INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
the Sunshine Mills Group 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed audits of the accompanying financial statements of Sunshine Mills Group 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of September 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have an audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended September 30, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section –

- The amounts and disclosures in the 2022 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the 2022 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our 2022 audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Sunshine Mills Group 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sunshine Mills Group 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statement section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risk of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sunshine Mills Group 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sunshine Mills Group 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2022 Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) – September 30, 2022 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of Sunshine Mills Group 401(k) Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated April 25, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

PROFIT SHARING PLAN**

Notes to the Financial Statements
September 30, 2022 and 2021

Note 1 – Plan Description and Related Information

The following description of the Sunshine Mills Group 401(k) Profit Sharing Plan ("the Plan") is provided for general information purposes only. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution 401(k) plan with a profit sharing feature – ERISA section 404(c) plan covering the employees of Sunshine Mills, Inc. and two affiliated employers, Sunshine Trucking, Inc. and Sun-Tek Pet, LLC who have one year of service and are age eighteen or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Administration - Sunshine Mills, Inc. is the plan administrator. The plan administrator has the full power to decide what the plan provisions mean; to answer all questions about the Plan, including those about eligibility and benefits; and to supervise the administration of the Plan.

Eligibility and Contributions - All employees become eligible to participate in the Plan after completing at least 1,000 hours of service during either the first 12 months of employment or any plan year beginning after the employee's hire date and upon reaching age 18 or older. Employees can enroll in the Plan on the January 1, April 1, July 1 or October 1 entry dates following the completion of the service requirement.

Participants may voluntarily contribute up to 50% of their compensation to the Plan, subject to annual limitations under the Internal Revenue Code. These elective contributions are made under Section 401(k) of the Internal Revenue Code which allows a deferral of income taxes on the amounts contributed to the Plan. Participants are permitted to deposit into the plan rollover proceeds from qualified plans. Under the Plan, the Company may make a discretionary matching contribution. The Company also may make a profit sharing contribution at the discretion of the Board of Directors. The Company made no discretionary contributions in the plan year ended September 30, 2022, and made \$487,792 in discretionary contributions for the plan year ended September 30, 2021.

Vesting - Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the remainder of their account is based on continuous years of service as outlined below:

<u>Years of Service</u>	<u>Vesting</u>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

Participant Accounts - A separate account is established and maintained for each participant. Each participant's account is credited with the participant's deferral contributions, the Company's matching contribution, the Company's discretionary profit sharing contributions that are allocated based on the ratio of each participant's eligible compensation to the total eligible compensation for all participants entitled to an allocation, and plan earnings that are allocated to the individual accounts in the same ratio that the value of each account, as of the last valuation date, bears to the total value of all accounts as of the same date.

Note 1 – Plan Description and Related Information (continued)

The Plan currently offers various mutual funds and a common and collective trust as investment options. All participant accounts are self-directed.

Payment of Benefits - The Plan provides for distributions to participants upon retirement, death, disability, or termination of employment. A participant will automatically receive a lump-sum amount equal to the value of his or her vested account if the account value is \$1,000 or less. If the vested balance is greater than \$1,000, but not more than \$5,000, the participant can elect to receive a lump sum distribution or roll it over to an eligible retirement plan. If the vested balance is greater than \$1,000, but not more than \$5,000, and the participant does not elect to receive the distribution or roll it over to an eligible retirement plan, the plan administrator will automatically roll over the distribution to an individual retirement account established by an IRA provider selected by the Company. If the vested account balance exceeds \$5,000, the participant can elect to receive a lump sum distribution or installment payments over a specified period of time.

Administrative Expenses - The administrative expenses related to the Plan are charged against plan assets. The expenses related to the audit are paid by the Company. Investment related expenses are included in net appreciation of fair value of investments.

Forfeited Accounts - Forfeited amounts are used to either offset plan administrative expenses or to reduce employer contributions under the Plan. Finally, any remaining forfeitures will be allocated to the participants. For September 30, 2022, \$0 was used to reduce employer contributions and \$0 to pay plan expenses. In 2021, \$72,580 was used to reduce employer contributions and \$0 was used to pay plan expenses. Forfeited non-vested accounts totaled \$46,980 and \$72,580 at September 30, 2022 and 2021, respectively.

Plan Termination - Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

Note 2 – Summary of Accounting Policies

Basis of Accounting - The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by investment advisors, custodians, and insurance companies. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Note 2 – Summary of Accounting Policies (continued)

Payments of Benefits – Benefit payments are recorded when paid.

Excess Contributions Payable - Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the excess contributions to the applicable participants on a timely basis in accordance with DOL Regulations.

Note 3 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). There were no level 2 or level 3 investments for the years ended September 30, 2022 or September 30, 2021. The Plan recognizes transfers between levels in the fair value hierarchy at the end of the reporting period.

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used on September 30, 2022 and 2021.

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trust – Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Note 3 - Fair Value Measurements (continued)

The following tables sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of September 30, 2022 and 2021:

Fair Value as of September 30, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$15,562,745	\$ -	\$ -	\$15,562,745
Total investments in the fair value Hierarchy	\$15,562,745	\$ -	\$ -	15,562,745
Investments measured at NAV*				5,187,638
				<u>\$20,750,383</u>

Fair Value as of September 30, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$21,252,576	\$ -	\$ -	\$21,252,576
Total investments in the fair value Hierarchy	\$21,252,576	\$ -	\$ -	21,252,576
Investments measured at NAV*				4,621,317
				<u>\$25,873,893</u>

* In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented on the statements of net assets available for benefits.

Note 4 – Fair Value of Investments in Entities that Use NAV Practical Expedient

The following table summarizes the common/collective trust funds for which fair value is measured using NAV as of September 30, 2022 and 2021. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan:

Fund	Year	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Reliance MetLife St Val	2022	\$5,187,638	N/A	Daily	1 Day
Reliance MetLife St Val	2021	\$4,621,317	N/A	Daily	1 Day

PROFIT SHARING PLAN**

Notes to the Financial Statements (continued)
September 30, 2022 and 2021

Note 5 – Tax Status

The Plan is exempt from federal taxes under Section 501(a) of the Internal Revenue Code. The Plan obtained its latest determination letter on February 6, 2004, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, and therefore, believe the Plan is qualified and tax exempt.

Note 6 – Information Certified by the Trustee

The plan administrator elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator limited auditing procedures with respect to the investment information certified by the Trustee, which included total investments as of September 30, 2022 and 2021, the total investment income for the year ended September 30, 2022, and all information included in the supplemental schedule H, line 4i – schedule of assets (held at end of year).

Note 7 – Reconciliation of Financial Statements to Schedule H of Form 5500

For the years ended September 30, 2022 and 2021 there were no reconciling items between the financial statements and the Form 5500.

Note 8 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

Note 9- Subsequent Events

Significant events occurring after the statement of net assets available for benefits date and prior to issuance of the financial statements are monitored to determine the impact, if any, of events on the financial statements to be issued. All subsequent events were evaluated by management through March 30, 2023, the date the financial statements were available to be issued.
