PETROSMITH 401(K) PLAN

Report to the Plan Administrator

December 31, 2021

March 31, 2023

**To the Plan Administrator
Petrosmith 401(k) Plan
Abilene, Texas**

This letter is to inform the Plan Administrator of Petrosmith 401(k) Plan (the "Plan") about significant matters related to the conduct of our audit as of and for the year ended December 31, 2021, so that it can appropriately discharge its oversight responsibility and we comply with our professional responsibilities.

Generally accepted auditing standards (AU-C 260, *The Auditor's Communication With Those Charged With Governance*) requires the auditor to promote effective two-way communication between the auditor and those charged with governance. Consistent with this requirement, the following summarizes our responsibilities regarding the financial statement audit as well as observations arising from our audit that are significant and relevant to your responsibility to oversee the financial reporting process.

Our Responsibilities With Regard to the Financial Statement Audit

Our responsibility under auditing standards generally accepted in the United States of America has been described to you in our arrangement letter dated May 11, 2022. The audit of the financial statements does not relieve management or those charged with governance of their responsibilities, which are also described in that letter.

Overview of the Planned Scope and Timing of the Financial Statement Audit

We have issued a separate communication dated May 11, 2022 regarding the planned scope and timing of our audit and identified significant risks.

Significant Accounting Practices, Including Policies, Estimates and Disclosures

In our meeting with you, we will discuss our views about the qualitative aspects of the Plan's significant accounting practices, including significant accounting policies, significant unusual transactions, accounting estimates and financial statement disclosures. The following is a list of the matters that will be discussed, including the significant estimates, which you may wish to monitor for your oversight responsibilities of the financial reporting process:

- The Plan did not adopt any significant new accounting policies during the current audit period.
- Significant accounting estimates during the current audit period included the following:

No significant accounting estimates noted that give rise to a risk of material misstatement.

- There were no unusual transactions or alternative treatments of for accounting policies and practices related to material items during the current audit period.

Other Information in Documents Containing Audited Financial Statements

Our responsibility for other information in documents containing the Plan's audited financial statements is to read the information and consider whether its content or manner of its presentation is materially inconsistent with the financial information covered by our auditor's report or whether it contains a material misstatement of fact. We read the Plan's Form 5500 filing for consistency with information in the financial statements. We have provided our comments to management. We are not aware of other documents that contain the audited financial statements.

Audit Adjustments and Uncorrected Misstatements

Audit adjustments, other than those that are clearly trivial, proposed by us and recorded by the Plan are shown in the attached Exhibit – **Adjusting Journal Entries**.

We are not aware of any uncorrected misstatements other than misstatements that are clearly trivial.

We identified the following misstatements (i.e., omitted, incomplete and (or) inaccurate disclosures) that management has concluded are immaterial to the financial statements taken as a whole:

- None were noted during the current audit period.

Form 5500 Filing

GAAS require that we obtain and read a draft of the Plan's Form 5500 that is substantially complete prior to the dating of our auditor's report in order to identify material inconsistencies, if any, with the Plan's audited financial statements. We read the Plan's draft Form 5500 filing for consistency with information in the financial statements. We did not identify material inconsistencies with the audited financial statements.

ERISA-Required Supplemental Schedules

We subjected the information included in the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with GAAS. The objective of these audit procedures was to determine whether the ERISA-required supplemental schedules, other than the certified investment information, is fairly stated in all material respects in relation to the financial statements as a whole, whether the form and content of the ERISA-required supplemental schedules are presented in conformity with the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure Under ERISA, and whether the certified investment information in the supplemental schedules agrees to, or is derived from, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). We will include an other-matter paragraph in our auditor's report for the ERISA-required supplemental schedules. We did not identify inconsistencies with the audited financial statements or with the certified investment information.

Reportable Findings

In planning and performing the audit, we considered plan provisions relevant to designing audit procedures for the purpose of expressing our opinion on the Plan's financial statements, but not for the purpose of expressing an opinion on the Plan's compliance with those provisions. Our audit was not designed to identify all instances that the Plan is not operating in accordance with the Plan's provisions or other specified criteria that might be considered reportable findings.

