Independent Auditors' Report

To the Trustees of
Friedman's Home Improvement 401(k) Profit Sharing Plan
Petaluma, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Friedman's Home Improvement 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Friedman's Home Improvement 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note G to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Friedman's Home Improvement 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Friedman's Home Improvement 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Friedman's Home Improvement 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Friedman's Home Improvement 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets Held for Investment Purposes at End of Year – Schedule H, line 4i as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

We were engaged to audit the accompanying statement of net assets available for benefits of Friedman's Home Improvement 401(k) Profit Sharing Plan as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note G, which was certified by John Hancock Trust Company LLC, the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance with DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Note A. Description of Plan

The following description of the Friedman's Home Improvement 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan is a single employer defined contribution retirement plan. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

In March 2020, the World Health Organization declared the novel coronavirus (COVID-19) outbreak a global pandemic. The impact of the COVID-19 global pandemic continues to evolve, and its future effects of the Plan's statements of net assets available for plan benefits and statements of changes in net assets available for plan benefits remain uncertain.

CARES Act – On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was signed into law. The provisions of the CARES Act affecting employer-sponsored retirement plans were optional. During 2020, the Plan opted into the following provisions of the CARES Act:

1. Distributions – Qualified individuals were permitted to take a coronavirus-related distribution of up to the lesser of \$100,000 or 100% of their vested account from the Plan, without incurring a 10% early withdrawal penalty. Eligible distributions were permitted to be taken until December 30, 2020. Distributions may be repaid to an eligible retirement plan within three years or a participant may elect to include these distributions in taxable income on a pro rata basis over three years.
2. Participant loans – Qualified individuals with loans outstanding were permitted to suspend 2020 loan repayments through December 31, 2020. Additionally, qualified individuals were eligible to borrow up to a maximum equal to the lesser of \$100,000 or 100% of their vested account balance during 2020 (an increase from \$50,000 and from 50% of their vested account balance previously permitted) with repayments suspended until 2021.

Eligibility – Effective November 1, 2017, employees of Friedman's Home Improvement (the "Company") are generally eligible to participate in the Plan after six months of service, providing they work at least 500 hours during such period and have attained age eighteen.

Plan Amendments – Effective January 1, 2016, the Plan was amended and restated in its entirety to conform to the requirements of the current IRS amendment cycle. Neither the restatement, in general, nor any of the discretionary amendments had a significant impact on the Plan's financial statements.

Participant Accounts – Participant's salary reduction contributions are credited to his or her salary reduction account and matching contributions made on a participant's behalf are credited to his or her matching contribution account. All such amounts are held in individual, participant directed accounts at the John Hancock Trust Company LLC ("John Hancock") and each such account receives its investment results. The benefit to which a participant is entitled is the benefit that can be provided from the vested portion of the participant's account.

Note A. Description of Plan (continued)

Contributions – A participant may make salary reduction contributions to the Plan during any year, in any amount with no maximum limitation other than as provided in the Internal Revenue Code. Each year, the Company at the discretion of the Board of Directors, may make matching contributions on behalf of those participants who made salary reduction contributions during the year. During 2021, the Company made matching contributions on a dollar-for-dollar basis equal to the participant's salary reduction contributions, but not greater than 3% of the participant's compensation, plus 50% of each participant's elective deferrals in excess of 3% but not in excess of 5% of the participant's compensation. In addition, each year, the Company at the discretion of the Board of Directors, may make nonelective contributions. The Plan's nonelective contribution formula is one which employs permitted disparity by recognizing contributions made to social security. For the year ended December 31, 2021, there were no nonelective contributions.

Vesting – A participant is always fully vested in his or her salary reduction account. Vesting in the employer contribution portion of the participant's account is based on years of service. A participant is 100% vested after six years of credited service. This vesting schedule applies to participants who did not complete one or more hours of service after December 31, 1993 and participants whose plan entry date was on or after January 1, 2004; all other participants are 100 percent vested.

Payment of Benefits – The benefit to which a participant is entitled is that which can be provided from the participant's account. On termination of service, a participant may elect to receive either a lump-sum amount equal to the value of the vested portion of his or her account, or the value of the vested portion of his or her account payable in periodic installments over a period not to exceed his or her life expectancy.

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account or other security which the advisory committee accepts. Loans, which qualify as home loans, bear interest at the prime rate in effect on the day the loan is funded, and all other loans bear interest at the prime rate in effect on the day the loan is funded plus two percent. The interest rates on participant loans range from 3.25% to 7.5%, with various maturities through September 2036.

Forfeited Accounts – At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$17,011. These accounts will be used as match contributions. There were no additional forfeitures in 2021.

Note B. Summary of Accounting Policies

Basis of Accounting – The financial statements of the Plan are prepared under the accrual method of accounting.

