## **INDEPENDENT AUDITOR'S REPORT**

To the Plan Administrator  
VT Group U.S. Retirement Plan

### **Scope and Nature of ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of VT Group U.S. Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020 and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

**Opinion (Continued)**

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

## Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### Supplemental Information Required by ERISA

The supplemental schedule H - line 4i - assets (held at end of year) and schedule H - line 4a - delinquent participant contributions are presented for purposes of additional analysis and are not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**VT GROUP U.S. RETIREMENT PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2021 AND 2020**

**NOTE 1.     DESCRIPTION OF PLAN**

The following description of VT Group U.S. Retirement Plan (the "Plan") provides general information only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was formed on January 1, 1986, and was most recently amended and restated effective January 1, 2021. The Plan is a defined-contribution plan covering all eligible full-time employees of VT Services, Inc. and its commonly controlled subsidiaries (collectively, "VT Group" or the "Plan Sponsor"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Merger

On January 1, 2021, the Delta Resources Inc. 401K Profit Sharing Plan was merged into the Plan. Prior to the merger, each entity's Plan covered eligible employees at the VT Group and its subsidiary, Delta Resources Inc., acquired in October 2019. The transferred net assets have been recognized in the accounts of the Plan as of January 1, 2021, at their balances previously carried in the accounts of the Delta Resources Inc. 401K Profit Sharing Plan. The changes in net assets of the combined plans are included in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2021.

Eligibility

All employees of VT Group (with the exception of non-resident aliens, leased employees, and employees under a collective bargaining agreement) who satisfy the minimum service requirement (30 days of service) are eligible to participate in the Plan and may enter the Plan on the earliest monthly date following the date the employee satisfies the eligibility condition. An employee is eligible for employer matching or other discretionary contributions as soon as the employee is an active participant in the Plan.

Contributions

Participants are automatically enrolled at 3% of their annual compensation, increasing by 1% each January 1 up to a maximum of 6%, unless they affirmatively elect otherwise. Participants may elect to contribute a percentage of their annual compensation, subject to annual limits as defined by the Internal Revenue Code ("IRC"). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans and individual retirement accounts. Participants may make Roth deferral contributions.

VT Group may make additional matching or other discretionary contributions as a percentage match of the participant's salary reduction contributions, but contributions in any calendar year may not exceed the limit under IRC Section 415.

**VT GROUP U.S. RETIREMENT PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2021 AND 2020**

**NOTE 1. DESCRIPTION OF PLAN (CONTINUED)**

Starting January 1, 2021, the Plan was amended to segregate eligibility for any discretionary matching contributions made by the employer as follows:

|         |                                             |
|---------|---------------------------------------------|
| Group 1 | Employees with 36 months or less of service |
| Group 2 | Employees with 37 to 72 months of service   |
| Group 3 | Employees with 73 or more months of service |

For the year ended December 31, 2021, the Plan Sponsor made no additional matching or other discretionary contributions.

Participants' accounts

Each participant's account is credited with elective deferrals, employer matching contributions and earnings or losses of the selected investments. Each participant's account is charged with specific transaction fees related to participant loans and distributions and an allocation of administrative expenses. Allocations are based on the value of participant's account balances or as an equal dollar amount based on the number of participants in the Plan. Each participant directs the investment of his or her individual accounts among selected funds maintained by the trustee. A participant may change investment allocations at any time. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Investment options

Upon enrollment in the Plan, a participant may direct contributions to any of the designated mutual funds, pooled separate accounts, collective investment trusts, and guaranteed income fund which are available in the Plan. Participants may change their investment options at their discretion.

Vesting

Participants are immediately vested in their contributions and the related earnings thereon. Vesting in employer matching or other discretionary contributions and the related earnings thereon is as follows:

Employees of Delta Resources, Inc., are immediately vested in employer matching and other discretionary contributions and the related earnings thereon. Employees of all other employers vest 50% each year beginning with the first year of service with full vesting upon completion of the second year of service.

Forfeited accounts

If a participant forfeits any portion of his or her non-vested account balance, such forfeiture shall be used to pay administrative expenses or to offset future employer contributions. Forfeitures amounted to \$81,007 for the year ended December 31, 2021. During the years ended December 31, 2021 and 2020, forfeitures used to reduce employer contributions and pay Plan expenses amounted to \$103,960 and \$10,211, respectively. At December 31, 2021 and 2020, the forfeitures account has a balance of \$76,169 and \$94,312, respectively.

