INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Wiss, Janney, Elstner Associates, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Wiss, Janney, Elstner Associates, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule of Assets Held at End of Year as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Plan Administrator of the
Wiss, Janney, Elstner Associates, Inc. 401(k) Plan

We were engaged to audit the accompanying statement of net assets available for benefits of Wiss, Janney, Elstner Associates, Inc. 401(k) Plan (the "Plan") as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that Fidelity Management Trust Company holds the Plan's investment assets and notes receivable from participants and executed related transactions. The plan administrator has obtained certification from the trustee as of December 31, 2020 that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

WISS, JANNEY, ELSTNER ASSOCIATES, INC. 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of the Wiss, Janney, Elstner Associates, Inc. (the “Plan Sponsor” and the “Plan Administrator”) 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is designed to provide retirement benefits to eligible employees. Employees may contribute up to 50% of their qualifying compensation to the Plan, up to the maximum permitted by federal law. In addition, participants who were age 50 or older during the plan year, and who contributed the maximum percentage or dollar amount to the Plan as permitted by law, are eligible to make additional catch-up contributions to the Plan. Employees may choose to contribute on either a pre-tax or after-tax basis (a “Roth”), or both. Pre-tax contributions are excluded from the employees’ current taxable income, whereas Roth account contributions are not. In addition, participants may make voluntary, non-deductible, after-tax contributions up to 7% of eligible compensation to the Plan, subject to deferral limits established by federal law.

Effective October 12, 2021, the Plan adopted an amendment which modified the after tax-employee contribution limit and the limit on the sum of a participant’s deferral contribution plus their employee contributions to 15% and 65% of compensation, respectively.

Recordkeeper and Trustee

Fidelity Management Trust Company (“Fidelity”) is the recordkeeper and trustee of the Plan and a qualified institution pursuant to the Employee Retirement Income Security Act of 1974 (“ERISA”).

Recent Legislation

The Coronavirus Aid Relief and Economic Security Act (“CARES Act”) was signed into law on March 27, 2020. The CARES Act allowed for Coronavirus-related distributions and loans to participants through the end of 2020 and has specific rules related to the qualification, distribution and repayment of such distributions and loans.

Participation

Employees of the Plan Sponsor who are age 18 or older and are scheduled to work at least 20 hours per week are eligible to participate in the Plan. In addition, employees who are age 18 or older and work less than 20 hours per week, interns, non-agency temporary employees and employees who have not previously been eligible to participate in the plan, each of whom have completed 1,000 hours of service during the 12-month period immediately following their start date or during the Plan year are also eligible to participate. Once an employee becomes eligible, they always maintain eligibility status. Newly hired eligible employees can participate in the Plan on the first administratively feasible payroll date following their date of employment.

See Independent Auditor’s Reports.

NOTES TO THE FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN *(Continued)*

Contributions

Participants may elect to contribute up to 50% of their eligible compensation, plus catch-up contributions, subject to maximum pre-tax contribution limitations permitted by the Internal Revenue Service (“IRS”). The Plan includes an automatic enrollment feature whereby the Employer will automatically withhold 6% of participant’s compensation after 60 days of employment. An employee may elect to decline participation by changing deferral percent to 0% within the 60 day enrollment period or any time thereafter. Participants may designate all or a portion of their contributions as Roth.

Effective January 1, 2020, the Plan Sponsor elected to contribute an amount equal to 110% of the first 6% of eligible compensation, as contributed by the participant (up to the maximum compensation permitted by federal law each year). Plan Sponsor contributions are made to employees’ pre-tax accounts regardless of whether employee contributions are made to a pre-tax or Roth.

Effective May 8, 2020, as a response to the economic uncertainty created by the COVID-19 pandemic, the Plan Sponsor suspended the employer matching contribution. Effective December 15, 2020, the Plan Sponsor elected to change its Safe Harbor matching employer contribution to a discretionary matching employer contribution. The matching of a portion of employee contributions was reinstated beginning with the first payroll in 2021.

The Plan may decide each contribution period whether to make a discretionary nonelective employer contribution on behalf of all eligible participants. Participants must be employed by the Plan Sponsor on the last day of the contribution period to receive the non-elective employer contribution. The cost of WJE’s discretionary match was \$6,621,771 for the year ended December 31, 2021.

Vesting

Participants’ contributions to the Plan, the Plan Sponsor’s matching contributions, and earnings thereon are immediately 100% vested.

Forfeited Accounts

Forfeited account balances will be utilized to reduce administrative expenses. There were forfeited account balances of \$2,662 and \$1,665 as of December 31, 2021 and 2020, respectively, which were utilized to reduce administrative expenses in the subsequent year.

See Independent Auditor’s Reports.

WISS, JANNEY, ELSTNER ASSOCIATES, INC. 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN *(Continued)*

Participant Accounts

Individual accounts are maintained for each participant. Participants direct the investment of both employee and Plan Sponsor contributions into various investment options offered by the Plan. Participants may change their investment options at any time.

Each participant's account is credited with the participant's contribution, the employer matching contribution, earnings of the investment options, return of fund specific expenses, and reduced by withdrawals and an allocation of Plan administrative expenses. The latter is based on participant's account balances.

