INDEPENDENT AUDITOR'S REPORT

To Plan Management & Participants of
Northeast Precast, LLC 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Northeast Precast, LLC 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in *Note 6* to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section –

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of Northeast Precast, LLC 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Northeast Precast, LLC 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Northeast Precast, LLC 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Northeast Precast, LLC 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITOR'S REPORT

To Plan Management & Participants of
Northeast Precast, LLC 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Northeast Precast, LLC 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in *Note 6* to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section –

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of Northeast Precast, LLC 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Northeast Precast, LLC 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Northeast Precast, LLC 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Northeast Precast, LLC 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (Continued)

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of *Schedule H, Line 4i – Schedule of Assets (Held at End of Year)* for the Plan year ended December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Northeast Precast, LLC 401(k) Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 3, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NORTHEAST PRECAST, LLC 401(k) RETIREMENT PLAN

Notes to Financial Statements

NOTE 1: DESCRIPTION OF PLAN

The following description of **Northeast Precast, LLC 401(k) Retirement Plan** ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan provisions.

General

The Plan is a defined contribution plan covering all employees of the Northeast Precast, LLC who have completed at least one year of service with the employer (1,000 service hours) and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Each year, active and eligible participants may elect to contribute a portion of eligible compensation to be withheld from each payroll as a pre-tax deferral or as a Roth deferral. Participants may contribute up to the maximum amount allowed by law, which is \$19,500 (i.e., Code 402(g) and 415) for Plan years 2021 and 2020, as defined by the Internal Revenue Service ("IRS"). The amount of eligible compensation that a participant decides to defer into the Plan as a pre-tax deferral will be contributed on a pre-tax basis, meaning that the Plan contributions will not be taxed until they are withdrawn from the Plan. Roth deferrals are contributed to the Plan from amounts that have already been treated as taxable income. Participants who have attained age 50 prior to the end of the Plan year are eligible to make catch-up contributions. The catch-up contribution limit for Plan years 2021 and 2020 is \$6,500, as defined by the IRS. These catch-up contributions are eligible for matching contributions from the employer. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers).

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers approximately thirty funds as investment options for participants and does not include an automatic enrollment or deferral provision. Once an eligible participant elects to enroll in the Plan, they are immediately 100% vested in their contributions plus actual earnings thereon. Vesting in Northeast Precast, LLC's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. The employer may make discretionary matching contributions, based on the percentage of compensation deferred into the Plan by each participant. The employer may also make qualified nonelective contributions in order to satisfy special nondiscrimination rules that apply to the Plan.

Profit-sharing contributions may also be made in an amount to be determined by the employer's governing body. The profit-sharing contribution made by the employer is to be allocated using a pro rata formula. Under this formula, the employer's contribution is divided among all eligible Plan participants based on their compensation as compared to all eligible participants' compensation. The allowable amounts contributed by the participant and on behalf of the participant by the employer for the 2021 and 2020 Plan years, is the lesser of \$58,000 or 100% of the participant's annual eligible compensation. If excess contributions are made to the Plan, the participant must take out the excess amount, plus any earnings thereon by March 15 of the subsequent Plan year. The excess amount is taxable to the participant in the year it was contributed to the Plan and may be subject to additional taxes if not removed in a timely manner. Life insurance investments are not available under the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) Northeast Precast, LLC's contribution and, (b) Plan earnings (until participants who have elected to withdraw have been paid), and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

The Plan is designed to help employees save for retirement, and does not permit any participant loans.

NOTE 1: DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Northeast Precast, LLC's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service. 1,000 service hours during each Plan year earns a year of vesting service. Please see below for the vesting schedule used to apply profit-sharing and matching contributions.

Years of	Percentage
Zero	0%
One	0%
Two	20%
Three	40%
Four	60%
Five	80%
Six	100%

Payments of Benefits

On termination of employment due to death, disability or retirement, as defined by the Plan, a participant automatically becomes 100% vested in all accounts and the participant, or in the case of death, the beneficiary may elect to receive either a lump-sum distribution in the amount equal to the value of the participant's vested interest in his or her account, or partial payments over a predetermined period. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a distribution, which may be subject to other penalties, restrictions, and forfeitures.

A participant may be entitled to receive an in-service distribution from the Plan prior to termination of employment provided the participant has attained the age of 59 1/2. In the event of a hardship, participants may withdraw money for financial support if certain conditions are satisfied. Qualifying expenses to satisfy conditions for a hardship distribution include:

- 1) Expenses for medical care previously incurred by the participant and/or their spouse and dependents;
- 2) Costs directly related to purchase of principal residence, not including mortgage payments;
- 3) Amounts necessary to prevent eviction and/or foreclosure of principal residence;
- 4) Burial or funeral costs for the deceased participant's parent, spouse, children or other dependents; and
- 5) Tuition, related education fees, and room and board for the next twelve months of post-secondary education for the participant and/or their spouse and dependents.

