in all Company contributions made after January 1, 2020 are based on years of continuous service. A participant is 100% vested after two years of credited service.

Company contributions made prior to January 1, 2020, were subject to a graded vesting schedule. A participant becomes 100% vested after three years of credited service for these contributions.

Notes receivable from participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined by the plan administrator. Principal and interest are paid ratably through payroll deductions.

Under the CARES Act, the available loan limit was increased to the lesser of \$100,000 or 100% of the participant's vested account balance. The CARES Act also delayed loan payments for a COVID-19 qualified individual for any loan outstanding on or after March 27, 2020 through December 31, 2020 and, if applicable, extends the loan for up to one year. This increased loan limit was allowed to be taken from March 27, 2020 through September 22, 2020.

INVESTCLOUD, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

(1) Description of plan (continued)

Payment of benefits - On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive the value of the vested interest in his or her account as a lump-sum distribution, installments over a period not to exceed their life expectancy (or that of their beneficiary), or partial withdrawals. If a participant's vested interest does not exceed \$5,000, a lump-sum distribution will be made regardless of whether the participant consents to receive the payment. In addition, in-service withdrawals at age 59½, and hardship withdrawals if certain criteria are met, are permitted.

Under the CARES Act, eligible Plan participants could request special penalty-free distributions of up to \$100,000 for qualifying coronavirus-related reasons. These reasons include the participant, spouse or dependent diagnosed with COVID-19, adverse financial consequences due to being quarantined, furloughed, laid off, having work hours reduced or being unable to work due to a lack of childcare due to COVID-19. The special coronavirus-related distributions waived the 10% early withdrawal penalty and were allowed to be made between January 1, 2020 and December 31, 2020.

Forfeited accounts - At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$3,895 and \$18,884, respectively. These accounts will be used to reduce future employer contributions, pay administrative expenses or will be reallocated to participants in the Plan. For the years ended December 31, 2021 and 2020, employer contributions were reduced by \$26,033 and \$3,949, respectively, from forfeited nonvested accounts. Also, for the years ended December 31, 2021 and 2020, forfeitures were used to pay fees of \$958 and \$0, respectively, from forfeited nonvested accounts.

(2) Summary of significant accounting policies

Basis of accounting - The financial statements of the Plan are prepared on the accrual method of accounting.

Use of estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

NOTES TO FINANCIAL STATEMENTS

(2) **Summary of significant accounting policies (continued)**

Notes receivable from participants - Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Payment of benefits - Benefits are recorded when paid.

Administrative expenses - Certain expenses of the Plan are paid by the Company and are not included in the statements of changes in net assets available for benefits. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Reclassification - Certain items from the 2020 financial statements have been reclassified to conform with the 2021 presentation. Such reclassifications had no effect on the total net assets available for benefits.

(3) **Information prepared and certified by the custodian**

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, AdvisorTrust, Inc., the custodian of the Plan, have certified that the following data included in the accompanying financial statements and supplemental schedule are complete and accurate with respect to investments:

- Investments at fair value
- Notes receivable from participants
- Net appreciation in fair value of investments
- Dividends
- Other income
- Interest income on notes receivable from participants
- Schedule of assets (held at end of year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

INVESTCLOUD, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

(4) **Fair value measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820 are described below:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Retirement cash account: Stated at cost, which approximates fair value.

In addition, participants invested in interest-bearing cash, common stocks and exchange traded funds through the self-directed brokerage accounts:

Common stocks and exchange traded funds: Valued at the closing price reported on the active market on which the individual securities are traded.

Interest-bearing cash: Stated at cost, which approximates fair value.

(4) Fair value measurements (continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

Investments at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total

Total investments at fair value	<u>\$ 8,124,859</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 8,124,859</u>

(5) Related party transactions and party-in-interest transactions

Certain plan investments are managed by Matrix Trust Company. Matrix Trust Company is a subcustodian for the Plan and therefore, these transactions qualify as party-in-interest transactions.

Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investments, as they are paid through revenue sharing, rather than a direct payment. As described in Note 2, the Plan made direct payments to various service providers of \$46,775 and \$30,061 for the years ended December 31, 2021 and 2020, respectively, which was not covered by revenue sharing. The Plan paid certain expenses related to the Plan's operations and investment activity to various service providers. These transactions are party-in-interest transactions. The Plan Sponsor pays directly any other fees related to the Plan's operations.

(6) Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

INVESTCLOUD, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

(7) **Tax status**

The IRS determined that the prototype defined contribution plan was designed in accordance with applicable sections of the IRC and informed Datair Employee Benefit Systems Inc. of such in a letter dated March 31, 2014. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan and related trust are currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(8) **Risks, uncertainties and concentrations**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

(9) **Delinquent participant contributions**

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets. While the Company remitted all employee contributions to the Plan, contributions of \$5,022 were not remitted within the required time period for the year ended December 31, 2020. The Company has remitted the 2020 delinquent employee contributions, including the lost earnings to the Plan in July 2022.

(10) **Subsequent events**

The Plan has evaluated subsequent events through April 12, 2023, which is the date the financial statements were available to be issued and noted the following items for disclosure:

Effective April 1, 2022, the Advicent 401(k) Plan (EIN 45-3744503, Plan #001) and the Tegra118 401(k) Retirement Plan (EIN 22-326271, Plan #001) will merge into the Plan. Assets from the Advicent 401(k) Plan of \$10,616,226 and assets from the Tegra118 401(k) Plan totaling \$97,081,226, for a grand total of \$107,697,452 will merge into the Plan. Also effective April 1, 2022, the Plan changed service organizations. The new recordkeeper will be John Hancock Retirement Plan Services LLC and the trustee will be John Hancock Trust Company LLC.

INVESTCLOUD, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

(10) **Subsequent events** (continued)

Effective April 1, 2022, the Plan was restated in accordance with the IRS cycle 3 restatement window. The plan administrator adopted John Hancock pre-approved plan. The IRS has determined that the pre-approved plan is designed in accordance with applicable sections of the IRC and informed John Hancock Retirement Plan Services LLC of such in a letter dated June 30, 2020.

In the Plan restatement, both Tegra118 Wealth Solutions, Inc. and Advicent Solutions, LP became participating employers in the Plan. Also, the following changes were made to the Plan to align the Plan with certain provisions of the merged in plans:

- Residents of Puerto Rico are excluded from participation,
- Recognition of service with various other employers was added from both Tegra and Advicent plans,
- Tegra and Advicent participants will be mapped over and anyone in these groups that were deferring 0% will be auto enrolled at 3% effective May 1, 2022,
- Partial withdrawals and installments were added as allowable forms of distributions,
- Hardship withdrawals will be allowed to be taken from all sources, and
- Any participants transferred in with more than one loan outstanding will be grandfathered in to remain having more than one loan outstanding.

In 2023, plan management intends to retroactively amend the Plan effective January 1, 2023 to implement eligibility and vesting based on elapsed time and to allow in-plan Roth conversions.