Notes Receivable from Participants

Under the terms of the Plan, participants may borrow up to 50% of their account balance (minimum of \$1,000, not to exceed \$50,000). A participant is allowed a maximum of two loans outstanding. The maximum repayment duration of general purpose loans is five years. Loans for the purchase or construction of a primary residence may be repaid over a period of up to 15 years. Interest is charged on loans at a reasonable rate of interest as determined by the Plan Administrator. For loans that extend beyond five years, the fixed interest rate is Fidelity's fifteen-year mortgage rate. Interest and principal repayments are automatically deducted from the participant's biweekly payroll. Upon termination of employment, the loans continue to be payable in accordance with the provisions of the loan.

Benefit Payments

Upon retirement, long-term disability or termination of employment, a participant may elect to receive a lump-sum amount equal to the value of the participant's account, a portion of the account value, or installment payments in accordance with the terms of the Plan. In-service hardship withdrawals are available in accordance with the terms of the Plan.

See Independent Auditor's Reports.

WISS, JANNEY, ELSTNER ASSOCIATES, INC. 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN *(Continued)*

Administrative Expenses

All administrative expenses incurred for services provided to the Plan by outside vendors are paid by the Plan and borne by Plan participants. These administrative expenses are presented as deductions in the Statement of Changes in Net Assets Available for Plan Benefits. They include audit fees, investment advisory fees and recordkeeping fees. Fees associated with the required annual audit of the Plan by the Plan's independent accounting firm are negotiated annually. Investment advisory fees are assessed at a fixed annual charge. Recordkeeping services are calculated monthly based upon an annual fee scale, relative to Plan assets, which is 0.0325% of the market value of Plan assets. The Plan Sponsor incurs other plan administrative expenses associated with services provided by its employees to the Plan and are borne by the Plan Sponsor. Administrative expenses were reduced by a revenue credit of \$63,999 for the year ended December 31, 2021. The revenue credit results from the investment revenue that is credited back to participants' accounts who specifically invest in the funds generating the revenue credit.

Tax Status

The Plan is a volume submitter plan that had received an IRS opinion letter dated June 30, 2020 confirming its qualification under the applicable section of the Internal Revenue Code (the "Code"). The Plan Sponsor believes that the Plan is currently designed and being administered in accordance with applicable rules and regulations and the trust, forming a part of the Plan, is exempt from federal income taxes under Section 501 of the Code.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Concentration of Credit Risk

Substantially all of the Plan's assets are held by Fidelity.

See Independent Auditor's Reports.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (“GAAP”) requires the Plan Sponsor to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates. Future events and their effects cannot be predicted with certainty; accordingly, accounting estimates require the exercise of judgment. Accounting estimates used in the preparation of these financial statements change as new events occur, as more experience is acquired, as additional information is obtained, and as the operating environment changes.

Investment Valuation and Income Recognition

The investments of the Plan are reported at fair value. The fair value of a financial instrument is the amount that would be received upon sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of the investments within the Plan are reflected on a trade-date basis. Dividend income is recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation/depreciation includes the Plan’s gains and losses on investments bought, sold or held during the year.

Fair Value Measurements

ASC 820, *Fair Value Measurements and Disclosures*, provides guidance that defines fair value, establishes a framework for measuring fair value and expands disclosures about fair value measurements for both financial and non-financial assets. It also provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan Sponsor has the ability to access.

Level 2 Inputs to the valuation methodology include the following:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

See Independent Auditor’s Reports.

WISS, JANNEY, ELSTNER ASSOCIATES, INC. 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds

The fair value of these investments is determined by reference to the fund's underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds traded on national securities exchanges are valued at the net asset value as of December 31, 2021 and 2020, based on quoted market prices.

Collective Trust Fund

The collective trust fund is composed primarily of fully benefit-responsive investment contracts and is valued at the net asset value of units of the collective trust ("NAV"). The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Delinquent participant loans are reclassified as distributions in accordance with the terms of the Plan document.

See Independent Auditor's Reports.

WISS, JANNEY, ELSTNER ASSOCIATES, INC. 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Risks and Uncertainties

Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Plan Benefits and the Statement of Changes in Net Assets Available for Plan Benefits.

Benefit Payments

Benefit payments are recorded when paid.

3. PLAN TERMINATION

Although the Plan Sponsor expects to continue the Plan indefinitely, and management has not indicated any intention to do so, it has retained the right to amend or terminate the Plan at any time subject to the provisions of ERISA. In the event the Plan is terminated, the interest of any participant will not be diminished or adversely affected.

4. PARTIES-IN-INTEREST

Certain Plan investments are administered by affiliates of Fidelity. Since Fidelity is also the trustee of the Plan, these transactions are party-in-interest transactions.

See Independent Auditor's Reports.

5. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following is a summary of the unaudited information regarding the Plan, included in the Plan's financial statements and supplemental schedule that was prepared by Fidelity and furnished to the Plan Sponsor. The Plan Sponsor has obtained certification from Fidelity that the following information is complete and accurate:

- Investments as shown in the Statements of Net Assets Available for Plan Benefits as of December 31, 2021 and 2020;
- Notes receivable from participants as shown in the Statements of Net Assets Available for Plan Benefits as of December 31, 2021 and 2020;
- Net appreciation in fair value of investments, investment gain and dividends and interest on notes receivable from participants, as shown in the Statement of Changes in Net Assets Available for Plan Benefits for the year ended December 31, 2021;
- All investment balances included in the Schedule of Assets Held at End of Year; and,
- All investment balances in the Notes to the Financial Statements.

6. FAIR VALUE MEASUREMENTS

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Administrator believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Total Plan investment assets at fair value are classified by level as follows as of December 31, 2021 and 2020:

Investment Assets at Fair Value As of December 31, 2021
