To the Participants and Trustees of the
Transition Projects, Inc. 401(k) Employee Savings Plan
Portland, Oregon

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Transition Projects, Inc. 401(k) Employee Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Transition Projects, Inc. 401(k) Employee Savings Plan Employee Benefit Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Transition Projects, Inc. 401(k) Employee Savings Plan Employee Benefit Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

To the Participants and Trustees of the
Transition Projects, Inc. 401(k) Employee Savings Plan

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Transition Projects, Inc. 401(k) Employee Savings Plan Employee Benefit Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Transition Projects, Inc. 401(k) Employee Savings Plan Employee Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Transition Projects, Inc. 401(k) Employee Savings Plan Employee Benefit Plan's ability to continue as a going concern for a reasonable period of time.

To the Participants and Trustees of the
Transition Projects, Inc. 401(k) Employee Savings Plan

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules, as noted in the Table of Contents, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TRANSITION PROJECTS, INC. 401(K) EMPLOYEE SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

June 30, 2022 and 2021

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value as determined by the Trustee's investment managers. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recognized in the period earned. Dividends are recorded on the ex-dividend date.

Expenses

Administrative costs not paid by the Organization are charged to the participant's accounts and apportioned based upon their relative account values. Investment related expenses are included in net appreciation (depreciation) of fair value investments, as they are paid through revenue sharing or asset based fees, rather than a direct payment. Direct fees were trivial.

NOTE C – INVESTMENTS

Unaudited Information Certified by Plan Custodian

The Plan Administrator has elected the methods of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Ascensus Trust Company, the custodian of the Plan, has certified to the completeness and accuracy of:

- Investments reflected on the accompanying statements of net assets available for benefits as of June 30, 2022 and 2021.
- Net appreciation in fair value of registered investment company assets, dividends, and interest reflected on the accompanying statements of changes in net assets available for benefits for the years ended June 30, 2022 and 2021.
- Investments reflected on the supplemental schedule of assets (held at the end of year).

June 30, 2022 and 2021

NOTE D – FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature provides a fair value hierarchy that prioritizes the input to valuation techniques used to measure fair value, in three levels of valuation.

- **Level 1** – Unadjusted quoted prices for identical assets in active markets.
- **Level 2** – Quoted prices for similar assets in active markets, quoted prices for identical or similar assets in active markets, or inputs derived principally from observable market data by correlation or other means.
- **Level 3** – Unobservable and significant to the fair value investment.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2022.

Registered Investment Companies (Mutual Funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Fair values of assets measured on a recurring basis at June 30 are as follows:

<u>June 30, 2022:</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered investment companies	\$ 2,303,474	\$ -	\$ -	\$ 2,303,474
Investments at fair value	\$ <u>2,303,474</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>2,303,474</u>
<u>June 30, 2021:</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered investment companies	\$ 2,469,745	\$ -	\$ -	\$ 2,469,745
Investments at fair value	\$ <u>2,469,745</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>2,469,745</u>

NOTE E – PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer reserves the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants are 100% vested in their accounts.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

June 30, 2022 and 2021

NOTE F – TAX STATUS

The trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code (IRC) and, accordingly, the trust's net investment income is exempt from income taxes. The Plan obtained its latest determination letter on January 1, 2018, in which the Internal Revenue Service stated that the Plan, as designed, was in compliance with the applicable requirements of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and currently is being operated in compliance with the applicable requirements of the Internal Revenue Code.

NOTE G – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that change in the values of investment securities will occur in the near term, and that such change could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE H – UNCERTAINTY

Recent economic uncertainty and volatility in the public investment markets resulting from recent global events has caused volatility in values of a significant number of traded investments across all categories. Whether and how much these market fluctuations will result in permanent or temporary loss cannot be reasonably estimated. Future changes in market prices may make such investments less valuable.

NOTE I – DELINQUENT CONTRIBUTIONS

There were delays by the Organization in submitting employee contributions to the Plan during the Plan years ended June 30, 2022 and 2021. The delayed contributions totaled \$81,908 for 2022 and \$72,488 for 2021 and were reported on Form 5500, Schedule H, Line 4a – Schedule of Delinquent Participant Contributions. The delinquent participant contributions were not remitted to the Plan within the time frame specified by the Department of Labor's Regulation 29 CFR 2510.3-102, thus constituting nonexempt transactions between the Plan and the Organization during the Plan year. The Organization has completed corrective action.

NOTE J – SUBSEQUENT EVENTS

Subsequent events have been evaluated through March 30, 2023, which is the date the financial statements were available to be issued.
