Plan Administrative Committee and Participants of the  
Intercontinental Terminals Company LLC 401(k) Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements**

We have performed an audit of the financial statements of Intercontinental Terminals Company LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Other Matters**

### **2021 Supplemental Schedule Required by ERISA**

The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Auditors' Report on the 2020 Financial Statements**

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 30, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

**NOTE 1 - DESCRIPTION OF THE PLAN - Continued**

*Investment Options* - Each participant may direct the investment of his contributions, the Company's matching contribution, and the Company's profit sharing contribution. Participants may choose from among various individual investment options that have varying degrees of risk and potential return. These options include mutual funds as well as money market accounts. Participants may change their investment options daily.

*Participant Notes Receivable* - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the Participant Notes Fund. Loan terms range from 1-5 years and bear an interest rate that is equal to the Prime Rate, as stated in the Wall Street Journal, plus 2%.

The loans are secured by the balance in the participant's account. Interest rates range from 5.25% to 7.5%. Principal and interest is paid ratably through payroll deductions. Maturity dates ranged from January 2022 to December 2026, as of December 31, 2021.

Rates are updated at the beginning of each month and shall be calculated at the time of application. Loan paperwork that is not returned within 30 days of application must be resubmitted.

*Participant Accounts* - Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) plan earnings and (c) charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

*Vesting* - Participants' contributions are fully vested at all times. Beginning January 1, 2008, the Company elected to change to a safe harbor matching contribution, instead of matching a discretionary amount each year. Participants are immediately vested 100% in any safe harbor matching contributions.

Forfeitures of terminated participants' non-vested interest may be used to pay for plan expenses or allocated to active participants at the end of the plan year on the basis of the participants' compensation.

*Forfeited Accounts* - At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$83,364 and \$22,126, respectively.

*Plan Termination* - The Company may terminate the Plan for any reason at any time. If the Plan were terminated, all participants affected would be fully vested in their benefits as of the date of termination.

*Administration* - Administrative and recordkeeping services, including maintaining participant records and allocating the Plan's income and contributions, were provided by Transamerica Retirement Solutions, LLC (Transamerica) for the years ended December 31, 2021 and 2020.

Certain administrative and record keeping fees charged by Transamerica are deducted from the associated forfeiture accounts. The remaining administrative and recordkeeping fees are shared between the plan sponsor and plan participants.

*Plan Amendments* - Effective January 1, 2018, the Company adopted the Transamerica Retirement Solutions, LLC Volume Submitter 401(k) Profit Sharing Plan.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

*Basis of Accounting* - The financial statements of the Plan have been prepared on the accrual basis of accounting.

*Estimates* - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

*Value of Investments* - Investments in mutual funds are stated at current fair value based on quoted market prices in active markets to which the Plan has access. Investments in the common collective trust fund are valued at the unit of participation value of shares held by the Plan at year end.

*Investment Income Recognition* - Interest and dividend income is recorded as earned.

*Gain and Loss Recognition* - Net gains or losses on investments sold represent the difference between proceeds from sales and the current fair value of assets at the beginning of the year or historical cost if the investment was acquired during the year. The net appreciation or depreciation of fair value of investments held at year-end is reflected in the statements of changes in net assets available for benefits.

*Cash and Cash Equivalents* - Cash and cash equivalents include cash on hand and money market instruments with maturities of three months or less.

*Reporting of Participant Loans* - Loans issued to participants are reported as notes receivable, segregated from plan investments and are measured at their unpaid principal balances plus accrued but unpaid interest.

*Distributions* - Distributions to participants are recorded by the Plan when actual payment is made. Distributions not paid as of the end of the plan year are included in Net Assets Available for Benefits. At December 31, 2021 and 2020, there were no such participant distributions yet to be paid.

Distributions related to excess participant contributions are required to be segregated from Net Assets Available for Benefits and shown as liabilities of the Plan. As of December 31, 2021 and 2020, there were no refunds of excess participant contributions.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued**

*Fair Value Measurements* - The Plan has implemented Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, issued by the Financial Accounting Standards Board. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1      Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2      Inputs to the valuation methodology include:

Quoted prices for similar assets or liabilities in active markets;

Quoted prices for identical or similar assets or liabilities in inactive markets;

Inputs other than quoted prices that are observable for the asset or liability;

Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3      Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021.

Mutual funds - Valued at the net asset value (NAV) of shares held at year end.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued**

*Fair Value Measurements - Continued*

Interest-bearing cash - Valued at year-end bank statement balances.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

*Subsequent Events* - Management of the Plan has evaluated subsequent events for disclosure through the date of the Independent Auditors' Report, the date the financial statements were available to be issued.

**NOTE 3 - CERTIFIED FINANCIAL INFORMATION - UNAUDITED**

As permitted by 29 CFR 2520.103-8 of the Department of Labor with respect to reporting and disclosure under ERISA, State Street Bank and Trust Company has certified to the Plan Administrator that the all investments (stated at fair value or contract value) and participant notes receivable, together with all other transactions which affect those Plan assets, are complete and accurate.

The Plan's investments and participant notes receivable are held by the trustee, State Street Bank and Trust Company. Investments are presented at fair value as determined by quoted market or contract prices as determined by the trustee. Participant loans are presented at their unpaid principal balances plus accrued but unpaid interest. The Plan's assets and related transactions, as certified by the trustee at December 31, 2021 and 2020, are summarized as follows.

**NOTE 5 - INCOME TAXES**

The Plan is qualified under Section 401(a) and therefore is exempt from taxation under Section 501(a) of the Internal Revenue Code. The Plan received a favorable letter of determination from the Internal Revenue Service (IRS) dated May 27, 2014. Generally, contributions to a qualified plan are deductible by the Company when made, earnings of the Plan are tax-exempt, and participants are not taxed on their benefits until withdrawn from the Plan. Management is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to the year ended December 31, 2018.

**DECEMBER 31, 2021 AND 2020**

**NOTE 6 - INVESTMENT CONTRACT WITH INSURANCE COMPANY**

The Plan entered into a fully benefit-responsive common collective trust with Transamerica. Transamerica maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The common collective trust issuers are contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the common collective trust is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the common collective trust. The common collective trust is presented on the face of the statement of net assets available for benefits at contract value in arriving at net assets available for benefits. Contract value, as reported to the Plan by Transamerica, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the Plan's ability to transact at contract value with Transamerica. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that any events that would limit the Plan's ability to transact at contract value with plan participants are probable of occurring.

The common collective trust does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

**NOTE 7 - TRANSACTIONS WITH PARTIES-IN-INTEREST**

During the years ended December 31, 2021 and 2020, the Plan paid various service providers administrative, accounting, and consulting fees of \$87,440 and \$90,858, respectively.
