INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
First Gilmer Bankshares Employee Savings Plan
Gilmer, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of First Gilmer Bankshares Employee Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 14, 2021, we indicated that because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

FIRST GILMER BANKSHARES EMPLOYEE SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF PLAN

The following description of the First Gilmer Bankshares Employee Savings Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan covering full-time employees of First National Bank of East Texas (Company) who are age 18 or older. Employees are eligible to participate in salary deferrals after a ninety-day waiting period. Participants are eligible for matching and profit sharing contributions upon completion of one year of service and 1,000 hours. Entry dates for matching and profit sharing contributions will be the first day of the Plan year or the first day of the seventh month of the Plan year coinciding with or next following the date on which eligibility requirements are met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). First National Bank of East Texas is the Plan sponsor.

PLAN ADMINISTRATION

The managers of the Plan sponsor appoint the Plan Administrator and Plan Trustees. The Plan Administrator and Plan Trustees are employees of the Company.

The custodian of the Plan, Empower Retirement, as agent for Great-West Life & Annuity Insurance Company (GWL&A), is responsible for managing the Plan's investment assets. Alliance Benefit Group performs the Plan's administrative duties such as preparation of the Form 5500, participant recordkeeping, and compliance testing. Employees of the Company may perform certain other administrative functions; however, such employees receive no compensation from the Plan.

CONTRIBUTIONS

Participants may elect to contribute amounts up to 75% of eligible compensation not to exceed the limitations imposed by the Internal Revenue Code (IRC). Pursuant to the IRC 414(v), participants that reach age 50 before the close of the Plan year may make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company may also make a discretionary, non-elective matching contribution and a discretionary profit sharing contribution as determined by the Company. For 2021, the discretionary match was 50% of each dollar contributed up to 5% and the profit sharing contribution was 7.5% of eligible compensation.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution, an allocation of the Company's contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan as defined in the Plan document. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are immediately 100% vested in their voluntary contributions and rollover contributions plus actual earnings thereon. In the event the Company makes a discretionary, non-elective contribution or profit sharing contribution on behalf of active participants, vesting in the contribution plus actual earnings thereon is based on years of continuous service (1,000 hours during a plan year) as follows:

<u>Years of Service</u>	<u>% Vested</u>
1	20%
2	40%
3	60%
4	80%
5	100%

Full vesting also occurs at retirement (normal retirement age is sixty-five years), disability, or death.

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of 50% of the participant's account balance or \$50,000. Notes are secured by the balance in the participant's account and bear interest at a rate equal to 1% above the prime rate and will be fixed for the duration of the loan. Principal and interest are paid ratably through payroll deductions.

PAYMENT OF BENEFITS

Participants are entitled to the benefits that can be provided from their individual account balances, subject to vesting, upon retirement, death, hardship, or termination. Payment is required to be made as soon as administratively feasible after one of these events occurs. The participant may elect to defer distribution until April 1 of the calendar year following the calendar year in which the participant reaches 72 years of age. The vested portion of the participant's benefits may be distributed to the participant or his beneficiary in the form of a single lump-sum payment, partial withdrawals or installments (for required minimum distributions) or as a direct rollover to an IRA. Vested balances less than \$5,000 at termination of employment are paid as a lump sum.

FORFEITURES

Under the provisions of the Plan, a participant who terminates employment before becoming vested in the employer's matching or profit sharing contribution forfeits these amounts when any vested amounts are distributed. Forfeitures will be allocated to participants in the same proportion that a participant's compensation bears to the total compensation of all participants. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$20,322 and \$3,782, respectively. During 2021, \$3,782 of forfeitures, including earnings, were allocated to participants.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan have been prepared on the accrual basis of accounting.

ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at the unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021, and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments, and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on terms of the Plan document.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value, except for fully benefit-responsive investment contracts which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded when paid. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

EXCESS CONTRIBUTIONS PAYABLE

Amounts payable to participants for contributions in excess of amounts allowed by the IRS were recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2021 excess contributions to the applicable participants prior to the March 15, 2022 IRS deadline.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

The Plan permits the payment of Plan expenses to be made from the Plan's assets. If the expenses are paid using the Plan's assets, then the expenses will generally be allocated among the accounts of all participants in the Plan. Certain expenses are incurred at the participant level and are charged against the respective participant accounts.

NOTE 3 - INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The following information included in the accompanying financial statements and supplemental schedule as of December 31, 2021 and 2020, and for the year ended December, 31, 2021, was obtained from data that has been prepared and certified to as complete and accurate by the custodian, Great-West Life & Annuity Insurance Company.

