INDEPENDENT AUDITORS' REPORT

To the Administrator of the Hilite 401(k) Retirement and Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Hilite 401(k) Retirement and Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with the ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of December 31, 2021, and for the year then ended, stating the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements related to our audit. We believe that the audit evidence we have

obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objects are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risk of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures including examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information

prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

**To the Administrator of the
Hilite 401(k) Retirement and Savings Plan:**

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Hilite 401(k) Retirement and Savings Plan, which comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis of Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Charles Schwab Bank, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statements. Accordingly, we do not express an opinion on the 2020 financial statements.

Report on Form and Content in Compliance with DOL Rules and Regulations for 2020 Financial Statements

The form and content of the information included in the 2020 financial statements, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are

presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

HILITE 401(k) RETIREMENT AND SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF THE PLAN

The following description of the Hilite 401(k) Retirement and Savings Plan (the Plan) is provided for general information purposes. Participants should refer to the plan document for more complete information.

General

The Plan, established in accordance with Section 401(k) of the Internal Revenue Code (IRC), is a defined contribution savings plan and became effective January 1, 1987. The Plan provides retirement benefits for all eligible employees of Hilite Industries, Inc. (the Company) and its subsidiaries in accordance with, and subject to, the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan has been amended several times since then. Charles Schwab Bank is the trustee of the Plan.

Participation

An employee becomes eligible to participate in the Plan on the entry date, as defined in the plan document. The Company has implemented automatic elective deferral contributions of 8% for each eligible participant who has not made an election concerning deferrals and who is eligible for such contributions. Participants are required to opt out each year.

Contributions

Employee contributions to the Plan represent compensation amounts which participants have elected to defer. Employees may contribute up to the maximum allowable deferral under the IRC. The Company, at its discretion, may make matching contributions of specified percentages of a participant's elective deferral contributions as defined in the plan document. In addition, the Plan provides for Company discretionary contributions equal to a specified percentage of an eligible participant's annual compensation up to the social security taxable wage base plus a premium on a participant's annual compensation in excess of such taxable wage base. The total annual contributions on behalf of any participant shall not exceed the applicable IRC limits. For the years ended December 31, 2021 and 2020, the Company matched 50% of each participant's elective deferral up to a maximum of 8% of eligible compensation, except as described below. The Company did not make any matching contributions for the period May 1, 2020 to October 31, 2020.

The Company did not make any discretionary contributions for the years ended December 31, 2021 and 2020.

Rollover Contributions

Distributions from another qualified plan can be transferred into the Plan at the discretion of the plan administrator.

Investment Options

Participants may direct the manner in which their deferral contributions, rollover contributions and Company contributions are to be allocated among the investment options available under the Plan.

Vesting

Participants are immediately vested in their deferral and rollover contributions. Vesting in Company matching and discretionary contributions occurs ratably over three years or on a three year cliff vesting depending on the participant's in-service date.

Forfeitures

Forfeitures of terminated non-vested account balances are used to reduce future employer contributions or pay plan expenses. These balances totaled approximately \$19,200 and \$33,300 at December 31, 2021 and 2020, respectively. Forfeitures of approximately \$100,000 and \$33,700 were used to reduce employer contributions and pay plan expenses for the years ended December 31, 2021 and 2020, respectively.

Notes Receivable from Participants

The Plan allows for participants to borrow from their accounts a minimum of \$1,000 and a maximum of 50% of their vested account balance up to \$50,000. The interest rate must be a reasonable rate as determined by the plan administrator. Interest rates on loans outstanding at December 31, 2021 range from 3.25% to 5.50%. Maturities on these loans do not exceed five years. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are treated as distributions based upon the terms of the plan document.

The Coronavirus Aid, Relief, and Economic Security (CARES) Act which was signed into law on March 27, 2020 included provisions to allow plans to make it easier for eligible participants to withdraw funds under certain circumstances. The Plan has implemented provisions permitting eligible participants to suspend loan payments that were due during the period March 27, 2020 through December 31, 2020.