A reportable finding is one or more of the following:

- A matter that is identified as an instance of noncompliance or suspected noncompliance with laws or regulations
- A finding arising from the audit that is significant and relevant to those charged with governance regarding their responsibility to oversee the financial reporting process
- A deficiency in internal control identified during the audit that has not been communicated to management by other parties that is of sufficient importance to merit management's attention

We are required to communicate reportable findings from the audit procedures performed relating to the plan provisions to you, in writing. We have identified the following reportable findings:

- Employees must choose to either participate or not participate in the Plan upon meeting eligibility, and this be clearly documented. However, Plan management has not obtained opt-out forms or other documentation to support employees' participation elections.
- Forfeitures were not utilized during 2021 to reduce employer contributions and/or administrative expenses even though there was a forfeiture balance at the end of 2020. According to the Plan Document, forfeitures should have been utilized in the current year (2021) to remain in compliance.
- Differences were noted between the year-to-date contributions reported on the employer (Plan Sponsor) report, and the amount reported by Empower Retirement, LLC on the participant accounts. This was due to Plan Sponsor report differences in the accounting system that were not reconciled to the participant accounts. The correct amounts were recorded by Empower Retirement, LLC for the participant accounts.
- Employees had deferral rates on file which did not match the amount actually being deferred by the Plan. Contribution forms for these participants were not able to be provided by the Plan Sponsor.

Internal Control Matters

We have issued a separate communication dated March 31, 2023, regarding certain deficiencies in internal control that we identified during the planning or performance of our audit of the financial statements shown in the attached Exhibit – **Communication of Internal Control Deficiencies**.

Disagreements With Management

We encountered no disagreements with management over the application of significant accounting principles, the basis for management's judgments or any significant matters, the scope of the audit, or significant disclosures to be included in the financial statements.

Consultation With Other Accountants

We are not aware of any consultations management had with other accountants about accounting or auditing matters.

Significant Issues Discussed With Management

No significant issues arising from the audit were discussed or were the subject of correspondence with management. Other issues that we did discuss included:

- Business conditions affecting the entity and business plans and strategies that may affect the risk of material misstatement.
- Discussions or correspondence in connection with the recurring engagement of the auditor including, among other matters, any discussions or correspondence regarding accounting practices or the application of auditing standards.

Significant Difficulties Encountered in Performing the Audit

We did not encounter any difficulties in dealing with management during the audit.

Management Representations

See the **Management Representation Letter Exhibit** for a copy of the management representation letter.

Closing

We will be pleased to respond to any questions you have about the foregoing. We appreciate the opportunity to be of service to Petrosmith 401(k) Plan.

This report is intended solely for the information and use of the Plan Administrator and management, and is not intended to be, and should not be, used by anyone other than these specified parties.

COMMUNICATION OF INTERNAL CONTROL DEFICIENCIES

December 31, 2021

March 31, 2023

**Plan Administrator
Petrosmith 401(k) Plan
Abilene, Texas**

In planning and performing our audit of the financial statements of Petrosmith 401(k) Plan as of and for the year ended December 31, 2021, in accordance with auditing standards generally accepted in the United States of America, we considered relevant plan provisions and the Plan's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing our opinion on the Plan's compliance with those provisions or on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the Plan's compliance with plan provisions or on the effectiveness of the Plan's internal control.

Our consideration of relevant plan provisions and internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all instances that the Plan is not operating in accordance with the Plan's provisions or deficiencies in internal control that might be material weaknesses or significant deficiencies. Therefore, instances that the Plan is not operating in accordance with plan provisions or deficiencies in internal control, including material weaknesses or significant deficiencies, may exist that were not identified.

Instances where the Plan is not operating in accordance with plan provisions may be indicative of a deficiency in internal control. A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A deficiency in design exists when (a) a control necessary to meet the control objective is missing, or (b) an existing control is not properly designed so that, even if the control operates as designed, the control objective would not be met. A deficiency in operation exists when a properly designed control does not operate as designed or when the person performing the control does not possess the necessary authority or competence to perform the control effectively.