**VT GROUP U.S. RETIREMENT PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2021 AND 2020**

**NOTE 1.      DESCRIPTION OF PLAN (CONTINUED)**

Payment of benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum distribution equal to the value of the participant's vested interest in his or her account either by cash, direct rollover, or a combination of cash and direct rollover. Hardship distributions are permitted if certain conditions are met. In-service withdrawals are also permitted for participants who have reached the age of 59-1/2. Terminated participants with account balances less than \$5,000 will automatically receive a lump-sum distribution.

During 2020, the Plan adopted certain provisions of the Coronavirus Aid, Relief, and Economic Security Act of 2020 (the "CARES Act"). These provisions permit participants determined to have been impacted by COVID-19 to receive distributions of up to \$100,000 before December 31, 2020. Such distributions are permitted to be returned to the Plan within three years of the distribution.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their vested account balance or \$50,000. Note terms are limited to five years, unless the loan is used for the purchase of a primary residence. The notes are secured by the balance in the borrower's account and shall bear a reasonable rate of interest, as defined by the Plan document.

As of December 31, 2021 and 2020, interest rates ranged from 4.25% to 6.50%. Principal and interest payments are paid through payroll deductions. Participants may have only one loan with an outstanding balance. No more than two loans can be approved for a participant in any calendar year.

During 2020, the Plan adopted certain provisions of the CARES Act. These provisions permit participants determined to have been impacted by COVID-19 to borrow up to the lesser of \$100,000 or 100% of their vested balance and to delay loan payments due between March 27, 2020 and December 31, 2020, for one year.

**NOTE 2.      SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of accounting

The accompanying financial statements were prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**VT GROUP U.S. RETIREMENT PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2021 AND 2020**

**NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

Investment valuation and income recognition

Investments of the Plan are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan determines its valuation policies utilizing information provided by Principal Financial Group ("Principal"), the trustee and custodian. See Note 4 for a discussion of fair value measurements.

The investments in pooled separate accounts are valued at the net asset value (the "NAV") per unit, as determined by the trustee and custodian at year-end. The NAV is used as the practical expedient to estimate fair value and is based on the fair value of the underlying investment held by the fund, less its liabilities.

The investments in common collective trusts are valued at the NAV per unit, as determined by the fund trustee at year-end. The NAV is used as the practical expedient to estimate fair value and is based on the fair value of the underlying investment held by the fund, less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Net appreciation in fair value of investments includes realized gains or losses from the sale of investments, unrealized appreciation or depreciation in fair value of investments, and fees that have been charged by the trustee and custodian, and sponsoring mutual fund companies for services provided in connection with recordkeeping and investment management. Net unrealized appreciation or depreciation in fair value of investments represents the net change in the fair value of the investments held during the period. The net realized gains or losses on the sale of investments represent the difference between the sale proceeds and the fair value of the investment as of the beginning of the period or the cost of the investment if purchased during the year.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

The Mass Mutual Guaranteed Income Fund is a group annuity product issued by Massachusetts Mutual Life Insurance Company ("Mass Mutual"), and is a benefit-responsive investment contract. Fully benefit-responsive investment contracts held by a defined contribution plan, are measured, presented, and disclosed only at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Accordingly, the accompanying statements of net assets available for benefits present this investment contract at contract value.

**VT GROUP U.S. RETIREMENT PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2021 AND 2020**

**NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

Fair value measurements

U.S. GAAP defines fair value and establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1            Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date.

Level 2            Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3            Unobservable inputs based on the Plan's assessment of the assumptions that market participants would use in pricing the asset or liability.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

- (a) *Mutual funds*: Valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

- (b) *Pooled separate accounts:* Valued using NAV as a practical expedient to estimate fair value. The NAV of each of the pooled separate accounts is not publicly quoted but is available to current investors via the employer website or when Plan participants access their account values. The NAV is calculated in a manner consistent with U.S. GAAP for investment companies. Most of the security prices were obtained from Interactive Data Corporation, similar to mutual funds. The NAV is calculated using the underlying assets owned by the separate account, minus its liabilities, and then divided by the number of shares outstanding.
- (c) *Collective investment trusts:* Valued at the NAV of units of a bank collective trust. The NAV, as provided by the fund trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investment held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective investment trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant's loan balance is reduced and a benefit payment is recorded, based upon the terms of the Plan document.