	2021	2020
Investments at fair value	\$ 9,074,629	\$ 8,329,961
Investments at contract value	1,159,013	520,066
Notes receivable from participants	152,175	175,860
	<u>\$ 10,385,817</u>	<u>\$ 9,025,887</u>
Investment income and loan interest of \$8,350	<u>\$ 1,252,563</u>	

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to related information included in the financial statements and supplemental schedule.

NOTE 4 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses the appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Pooled Separate Accounts: Valued at net asset value (NAV) of shares held by the Plan at year end. Units of pooled separate accounts are valued at the net asset value as published daily by Empower Retirement on its website. The redemption frequency and notice periods of each of these pooled separate accounts is daily, and there are no redemption restrictions on unfunded commitments.

In accordance with U.S. GAAP, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy.

NOTE 4 - FAIR VALUE MEASUREMENTS - CONTINUED

Investment measure using the net asset value per share practical expedient:

The following table summarized investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2021 and 2020, respectively:

	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
<u>December 31, 2021</u>				
Pooled separate accounts	\$ 9,074,629	N/A	Daily	None
	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
<u>December 31, 2020</u>				
Pooled separate accounts	\$ 8,329,961	N/A	Daily	None

NOTE 5 - INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan maintains a fully benefit-responsive investment contract with GWL&A. The insurance company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The insurance company is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the investment contract. The investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by Empower Retirement, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer but may not be less than 3%. Such interest rates are reviewed on a quarterly basis for resetting.

The declared interest rate earned by the group annuity contract was 3.00% and 3.00% for the years ending December 31, 2021 and 2020, respectively.

Certain events limit the Plan's ability to transact at contract value with Empower Retirement. Such events include the following: all group variable funding agreements in this class of business are amended, changed, or altered due to changes in any applicable laws and it is determined that obligations under this Agreement or ability to maintain this class of business are thereby materially affected. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) the Plan or Plan trust fails to maintain its special tax qualified or exempt status under 401(a) of the Code, (b) Plan sponsor fails to provide information necessary to perform the agreement and fails to remedy the failure within 31 days from the date of notification, (c) the Plan trust is amended in a way that adversely affects our obligations under this Agreement, (d) the assets held or the Participants covered under the Agreement are less than the amount required for the Agreement to be a group funding agreement under any applicable insurance law, (e) the Plan sponsor changes in a manner that causes the Plan sponsor to no longer be considered an entity which is authorized or eligible to sponsor this Agreement, (f) no contributions are made to Empower Retirement during any consecutive 12 month period, or (g) at any time the contributions or balances are less than the amount required for this class of business under the underwriting standards in effect as of the Agreement Effective Date.

The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring. The investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

FIRST GILMER BANKSHARES EMPLOYEE SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020
CONTINUED

NOTE 6 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are units of pooled separate accounts managed by Empower Retirement, the custodian of the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services totaled \$23,872 and \$18,067 for the years ended December 31, 2021 and 2020. Notes receivable from participants held by the Plan are also considered party-in-interest transactions.

NOTE 7 - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500.

The following is a reconciliation of net assets available for benefits per the financial statements to the Schedule H of Form 5500 as of December 31, 2021:

	2021	2020
Net assets available for benefits per the financial statements	\$ 10,397,400	\$ 9,021,677
Add: Amount accrued for excess contributions payable to participants	8,867	8,195
Net assets available for benefits per Schedule H of Form 5500	<u>\$ 10,406,267</u>	<u>\$ 9,029,872</u>

The following is a reconciliation of participant contributions per the financial statements to the Schedule H of Form 5500 for the year ended December 31, 2021:

Participant contributions per the financial statements	\$ 337,918
Add: Amount accrued for excess contributions payable to participants	8,867
Participant contributions per Schedule H of Form 5500	<u>\$ 346,785</u>

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan with respect to either a portion or all of the participants by delivering to the custodian written notice of such termination. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 9 - TAX STATUS

The Plan has adopted a prototype non-standardized profit sharing plan which received an opinion letter from the Internal Revenue Service dated September 30, 2014, stating that the Plan was designed in accordance with the applicable sections of the Internal Revenue Code (IRC). The Plan Administrator believes that the Plan currently is designed and being operated in compliance with the applicable requirements of the IRC and that, therefore, the Plan continues to qualify under Section 401(a), and the related trust continues to be tax-exempt as of December 31, 2021.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress.

NOTE 10 - RISKS AND UNCERTAINTIES

The Plan invests in a variety of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 11 - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through September 1, 2022, the date the financial statements were available to be issued.