Benefit Payments

Upon service or disability retirement, death, termination or financial hardship, the participant or beneficiary may elect to receive a benefit payment. Benefit payments are paid directly to the participant or beneficiary from the net assets available for benefits and are made in lump-sum amounts or through periodic payments as specified by the participant or beneficiary, subject to the provisions of the Plan. Benefit payments are recorded when paid.

The Plan adopted provisions of the CARES Act which permitted qualified individuals to take a distribution during 2020 from contributions not subject to vesting to be exempted from early withdrawal penalties and federal income tax withholdings. Furthermore, participants who take qualified distributions have the option to have the distribution taxed over a three-year period, with the ability to recontribute a portion or all of the distribution within three years and not be subject to federal income tax.

Partial Termination

As a result of a reduction of the Company's workforce in 2021, the Plan experienced a partial plan termination as defined by ERISA in 2021. Under ERISA, a partial plan termination may occur if a significant percentage of the Plan participants are terminated because of an action taken by the Company. If a partial plan termination occurs, full vesting in the Company's matching and discretionary contributions is required for the affected participants, but the remaining participants' vesting continues to be determined per the plan provisions.

All affected employees who were participants in the Plan were fully vested in their account balances on January 1, 2021, in accordance with the partial plan termination.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. Upon termination, all amounts credited to participant accounts shall become fully vested.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Financial Statements

The financial statements are prepared on the accrual basis of accounting.

Investments

Gains and losses on sales of securities are based on the actual cost of securities. Dividend income is recorded on the ex-dividend date. Interest from other investments is recorded as earned.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Administrative Expenses

Significant administrative expenses of the Plan are paid through a revenue sharing agreement or by the Company.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles (US GAAP) requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

3. INFORMATION CERTIFIED BY THE TRUSTEE

The net investment change during 2021 and 2020 reflects the gains and losses on investments bought and sold, as well as held during the year, and represents the net appreciation (depreciation) in the various investments.

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net investment gain, interest and dividends, and interest income on notes receivable from participants for the years ended December 31, 2021 and 2020, were obtained by management and agreed to or derived from information certified as complete and accurate by Charles Schwab Bank, the trustee of the Plan.

4. FAIR VALUE MEASUREMENTS

ASC 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds: Valued at the net asset value of shares held by the Plan at year end.

Pooled Separate Account and Outside Brokerage Account: Valued at net unit value as determined by the trustee. The value is based on a pro rata share of the market value of the underlying funds in the separate accounts.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
December 31, 2021				
Mutual Funds	\$ <u>29,570,344</u>	\$ <u>-</u>	\$ <u>-</u>	\$ 29,570,344
Measured at net asset value				<u>7,347,309</u>
				\$ <u>36,917,653</u>
December 31, 2020				
Mutual Funds	\$ <u>26,995,565</u>	\$ <u>-</u>	\$ <u>-</u>	\$ 26,995,565
Measured at net asset value				<u>8,290,562</u>
				\$ <u>35,286,127</u>

5. PARTY-IN-INTEREST TRANSACTIONS

The Plan participates in a revenue sharing arrangement with the trustee whereby the Plan receives funds to pay certain administrative expenses. These funds totaled approximately \$18,800 and \$25,000 for the years ended December 31, 2021 and 2020, respectively. These amounts are included as a reduction of administrative expenses on the statements of changes in net assets available for benefits.

6. TAX STATUS OF THE PLAN

The Plan is administered pursuant to a prototype plan. In a volume submitter letter dated June 19, 2014, the Internal Revenue Service (IRS) notified that the Plan, as then designed, was in compliance with the applicable sections of the IRC. The Plan has not received a determination letter specific to the Plan itself. The Plan has been amended since the volume submitter letter was received related to the prototype plan. However, the Plan administrator and the Plan's legal counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been made in the accompanying financial statements.

US GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by the IRS; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

7. SUBSEQUENT EVENTS

Plan management evaluated subsequent events through September 12, 2022, the date which the financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosure in these financial statements.