Payments of benefits

Benefits are recorded as a deduction from net assets upon distribution or when paid to Plan participants.

Administrative expenses

VT Group pays a portion of the Plan's administrative expenses except those expenses that are charged directly to participant accounts. Certain recordkeeping and investment management fees are included in "Net appreciation in fair value of investments" on the accompanying statement of changes in net assets available for benefits.

Subsequent events

In accordance with Financial Accounting Standards Board Accounting Standards Codification ("FASB ASC") 855, *Subsequent Events*, the Plan management has evaluated subsequent events through October 3, 2022, the date on which these financial statements were available to be issued, and has determined that, except for those described in Note 12, there were no material subsequent events that required recognition or additional disclosure in these financial statements.

**NOTE 3. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE AND CUSTODIANS**

The following tables summarize the investment and other asset information regarding the Plan as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included in the Plan's financial statements and supplemental schedules, that was prepared by or derived from, without audit, information prepared by Principal Life Insurance Company, Principal Trust Company, and Massachusetts Mutual Life Insurance Company and furnished to the Plan administrator.

The Plan administrator has obtained certifications from the Plan's investment providers that such information is complete and accurate.

**DECEMBER 31, 2021 AND 2020**

**NOTE 5. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS**

Mass Mutual SAGIC Core II Fund

The Plan invested in a fixed-income option under an annuity contract which is a fully benefit-responsive group annuity contract issued by Mass Mutual. The MassMutual Guaranteed Interest Account (the "GIA") is recorded at contract value. Contract value represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees. There are no reserves against contract value for credit risk of the contract issuer or otherwise. Certain events, such as the complete or partial termination of the Plan; the establishment or activation of, or material change in, any Plan investment fund, or an amendment to the Plan or a change in the administration or operation of the Plan, including the removal of a group of employees from Plan coverage as a result of the sale or liquidation of a subsidiary or division or as a result of a group of layoffs or early retirement programs may limit the ability of the Plan to transact at contract value or may allow for the termination of the GIA at less than contract value. Plan management believes that the occurrence of events that would cause the Plan to transact at less than contract value is not probable.

**NOTE 6. PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments were managed by Principal Life and Mass Mutual. Additionally, the Plan issues loans to participants, which are secured by the participants' account balances.

Fees incurred by the Plan for the investment management services are included in the net appreciation in fair value of the investments, as they are paid through revenue-sharing rather than a direct payment. Principal Life provided services as a custodian and recordkeeper, and Mass Mutual as a custodian, as defined in the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for recordkeeping, administrative services, and investment management services amounted to \$361,459 for the year ended December 31, 2021. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

**NOTE 7. RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**VT GROUP U.S. RETIREMENT PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2021 AND 2020**

**NOTE 8. TAX STATUS**

The Plan is based on a volume submitter plan that received a favorable opinion letter from the Internal Revenue Service ("IRS") dated August 8, 2014, which states that the plan is designed in accordance with applicable sections of the IRC and, therefore, exempt from taxation. The Plan has been amended since the date of this opinion letter. However, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

**NOTE 9. PLAN TERMINATION**

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

**NOTE 10. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500**

Schedule H Part I and II of Form 5500 are in substantial agreement with the statements of net assets available for benefits as of December 31, 2021 and 2020, and the statement of changes in net assets available for benefits for the year ended December 31, 2021, and there are no reconciling items.

**NOTE 11. PROHIBITED TRANSACTIONS**

During the year ended December 31, 2020, the Company failed to segregate and remit in a timely manner certain participant contributions (salary reduction amounts) from its assets within the required time period as specified by the United States Department of Labor Regulation at 29 CFR 2510.3-102. Failure to segregate and remit contributions within the specified time period is a prohibited transaction according to the provisions of ERISA and the IRC. The Company remitted these contributions to the Plan after the required time frame and remitted the lost earnings associated with the late remittances in October 2021.

**NOTE 12. SUBSEQUENT EVENTS**

Effective January 2021 and August 2021, respectively, two entities were acquired by the Plan Sponsor. As a result of the acquisition, the acquired entities merged their 401(k) plans with the Plan effective January 1, 2022. To account for the mergers of the acquired entities' plans, the Plan was amended effective January 1, 2022, to include the acquired entities as an adopting employer.

In May 2022, the Plan was restated to include required regulatory changes relating to hardship distributions and the Tax Cuts and Jobs Act.
