Independent Auditors' Report

The Board of Directors of Tecomet 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Tecomet 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institutions).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by qualified institutions agree to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

**The Board of Directors of
Tecomet 401(k) Plan**

Page 3

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of: (1) Schedule H, Part IV, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 and (2) Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and to certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and to other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

**The Board of Directors of
Tecomet 401(k) Plan**

Page 4

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by qualified institutions agree to or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditors' Report

The Board of Directors of Tecomet 401(k) Plan

We were engaged to audit the accompanying statement of net assets available for benefits of Tecomet 401(k) Plan (the "Plan") as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Principal Life Insurance Company and Principal Trust Company, the trustees of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustees hold the Plan's investment assets and execute investment transactions. The plan administrator has obtained certifications from the trustees as of December 31, 2020, that the information provided to the plan administrator by the trustees is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

***Report on Form and Content in Compliance With DOL Rules and Regulations for 2020
Financial Statement***

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustees, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Tecomet 401(k) Plan

Notes to Financial Statements
December 31, 2021

1. Plan Description

The following description of the Tecomet 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that was established effective September 29, 2008, for the benefit of the employees of Tecomet (the "Company" or "Employer"). All employees of the Company, excluding on-call employees, union, leased, and non-resident aliens, who are at least 21 years of age may participate on their date of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Contributions

Each year, eligible employees may elect to contribute up to 100% of their eligible compensation on a pre-tax or after-tax (Roth) basis, subject to limitations established by the Internal Revenue Code ("IRC"). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company makes matching contributions to the Plan in an amount equal to 100% of the participant's elective deferrals up to 3% of their eligible compensation, plus 50% of their elective deferrals that are over 3% but not in excess of 5% of their eligible compensation. At the discretion of the Board of Directors of the Company, the Company may make additional contributions. The Company's discretionary contributions are dependent upon the profitability of the Company, and may be changed or eliminated at the Company's discretion. No discretionary contribution was made or elected to be made for the year ended December 31, 2021.

Vesting

Participants are immediately vested in their contributions and the Company's matching contributions plus actual earnings thereon. For any discretionary profit-sharing contributions, an employee will be fully vested after three years of service. Upon death or disability, the value of the participant's account becomes fully vested.

Participant Accounts

Each participant's account is credited with the participant's contributions plus allocations of (1) the Company contributions and (b) Plan earnings (losses) thereon. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All investments of the Plan are participant directed.

Tecomet 401(k) Plan

Notes to Financial Statements December 31, 2021

1. Plan Description (*continued*)

Forfeitures

Upon termination of employment, any non-vested portion of a participant's account is forfeited, and those forfeitures are used to reduce future Employer contributions or to pay Plan expenses. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$25,577 and \$13,516. During 2021, no forfeitures were used to reduce Employer contributions and \$22,873 of forfeitures were used to reduce Plan expenses.

Payment of Benefits

Benefits are paid to participants upon normal retirement age (age 65) or termination of employment from the Company, and are paid to a designated beneficiary in the event of the participant's death. Payment of vested amounts may be made in a lump sum, or, if elected by the participant, in the form of an annuity.

Expenses

Payment of administrative expenses of maintaining the Plan are determined by the Company. Certain administration fees are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum amount of \$2,000 up to a maximum amount equal to the lesser of 50% of a participant's vested account balance or \$50,000, subject to the approval of a loan application. Participants may not have more than two loans outstanding at any time. The interest rate will be based on rates available for similar loans from commercial lending institutions as determined by the Plan Administrator. Loans are repaid through payroll deductions within a five-year period, unless the loan was made to acquire a primary residence, in which case the loan can be repaid over a thirty-year period.

2. Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("US GAAP"), which requires management to make certain estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Fair Value Measurements

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

Tecomet 401(k) Plan

Notes to Financial Statements
December 31, 2021

2. Summary of Significant Accounting Policies (*continued*)

Fair Value Measurements (continued)

Pursuant to U.S. GAAP guidance, alternative investments where fair value is measured using the Net Asset Value ("NAV") per share as a practical expedient are not categorized within the fair value hierarchy.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Mutual funds held by the Plan are valued at fair value based on the daily closing price as reported by the funds. All of the mutual funds are open-ended and are registered with the Securities and Exchange Commission. These mutual funds are required to publish their daily NAV and to transact at that price. These funds are deemed to be actively traded. The pooled separate account is reported at the value reported to the Plan by the insurance company, which represents the fair value of the underlying investments comprising the account. The common/collective trusts are valued at the NAV of units held by the Plan. The NAV, as provided by the trustees, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued unpaid interest. If a participant ceases to make loan repayments and the plan administrator deems the loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is April 14, 2023.

3. Information Certified (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) including investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments, dividends, and interest on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Principal Life Insurance Company and Principal Trust Company, qualified institutions.

