CERTIFIED PUBLIC ACCOUNTANTS

Independent Auditor's Report

To the Board of Trustees of United Bancorp, Inc. of Martins Ferry, Ohio Employee Stock Ownership Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of United Bancorp, Inc. of Martins Ferry, Ohio Employee Stock Ownership Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of United Bancorp, Inc. of Martins Ferry, Ohio Employee Stock Ownership Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 10 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of United Bancorp, Inc. of Martins Ferry, Ohio Employee Stock Ownership Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about United Bancorp, Inc. of Martins Ferry, Ohio Employee Stock Ownership Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of United Bancorp, Inc. of Martins Ferry, Ohio Employee Stock Ownership Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about United Bancorp, Inc. of Martins Ferry, Ohio Employee Stock Ownership Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Assets Held at End of Year as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Participation

Prior to December 31, 2020, employees of the Company and its participating subsidiaries were generally eligible to participate in the Plan after one year of service, providing they worked at least 1,000 hours during such plan year, and are employed on the last working day of the plan year. Effective January 1, 2021, this requirement was effectively transferred to the related United Bancorp, Inc. of Martins Ferry, Ohio 401(k) Savings Plan and Trust (401(k) Plan).

Participant Accounts

The Plan is a defined contribution plan under which a separate individual account is established for each participant.

Prior to December 31, 2020, each participant's account was credited with an allocation of shares of the Company's common stock released by the Trustee from the unallocated account (matching and profit sharing) and forfeitures of terminated participants' nonvested accounts:

- *Matching* – 50% of the amount deferred by participant in the 401k Plan, up to 3%.
- *Profit Sharing* – After allocating the matching contribution, the Company has the discretion to allocate the remaining shares. These allocations are based on participant's eligible compensation, relative to total eligible compensation.
- *Forfeitures* – Any accounts forfeited are allocated based on participant's eligible compensation, relative to total eligible compensation.

Effective January 1, 2021, shares of the Company's common stock were not added to participant accounts. Instead, the employer matching contributions were made through cash contributions posted to the participant accounts in the 401k Plan.

1. Description of Plan (Continued)

Vesting

Participants are fully vested in the ESOP contributions after three years of service with no vesting prior to that time. Participants terminating due to normal retirement, death, or disability will be 100% vested.

Deferred Vested Balances

A number of the Plan's vested participants have terminated their employment with United Bancorp, Inc. Participants who are eligible to receive distribution benefits are provided the option of keeping a balance in the Plan. The total value of vested benefit payments deferred was \$1,424,339 as of December 31, 2021 and \$1,304,442 as of December 31, 2020.

Payment of Benefits

In accordance with ASC 965, benefits are recorded when paid.

No distributions from the Plan will be made until a participant retires, dies (in which case, payment shall be made to the participant's beneficiary or his or her legal representatives) or otherwise terminates employment with the Company and its participating subsidiaries.

Distributions are made in the form of Company common shares plus cash for any fractional share. The shares exiting the plan are valued at the trading price in effect on the date of the trade less commission.

Voting Rights

Each participant is entitled to exercise voting rights attributable to the shares allocated to his or her account and is notified by the Trustee prior to the time that such rights are to be exercised. The Trustee is not permitted to vote any share for which a participant has not given instructions. The Trustee is required, however, to vote any unallocated shares on behalf of the collective best interest of Plan participants and beneficiaries.

Diversification

Participants have the right to direct the investment of any amount of their Company Stock Account once they have completed three years of service by directing the trustee in writing to sell the number of shares from Company stock accounts and transfer the proceeds to the Company's 401(k) Plan where the proceeds can be used to purchase the investment funds that are available through that Plan. As of December 31, 2021 and 2020, no participants had elected this option.

Forfeitures

Plan forfeitures are allocated to each participant's account based upon the relation of the participant's eligible compensation to total eligible compensation for the Plan year. Forfeitures allocated to participants for the years ended December 31, 2021 and 2020 totaled \$0 and \$6,284 respectively.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Allocations

Prior to December 31, 2020, the financial statements of the Plan presented separately the assets and liabilities and changes therein pertaining to (a) the accounts of employees with rights in allocated stock (allocated) and (b) stock not yet allocated to employees (unallocated), including shares that are committed to be released. Shares were released from collateral and become allocated generally in the period in which debt service was actually paid.

The loan, discussed in Note 8, was paid in full on December 31, 2020. As a result, the Plan's management allocated the remaining unallocated shares of the Plan to participants in proportion to the number of shares each participant held in the Plan in two installments. The first allocation was made as of December 31, 2019 and the second allocation was made as of December 31, 2020. The 2020 special allocation was for 62,752 shares valued at \$13.18 a share.

As of December 31, 2020, all assets of the Plan have been allocated to plan participants.