At December 31, 2021 and 2020, there were eleven (11) terminated and/or retired participants with vested account balances totaling \$49,356 that have not been paid and ten (10) terminated and/or retired participants with vested account balances totaling \$42,212 that have not been paid respectively.

Forfeited Accounts

At December 31, 2021 and 2020, unallocated forfeited non-vested accounts totaled \$0 and \$0, respectively. As defined by the Plan, allocation of forfeitures for matching, excess aggregate, and profit-sharing contributions will be used to reduce future employer contributions, if available.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation & Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or pay to transfer a liability in an orderly transaction between market participants at the measurement date. Quoted market prices are used to value investments. Shares of mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year end.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/(depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of Benefits

Benefits are recorded when paid to participants.

Administrative Expenses

The Plan assesses certain fees against individual accounts, rather than against the Plan as a whole when individual participants initiate certain transactions or utilize certain plan services. These expenses may be allocated among all participants, or charged directly to the related participant, which then the expense is paid out of their account balance. Fees that are directly related to the participants include, but are not limited to, exercising withdrawal/distribution rights and fees related to direction of investments such as sales charges, loads commissions, and management fees.

The employer is responsible for fees related to various services provided by The Vanguard Group, Inc., the administrative services provider to the Plan. The main administrative fees payable by the employer include, but are not limited to installation and plan set-up fees, recordkeeping and trustee services, custodian services, internet access to Plan information, retirement planning tools, and education materials. Expenses paid for by Northeast Precast, LLC are excluded from the financial statements. At December 31, 2021 and 2020, administrative expenses totaled \$10,346 and \$6,292 respectively.

Newly Adopted Accounting Standards

In July 2019, the American Institute of Certified Public Accountants ("AICPA") Auditing Standards Board ("ASB") issued Statement on Auditing Standards ("SAS") No. 136, *Forming an Opinion and Reporting on Financial Statement of Employee Benefit Plans Subject to ERISA*. This accounting standard, as amended, prescribed certain new performance requirements for an audit of financial statements of employee benefit plans subject to the Employee Retirement Income Security Act of 1974, and changes the form and content of the related auditor's report. This accounting standard was adopted for the Plan year ended December 31, 2021.

NOTE 3: PLAN TERMINATION

Although it has not expressed any intent to do so, Northeast Precast, LLC has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. Upon termination of the Plan, the employer will promptly notify The Vanguard Group, Inc. of the effective date of such termination.

NORTHEAST PRECAST, LLC 401(k) RETIREMENT PLAN

Notes to Financial Statements

NOTE 4: RISKS & UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statement of net assets available for benefits.

In the normal course of business, the Plan sponsor conducts operations in the Mid-Atlantic region. Its revenues and discretionary contributions to the Plan are dependent upon the general business climate in this area. In addition, the Plan's contributions are dependent upon contributions from employees of the Plan sponsor and these contributions are voluntary.

NOTE 5: TAX STATUS

The Plan has received a determination letter from the IRS dated January 1, 2018, stating that the Plan is qualified, under the Internal Revenue Code ("IRC"), and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed, and being operated, in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan is qualified, and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6: CERTIFIED INVESTMENTS

NOTE 9: FAIR VALUE MEASUREMENTS

Northeast Precast, LLC 401(k) Retirement Plan measures fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into the following three broad levels:

Level 1 Inputs : Prices in markets for identical assets and liabilities that can be accessed at the measurement date.

Level 2 Inputs : Observable market-based inputs or unobservable inputs that are corroborated by market data.

Level 3 Inputs : Significant unobservable inputs for the assets or liabilities that are not corroborated by market data.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds : Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money Market : Valued at quoted prices in an active market, which represents the net asset values of shares held by the Plan.

NOTE 9: FAIR VALUE MEASUREMENTS (CONTINUED)

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. Plan management evaluates the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. For the years ended December 31, 2021 and 2020, there were no transfers between levels.

NOTE 10: OPERATIONAL DEFECT

During the year ended December 31, 2021, it was discovered that certain of the Plan's provisions were not properly applied in the daily operation of the Plan. The definition of *compensation for participant and employer contributions* as per the Plan document was not properly applied when calculating contribution amounts. The Plan administrator determined the affected participants and deposited \$15,872 into the Plan in October 2022 to make the affected participants and the Plan whole, including interest which is included in the financial statements as contributions receivable at December 31, 2021.

NOTE 11: DATE OF MANAGEMENT'S REVIEW OF SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 13, 2022, the date which the financial statements were available to be issued.