A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. We did not identify any control deficiencies in internal control that were considered to be material weaknesses.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We did not identify any control deficiencies in internal control that were considered to be significant deficiencies.

Following are descriptions of other identified deficiencies in internal control that we determined did not constitute significant deficiencies or material weaknesses:

Employee File Documentation

Documentation for some employee non-participation elections were missing from the employee files. The error occurred due to management not obtaining and maintaining proper employee file documentation. Procedures should be implemented to ensure all necessary employee documentation is obtained and a copy maintained by the Plan Sponsor.

Employee Deferral Rate Documentation

Documentation for some participants' deferral rates in the payroll system did not match the participants' deferral election on their enrollment/change form maintained in their employee file. No errors were identified based upon information maintained by Empower Retirement, LLC. However, procedures should be implemented to ensure all necessary employee documentation is obtained and a copy maintained by the Plan Sponsor.

Tax Withholdings on Participant Distributions

Tax withholdings from some participant distributions did not agree to the distribution request form associated with the disbursement. Management should ensure that tax withholdings are being withheld at the correct amount, and that the amount agrees between the actual amount withheld and the distribution request form.

Plan Error in Forfeiture Application

Forfeitures were not being applied to pay administrative expenses, reduce employer contributions, add to employer matching contributions, or allocated to participants no later than the last day in the Plan year following the plan year in which the forfeitures occurred as required by the Plan document and the IRS guidance covering this matter. The error occurred due to a lack of monitoring the forfeitures account. Procedures should be implemented to ensure Plan management is notified regarding the balance in the forfeiture account prior to year end in order to utilize the amounts as required by the Plan document.

Contribution Variances

Differences were noted between the year-to-date contributions reported on the employer report and the amount reported on the participant accounts. Payroll reports should be reconciled to contribution reports on a regular basis to ensure all contributions made to the Plan are correct.

This communication is intended solely for the information and use of the Plan Administrator, management, and others within the Plan, and is not intended to be, and should not be, used by anyone other than these specified parties.

This representation letter is provided in connection with your audit of the financial statements of Petrosmith 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2021 and 2020; the related statement of changes in net assets available for benefits for the year ended December 31, 2021; and the related notes to the financial statements.

We elected to have the audit of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodically examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and that the certified information is appropriately measured, presented and disclosed in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. GAAP and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

We confirm, to the best of our knowledge and belief, that as of March 31, 2023:

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit arrangement letter dated May 11, 2022, for the preparation and fair presentation of the financial statements referred to above in accordance with U.S. GAAP.
2. We acknowledge our responsibility for administering the plan and determining the plan's transaction that are presented and disclosed in the ERISA plan financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
3. We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.
4. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.

5. We acknowledge our responsibility as it relates to non-audit services performed by the auditor, we assume all management responsibilities, we oversee the services by designating an individual, preferably within senior management, who possesses suitable skills, knowledge or experience, and we accept responsibility for the results of the services.
6. We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represented our best estimate of fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurement. In addition, our disclosures related to fair value measurements are consistent with the objectives outlines in FASB ASC 820.
7. Related-party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP.
8. Transactions with parties-in-interest, as defined in ERISA Section 3(14) and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements and guarantees, and amounts receivable from or payable to related parties have been appropriately accounted for and disclosed.
9. All events subsequent to the date of the financial statements and for which U.S. GAAP requires adjustment or disclosure have been adjusted or disclosed.
10. The effects of all known actual or possible litigation and claims have been accounted for and disclosed in accordance with U.S. GAAP.
11. We have no intention to terminate the Plan.
12. We have properly reported and disclosed amendments to the plan instrument, if any.
13. We have no knowledge of any uncorrected misstatements in the financial statements.
14. We have requested an unsecured electronic copy of the auditor's report and financial statements and agree that the auditor's report and financial statements will not be modified in any manner.

