INDEPENDENT AUDITOR'S REPORT

To the Trustees of
the DIR Holdings, LLC Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of DIR Holdings, LLC Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2022 and December 31, 2021, and the related statements of changes in net assets available for benefits for the six months ended June 30, 2022 and the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of DIR Holdings, LLC Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the six months ended June 30, 2022 and the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of DIR Holdings, LLC Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about DIR Holdings, LLC Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of DIR Holdings, LLC Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about DIR Holdings, LLC Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedules of Assets (Held at Year End) and Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DIR HOLDINGS, LLC RETIREMENT SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS

June 30, 2022 and December 31, 2021

NOTE 1 – DESCRIPTION OF PLAN

The following description of the DIR Holdings, LLC Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all employees of DIR Holdings, LLC (the “Company”) except union employees and non-resident aliens. There are no age or service requirements to participate in the Plan as defined in the Plan Document. John Hancock Life Insurance Company serves as the custodian of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions

Each year, participants may contribute compensation on a pre-tax basis, as defined in the Plan Document, subject to certain IRC limitations. As of January 1, 2022, the Plan was amended to also allow participants to contribute on an after-tax basis. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). The Company makes a matching contribution equal to 117% of the employees’ deferrals up to 6% of compensation, as defined by the Plan. The Company also provides, for all eligible participants, an annual safe harbor non-elective contribution of 3% of annual compensation.

Participant Accounts

Individual accounts are maintained for each plan participant. Each participant’s account is credited with the participant’s and the employer’s contributions and investment results and charged with benefit payments and allocations of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Payment of Benefits

On termination of service or retirement, the participant may receive a lump-sum amount equal to the vested value of his or her account. Withdrawals by a participant while employed are limited to those requested due to attainment of age 59 ½ or financial hardship.

Forfeitures

Participant forfeitures may be used to pay administrative expenses of the Plan or to reduce future employer contributions. At June 30, 2022 and December 31, 2021, forfeited non-vested accounts totaled \$0 and \$33,165, respectively. For the six months ended June 30, 2022 and year ended December 31, 2021, forfeitures totaling \$0 and \$7,075 were used to pay plan expenses.

Death and Disability Benefits

Upon death or total and permanent disability prior to termination or retirement, the participant account becomes 100% vested, regardless of service years. The participant (or beneficiary) receives a single lump-sum distribution of 100% of the account balance.

Investment Options

Participants direct the investment of their accounts into various investment options offered by the Plan. The Plan currently offers various pooled separate accounts as investment options for participants. Participants may change their investment options at any time. Employer contributions are invested in the same allocation as elected by the participants.

Vesting

Participants are immediately vested in their contributions and the safe harbor non-elective contributions. Participants are 100% vested in Company matching contributions after 3 years of credited service.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the plan sponsor and are excluded from these financial statements. Recordkeeping and other administrative fees may be charged directly to the participant's account and are included in administrative expenses. Additional fees are charged to participants based on their use of certain Plan features. Investment related expenses are included in net appreciation of fair value of investments.

Date of Management's Review

The Plan Sponsor evaluated the Plan's June 30, 2022 and December 31, 2021 financial statements for subsequent events through April 17, 2023, the date the financial statements were available to be issued. The Plan Sponsor is not aware of any subsequent events which would require recognition or disclosure in the financial statements.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Plan are prepared using the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates and assumptions.

Investments are reported at fair value as defined by GAAP. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan presents in the statement of changes in net assets available for benefits the net appreciation (depreciation) in the fair value of its investments, which consists of investment income, realized gains or losses, and the unrealized appreciation (depreciation) on investments.

Benefit payments are recorded upon distribution.

NOTE 3 – FAIR VALUE MEASUREMENT

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under generally accepted accounting principles are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at June 30, 2022 and December 31, 2021. The following is a description of the valuation methodologies used for assets measured at fair value.

Pooled Separate Accounts: Valued at the net asset value of units held by the Plan at year end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2022 and December 31, 2021, respectively.

