INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Holyoke-Chicopee-Springfield Head Start, Inc.
403(b) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Holyoke-Chicopee-Springfield Head Start, Inc. 403(b) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, line 4i-Schedule of Assets (Held At End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Holyoke-Chicopee-Springfield Head Start, Inc. 403(b) Retirement Plan, which comprise the statements of net assets available for benefits as of December 31, 2020, and the related statements of changes in net assets available for benefits for the year ended December 31, 2020, and the related notes to the 2020 financial statements.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by Principal Trust Company (Principal), qualified institution, except for comparing such information with the related information included in the 2020 financial statements.

Our audit report dated September 7, 2021, indicated that because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 Financial Statements.

HOLYOKE-CHICOPEE-SPRINGFIELD HEAD START, INC.
403(b) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan

The following description of Holyoke-Chicopee-Springfield, Inc. (“the Organization”) 403(b) Retirement Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General Information

The Organization established the Plan to provide employees with a systematic means of saving and investing for the future. All eligible employees of the Organization, as defined in accordance with the universal availability standards are eligible to enroll on their date of hire. The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Board of Trustees is responsible for oversight of the Plan. The Finance Committee determines the appropriateness of the Plan’s investment offerings, monitors investment performance and reports to the Organization’s Board of Trustees.

Plan Contributions

Participants may contribute up to the maximum amount allowed by law by means of payroll deductions, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover). Participants direct the investment of their contribution into various investment options offered by the Plan. The Organization may make discretionary matching contributions to the Plan. Currently, the Organization contributes up to 3% of the participant’s elective deferrals.

Participant Accounts

Each participant’s account is credited with the participant’s contributions and the Organization’s contributions, as well as an allocation of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are always 100% vested in their own contributions. Participants are 50% vested in employer contributions after two years of service and 100% vested after three years of service.

403(b) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS, Continued

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account. Loan terms range from 1-5 years or will extend to 15 years for the purchase of a primary residence. The loans bear interest at a commercially reasonable rate ranging from 3.25% to 5.50%. Principal and interest are paid ratably through payroll deductions or by such other method permitted under the Plan.

Payment of Benefits

Upon retirement, termination, disability or death, a participant or beneficiary may receive the entire amount credited to the participant's account in either a lump sum or other form permitted by the Plan at the participant's election. There are also provisions for hardship benefits and in-service distributions when a participant reaches the age of 59 ½.

2. Significant Accounting Policies

New Accounting Pronouncement Implemented During Prior Year

In August 2018, the Financial Accounting Standards Boards ("FASB") issued Accounting Standards Update ("ASU") 2018-13. "*Fair Value Measurement (Topics 820) – Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement*," a new standard that streamlines the disclosure requirement was adopted by the Plan on January 1, 2020. ASU 2018-13 removes, modifies, and adds certain disclosure requirements. The guidance is effective for annual reporting periods beginning after December 15, 2019. The provisions of ASU 2018-13 are required to be adopted retrospectively, with the exception of disclosure of the range and weighted average of significant unobservable inputs used to develop level 3 measurements, which can be adopted prospectively. The Plan adopted ASU 2018-13 as of January 1, 2020. The standard has no material impact on its financial statements and related disclosures.

403(b) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS, Continued

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment contracts held by a defined-contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Payments of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Finance Committee determines the Plan's valuation policies utilizing information provided by the investment advisor, insurance company, and custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principle balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

403(b) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS, Continued

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Organization. Expenses that are paid by the Organization are excluded from these financial statements. Fees related to the administration of the Plan are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through July 11, 2022, which is the date the financial statements were available to be issued.

3. Information Certified by Insurance Company

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Principal, the custodian of the Plan.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the accompanying financial statements and supplemental schedule.

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

HOLYOKE-CHICOPEE-SPRINGFIELD HEAD START, INC.
403(b) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS, Continued

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

The following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 or 2020.

Registered investment companies: Invested primarily in mutual funds. Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. Money market funds are valued at amortized cost.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	<u>2021</u>	<u>2020</u>
Level 1 Valuation:		
Registered investment companies	\$ 8,513,588	\$ 7,351,080

There were no Level 2 or Level 3 valuation measurements for the years ended December 31, 2021 and 2020.

HOLYOKE-CHICOPEE-SPRINGFIELD HEAD START, INC.
403(b) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS, Continued

5. Guaranteed Investment Contract

The Plan has a guaranteed investment contract with Principal. Principal maintains the contributions in a general account, the Fixed Income Option Non 401(A). The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Any additional interest is not guaranteed. The Fixed Income Option Non 401(A) does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The contract is considered fully benefit-responsive; contract value is the relevant measurement attribute for the statement of net assets available for benefits. Contract value, as reported to the Plan by Principal, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: 1) amendments to the Plan documents (including complete or partial Plan termination or merger with another Plan), 2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, 3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, 4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or 5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract value with the Plan and settle at an amount different from contract value. Such events include the following: 1) an uncured violation of the Plan's investment guidelines, 2) a breach of material obligation under the contract, 3) a material misrepresentation, and 4) a material amendment to the agreement without the consent of the issuer.

6. Related Party Transactions and Party-In-Interest

The Plan invests in unallocated insurance contracts and mutual funds managed by the Plan's custodian. Principal is the custodian as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions.

Certain employees and officers of Organization, most of whom are also participants in the Plan, perform administrative services to the Plan at no cost to the Plan.

HOLYOKE-CHICOPEE-SPRINGFIELD HEAD START, INC.
403(b) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS, Continued

Related Party Transactions and Party-In-Interest, continued

Pioneer Valley Financial Group, an investment advisor, provides investment management and consultation services to the Plan and its participants. As a provider of services to the Plan, these transactions qualify as party-in-interest transactions.

The Angell Pension Group, Inc., a third-party administrator, provides administrative services to the Plan. As a provider of services to the Plan, these transactions qualify as party-in-interest transactions.

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. Tax Status

The Company has adopted a prototype Plan document and is relying on the prototype sponsor's opinion letter from the Internal Revenue Service (IRS) dated March 31, 2017. The letter states that the prototype and related trust are designed in accordance with applicable sections of the IRC. Plan management believes the Plan is currently designed and operated in compliance with applicable requirements of the Code. Therefore, no provision for income tax has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken any uncertain position that is likely would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expect to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to tax examinations for years prior to 2018.

9. Plan Termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to amend, modify, or terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.