(*) As discussed in Note 2, investments that are measured using the practical expedient are not classified within the fair value hierarchy.

There are no unfunded commitments on the Plan's investments.

5. Common/Collective Trusts

Principal LifeTime Hybrid Collective Investment Funds

The Plan offers 13 common/collective trusts called the Principal LifeTime Hybrid Collective Investment Funds ("Funds"). The funds include: the Principal LifeTime Hybrid Income Fund; the Principal LifeTime Hybrid 2010 Fund; the Principal LifeTime Hybrid 2015 Fund; the Principal LifeTime Hybrid 2020 Fund; the Principal LifeTime Hybrid 2025 Fund; the Principal LifeTime Hybrid 2030 Fund; the Principal LifeTime Hybrid 2035 Fund; the Principal LifeTime Hybrid 2040 Fund; the Principal LifeTime Hybrid 2045 Fund; the Principal LifeTime Hybrid 2050 Fund; the Principal LifeTime Hybrid 2055 Fund; the Principal LifeTime Hybrid 2060 Fund; and the Principal LifeTime Hybrid 2065 Fund. The unit value of each of these Funds is determined on a daily basis. Units are issued and redeemed at their unit value. Net investment income and realized and unrealized gains and losses on investments are not distributed to participants but are reflected in the unit value.

5. Common/Collective Trusts (*continued*)

MetLife Stable Value Solutions J Fund

The MetLife Stable Value Solutions J Fund (the “J Fund”) is a common/collective trust. The J Fund is 100% invested in the MetLife Group Annuity Contract No. 25554 (the “Contract”), which is issued by Metropolitan Life Insurance Company to Wilmington Trust, N.A., who serves as trustee for the Contract and the J Fund. This contract is comprised of three separate accounts: the MetLife Aggregate Bond Index Fund, the Wilmington Short/Intermediate Bond Fund, and the Wilmington Broad Market Bond Fund. Units of the Fund are valued each day on which the New York Stock Exchange is open for trading in accordance with the valuation procedures established Wilmington Trust, N.A.

The NAV per unit is computed by dividing the total contract value of the assets of the Fund, less its liabilities, by the total number of units outstanding at the time of such computation. Investment income earned is reinvested in the Fund and included in the determination of unit values. Unit purchases and redemptions are transacted at the NAV per fee class (J Fund is a fee class) determined as of the close of business each day.

BlackRock Institutional Trust Company, N.A. Collective Funds

The Plan offers 4 common/collective trusts called the BlackRock Institutional Trust Company, N.A. Collective Funds of Wilmington Trust Collective Investment Trust (“BlackRock Funds”). The BlackRock funds include: the BlackRock EAFE Equity Index CI R Fund; the BlackRock Equity Index CI R Fund; the BlackRock MidCap Equity Index CI R Fund; and the BlackRock Russell 2000 Index CI R Fund. The unit value of each of these BlackRock Funds is determined on a daily basis. Units are issued and redeemed at their unit value. The NAV per unit is computed by dividing the total fair value of the assets of a BlackRock Funds, less their liabilities, by the total number of units outstanding at the time of such computation. Investment income earned is reinvested in the BlackRock Funds and included in the determination of unit values.

6. Party-In-Interest Transactions

Principal Life Insurance Company and Principal Trust Company are the trustees as defined by the Plan. Certain investments of the Plan are managed by affiliates of the trustees. Therefore, these transactions qualify as exempt party-in-interest transactions under ERISA.

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA.

A separate account is maintained by the Principal Life Insurance Company, which receives payments from the Principal Life Insurance Company pursuant to a written agreement with the Employer. Under the agreement, the Employer can use the amounts in the account to pay for administrative expenses incurred by the Plan. Any unused amounts on or before March 15th following the calendar year in which the Plan expense accrued revert back to the Principal Life Insurance Company. The account is not considered a Plan asset. These transactions are considered allowable party-in-interest transactions under ERISA. The payments amounted to \$169,678 for the year ended December 31, 2021.

7. Prohibited Transactions

During 2018, 2019, 2020 and 2021, the Employer failed to remit to the Plan certain participants' contributions and loan repayments totaling \$477,972 within the period prescribed by Department of Labor regulations. During 2021, pursuant to the guidance issued by the Department of Labor, lost earnings were calculated and allocated to affected participants by the Employer for \$381,350 of the delinquent participants' contributions and loan repayments. For the remaining \$96,622 of delinquent participants' contributions and loan repayments, lost earnings were calculated and allocated to affected participants in the Plan by the Employer during 2023.

8. Tax Status

The Internal Revenue Service ("IRS") has determined and informed the prototype document preparer by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the IRC. The plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

9. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants would become 100% vested in their Employer discretionary profit sharing contributions.

10. Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The global and domestic economic uncertainty has resulted in significant volatility in financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2021 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted.