Risks and Uncertainties – The Plan utilizes various investment instruments, including mutual funds and common/collective trust funds. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Use of Estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Administrative Expenses – The Plan sponsor absorbs substantially all of the Plan's administrative costs, other than investment costs and fees charged by John Hancock. Fees incurred by participants and reflected in administrative expenses include loan fees, advisory fees, certain transactional fees, and fund redemptions fees. Costs and fees paid to John Hancock are netted from participant's accounts. Management fees and operating expenses charged to the Plan for investments are deducted from income earned and are not separately reflected. Consequently, these management fees and operating expenses are reflected as a reduction of investment return for such investments.

Investments – Investments are reported at fair value as certified by the Plan's custodian, John Hancock Trust Company LLC. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded when declared. Management fees and operating expenses charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. See Note C for discussion of fair value measurements.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. These notes receivable from Plan participants qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

Payment of Benefits – Benefit payments to participants are recorded upon distribution.

Excess Contributions Payable – Amounts payable to participants for contributions in excess of amounts allowed by the Plan and the IRS are recorded as a liability with a corresponding reduction to contributions.

Note C. Fair Value Measurements

The Plan classifies its investments based upon an established fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below.

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds – Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/Collective Trust Funds – Valued at the net asset value of units of a bank collective trust or its equivalent. The net asset value as provided by the trust is used as a practical expedient to estimate fair value. The net asset value is based on the fair value of the underlying investments held by the trust less its liabilities. This practical expedient is not used when it is determined to be probable that the trust will sell the investment for an amount different than the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan were to initiate a full redemption of a collective trust, the investment advisor generally reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Notes to the Financial Statements

Years Ended December 31, 2021 and 2020

Note C. Fair Value Measurements (continued)

The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value are as follows:

December 31, 2021	Level 1	Level 2	Level 3	Total
Investments at fair value:				
Mutual funds	\$ 2,553,805	\$ -	\$ -	\$ 2,553,805

Investments measured at NAV:				
Common/collective trust funds (a)				22,402,301

Investments measured at NAV:				
Common/collective trust funds (a)				19,626,023
Total investments				\$ 21,796,095

(a) Certain investments that are measured at fair value using the net asset value per share practical expedient have not been classified in the fair value hierarchy. The net asset value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

(a) The investment objective of these funds is to seek the highest total return consistent with each fund's asset mix. These funds are designed for retirement plan participants who will reach retirement age at or near the target year or who have a risk tolerance consistent with each fund's asset allocation. As the target year approaches, each fund's asset mix will become more conservative by decreasing the allocation to stocks and increasing the allocation to bonds and cash. By the time each fund reaches its target year, the asset allocation will become fixed and match that of the American Century In Retirement Trust.

(b) The fund seeks to achieve investment results that are similar to the price and yield performance, before fees and expenses of the MSCI EAFE Index. BlackRock uses a replication indexing strategy to manage the underlying fund by investing in substantially all of the securities of the Index in approximately the same proportions as the Index.

(c) The fund seeks to achieve investment results that are similar to the price and yield performance, before fees and expenses, of the S&P 500 Index. BlackRock uses a replication indexing strategy to manage the underlying fund by investing in substantially all of the securities of the Index in approximately the same proportions as the Index.

(d) The fund seeks to achieve investment results that are similar to the price and yield performance, before fees and expenses, of the S&P Mid Cap 400 Index. BlackRock uses a replication indexing strategy to manage the underlying fund by investing in substantially all of the securities of the Index in approximately the same proportions as the Index.

(e) The fund seeks to achieve investment results that are similar to the price and yield performance, before fees and expenses, of the Russell 2000® Index. BlackRock uses a representative sampling indexing strategy to manage the underlying fund by investing in substantially all of the securities of the Index in approximately the same proportions as the Index.

Note D. Related Party Transactions

The Plan's investment options, include certain mutual funds of John Hancock affiliates. John Hancock Trust Company LLC is the custodian and recordkeeper of the Plan assets and, therefore, participant investments in mutual funds within John Hancock qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing. The Company pays directly substantially all other fees related to the Plan's operations.

Note E. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Note F. Tax Status

The trust established under the Plan to hold the Plan's assets is qualified pursuant to the Internal Revenue Code (IRC), and, accordingly, the trust's net income is exempt from income taxes. The Plan has not applied for a determination letter from the Internal Revenue Service (IRS) to determine if the Plan is designed in accordance with applicable sections of the IRC. However, the Plan document is based upon a prototype profit sharing plan submitted to the IRS which received an IRS advisory letter dated March 31, 2015, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. Although the Plan has been amended since receiving the advisory letter, the Plan's administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provisions for income taxes have been included in the Plan's financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

Note G. Information Certified by the Custodian

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, John Hancock Trust Company LLC, the custodian of the Plan has certified the completeness and accuracy of:

- Participant directed investments and notes receivable from participants, reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020,
- Net appreciation in fair value of investments, interest and dividends reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2021, and
- Investments reflected on the schedule of assets (held at end of year).