Investment Valuation and Income Recognition

Purchases and sales of securities are recorded on a trade-date basis. Realized gains and losses from security transactions are reported on the average cost method. Net appreciation and depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses

Administrative expenses may be paid by the Company or the Plan, at the Company's discretion. Typically, the administrative and custodial fees are paid directly by the Plan, from the unallocated shares; but other administrative expenses including legal and auditing may be paid by the Company. In 2021 and 2020, the Company paid the custody fees, base administrative fees as well as the audit fee.

3. Investments

	Level 1	Level 2	Level 3	Investments measured at net asset value	Total
Investments in securities, at fair value					
United Bancorp, Inc. common stock	\$ 6,632,409	\$ -	\$ -	\$ -	\$ 6,632,409

As of December 31, 2020, the Plan's investments consisted of:

	Level 1	Level 2	Level 3	Investments measured at net asset value	Total
Investments in securities, at fair value					
United Bancorp, Inc. common stock	\$ 5,485,967	\$ -	\$ -	\$ -	\$ 5,485,967

Total securities, at fair value	<u>\$ 5,492,768</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 5,492,768</u>

4. Fair Value

The framework for measuring fair value provides a fair value hierarchy which prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: • Quoted prices for similar assets in active markets • Quoted prices for identical or similar assets in inactive markets • Inputs other than quoted prices that are observable for the asset • Inputs that are derived principally from or corroborated by observable market data by correlation or other means If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.
<i>See Note 3 for the level determination of each of the Plan's investments, on a recurring basis.</i>

Notes to Financial Statements
December 31, 2021 and 2020

4. Fair Value (continued)

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

METHODOLOGIES

There have been no changes in the methodologies of the Plan's investments between December 31, 2021 and 2020.

Cash equivalents: Valued at \$1 per share.

United Bancorp, Inc. common stock: Valued at quoted market prices in active markets.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in different fair value measurements at the reporting date.

5. Plan Termination

The Company reserves the right to terminate the Plan at any time, subject to Plan provisions. Upon termination of the Plan, the Employee Benefits Administration Committee directs the Trustee to pay all liabilities and expenses of the ESOP and to sell shares of financed common stock held as collateral to the extent it determines such sale to be necessary in order to repay the loan. Subsequently, the interest of each participant in the trust fund will be distributed to such participant or his or her beneficiary at the time prescribed by the Plan terms and the Internal Revenue Code.

6. Parties-in-Interest Transactions

Parties-in-interest is defined by both the Internal Revenue Service and ERISA to include, among others, any entity that provides services to the Plan. Therefore, all the plan expenses included in the accompanying financial statements are considered parties-in-interest transactions.

Additionally, the following parties-in-interest relationships have been identified:

- 1) The Trustee of the Plan holds the Plan's assets, which consist principally of United Bancorp, Inc. common shares.
- 2) Company contributions are held and managed by the Trustee, which invest cash received, interest and dividend income and makes distributions to participants.
- 3) The trustee also administers the payment of interest and principal on the loan, which is reimbursed to the Trustee through contributions as determined by the Company.
- 4) As explained in Note 1, Hand Benefits & Trust Company is owned by the Plan's administrator, BPAS. The Plan or the Plan Sponsor pays trustee fees to Hand Benefits & Trust Company and administrative fees to BPAS.
- 5) Officers or employees of the Company or its subsidiaries perform certain administrative functions. No such officer or employee receives compensation from the Plan.
- 6) The Company provides certain administrative services at no cost to the Plan, including certain brokerage fees.

7. Plan Tax Status

The Plan has received a determination letter from the Internal Revenue Service dated September 24, 2013, stating that the Plan is qualified under the Internal Revenue Code, and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Internal Revenue Code to maintain its qualification. The Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

8. Loan Payable

In 2005, the Plan entered into a \$3,416,578 term loan agreement with the Company. The proceeds of the loan were used to purchase 293,017 shares of the Company's common stock. The borrowing was collateralized by the unallocated shares of stock and was guaranteed by the Company. The lender had no rights against shares once they were allocated under the ESOP. The agreement provided for the loan to be repaid over 15 years. The loan had a variable rate which changed each quarter to equal LIBOR plus 1.35%.

The scheduled amortization of the loan required a final payment of \$342,565 in 2020. The loan has been paid in full as of December 31, 2020.

9. Risks and Uncertainties

Investments of the Plan are not insured by the FDIC; are not deposits or other obligations of, or guaranteed by any bank or affiliates; and are subject to investment risks, including possible loss of the principal amount invested.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and such changes could affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

At various times, subsequent to year end, the value of the Plan's investments declined significantly as a result of volatility in the global financial markets. Future investment returns remain uncertain as the situation in the financial markets continues to evolve.

10. Information Prepared and Certified by the Plan's Trustee

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The following is a summary of the investment information regarding the Plan as of December 31, 2021 and 2020, and for the years then ended, included in the Plan's financial statements and supplemental schedule that was prepared or derived from information prepared by Hand Benefits & Trust Company, the trustee of the Plan, and furnished to the plan administrator.