Supplementary Information

15. We acknowledge our responsibility for the presentation of the ERISA-required supplemental schedules in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. In this regard:
 - a. We believe such schedules, including their form and content, is fairly presented in accordance with DOL Rules and Regulations for Reporting and Disclosure under ERISA.
 - b. The methods of measurement or presentation have not changed from those used in the prior period.
 - c. There are no underlying significant assumptions or interpretations regarding the measurement or presentation of such information.
 - d. We will only present the ERISA-required supplemental schedules together with the audited financial statements and auditor's report thereon and will not separate the ERISA-required supplemental schedules from the audited financial statements and auditor's report thereon in any document that contains such information.

Information Provided

16. We have provided you with:
 - a. Access to all information, of which we are aware that is relevant to the preparation and fair presentation of the financial statements such as records, documentation, and other matters.
 - b. Additional information that you have requested from us for the purpose of the audit.

- c. Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence.
 - d. The currently effective version of the Plan document, including prototype plan document and adoption agreement, the trust agreement or insurance contracts and all related amendments. The Plan was most recently restated March 30, 2022.
 - e. A draft of the Form 5500 that is substantially complete.
 - f. All correspondence, filings, reports, and determinations with the Internal Revenue Service (IRS) and the DOL relating to the Plan's compliance with ERISA and the maintenance of its tax-exempt status.
 - g. All Plan financial records and related data. In that regard, the payroll information we provided you covered all employees that were eligible to participate in the Plan.
 - h. All minutes of the meetings of the Plan, or summaries of actions of recent meetings for which minutes have not yet been prepared.
17. All transactions have been recorded in the accounting records and are reflected in the financial statements.
18. The Plan Sponsor's management designated an individual with sufficient skills, knowledge, and experience to oversee the financial statement preparation process and take responsibility of the results of the financial statement preparation services. This individual performed a detailed review of the financial statements, consisting of the following procedures:
- a. Reconciliation of the general ledger, trust activity and participant statements to the financial statements.
 - b. Review and approval of all journal entries proposed by you.
 - c. Review of the adequacy of financial statement disclosures by review of the financial statements.
19. We have disclosed to you the results of our assessment of risk that the financial statements may be materially misstated as a result of fraud.
20. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan involving:
- a. Management.
 - b. Employees who have significant roles in the internal control.
 - c. Others where the fraud could have a material effect on the financial statements.
21. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan received in communications from employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.
22. We are not aware of any pending or threatened litigation and claims, violations or possible violations of laws and regulations, or other matters, including gain or loss contingencies, whose effects should be considered when preparing the financial statements, and neither we, nor the Plan Sponsor, or others acting on behalf of the Plan, have consulted a lawyer concerning litigation and claims or other matters affecting the Plan.
23. We have disclosed to you the identity of the entity's related parties and parties-in-interest and all the related-party and party in interest relationships and transactions of which we are aware.
24. We are aware of no significant deficiencies, including material weaknesses, in the design or operation of internal controls that could adversely affect the Plan's ability to record, process, summarize, and report financial data.
25. We have no plans or intentions that may materially affect the carrying value or classification of assets and liabilities.
26. The Plan has satisfactory title to all owned assets which are recorded at fair value, and all liens, encumbrances, or security interests have been properly disclosed.