	Assets at Fair Value as of June 30, 2022			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ -	\$ -	\$ -	\$ -

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ 3,931,218	\$ -	\$ -	\$ 3,931,218

NOTE 4 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the statements of net assets available for benefits.

NOTE 5 – PARTIES-IN-INTEREST AND RELATED-PARTY TRANSACTIONS

Certain Plan investments are managed by John Hancock Life Insurance Company, the custodian of the Plan; therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund. In addition, Plan expenses paid directly by the plan sponsor also qualify as party-in-interest transactions. These transactions are exempt from the prohibited transaction provision of ERISA and the Internal Revenue Code.

NOTE 6 – TAX STATUS

The IRS issued an opinion letter on June 30, 2020 that the Non-Standardized Pre-Approved Profit Sharing/Money Purchase Plan with CODA, which the Plan adopted, qualifies under Section 401(a) of the Internal Revenue Code (IRC). Although the Plan has been amended, the Company has not applied for a determination letter from the IRC regarding the qualification of the Plan as it applies to the Company, however, the plan administrator believes that the Plan is currently designed and being operated in compliance with requirements of the IRC and should qualify for tax exempt status as of the financial statement date. The plan administrator believes that the Plan has not generated any taxable income and no federal or state income tax returns have been filed. Federal and state taxing authorities could request an examination of the financial records of the Plan to ascertain if any such taxable income exists, but no such examination has occurred or is pending.

NOTE 7 – SUMMARY OF INFORMATION CERTIFIED BY ASSET CUSTODIAN

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. The assets of the Plan are held by the custodian. Accordingly, the custodian has certified that the following data included in the accompanying financial statements and supplemental information is complete and accurate:

- Investments, as shown in the statements of net assets available for benefits as of June 30, 2022 and December 31, 2021.
- Investment activity, as shown in the statements of changes in net assets available for benefits for the six months ended June 30, 2022 and year ended December 31, 2021.
- The schedule of assets (held at end of year) as of December 31, 2021.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental information.

NOTE 8 – PLAN TRANSFERS

During 2022, the Plan merged into a related Plan operated by the same employer. The effective date of the merger was June 6, 2022. On this date, all investments currently held in the plan, \$4,438,580, were transferred into UpRight Holdings Retirement Savings Plan. On September 9, 2022, the 2021 safe harbor nonelective employer contribution for the DIR Holdings, LLC Retirement Savings Plan of \$257,825 was deposited into the UpRight Holdings Retirement Savings Plan. The total assets transferred into the UpRight Holdings Retirement Savings Plan was \$4,696,405.

NOTE 9 – RECONCILIATION TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at June 30, 2022 and December 31, 2021 to the Form 5500.

	2022	2021
Net assets available for benefits per the financial statements	\$ -	\$ 4,253,648

2021 Employee contributions receivable	-	(16,539)
Net assets available for benefits per the Form 5500	<u>\$ -</u>	<u>\$ 3,964,383</u>

The following is a reconciliation of the net change in net assets available for benefits per the financial statements for the years ended June 30, 2022 and December 31, 2021 to the Form 5500.

	<u>2022</u>	<u>2021</u>
Net change in net assets available for benefits per the financial statements	\$ 442,757	\$ 2,703,751
Add:		
2020 Employer contributions receivable	-	101,985
2020 Employee contributions receivable	-	14,355
2021 Employer contributions receivable	272,726	
2021 Employee contributions receivable	16,539	
Less:		
2021 Employer contributions receivable	-	(272,726)
2021 Employee contributions receivable	-	(16,539)

Rounding difference	<u>(1)</u>	<u>(1)</u>
Net change in net assets available for benefits per the Form 5500	<u>\$ 732,021</u>	<u>\$ 2,523,750</u>

The above differences arise from the financial statements being prepared on the accrual basis and the Form 5500 on the cash basis.

NOTE 10 – PROHIBITED TRANSACTIONS

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets. While the Company remitted all employee contributions to the Plan, contributions of \$42,241 were not remitted within the required time period for the six months ended June 30, 2022. The lost earnings associated with the delinquent contributions have not been remitted to the Plan as of date of the report.