27. Financial instruments with off-balance-sheet risk have been properly disclosed.
28. Concentrations of credit risk have been properly disclosed.
29. We have answered your questions about the Plan's tax compliance to the best of our knowledge and belief.
30. There have been no communications, whether written or oral, from regulatory agencies concerning non-compliance or deficiencies in the operation of the Plan.
31. We have complied with (a) all aspects of contractual agreements, including provisions of the Plan, that would have a material effect on the financial statements in the event of noncompliance, (b) the fidelity bonding requirements of ERISA, (c) all participant eligibility and coverage requirements of the Plan, ERISA and the Internal Revenue Code (IRC), and (d) the filing requirements of appropriate agencies.
32. We have complied with the Department of Labor's regulations concerning the timely remittance of participant contributions to trusts containing assets for the Plan.
33. We have disclosed to you all known instances of non-compliance or suspected non-compliance with laws and regulations whose effects should be considered when preparing financial statements.
34. The Plan (and the trust established under the Plan) is qualified under the appropriate section of the IRC and intends to continue as a qualified Plan (and trust).
35. We have reviewed the complementary user entity control considerations of the Service Organization Controls (SOC 1) Report for Empower Retirement, LLC, on Management's Description of its System and the Suitability of the Design and Operating Effectiveness of Controls dated November 1, 2021 for the period ended September 30, 2021, and we believe all applicable controls are properly designed and implemented and operating effectively. We also obtained a Gap letter for the period October 1, 2021 and December 31, 2021 noting the controls were still in effect for this gap period.
36. There are no:
 - a. Non-exempt (prohibited) party-in-interest transactions that were not disclosed in the financial statements or supplemental schedules.
 - b. Notes receivable from participants or other receivables or investments in default or considered to be uncollectible that were not disclosed in the financial statements or supplemental schedules.
 - c. Reportable transactions that were not disclosed in the supplemental schedules.
37. During the course of your audit, you may have accumulated records containing data that should be reflected in our books and records. All such data have been so reflected. Accordingly, copies of such records in your possession are no longer needed by us.
38. We have evaluated the Plan's ability to continue as a going concern and prepared the financial statements under the going concern basis.

Independent Auditor's Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Petrosmith 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in **NOTE 3** to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, and Schedule H, Part IV, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that is agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that is agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by or certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Our audit report, dated March 16, 2022, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements and supplemental schedule, and (b) the form and content of the information included in the 2020 financial statements and supplemental schedule, other than that derived from the information certified by the qualified institution, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

PETROSMITH 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1: PLAN DESCRIPTION

The following description of the Petrosmith 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established April 1, 2012, under the provisions of the Internal Revenue Service Code Section 401(a), as a defined contribution plan to benefit participating employees of Petrosmith LLC (named Plan Sponsor), Petrosmith Equipment, LP, and Petrosmith Coating, LP, (collectively the "Company"). The Plan provides eligible employees an opportunity to accumulate funds for retirement, death and disability benefits. Subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), the Plan has received a favorable opinion letter from the Internal Revenue Service.

Plan Administration

The Plan is administered by the Plan Administrator who is appointed by management of the Company. The Plan's custodian, Empower Retirement, LLC (including Great-West Life & Annuity Insurance Company, an affiliate of Empower Retirement, LLC), is responsible for the custody and management of the Plan's assets.

Eligibility to Participate

Employees become eligible to participate in wage deferrals upon attainment of age eighteen (18). The Plan includes an automatic deferral provision that results in employees entering the Plan as of the date the age requirement is met at a 3% deferral unless they elect otherwise.

Employee Contributions

Participants in the Plan may elect to have compensation deferred through payroll deductions. The maximum contribution amount for 2021 is \$19,500. An added contribution of up to \$6,500 in salary deferral catch-up is allowed for those 50 or older, for a total possible contribution of \$26,000.

Participants may roll over amounts representing distributions from other qualified defined contribution plans.

Employer Contributions

The Company may make matching contributions equal to a discretionary percentage, determined by the Company, of the participant's elective deferrals. If the Company elects to make a matching contribution, it must be contributed to the Plan by the last day of the immediately following Plan year quarter.

The Company shall have the right to make an additional discretionary contribution, which shall be allocated to each eligible participant in proportion to his or her compensation as a percentage of the compensation of all eligible participants. The discretionary contribution and the allocation thereof shall be unrelated to any employee contributions made hereunder. Forfeitures may be used to pay administrative expenses of the Plan or to reduce any Company contributions.

The Plan, as required by the Internal Revenue Code, includes special rules in years that the Plan is determined to be a "Top Heavy Plan". The Plan becomes a "Top Heavy Plan" when it allocates more than sixty percent (60%) of the contributions or benefits to "Key Employees". "Key Employees" are generally owners, officers, shareholders or highly compensated individuals. If the Plan becomes top-heavy in any year, the Company may be required to make an additional contribution with a special vesting schedule to non-key employees.

PETROSMITH 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

Participant Investment Options

Participants may direct their salary deferral contributions to selected investments as made available and determined by the Plan Administrator. Participants may change their investment options at any time throughout the year via direct phone access, fax, or internet.

Participant Accounts

Individual accounts are maintained for each of the Plan's participants to reflect the participant's contributions and the Company's discretionary contribution, as well as the participant's share of the Plan's income and any related administrative expense. Allocations of income and expenses are based upon the proportion that each participant's account balance bears to the total of all participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Forfeiture Accounts

Forfeited non-vested accounts totaled \$98,571 and \$84,137 as of December 31, 2021 and 2020, respectively. These accounts can be used to reduce future employer contributions or to pay Plan expenses. Employer contributions and/or Plan expenses were not reduced from forfeited non-vested accounts during 2021.

Notes Receivable from Participants

Notes receivable from participants are not permitted under the Plan.

Payment of Benefits

On termination of service due to death, disability or retirement, or for any other reason a participant may request a distribution and will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account.

Vesting

Employee elective deferrals and after-tax employee contributions are always one hundred percent (100%) vested. The vesting schedule for the discretionary employer contributions, granted that at least one thousand hours are worked during the Plan year, is as follows:

1 year	20%
2 years	40%
3 years	60%
4 years	80%
5 years	100%

Plan Termination

Although it has not expressed intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to fully terminate the Plan subject to the provisions of ERISA. In the event of full Plan termination, participants will become one hundred percent (100%) vested in their accounts.

The Company downsized its operations during 2020 which resulted in a partial plan termination in March of 2021. All participants affected by the partial plan termination became fully vested in their accounts prior to distributions being taken.

PETROSMITH 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

Change in Custodians

The Plan changed its custodian from Massachusetts Mutual Life Insurance Company to Empower Retirement, LLC as the latter acquired the former effective December 30, 2020.

Subsequent Events

The Plan Administrator has evaluated subsequent events through March 31, 2023, the date the financials were issued or available to be issued. The Plan was restated effective January 1, 2022, as required by the IRS Cycle 3 Mandate. The restatement did not have a significant impact on the Plan's operations.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefit and changes therein. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan determines the Plan's valuation policies utilizing information provided by the investment advisor and custodian. See **NOTE 4** for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. There were no amounts payable as of December 31, 2021 and 2020.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. To the extent such expenses are not paid by the Company, the expenses are charged to the participant's account for services described based on an allocation method identified by the Plan's administrative expense table.

PETROSMITH 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

Administrative functions are performed by officers or employees of the Company but receive no compensation from the Plan. Investment-related expenses are included in "Investment income - net appreciation in fair value of investments" on the statement of changes in net assets available for benefits.

Recent Accounting Pronouncements

The Plan has adopted all recent accounting pronouncements issued by the FASB (including its Emerging Issues Task Force) and the American Institute of Certified Public Accountants that are believed by management to have a material impact on the Plan's present or future financial statements.

NOTE 3: INFORMATION CERTIFIED BY GREAT-WEST LIFE & ANNUITY INSURANCE COMPANY, UNAUDITED

Certain information related to investments is disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments held at December 31, 2021 and net appreciation in fair value of investments for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Great-West Life & Annuity insurance Company, an affiliate of the named custodian of the Plan. The Plan's independent auditors did not perform any auditing procedures with respect to this information, except for comparing such information with the related information included in the financial statements and supplemental schedule.

NOTE 4: FAIR VALUE MEASUREMENTS

ASC 820, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

PETROSMITH 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

Following is a description of valuation methodology used for assets measured at fair value. There have been no significant changes in the methodology used at December 31, 2021 or 2020.

Pooled separate accounts: Valued using the unit value calculated based on the net asset value ("NAV") of the underlying mutual funds. The net asset value is used as a practical expedient to determine fair value for these accounts. Each pooled separate account provides for redemptions by the Plan at reported net asset value per share, with no advance notice requirement. Investments in this category can be transferred out at any time at the current net asset value per share based on the fair value of the underlying assets.

Stable value fund: Valued using the net asset value ("NAV") practical expedient based on the fund's liquidation value which is based on an actuarial formula. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions may occur daily.

The method above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with market participants, the use of different methodologies or assumptions to determine the fair value could result in a different fair value measurement at the reporting date.

The following tables set forth by level within the fair value hierarchy the Plan's assets at fair value as of December 31, 2021 and 2020:

Investments at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3
Investments at fair value	\$ -	\$ -	\$ -
Total	\$ -	\$ -	\$ -
Investments measured using net asset value per share practical expedient^(a)			4,437,229
Total investments at fair value			\$ 4,437,229

Investments at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3
Investments at fair value	\$ -	\$ -	\$ -
Total	\$ -	\$ -	\$ -
Investments measured using net asset value per share practical expedient^(a)			3,812,982
Total investments at fair value			\$ 3,812,982

^(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

¹⁾ The pooled separate accounts in this category primarily invest in mutual funds which invest in equity securities of U.S. companies with small to mid-size market capitalization. Investments in this category can be transferred out at any time at the current net asset value per share based on the fair value of the underlying assets.

²⁾ The pooled separate accounts in this category primarily invest in mutual funds which invest in equity securities of U.S. or foreign companies with large market capitalization. Investments in this category can be transferred out at any time at the current net asset value per share based on the fair value of the underlying assets.

³⁾ The pooled separate accounts in this category invest primarily in mutual funds which invest in equity securities of established companies that are listed on, or meet the financial listing requirements of, the New York Stock Exchange and have a strong record of earnings and dividends. This investment seeks to produce income and to provide opportunity for growth of principal. Investments in this category can be transferred out at any time at the current net asset value per share based on the fair value of the underlying assets.

⁴⁾ The pooled separate accounts in this category invest primarily in mutual funds which invest in equity securities of companies that appear to offer superior opportunities for growth of capital. Investments in this category can be transferred out at any time at the current net asset value per share based on the fair value of the underlying assets.

⁵⁾ The pooled separate accounts in this category primarily invest in mutual funds which invest in high quality intermediate-term bonds and other fixed-income securities. Investments in this category can be transferred out at any time at the current net asset value per share based on the fair value of the underlying assets.

⁶⁾ The pooled separate accounts in this category primarily invest in mutual funds which invest in income-producing securities, including equity securities and bonds, and seeks a level of current income and a growing stream of income over years. Investments in this category can be transferred in or out of these funds at any time without restrictions.

PETROSMITH 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

- ⁷⁾ The pooled separate accounts in this category primarily invest in mutual funds which invest in a diversified portfolio of other stock and bond funds that represent various asset classes and sectors. The funds seek to provide long-term investors with an asset allocation strategy designed to maximize assets for retirement consistent with the risk level and projected retirement date associates with each fund. Investments in this category can be transferred out at any time at the current net asset value per share based on the fair value of the underlying assets.
- ⁸⁾ The stable value option seeks to protect against any loss of principal by investing in the general fund of the insurance carrier while providing a guaranteed minimum rate of return for the period of time specified in the contract.

NOTE 5: PARTIES-IN-INTEREST

Certain Plan investments are shares of pooled separate accounts or a stable value fund managed by Great-West Life & Annuity Insurance Company. Great-West Life & Annuity Insurance Company is an affiliate of the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services amounted to \$2,030 for the year ended December 31, 2021. Additional investment fees paid to parties-in-interest are netted against investment returns.

NOTE 6: INCOME TAX MATTERS

The Plan adopted a prototype plan sponsored by Pentec Pension Management Group, Inc. effective June 30, 2020. The prototype plan has received an opinion letter from the Internal Revenue Service (the "IRS") as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that is more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participant's account balances and the amounts reported in the financial statements.
